MEETINGS OF DIRECTORS AND AUDIT COMMITTEE

The business of the Company is managed under the direction of its Board of Directors. The Board of Directors met four times during 2002, and each director participated in at least 75% of all Board and applicable committee meetings held last year. Actions taken by the Board of Directors outside of Board meetings were consented to in writing by a memorandum of action in lieu of a meeting, to which all incumbent directors subscribed. Directors meet their

Edgar Filing: AAON INC - Form DEF 14A

responsibilities not only by attending Board and committee meetings but also through communication with members of management on matters affecting the Company.

The Board of Directors has an audit committee, the functions, membership and activities of which are described below. In June, 2002, the Board established a compensation committee comprised of Mr. Ryan, Chairman, and Messrs. Naugle, Pantaleoni and Stephenson. Mr. Ryan is working with a consulting firm to gather information to be used by this committee in making recommendations regarding future compensation of management. The compensation committee had no meetings in 2002. The Board does not have a nominating committee.

The Audit Committee provides the opportunity for direct communications between the Company's independent public accountants and the Board of Directors. The Audit Committee meets with the accountants to review their effectiveness during the annual audit and to discuss the Company's internal control policies and procedures. The Audit Committee and the independent public accountants met five times during fiscal year 2002. The members of the Audit Committee are Messrs. Naugle, Chairman, Pantaleoni, Ryan and Stephenson.

A copy of the charter of the Audit Committee, as amended on February 11, 2003, is attached as Appendix A. Each member of the Audit Committee is "independent", as defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

Compensation of Directors. Directors of the Company are paid a fee of \$2,500 per Board meeting attended and they are reimbursed for out-of-pocket expenses incurred in attending such meetings. In addition, the Company has granted persons who are newly elected Directors of the Company an option to purchase 61,875 shares (adjusted for stock splits) of the Company's Common Stock, which options fully vest on the first anniversary of the date of grant. Messrs. Asbjornson, Bowen, Johnson and Pantaleoni were also granted 61,875 share options in 1997, five years after their original grants.

REPORT ON EXECUTIVE COMPENSATION

General. The entire Board of Directors is responsible for (i) oversight and administration of executive compensation, (ii) review of the Company's overall compensation program and (iii) administering the Company's Stock Option Plan. However, Messrs. Asbjornson and Bowen abstain from voting on their compensation. There have been no "interlocks" or "insider participation" [as those terms are defined in Item 402(j) of S.E.C. Regulation S-K] in compensation decisions.

Compensation Process and Philosophy. Historically, there have been two major components to the Company's executive officer compensation: (i) base salary and (ii) option grants. The process used by the Board of Directors in determining executive compensation levels has been based upon the Board's subjective judgment of qualitative and quantitative factors. No specific weights

Edgar Filing: AAON INC - Form DEF 14A

have been previously assigned to the qualitative and quantitative factors in determining the compensation levels. The Board of Directors considers the recommendation of the Company's President with respect to the compensation level of the Company's executive officers, including the President. The Board of Directors ultimately determines the level of compensation for each of the Company's executive officers. The Board of Directors believes that compensation for the Company's employees, including the executive officers, must be in amounts sufficient to attract, retain and motivate key employees, while at the same time maintaining a close relationship to the Company's financial performance. The Board of Directors believes compensation decisions should be tied to individual performance and designed to encourage and reward employees for creating stockholder value. In addition, executive officers have a significant portion of their total compensation opportunity at risk, i.e., stock options. The Company's compensation philosophy is based on the following general principles: (i) employee compensation should reflect the financial success of the overall Company and the individual's performance and (ii) encourage all employees to invest in the Company's common stock to align their interests with the stockholders' interests in maximizing value. Because the Board believes that its executive officers currently have adequate stock option incentives, their added compensation last year took the form of bonuses.

The Company now has a compensation committee which will make recommendations regarding future compensation of management.

Salaries and Bonuses. Mr. Asbjornson's annual salary in 2002 was \$150,000 and he was paid a bonus of \$50,000 last year. Performance factors considered in setting Mr. Asbjornson's compensation include having responsibility for establishing overall corporate philosophy and goals, organizing and staffing Company personnel, overseeing implementation of Board directives, financial budgets, marketing strategies, engineering projects and manufacturing methods. His compensation is measured both by progress toward long-term goals and current financial results.

-9-

Mr. Fergus' annual salary increased slightly from \$116,412 in 2001 to \$116,703 in 2002 and he was paid a bonus of \$16,000 last year. Mr. Fergus' 2002 compensation was predicated on his efforts in reducing direct labor by implementation of improved manufacturing methods and his overall job performance.

Mr. Bowen's annual rate of compensation has been \$38,564 since December 1, 1997. Additionally, the Company made 401(k) plan contributions to Mr. Bowen's account totaling \$218 and paid him \$841 of "profit sharing" in 2002.

Messrs. Asbjornson and Fergus also participate in the Company's "profit sharing" plan (\$3,120 each in 2002 contributed by the Company, a per capita share, the same as all other eligible employees, of 10% of the pre-tax profit of AAON-Oklahoma), and Messrs. Asbjornson and Bowen received directors' fees in 2002.

John B. Johnson, Jr., Thomas E. Naugle,
Anthony Pantaleoni, Jerry E. Ryan and

BOARD OF DIRECTORS INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

There were no reportable business relationships between the Company (or any other corporation that requires specific disclosure under this heading) and the

members of the Board of Directors in 2002.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of Forms 4 furnished to the Company during its most recent fiscal year, the Company knows of no director, officer or beneficial owner of more than ten percent of the Company's Common Stock who failed to file on a timely basis reports of beneficial ownership of the Company's Common Stock as required by Section 16(a) of the Securities Exchange Act of 1934, as amended.

INDEPENDENT PUBLIC ACCOUNTANTS

At a meeting held on June 20, 2002, the Audit Committee of the Board of Directors of the Company approved the engagement of Ernst & Young LLP ("E&Y") as its independent auditors for the fiscal year ending December 31, 2002, to replace the firm of Arthur Andersen LLP ("AA") which was dismissed as auditors of the Company effective June 20, 2002. The reports of Arthur Andersen on the Company's financial statements for the previous two fiscal years did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company's financial statements for the fiscal years ended December 31, 2000 and 2001, and in the subsequent interim period, there were no disagreements with AA on any matter of accounting principles or practices, financial statements disclosure or auditing scope and procedures which, if not resolved to the satisfaction of AA, would have caused AA to make reference to the matter in its report. The Company requested AA to furnish a letter addressed to the Commission stating whether it agreed with the above statements. A copy of AA' letter, dated June 25, 2002, stating that it had no disagreements with such statements was filed as Exhibit 1 to the Company' Form 8-K of the same date.

The Board of Directors has selected E&Y as the independent auditors of the Company for the fiscal year ending December 31, 2003. Representatives of E&Y are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire and to be available to respond to appropriate

Edgar Filing: AAON INC - Form DEF 14A

questions.

Fees and Independence

Audit Fees. E&Y billed the Company an aggregate of \$86,600 for professional services rendered for the audit of the Company's financial statements for the year ended December 31, 2002, and its reviews of the Company's financial statements included in its Form 10-Q's for the second and third quarters of 2002. Prior to the dismissal of AA, the Company paid AA \$4,500 for services rendered in conjunction with the review of the Company's financial statements included in its Form 10-Q for the first quarter of 2002.

Financial Information Systems Design and Implementation Fees. During the year ended December 31, 2002, neither E&Y nor AA provided any services in connection with financial information systems design and implementation.

All Other Fees. No other fees were billed by E&Y or AA to the Company during 2002.

The Audit Committee of the Board of Directors has determined that the provision of services by E&Y described above is compatible with maintaining E&Y's independence as the Company's principal accountant.

STOCKHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Stockholder proposals intended to be presented at the 2004 Annual Meeting and to be included in the Company's Proxy Statement must be received at the Company's executive offices, 2425 South Yukon, Tulsa, Oklahoma 74107, no later than December 29, 2003.

However, a stockholder who otherwise intends to present business at the 2004 Annual Meeting of stockholders, including nominations of persons to the Company's Board of Directors, must also comply with the requirements set forth in the Company's Bylaws. The Bylaws state, among other things, that to bring business before an annual meeting or to nominate a person for the Company's Board of Directors, a stockholder must give written notice that complies with the Bylaws to the Secretary of the Company not less than 60 days nor more than 90 days in advance of the anniversary date of the immediately preceding Annual Meeting. Thus, a notice of a stockholder proposal or nomination for the 2004 Annual Meeting of stockholders, submitted other than pursuant to Rule 14a-8, will be untimely if given before February 27, 2004, or after March 26, 2004. As to any such proposals, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary authority on that proposal unless the Company receives notice of the matter to be proposed between February 27, 2004, and March 26, 2004. Even if proper notice is received on a timely basis, the proxies named in management's proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter to the extent permitted under Rule 14a-4(c)(2) of the Securities Exchange Act of 1934, as amended.

OTHER MATTERS

Audit Committee Charter

(As amended on February 11, 2003)

Organization

This charter governs the operations of the audit committee. The committee shall review and reassess the charter at least annually and obtain the approval of the board of directors. The committee shall be members of, and appointed by, the board of directors and shall comprise at least three directors, each of whom is independent of management and the Company. Members of the committee shall be considered independent as long as they do not accept any consulting, advisory or other compensatory fee (exclusive of director fees) from the Company and are not an affiliated person of the Company or its subsidiaries, and meet the independence requirements of NASDAQ listing standards. All committee members shall be financially literate and, preferably, at least one member will be a financial expert.

Purpose

The audit committee shall provide assistance to the board of directors in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community and others relating to: the integrity of the Company's financial statements; the financial reporting process; the systems of internal accounting and financial controls; the performance of Company's independent auditors; the independent auditor's qualifications and independence; and the Company's compliance with ethics policies and legal and regulatory requirements. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors and management of the Company.

In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

Duties and Responsibilities

The primary responsibility of the audit committee is to oversee the Company's

Edgar Filing: AON INC - Form DEF 14A

financial reporting process on behalf of the board and report the results of its activities to the board. While the audit committee has the responsibilities and powers set forth in this Charter, it is not the duty of the audit committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

The committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices and ethical behavior. The following shall be the principal duties and responsibilities of the audit committee. These are set forth as a guide with the understanding that the committee may supplement them as appropriate.

The committee shall be directly responsible for the appointment and termination, compensation and oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding financial reporting. The committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The committee may delegate pre-approval authority to a member of the audit committee. The decisions of any audit committee member to whom pre-approval authority is delegated must be presented to the full audit committee at its next scheduled meeting.

At least annually, the committee shall obtain and review a report by the independent auditors describing:

- o The auditors' internal quality control procedures.
- o Any material issues raised by the most recent internal quality control review, or peer review, of the auditors or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues.
- o All relationships between the auditors and the Company (to assess the auditor's independence).

The committee shall discuss with the independent auditors the overall scope and plans for its audit, including the adequacy of staffing and compensation. Also, the committee shall discuss with management and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor and manage business risks, and legal and ethical compliance programs.

The committee shall meet separately periodically with management and the independent auditors to discuss issues and concerns warranting committee attention. The committee shall provide sufficient opportunity for the independent auditors to meet privately with the members of the committee. The committee shall review with the independent auditor any audit problems or difficulties and management's response.

The committee shall receive regular reports from the independent auditors on the critical policies and practices of the Company, and all alternative treatments of financial information within generally accepted accounting principles that

Edgar Filing: AAON INC - Form DEF 14A

have been discussed with management.

The committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management assertion.

The committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

The committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for the purposes of this review.

The committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including its judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. Also the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

The committee shall receive reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

The committee also prepares its report to be included in the Company's annual proxy statement, as required by SEC regulations.

The committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.
