For the reasons set forth in the Proxy Statement, the Board of Directors unanimously recommends a vote "FOR" the election of directors and the ratification of the appointment of Beard Miller Company LLP as the Company's Auditors.

On behalf of the Board of Directors, we urge you to sign, date and return the enclosed proxy card as soon as possible, even if you currently plan to attend the Annual Meeting. This will not prevent you from voting in person, but will assure that your vote is counted if you are unable to attend the meeting. Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS
APRIL 26, 2006

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the board of directors of Pathfinder Bancorp, Inc. (the "Company") to be used at the annual meeting of shareholders of the Company (the "annual meeting"), which will be held at the Econolodge, 70 East First Street, Oswego, New York on April 26, 2006, at 10:00 a.m., eastern time, and all adjournments of the annual meeting. The accompanying notice of annual meeting of shareholders and this proxy statement are first being mailed to shareholders on or about March 31, 2006.

REVOCATION OF PROXIES

Shareholders who sign the proxies we are soliciting will retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. Where no instructions are indicated, validly executed proxies will be voted "for" the proposals set forth in this proxy statement. If any other matters are properly brought before the annual meeting, the persons named in the accompanying proxy will vote the shares as directed by a majority of the board of directors in attendance at the annual meeting on such matters, if any, that may properly come before the annual meeting or any adjournments thereof.

Proxies may be revoked by sending written notice of revocation to the Secretary of the Company, at the address shown above, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. The presence at the Annual Meeting of any shareholder who had returned a proxy will not revoke the proxy unless the shareholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of the proxy. If you are a shareholder whose shares are not registered in your name, you will need appropriate documentation from your record holder to vote in person at the Annual Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of the Company's common stock, par value \$0.01 per share (the "Common Stock") as of the close of business on March 15, 2006 (the "Record Date") are entitled to one vote for each share they own. As of the Record Date, the Company had 2,950,419 shares of Common Stock issued and 2,463,132 shares of Common Stock outstanding of which 1,583,239 were held by Pathfinder Bancorp, M.H.C. (the "Mutual Holding Company"), and 879,893 of which were held by shareholders other than the Mutual Holding Company ("Minority Shareholders"). The presence in person or by proxy of a majority of the outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. If a shareholder holds shares in street name (i.e. the shares are held in a stock brokerage account or by a bank, trust, or other institution) and does not provide voting instructions to the holder of the account, such shares will be considered "Broker non-votes." Broker non-votes and proxies marked abstain will be counted for purposes of determining that a quorum is present. As to the election of Directors, shareholders may cast their votes "For" or "Withheld". As to the ratification of our Auditors, shareholders may cast their votes "For", "Against" or "Abstain". Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

as to which the authority to vote for the nominees being proposed is withheld. The affirmative vote of holders of a majority of the total votes cast at the Annual Meeting in person or by proxy, without regard to broker non-votes or proxies as to which shareholders abstain, is required for ratification of Beard Miller Company LLP as the Company's Auditors. Because the Mutual Holding

Company owns a majority of the outstanding shares, should it vote "For" the proposals, passage of the proposals would be assured.

Persons and groups who beneficially own in excess of five percent of the Common Stock are required to file certain reports with the Securities and Exchange Commission (the "SEC") regarding such ownership. The following table sets forth, as of the Record Date, the shares of Common Stock beneficially owned by Directors individually, by executive officers individually, by executive officers and Directors as a group and by each person who was the beneficial owner of more than five percent of the Company's outstanding shares of Common Stock.

The officers and directors of the Company and beneficial owners of greater than 10% of the Company's Common Stock ("10% beneficial owners") are required to file reports on Forms 3, 4 and 5 with the SEC disclosing beneficial ownership and changes in beneficial ownership of the Common Stock. SEC rules require disclosure in the Company's Proxy Statement or Annual Report on Form 10-K of the failure of an officer, director or 10% beneficial owner of the Company's Common Stock to file a Form 3, 4, or 5 on a timely basis. All of the Company's officers and directors filed these reports in a timely fashion, with the following exception. A Form 4 was not filed timely on one trade occurring on June 3, 2005 (Director Chris C. Gagas). The lack of timely filing was a result of an oversight by the parties involved. The late filing on this transaction was made on June 22, 2005. A Form 3, announcing the January 1, 2006 promotion of Rhonda Hutchins to Vice President - Retail Lending, an executive officer position, was not filed until February 22, 2006.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The business of the Board of Directors is conducted through meetings and activities of the Board and its committees. During the year ended December 31, 2005, the Board of Directors held twelve regular and five special meetings. During the year ended December 31, 2005, no director attended fewer than 75% percent of the total meetings of the Board of Directors and committees on which such director served.

The Compensation Committee meets periodically to review the performance of officers and employees and to determine compensation programs and adjustments. The entire Board of Directors ratifies the recommendations of the Compensation Committee. In the year ending December 31, 2005, the Compensation Committee consisted of Directors Gagas, Manwaring, Resnick, Spencer and Nelson. All of these Directors are "independent" pursuant to Nasdaq listing requirements. The Compensation Committee met three times during the year ended December 31, 2005.

The Nominating/Governance Committee meets several times a year to address issues concerning corporate governance, succession planning, and to nominate directors to fulfill the terms of the upcoming year. In the year ended December 31, 2005, the Nominating/Governance Committee was comprised of directors Thomas, Manwaring, Joyce, Resnick and Spencer, all of whom are "independent" pursuant to the Nasdaq listing requirements. The Nominating/Governance Committee has a charter in the form of governance guidelines which is available at the Company's website at WWW.PATHFINDERBANK.COM.

Among other things, the functions of the Nominating/Governance Committee include the following:

- to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for shareholder approval;
- to review and monitor compliance with the requirements for board independence; and

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

- to review the committee structure and make recommendations to the Board regarding committee membership.

The Nominating/Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of Board does not wish to continue in service, or if the Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating/Governance Committee would seek to identify a candidate who, at a minimum, satisfies the following criteria:

- has personal and professional ethics and integrity and whose values are compatible with the Company's;
- has had experiences and achievements that have given him or her the ability to exercise and develop good business judgment;
- is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
- is familiar with the communities in which the company operates and/or is actively engaged in community activities;
- is involved in other activities or interests that do not create a conflict with his or her responsibilities to the Company and its shareholders; and
- has the capacity and desire to represent the balanced, best interest of the shareholders of the Company as a group, and not primarily a special interest group or constituency.

The Nominating/Governance Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Nasdaq corporate governance listing standards and, if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an Audit Committee Financial Expert.

The Nominating/Governance Committee will consider candidates for the Board of Directors recommended by shareholders. In order to make a recommendation to the Board of Directors, a shareholder must own no less than 500 shares of the corporation. Shareholders who are so qualified may send their recommendations to

the Secretary of the Company for forwarding to the Nominating/Governance Committee. In light of the due diligence required to evaluate recommendations, said recommendations for the Nominating/Governance candidate for the 2007 annual meeting must be made by June 30, 2006.

Shareholders can submit the names of candidates to be considered by writing to our Corporate Secretary, at 214 West First Street, Oswego, New York 13126. The submission must include the following information:

- the name and address of the shareholder as it appears on the

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

Company's books, and number of shares of the Company's common stock that are owned beneficially by such shareholder (if the shareholder is not a holder of record, appropriate evidence of the shareholder's ownership will be required).

- the name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the shareholder's ownership should be provided).
- a statement of the candidate's business and educational experience.
- such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A.
- a statement detailing any relationship between the candidate and the Company.
- a statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company.
- detailed information about any relationship or understanding between the proposing shareholder and the candidate and
- a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

The Nominating/Governance Committee will consider shareholder recommendations made in accordance with the above similarly to any other nominee proposed by any other source. The Company has not paid a fee to any third party to identify or evaluate any potential nominees. Moreover, the Nominating/Governance Committee has not received within the last year a recommended nominee from a shareholder who beneficially owned more than five percent (5%) of the company's common stock for at least one (1) year, or from a group of shareholders owning more than five (5%) percent of the common stock.

The Audit Committee consists of directors Manwaring, Nelson, Spencer and Joyce. The Audit Committee meets on a periodic basis with the internal auditor to review audit programs and the results of audits of specific areas, on regulatory compliance issues, as well as to review information to further their financial literacy skills. The Audit Committee meets with the Auditors to review quarterly and annual filings, the results of the annual audit and other related matters. The Chairman of the Audit Committee may meet with the Auditors on quarterly filing issues in lieu of the entire committee. Each member of the Audit Committee is "independent" as defined in the listing standards of Nasdaq and SEC Rule 10A-3. The Company's Board of Directors has adopted a written charter for the Audit Committee which is available on the Company's website at WWW.PATHFINDERBANK.COM.

The Audit Committee maintains an understanding of the Company's key areas of financial risk and assesses the steps management takes to minimize and manage such risks; selects and evaluates the qualifications and performance of the Auditors, ensures that the internal and external auditors maintain no relationship with management and/or the Company that would impede their ability to provide independent judgment; oversees the adequacy of the systems of internal control; reviews the nature and extent of any significant changes in accounting principles; and oversees that management has established and maintained processes reasonably calculated to ensure the Company's compliance with all applicable law, regulations, corporate policies and other matters contained in the Company's Code of Ethics which is available on the Company's

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

website at WWW.PATHFINDERBANK.COM. The Audit Committee has established procedures for the confidential, anonymous submission by employees of concerns regarding accounting or auditing matters.

The Board of Directors of Pathfinder Bancorp, Inc. has determined that Bruce E. Manwaring, chairman of the Audit Committee in 2004, 2005, and 2006 qualifies as a financial expert serving on the committee. Mr. Manwaring meets the criteria established by the Securities and Exchange Commission as follows:

- Mr. Manwaring maintains an understanding of generally accepted accounting principles and financial statements and has the ability to assess the application of such principles in connection with accounting for estimates, accruals and reserves.
- Mr. Manwaring has garnered comparable experience preparing and analyzing financial statements in his current position as the Chamberlain of the City of Oswego, which he has held since his appointment in 1999.
- Mr. Manwaring has earned a Bachelor of Science degree majoring in accounting from the State University of New York, College at Oswego and has successfully passed the Uniform Certified Public Accountancy Examination.
- Through his work experience and education, Mr. Manwaring has developed a thorough understanding of internal controls and financial reporting procedures, as well as a detailed understanding of audit committee functions.

The Board of Directors has also determined that Mr. Manwaring and all of the Audit Committee members meet the definition of independent as prescribed by the Nasdaq listing requirements, and are all financially literate.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The full Board of Directors of the Company determines the salaries to be paid each year to the executive officers of the Company.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Under SEC rules, the Company is required to disclose certain data and information regarding compensation and benefits of its Chief Executive Officer and other executive officers. The disclosure includes the use of tables and a report explaining the rationale for and considerations that led to fundamental executive compensation decisions affecting these individuals. In fulfilling this requirement, the Board of Directors of the Company has prepared the following report for inclusion in this proxy statement.

The Compensation Committee of the Board of Directors (the "Committee") is comprised of Directors Chris Burritt, Chris Gagas, William Nelson, Janette Resnick and Corte Spencer, all of whom are "independent" pursuant to Nasdaq listing rules. The Committee annually reviews the performance of the Chief Executive Officer and other executive officers and recommends to the Board of Directors changes to base compensation as well as the amount of any bonus to be awarded. In determining whether the base salary of an officer should be increased, the Committee and the Board of Directors take into account individual performance, performance of the Company and information regarding compensation paid to executives of peer group institutions made to executives performing similar duties for financial institutions in the Bank's market area.

While the Committee and the Board of Directors do not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and Vice Presidents, and while they weigh a variety of different factors in their deliberations, they have emphasized and will continue to emphasize earnings, profitability, earnings contribution to capital, capital strength, asset quality, and return on tangible equity as factors in setting the compensation of the Chief Executive Officer and senior officers. Non-quantitative factors considered by the Committee and the Board of Directors in 2005 included general management oversight of the Company, the quality of

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

communication with the Board of Directors, and the productivity of employees. Finally, the Committee and the Board of Directors considered the standing of the Company with customers and the community, as evidenced by customer and community complaints and compliments. While the Committee and the Board of Directors considered each of the quantitative and non-quantitative factors described above, such factors were not assigned a specific weight in evaluating the performance of the Chief Executive Officer and Vice Presidents.

The Board of Directors approved salary increases totaling \$20,500 for the Company and Bank's six executive officers including Mr. Schneider. Mr. Schneider does not participate in the Board of Director's consideration of his compensation. There was no increase in Mr. Schneider's base salary during 2005.

This has been provided by the Board of Directors: Chris C. Gagas, Thomas W. Schneider, Chris R. Burritt, George P. Joyce, Bruce E. Manwaring, L. William Nelson, Jr., Janette Resnick, Corte J. Spencer, Lloyd "Buddy" Stemple and Stephen W. Thomas.

DIRECTORS' COMPENSATION

Each non-employee director, with the exception of the Board Chairman and the Audit Committee Chairman, receives an annual retainer of \$9,500, a meeting fee of \$500 for each Board meeting attended and \$300 for each committee meeting attended. The Board Chairman receives an additional retainer of \$10,000. The Audit Committee Chairman receives an additional retainer of \$5,000 and the chairman of all other committees receives an additional \$100 for each committee meeting in which they serve in the capacity of committee chairman. Employee directors do not receive monthly meeting fees. The Company paid a total of \$156,150 in director fees during the year ending December 31, 2005.

BENEFITS

MEDICAL AND LIFE INSURANCE AND EDUCATIONAL ASSISTANCE. The Company provides full-time employees with medical and life and accidental death and dismemberment insurance. In addition, the Company maintains a "cafeteria plan" for employees, which permits qualifying employees to allocate a portion of their compensation, on a pre-tax basis, for the payment of medical, dental and dependent care expenses as well as the payment of certain insurance premiums. The Company also offers educational assistance to full-time employees who have worked for the Company for at least one year and who desire to take courses at any accredited school of learning. The Company also provides long-term disability income insurance for all employees equal to the lesser of \$6,000 per month or 60% of the employee's basic monthly earnings.

DEFINED BENEFIT PLAN. The Company maintains a tax-qualified noncontributory defined benefit plan ("Retirement Plan"). All salaried employees age 21 or older who have worked for the Company for at least one year and have been credited with 1,000 or more hours of employment with the Company during the year are eligible to accrue benefits under the Retirement Plan. The Company contributes annually to the Retirement Plan an amount necessary to satisfy the actuarially determined minimum funding requirements in accordance with the Employee Retirement Income Security Act of 1974 ("ERISA").

At the normal retirement age of 65 the plan is designed to provide a life annuity. The retirement benefit provided is equal to 1.5% of a participant's average monthly compensation for periods after May 1, 2004, and 2.0% of the participant's average monthly compensation for credited service prior to May 1, 2004 based on the average of the three consecutive years during the last 10 years of employment which provides the highest monthly average compensation multiplied by the participant's years of credited service (not to exceed 30 years) to the normal retirement date. Retirement benefits also are payable upon

retirement due to early and late retirement. Benefits also are paid from the Retirement Plan upon a Participant's disability or death. A reduced benefit is payable upon early retirement at or after age 60, or the completion of 30 years of service with the Company. Upon termination of employment other than as specified above, a participant who was employed by the Company for a minimum of five years is eligible to receive his or her accrued benefit reduced or early retirement or a deferred retirement benefit commencing on such participant's normal retirement date. Benefits are payable in various annuity forms. At December 31, 2005 the market value of the Retirement Plan trust fund was approximately \$4,070,000. For the plan year ended September 30, 2005, the Company made a contribution of \$670,000 to the Retirement Plan.

The following table indicates the annual retirement benefit that would be payable under the Retirement Plan upon retirement at age 65 in plan year 2005,

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

expressed in the form of a single life annuity for the final average salary and benefit service classification specified below.

\$ 25,000	\$ 7,292	\$ 9,792	\$ 12,292	\$ 14,792

\$210,000	\$61,250	\$82,250	\$103,250	\$124,250

Under Section 401(a)(17) of the Code, the maximum amount of compensation that may be taken into account under the Retirement Plan in the 2005 Plan Year is \$210,000.

As of December 31, 2005, Thomas W. Schneider had 17 years of credited service (i.e., benefit service), and Edward A. Mervine had 4 years of credited service under the Retirement Plan.

EMPLOYEE SAVINGS PLAN. The Company maintains the Employee Savings Plan which is a qualified, tax-exempt profit sharing plan with a cash or deferred feature that is tax-qualified under Section 401(k) of the Internal Revenue Code (the "401(k) Plan"). All employees who have attained age 21 and have completed at least one year of employment during which they worked at least 1,000 hours are eligible to participate.

Participants may contribute, and receive a deduction for, up to 25% of compensation to the 401(k) Plan. For these purposes, "compensation" includes total compensation (including salary reduction contributions made under the 401(k) Plan or the flexible benefits plan sponsored by the Company), but does not include compensation in excess of \$200,000. The Company, in its discretion, may match participants' salary reduction contributions based upon Company profits for the current fiscal year. All employee contributions and earnings thereon are fully and immediately vested. All employer matching contributions vest at the rate of 20% per year beginning at the end of a participant's third year of service with the Company until a participant is 100% vested after seven years of service. Participants also will vest in employer matching contributions when they reach the normal retirement age of 65 or later, or upon death or disability regardless of years of service.

Plan benefits will be paid to each participant in a lump sum. At December 31, 2005, the market value of the 401(k) Plan trust fund was approximately \$2,721,000. For the plan year ended December 31, 2005, the Company made a contribution in the amount of \$145,000 to the 401(k) Plan Trust. The 2005 contributions to the Company 401(k) plan on behalf of Mr. Schneider and Mr. Mervine are set forth in note (3) to the Summary Compensation Table.

EXECUTIVE SUPPLEMENTAL RETIREMENT INCOME MASTER AGREEMENT. The Company maintains a non-tax-qualified executive supplemental retirement income master agreement (the "Master Agreement") for qualifying executives of the Company. One executive and the former Chairman of the Board are currently eligible to participate in the Master Agreement. The Master Agreement provides a supplemental retirement income benefit in an annual amount equal to highest

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

average compensation received by the executive during any 36 month period while employed by the Company, multiplied by a wage replacement percentage designated in the individual executive's joinder agreement, less the actual annual amount available to the executive from the Company's other tax-qualified or nonqualified plans. Benefits under the Master Agreement are payable to the executive upon the benefit age designated in the individual executive's joinder agreement. Benefits will be payable in monthly installments beginning on the executive's benefit age and continuing for a period of months designated in the individual executive's joinder agreement. Payments to an executive, or to his beneficiary, may be made from the Master Agreement upon the executive's death, total or permanent disability, or termination of service with the Company.

The Master Agreement is considered an unfunded plan for tax and ERISA purposes. All obligations arising under the Master Agreement are payable from the general assets of the Company. The 2005 contribution made on behalf of Mr. Schneider in connection with the Master Agreement is set forth in note (3) to the Summary Compensation Table.

STOCK OPTION PLAN. The Pathfinder Bancorp, Inc. 1997 Stock Option Plan (the "Stock Option Plan") authorizes the grant of stock options and limited rights to purchase 132,249 shares of Common Stock. The Stock Option Plan authorizes grants of (i) options intended to qualify as "incentive stock options," (ii) options that do not qualify as incentive stock options ("non-statutory options") and (iii) limited rights (described below) that are exercisable only upon a change in control of the Company (as defined). Non-employee directors are eligible to receive only non-statutory options. No options were granted during the past year.

On December 19, 2000, the Board of Directors accepted the voluntary rescission of all issued and unvested incentive stock options and non-statutory stock options under the Pathfinder Bank 1997 Stock Option Plan.

In July 2001, the Board approved the re-issuance of 38,499 stock options remaining in the 1997 Stock Option Plan. The exercise price is equal to the market value of the Company's shares at the date of grant (\$8.34). The options granted under the re-issuance have a 10-year term. At December 31, 2005, all options have vested under the Stock Option Plan.

Simultaneously with the grant of any stock option, the Committee may grant a Dividend Equivalent Right with respect to all or some of the shares covered by such stock option. The Dividend Equivalent Right provides the grantee with a separate cash benefit equal to 100% of the amount of any extraordinary dividend on shares of Common Stock subject to a stock option. Under the terms of the Stock Option Plan, an extraordinary dividend is any dividend paid on shares of Common Stock that exceeds the Company's weighted average cost of interest bearing liabilities for the current and preceding three quarters. Upon the payment of an extraordinary dividend, Dividend Equivalent Right will receive at the time the related stock option vests cash or some other payment as determined under the Stock Option Plan, equal to 100% of the extraordinary dividend paid on shares of Common Stock plus any earnings thereon, minus any tax withholding amounts. The Dividend Equivalent Right is transferable only when the underlying stock option is transferable and under the same conditions.

During the year, neither Mr. Schneider nor Mr. Mervine acquired any company stock through the exercise of options. As of December 31, 2005, Mr. Schneider held 450 unexercised in-the-money options valued at approximately \$2,126.

The Board of Directors may amend, suspend or terminate the Stock Option Plan except that such amendments may not impair awards previously granted. Shareholders of the Company must approve any amendment to the Stock Option Plan that would increase the number of options, decrease an option exercise price, extend the term of the Stock Option Plan or any option, or change the persons or

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

category of persons eligible to be granted options. The exercise of options will have a dilutive effect on the ownership interests of existing shareholders. Further, the exercise of options may render more difficult or discourage a merger, tender offer or other takeover attempt even if such transaction or event would be beneficial to shareholders generally, the assumption of control by a holder of a large block of the Company's securities, a proxy contest or the removal of incumbent management.

RECOGNITION AND RETENTION PLAN. The Board of Directors of the Company adopted the 1997 Recognition and Retention Plan (the "Recognition Plan") as a method of providing certain employees and non-employee directors of the Company with a proprietary interest in the Company and to provide these individuals with an incentive to increase the value of the Company.

The Stock Benefits Committee, composed of the non-employee directors of the Company, administers the Recognition Plan, and makes awards to officers and employees pursuant to the Recognition Plan. Awards to non-employee directors are fixed by the terms of the Recognition Plan. Awards of Common Stock that have not vested under the Recognition Plan ("Restricted Stock") are nontransferable and nonassignable. Participants in the Recognition Plan become vested in shares of Restricted Stock over a six-year period beginning on January 24, 1999; provided, however, that the Stock Benefits Committee may accelerate or extend the vesting rate on any awards made to officers and employees after the effective date of the Recognition Plan. On December 19, 2000 ("the rescission date"), the Board of Directors accepted the voluntary rescission of all issued and unvested awards under the 1997 Recognition and Retention Plan. Accordingly, the shares, which would have been earned by participants since the rescission date, will be retained by the Recognition Plan. Awards to executive officers and outside directors become fully vested upon termination of employment or service due to normal retirement, death or disability, or following a termination of employment or service in connection with a change in control (as defined therein) of the Company. Upon termination of employment or service for any other reason, unvested shares are forfeited. When a participant's Restructured Stock vests, the participant will recognize ordinary income equal to the fair market value of the shares vested, unless the participant previously made an irrevocable election to be taxed on the shares of Restricted Stock awarded to him in the year of the award. The amount of income recognized by a participant will be a deductible expense of the Company for Federal income tax purposes. A participant is entitled to receive any cash dividends paid on the Restricted Stock both before and after vesting of the Restricted Stock. Stock dividends declared by the Company and paid on Restricted Stock that have not vested are subject to the same restrictions as the Restricted Stock until such shares vest.

Set forth below is certain information as of December 31, 2005 regarding equity compensation to directors, director's emeriti and executive officers of the Company approved by shareholders. Other than the employee stock ownership plan, the Company did not have any equity plans in place that were not approved by shareholders.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

The Sarbanes-Oxley Act of 2002 generally prohibits an issuer from (i) extending or maintaining credit; (ii) arranging for the extension of credit; or (iii) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, however, one of which is applicable to the Company. Namely, this prohibition does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers by the Bank are made in conformity with the Federal Reserve Act and regulations promulgated thereunder.

All other transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of its Common Stock and affiliates thereof, are on terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons.

Such transactions must be approved by a majority of independent outside directors of the Company not having any interest in the transaction.
