Dear Franklin Floating Rate Trust Shareholder:

This notice is to inform you of the Fund's next regular quarterly repurchase offer to repurchase for cash up to 25% of its outstanding shares. The purpose of this repurchase offer (or "tender offer") is to provide the Fund's shareholders with a way to sell their shares at their net asset value (NAV). Fund shares can normally be repurchased by the Fund only during one of the Fund's regular quarterly repurchase offers. The NAV of the Fund on August 22, 2002, was \$8.18 per Share.

The repurchase offer, described in the enclosed Repurchase Offer/Request Form, begins on September 3, 2002 and ends at 1:00 p.m., Pacific Time, on October 2, 2002 (the "Repurchase Request Deadline"). We must RECEIVE a telephone redemption request (if eligible), the properly completed Franklin Floating Rate Trust Repurchase Offer/Request Form (enclosed), or a Notice of Guaranteed Delivery by the Repurchase Request Deadline if you want to sell shares of Franklin Floating Rate Trust this quarter. All requests for repurchase of shares during this period will be processed after that time.

You can sell your shares to the Fund at their NAV during this repurchase period, subject to the terms of the repurchase offer, if you do one of the following by the Repurchase Request Deadline:

1. Ask your investment representative to make the repurchase request for you, through their affiliated securities firm.
2. Make a Telephone Redemption request, if eligible. Generally requests to tender Common Shares with a value of \$100,000 or less can be made over the phone (1-800/632-2301) provided you do not hold share certificates and you have not changed your address by phone within the last 15 days.
3. Complete the enclosed Repurchase Offer/Request Form and return it (with related share certificates you have, if any) to arrive at the Fund's transfer agent, Franklin/Templeton Investor Services, LLC, by the deadline.*
4. Complete and submit a Notice of Guaranteed Delivery by the deadline and send follow-up documents, as described in the Repurchase Offer/Request Form.*

If you have no need or desire to sell Fund shares, simply disregard this notice. Rest assured that we will contact you again next quarter to remind you of your share sale privileges.

If you have any questions, please refer to the enclosed Repurchase Offer/Request Form, contact your investment representative, or call Franklin Templeton Shareholder Services at 1-800/632-2301.

Sincerely,

ADDITIONAL TERMS AND CONDITIONS

OF

REPURCHASE OFFER AND TENDER OF SHARES

This repurchase offer (the "Offer") of Franklin Floating Rate Trust (the "Fund") and acceptance of the Offer by tender of shares of the Fund are made upon the terms and conditions stated in this Repurchase Offer/Request Form and the Fund's prospectus and statement of additional information ("SAI").

1. THE OFFER. The Fund is offering to repurchase for cash up to the percentage set forth in the accompanying cover letter of its issued and outstanding shares of beneficial interest ("Shares") on the Repurchase Request Deadline (defined below) at a price equal to the net asset value ("NAV") as of the close of the New York Stock Exchange ("NYSE") on the Repurchase Pricing Date (defined below) less any applicable early withdrawal charge (described below). The Offer is not conditioned upon the tender for repurchase of any minimum number of Shares.
2. REPURCHASE REQUEST DEADLINE. The Offer will expire on the date set forth in the accompanying cover letter to shareholders which is the Repurchase Request Deadline. All requests for repurchase of Shares or Notice of Guaranteed Delivery forms MUST be received in proper form by the Fund on or before the Repurchase Request Deadline.
3. REPURCHASE PRICING DATE. The NAV for the repurchase must be determined no later than 14 days after the Repurchase Request Deadline, or the next business day if the fourteenth day is not a business day. The Fund intends, HOWEVER, to determine the NAV for the repurchases immediately after the

Edgar Filing: FRANKLIN FLOATING RATE TRUST - Form N-23C3B

Repurchase Request Deadline, or as soon as possible thereafter, if doing so is not likely to result in significant dilution of either Shares that are tendered for repurchase or Shares that are not tendered.

4. **PAYMENT FOR SHARES REPURCHASED.** Payment for all Shares repurchased pursuant to this Offer will be made not later than 7 days after the Repurchase Pricing Date.
5. **NO REPURCHASE FEE; EARLY WITHDRAWAL CHARGE.** The Fund will not impose a repurchase fee for repurchases related to the Offer. An early withdrawal charge of 1% may be imposed on those Shares accepted for repurchase that have been held for less than 12 months, unless a waiver of such charge applies and the shareholder indicates the basis for the waiver on this form. Please check your share holdings and the Fund's prospectus.
6. **NET ASSET VALUE.** The Shareholders must decide whether to tender their Shares prior to the Repurchase Request Deadline, but the NAV at which the Fund will repurchase Shares will not be calculated until the Repurchase Pricing Date. The NAV of the Shares may fluctuate between the date of the shareholder's repurchase request or the Repurchase Request Deadline and the Repurchase Pricing Date. There can be no assurance that the NAV of the Shares on the Repurchase Pricing Date will be as high as the NAV of the Shares on the date of the shareholder's repurchase request or the Repurchase Request Deadline. Please call Shareholder Services at 1-800/632-2301 for current NAV information.
7. **INCREASE IN NUMBER OF SHARES REPURCHASED; PRO RATA REPURCHASE.** If shareholders tender for repurchase more Shares than the Fund is offering to repurchase (the "Offer Amount"), the Fund may (but is not obligated to) increase the amount repurchased by up to 2% of the Fund's outstanding Shares on the Repurchase Request Deadline. If Fund shareholders tender more Shares than the Fund decides to repurchase, whether the Offer Amount or the Offer Amount plus the 2% extra, the Fund will purchase the Shares tendered on a pro rata basis, rounded down to the nearest full share. The Fund may, however, in its discretion accept all Shares tendered by persons who own, beneficially or of record, an aggregate of less than 100 Shares and who tender all of their Shares, before prorating the Shares tendered by other persons. If the Fund determines that Shares will be repurchased on a pro rata basis, there may be a delay in payment because of the difficulty in determining the precise number of Shares validly tendered. The Fund will not pay for Shares until the final proration factor is known, but not later than 7 days after the Repurchase Pricing Date.
8. **WITHDRAWAL OF REQUEST FOR REPURCHASE.** Shareholders may withdraw all or some of their Shares tendered pursuant to the Offer at any time prior to the Repurchase Request Deadline. Shareholders whose accounts are maintained through a broker, dealer, commercial bank, trust company or other nominee should notify such nominee in sufficient time to ensure timely withdrawal or modification of their tenders. Shareholders whose Shares are registered in their own name must submit written notice of such withdrawal or modification (the "Change Notice") to Investor Services. To be effective, a Change Notice must be timely received by Investor Services. Any Change Notice must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and the name of the registered holder if different from that of the person who tendered such Shares. If Share certificates representing such Shares have been delivered or otherwise identified to Investor Services, the tendering shareholder must also submit the Share certificate numbers shown on the particular Share certificates evidencing such Shares and the signature on the Change Notice must be guaranteed by an Eligible Institution (defined above), except in the case of Shares tendered by an Eligible Institution.

Edgar Filing: FRANKLIN FLOATING RATE TRUST - Form N-23C3B

9. **SUSPENSION OR POSTPONEMENT OF OFFER.** The Fund may not suspend or postpone the Offer except by vote of a majority of the Board of Trustees (including a majority of the Trustees who are not "interested persons" of the Fund, the Fund's investment adviser or its affiliates (as defined in the Investment Company Act of 1940, as amended) and only: (A) if the repurchases would cause the Fund to lose its status as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended; (B) for any period during which the NYSE or any market in which the securities owned by the Fund are principally traded is closed, other than customary weekend and holiday closings, or during which trading in such market is restricted; (C) for any period during which any emergency exists as a result of which disposal by the Fund of securities owned by it is not reasonably practicable, or during which it is not reasonably practicable for the Fund fairly to determine its NAV; or (D) for such other periods as the Securities and Exchange Commission may by order permit for the protection of shareholders of the Fund. If the Offer is suspended or postponed, the Fund will notify shareholders. If the Fund suspends or postpones the Offer, the NAV for the Shares tendered will be determined as of the close of the NYSE on an extended repurchase pricing date. During any such extension, all Shares previously tendered and not purchased or withdrawn will remain subject to the Offer. If the Fund renews the Offer, it will send a new notification to all shareholders.
10. **TAX CONSEQUENCES.** Shareholders should review the tax information in the Fund's prospectus and SAI. Shareholders should also consult their tax advisers regarding the specific tax consequences, including the state, local or foreign tax consequences, of participating in the repurchase. Under federal income tax laws, Investor Services may be required to withhold 31% of the amount of any payment made to certain shareholders pursuant to the Offer. In order to avoid such backup withholding, each tendering shareholder must provide Investor Services with the shareholder's correct taxpayer identification number ("TIN") by completing the Substitute Form W-9 in the account application for Shares. In general, if a shareholder is an individual, the TIN is the Social Security Number of such individual. If Investor Services is not provided with the correct TIN, the shareholder may be subject to a penalty imposed by the Internal Revenue Service.
11. **DOCUMENTS IN PROPER FORM.** All questions as to the validity, form, eligibility (including time of receipt) and acceptance of tenders of Shares will be determined by the Fund, in its sole discretion, which determination shall be final and binding. The Fund reserves the absolute right to reject any or all tenders of Shares determined to be in appropriate form or to refuse to accept for payment, purchase or pay for any Shares if, in the opinion of the Fund's counsel, accepting, purchasing or paying for such Shares would be unlawful. The Fund also reserves the absolute right to waive any of the conditions of the Offer or any defect in any tender of Shares whether generally or with respect to any particular Share(s) or shareholders. The Fund's interpretations of the terms and conditions of the Offer shall be final and binding. Unless waived, any defects or irregularities in connection with tenders of Shares must be cured within such times as the Fund shall determine. Tenders of Shares will not be deemed to have been made until the defects or irregularities have been cured or waived.

NEITHER THE FUND, FRANKLIN ADVISERS, INC. (THE FUND'S INVESTMENT ADVISER), FRANKLIN TEMPLETON SERVICES, INC. (THE FUND'S ADMINISTRATOR), INVESTOR SERVICES, NOR ANY OTHER PERSON IS OR WILL BE OBLIGATED TO GIVE NOTICE OF ANY DEFECTS OR IRREGULARITIES IN TENDERS, NOR SHALL ANY OF THEM INCUR ANY LIABILITY FOR FAILURE TO GIVE ANY SUCH NOTICE.

NEITHER THE FUND NOR ITS BOARD OF TRUSTEES MAKES ANY RECOMMENDATION TO ANY

Edgar Filing: FRANKLIN FLOATING RATE TRUST - Form N-23C3B

SHAREHOLDER AS TO WHETHER TO TENDER OR REFRAIN FROM TENDERING SHARES. EACH SHAREHOLDER MUST MAKE AN INDEPENDENT DECISION WHETHER TO TENDER SHARES AND, IF SO, HOW MANY SHARES TO TENDER.

NO PERSON HAS BEEN AUTHORIZED TO MAKE ANY RECOMMENDATION ON BEHALF OF THE FUND AS TO WHETHER SHAREHOLDERS SHOULD TENDER SHARES PURSUANT TO THIS OFFER. NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS IN CONNECTION WITH THE OFFER OTHER THAN THOSE CONTAINED HEREIN OR IN THE PROSPECTUS, SAI OR ACCOUNT APPLICATION. IF GIVEN OR MADE, SUCH RECOMMENDATION AND SUCH INFORMATION AND REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE FUND.
