(the "Company") to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held at the Brookline Holiday Inn, 1200 Beacon Street, Brookline, Massachusetts 02446, on April 16, 2003, at 10:00 a.m., and all adjournments of the Annual Meeting. REVOCATION OF PROXIES

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this Proxy Statement for consideration at the Annual Meeting.**

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holders discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournments thereof.

Proxies may be revoked by sending written notice of revocation to the Secretary of the Company at the address shown above. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

VOTING SECURITIES AND VOTING PROCEDURES

Holders of record of the Company's common stock, par value \$0.01 per share (the "Common Stock"), as of the close of business on February 28, 2003 (the "Record Date") are entitled to one vote for each share then held, except as described below. As of the Record Date, the Company had 58,918,311 shares issued and 58,748,012 shares outstanding. The presence in person or by proxy of a majority of the outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Broker non-votes and proxies marked ABSTAIN will be counted for purposes of determining that a quorum is present. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

In accordance with the provisions of the Company's Certificate of Incorporation, recordholders of Common Stock who beneficially own in excess of 10% of the outstanding shares of Common Stock (the "Limit") are not entitled to any vote with respect to the shares held in excess of the Limit. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

As to the election of directors, the proxy card being provided by the Board of Directors enables a stockholder to vote FOR the election of the five nominees proposed by the Board of Directors or to WITHHOLD AUTHORITY to vote for the nominees being proposed. Directors are elected by a

plurality of votes cast, without regard to either broker non-votes or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of auditors, the proxy card being provided by the Board of Directors enables a stockholder to: (i) vote FOR the proposal; (ii) vote AGAINST the proposal; or (iii) ABSTAIN from voting on the proposal. The ratification of auditors must be approved by the affirmative vote of a majority of the votes cast without regard to broker non-votes or proxies marked ABSTAIN.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Company's Board of Directors.

The full Board of Directors of the Company approves the salaries to be paid each year to the three highest paid officers of the Company, based on the recommendations of the Bond and Salary Committee. Richard P. Chapman, Jr. and Charles H. Peck are directors of the Company in addition to being executive officers of the Company and of the Bank. Messrs. Chapman and Peck do not participate in the Board of Directors' determination of compensation for their respective offices.

Report of the Bond and Salary Committee of the Board of Directors on Executive Compensation

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

Under rules established by the SEC, the Company is required to provide certain data and information regarding compensation and benefits provided to its Chief Executive Officer and other executive officers. The disclosure requirements for the Chief Executive Officer and other executive officers include a report explaining the rationale and considerations that led to fundamental executive compensation decisions affecting those individuals. In fulfillment of this requirement, the Bond and Salary Committee of the Board of Directors has prepared the following report for inclusion in this proxy statement.

The Committee annually reviews the performance of the Chief Executive Officer and other executive officers and approves changes to base compensation as well as the level of bonus, if any, to be awarded. In determining whether the employment agreements of the Chief Executive Officer and other executive officers should be extended, the Committee took into account the individual performance of each executive officer and the performance of the Company under the direction of the executive officers. Other factors considered by the Committee in 2002 included each executive officer's general managerial oversight of the Company, the quality of communications with the Board of Directors, and the Company's record of compliance with regulatory requirements.

While the Committee does not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and other executive officers, and while it weighs a variety of different factors in its deliberations, it has emphasized and expects to continue to emphasize the profitability and scope of the Company's operations, the experience, expertise and management skills of the executive officers and their roles in the future success of the Company, as well as compensation surveys prepared by banking associations and professional firms to determine compensation paid to executives performing similar duties for similarly-sized financial institutions in the New England and Mid-Atlantic Regions. While each of the quantitative and non-quantitative factors described above was considered by the Committee, such factors were not assigned a specific weight in evaluating the performance of the Chief Executive Officer and other executive officers. Rather, all factors were considered.

The amount of bonus payments to an executive officer is based on the performance of the Company as measured against certain quantitative thresholds. Specifically, bonus payments are based on the Company's level of net operating income, net interest margin, non-performing assets and operating expenses. The performance thresholds for bonus payments have been established by the full Board of Directors. In 2002, the Committee, after taking into account the foregoing quantitative criteria and other factors, established the bonus payments for the executive officers.

With respect to Richard P. Chapman, Jr., the Chief Executive Officer, the Committee recommended to the full Board of Directors a \$20,000 increase in base salary to \$440,000 in 2002. Mr. Chapman's annual bonus was increased by \$6,000 to \$132,000 for 2002.

Directors' Compensation

Executive officers of the Company and the Bank receive no fees for service on the Board of Directors of the Company and the Bank or on any committees of the Boards. When Board meetings were held concurrently with meetings of the Board of Trustees of Brookline Bancorp, M.H.C., meeting fees were partially assumed by Brookline Bancorp, M.H.C. Brookline Bancorp, M.H.C., the Company's mutual holding company, was merged with and into the Bank in July 2002 in connection with the Company's reorganization and stock offering.

Employment and Severance Agreements

Employment Agreements. The Bank has entered into substantially identical employment agreements with Messrs. Chapman and Peck. Each of the agreements has a term of 36 months. On each anniversary date, the agreement may be extended for an additional twelve months, so that the remaining term shall be 36 months. If the agreement is not renewed, the agreement will expire 36 months following the anniversary date. Under the agreements, the current Base Salaries for Messrs. Chapman and Peck are \$460,000 and \$215,000, respectively. The Base Salary may be increased but not decreased. In addition to the Base Salary, the agreement provides for, among other things, participation in retirement plans and other employee and fringe benefits applicable to executive personnel. The agreement provides for termination by the Bank for cause at any time. In the event the Bank terminates the executive's employment for reasons other than for cause, or in the event of the executive's resignation from the Bank (such resignation to occur within the period or periods set forth in the employment agreement) upon (i) failure to re-elect the executive to his current offices, (ii) a material change in the executive's functions, duties or responsibilities, or relocation of his principal place of employment by more than 30 miles, (iii) liquidation or dissolution of the Bank, (iv) a breach of the agreement by the Bank, or (v) following a change in control of the Bank or the Company, the executive, or in the event of death, his beneficiary, would be entitled to severance pay in an amount equal to three times the Base Salary and the highest bonus paid during any of the last three years. Messrs. Chapman and Peck would receive an aggregate of \$2,577,000 pursuant to their employment agreements upon a change in control of the Bank or the Company, based upon current levels of compensation. The Bank also would continue the executive's life, health, dental and disability coverage for 36 months from the date of termination. In the event the payments to the executive include an "excess parachute payment" as defined by Code Section 280G (relating to payments made in connection with a change in control), the payments would be reduced in order to avoid having an excess parachute payment.

Under the agreement, the executive's employment may be terminated upon his retirement in accordance with any retirement policy established on behalf of the executive and with his consent. Upon the executive's retirement, he will be entitled to all benefits available to him under any retirement or other benefit plan maintained by the Bank. In the event of the executive's disability for a period of six months, the Bank may terminate the agreement provided that the Bank will be obligated to pay him his Base Salary for the remaining term of the agreement or one year, whichever is longer, reduced by any benefits paid to the executive pursuant to any disability insurance policy or similar arrangement maintained by the Bank. In the event of the executive's death, the Bank will pay his Base Salary to his named beneficiaries for one year following his death, and will also continue medical, dental and other benefits to his family for one year. The employment agreement provides that, following his termination of employment, the executive will not compete with the Bank for a period of one year.

Severance Agreements. The Bank has entered into severance agreements (the "Severance Agreements") with seven other officers of the Bank, including Mr. Bechet and Ms. Gorman, which provide certain benefits in the event of a change in control of the Bank or the Company. Each of the Severance Agreements provides for a term of 36 months, except for the Severance Agreement for Ms. Gorman which is for a one year term. Commencing on each anniversary date, the Board of Directors may extend any Severance Agreement for an additional year. The Severance Agreements enable the Bank to offer to designated officers certain protections against termination without cause in the event of a "change in control." For these purposes, a "change in control" is defined generally to mean: (i) consummation of a plan of reorganization, merger or sale of substantially all of the assets of the Bank or the Company where the Bank or the Company is not the surviving entity; (ii) changes to the Board of Directors of the Bank or the Company whereby individuals who constitute the current Board cease to constitute a majority of the Board, subject to certain exceptions; (iii) a change in

10

"control" as defined by the BHCA, in effect on the date of the Severance Agreement; (iv) a transaction or occurrence whereby any person becomes the beneficial owner of 25% or more of the voting securities of the Company; and (v) a tender offer is made for 25% or more of the voting securities of the Company and 25% or more of the stockholders have tendered their shares. These protections against termination without cause in the event of a change in control are frequently offered by other financial institutions, and the Bank may be at a competitive disadvantage in attracting and retaining key employees if it does not offer similar protections. Although the Severance Agreements may have the effect of making a takeover more expensive to an acquiror, the Bank believes that the benefits of enhancing the Bank's ability to attract and retain qualified management persons by offering the Severance Agreements outweighs any disadvantage of such agreements.

Following a change in control of the Company or the Bank, an officer is entitled to a payment under the Severance Agreement if the officer's employment is involuntarily terminated during the term of such agreement, other than for cause, as defined, or if the officer voluntarily terminates employment during the term of such agreement as the result of a demotion, loss of title, office or significant authority, reduction in his annual compensation or benefits, or relocation of his principal place of employment by more than 30 miles from its location immediately prior to the change in control. In the event that an officer who is a party to a Severance Agreement is entitled to receive payments pursuant to the Severance Agreement, he will receive a cash payment up to a maximum of one times the average of the three preceding years' annual base salary and bonuses. Mr. Bechet and Ms. Gorman would receive an aggregate of \$317,583 and the remaining officers would receive an aggregate of \$519,450, pursuant to their severance agreements upon a change in control of the Bank or the Company. In addition to the severance payment, each covered officer is entitled to receive life, health, dental and disability coverage for a period of up to 12 months from the date of termination. Notwithstanding any provision to the contrary in the Severance Agreement, payments under the Severance Agreements are limited so that they will not constitute an excess parachute payment under Section 280G of the Internal Revenue Code.

Compensation of Officers and Directors through Benefit Plans

Medical, Dental, Life and Other Similar Employee Benefit Plans. The Bank provides eligible employees (i.e., generally full-time employees and employees who work more than 20 hours per week) with group life (after three months of employment), accidental death and dismemberment, and long-term disability coverage. For its eligible employees, the Bank pays 80% of the monthly premiums for group health coverage and 50% of the monthly premiums for individual and family dental coverage. For Messrs. Chapman and Peck, the Bank pays 100% of such premiums. The Bank pays 100% of the monthly premiums for group life insurance coverage after the employee has completed one year of service. The Bank also sponsors a flexible benefits plan under which employees can pay their ratable share of health insurance premiums on a pre-tax basis, a medical expense reimbursement plan under which employees can defer their salary on a pre-tax basis to cover the costs of certain medical expenses not reimbursed through insurance or otherwise, and a dependent care plan under which employees can defer their salary on a pre-tax basis to cover qualified dependent care expenses.

Supplemental Retirement Income Agreement. The Bank has entered into non-qualified supplemental retirement income agreements ("SRIA") for the benefit of Messrs. Chapman and Peck that provide them with benefits generally equal to 70% of their average compensation for the three calendar years with the highest rate of compensation in the ten calendar year period prior to retirement, reduced by any distribution they are entitled to receive from the Bank's pension plan and one-half of any Social Security benefits.

Retirement benefits under the SRIA are generally payable as a monthly benefit or, at the election of the Bank, as a lump sum benefit. The monthly benefits are payable on early or normal retirement or disability and continue until the later of the executive's death or 15 years from Mr. Peck's retirement

(20 years in the case of Mr. Chapman). Monthly benefits are provided for designated beneficiaries of participants who do not survive until retirement commencing on the date of death and ending on the earlier of (1) the date the executive would have attained his standard life expectancy or (2) 15 years from the date of death in the case of Mr. Peck (20 years in the case of the death of Mr. Chapman). Under the SRIAs, in the case of a change in control, the executive (or in the event of the executive's death, his beneficiary) is irrevocably entitled to elect a lump sum benefit equal to the actuarial equivalent of the monthly benefit to which the executive is entitled at such time. The SRIA is considered an unfunded plan for tax and ERISA purposes. For the year ended December 31, 2002, the Bank charged to expense under the SRIA \$269,730 and \$123,350 to Mr. Chapman and Mr. Peck, respectively. All obligations under the SRIA are payable from the general assets of the Bank.

401(k) Plan. The Bank maintains the Savings Banks Employees Retirement Association 401(k) Plan which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code (the "401(k) Plan"). All employees who have attained age 21 are eligible to participate.

Under the 401(k) Plan, participants are permitted to make salary reduction contributions equal to the lesser of 75% of compensation or \$11,000 in 2002 (as indexed annually). Those plan participants who are age 50 or older are permitted to make salary reduction contributions equal to the lesser of 75% of compensation or \$12,000 in 2002 (as indexed annually). For these purposes, "compensation" includes wages reported on federal income tax form W-2, but does not include compensation in excess of the Code Section 401(a)(17) limits (i.e., \$200,000). All employee contributions and earnings thereon are fully and immediately vested.

Defined Contribution Plan. Effective January 1, 2001, a defined contribution plan was established to provide for annual contributions by the Bank equal to 5% of each participant's compensation up to \$200,000 in 2002. In order to be fully vested in the Bank's annual contribution, a participant must complete three years of service with the Bank or the Company after December 31, 2000. A participant may withdraw salary reduction contributions in the event the participant suffers a financial hardship. The plan permits employees to direct the investment of their own accounts into various investment options.

Plan benefits will be paid to each participant in the form of a life annuity (or joint and survivor annuity if married) upon retirement or death unless an alternate form of distribution (lump sum or equal payments over a fixed period) is selected. If a participant terminates employment prior to retirement, his vested benefit will be held by the plan until the participant elects to receive his benefit from the plan. If a participant (and the participant's spouse, if married) elects to receive benefits after termination of employment prior to normal or early retirement age, benefits will be paid in a lump sum. Normal retirement age under the plan is age 65. Early retirement age is the earliest of age 62, age 55 with ten years of service, or the date on which a claim for Social Security disability income benefits is approved.

Employee Stock Ownership Plan and Trust. The Bank has implemented an Employee Stock Ownership Plan (the "ESOP"). Employees with at least one year of employment in which they work 1,000 hours or more with the Bank and who have attained age 21 are eligible to participate. The ESOP has borrowed funds from the Company and used those funds to purchase shares of the Common Stock of the Company. Collateral for the loan is the Common Stock purchased by the ESOP. The loan will be repaid principally from the Bank's contributions to the ESOP over a maximum of 30 years. The interest rate for the loan is fixed at 8.50%. Shares purchased by the ESOP are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan are allocated among ESOP participants on the basis

of compensation in the year of allocation. For the plan year ended December 31, 2002, 59,704 shares were released from the suspense account and allocated to employees. Participants in the ESOP receive credit for each year of service with the Bank prior to the effective date of the ESOP (up to a maximum of three years). Benefits generally vest over a seven year period. Benefits generally vest at the rate of 20% per year beginning in the third year of service until a participant is 100% vested after seven years or upon normal retirement (as defined in the ESOP), disability or death of the participant or a change in control (as defined in the ESOP). A participant who terminates employment for reasons other than death, retirement or disability prior to seven years of credited service will forfeit the nonvested portion of his benefits under the ESOP. Benefits will be

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

payable in the form of Common Stock and cash upon death, retirement, early retirement, disability or separation from service. The Bank's contributions to the ESOP are discretionary, subject to the loan terms and tax law limits and, therefore, benefits payable under the ESOP cannot be estimated. The Bank is required to record compensation expense in an amount equal to the fair market value of the shares released from the suspense account.

The Bank's Board of Directors administers the ESOP. The Bank has appointed an independent financial institution to serve as trustee of the ESOP. The ESOP committee may instruct the trustee regarding investment of funds contributed to the ESOP. The ESOP trustee, subject to its fiduciary duty, must vote all allocated shares held in the ESOP in accordance with the instructions of participating employees. Under the ESOP, nondirected shares and shares held in the suspense account will be voted in a manner calculated to most accurately reflect the instructions it has received from participants regarding the allocated stock so long as such vote is in accordance with the provisions of ERISA.

Stock Benefit Plans

The Board of Directors of the Company has adopted the 1999 Stock Option Plan and the 1999 Recognition and Retention Plan, both of which plans have been approved by stockholders. Pursuant to the Recognition and Retention Plan, awards were made to directors and certain executive officers and employees of the Company and affiliates of the Company as determined by the Bond and Salary Committee, which administers the plan. Awards vest for such participants in accordance with a schedule determined by the committee. If a recipient ceases continuous service with the Company or the Bank due to normal retirement, death or disability, or following a change in control, shares subject to restrictions will immediately vest; in the event of cessation of continuous service for any other reason, unvested shares are forfeited and returned to the Company. Recipients have the right to vote nonvested shares that have been awarded and will receive dividends declared on such shares.

Pursuant to the Stock Option Plan, options to purchase common stock of the Company were granted to directors and certain executive officers and employees of the Company and affiliates of the Company, as determined by the Bond and Salary Committee which administers the plan. The committee also determines the period over which such awards will vest and become exercisable. The plan provides for awards in the form of stock options, reload options, limited stock appreciation rights and dividend equivalent rights. No options were granted to the Named Executive Officers under the Stock Option Plan during the year ended December 31, 2002.

Set forth below is certain information concerning options outstanding to the Named Executive Officers at December 31, 2002 and options exercised by the Named Executive Officers during 2002.

Transactions with Certain Related Persons

All transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of its Common Stock and affiliates thereof, are on terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons. The balance of loans outstanding to directors, executive officers and their related interests amounted to \$4,329,064 at December 31, 2002. The Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (i) extending or maintaining credit; (ii) arranging for the extension of credit; or (iii) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, however, one of which is applicable to the Company. Namely, this prohibition does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers by the Bank are made in conformity with the Federal Reserve Act and regulations promulgated thereunder.

Compass Consulting Group ("Compass"), a firm with which Ms. Cheryl B. Gorman was affiliated prior to joining the Bank in April 2002 as senior vice president of retail banking, performed professional services for the Bank in 2002 related to the development of a long-range retail banking program, market research and other retail banking initiatives. Total fees paid by the Company to Compass in 2002 were \$70,505, plus expenses of \$8,182.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors of the Company has approved the engagement of KPMG LLP to be the Company's auditors for the 2003 fiscal year, subject to the ratification of the engagement by the Company's stockholders. At the Annual Meeting, stockholders will consider and vote on the ratification of the engagement of KPMG LLP for the Company's fiscal year ending December 31, 2003. A representative of KPMG LLP is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he so desires.

On January 17, 2003, the Company elected to change its independent auditors to KPMG LLP from Grant Thornton LLP. The decision to change independent auditors was recommended by the Audit Committee of the Board of Directors and approved by the Board of Directors. Grant Thornton LLP's report on the consolidated financial statements of the Company for the period ended December 31, 2002 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, auditing scope or accounting principles. Grant Thornton LLP was engaged to audit the consolidated financial statements of the Company as of and for the year ended December 31, 2002. During the two years ended December 31, 2002 and the interim period through March 14, 2003, the Company had no disagreements with Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which disagreements, if not resolved to the satisfaction of Grant Thornton LLP, would have caused it to make reference to the subject matter of the disagreements in connection with its report. A representative of Grant Thornton LLP is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he so desires.

Set forth below is certain information concerning aggregate fees billed for professional services rendered during fiscal year 2002 by Grant Thornton LLP, the Company's auditors for the 2002 fiscal year.

Edgar Filing: BROOKLINE BANCORP INC - Form DEF 14A

Audit Fees	\$	117,324
Financial Information Systems Design and Implementation Fees	\$	
All Other Fees	\$	87,144

The services for which non-audit fees were paid during fiscal year 2002 consisted of the rendering of a state tax opinion in connection with the Company's reorganization and stock offering and the review of the prospectus relating to the stock offering, which was completed in July 2002.

The Audit Committee considered whether the provision of non-audit services was compatible with maintaining Grant Thornton LLP's independence. The Audit Committee concluded that performing such services in 2002 did not affect Grant Thornton LLP's independence in performing its function as auditor of the Company.

In order to ratify the selection of KPMG LLP as the auditors for the 2003 fiscal year, the proposal must receive the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF KPMG LLP AS AUDITORS FOR THE 2003 FISCAL YEAR.**

STOCKHOLDER PROPOSALS

In order to be eligible for inclusion in the proxy materials for next year's Annual Meeting of Stockholders, any stockholder proposal to take action at such meeting must be received at the Company's executive office, 160 Washington Street, Brookline, Massachusetts 02445, no later than November 15, 2003. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934.

OTHER MATTERS AND ADVANCE NOTICE PROCEDURES

The Board of Directors is not aware of any business to come before the Annual Meeting other than the matters described above in this proxy statement. However, if any matters should properly come before the Annual Meeting, it is intended that holders of the proxies will act as directed by a majority of the Board of Directors, except for matters related to the conduct of the Annual Meeting, as to which they shall act in accordance with their best judgment. The Board of Directors intends to exercise its discretionary authority to the fullest extent permitted under the Securities Exchange Act of 1934.

The Bylaws of the Company provide an advance notice procedure for certain business, or nominations to the Board of Directors, to be brought before an annual meeting. In order for a stockholder to properly bring business before an annual meeting, or to propose a nominee to the Board, the stockholder must give written notice to the Secretary of the Company not less than 90 days before the date fixed for such meeting; provided, however, that in the event that less than 100 days' notice or prior public disclosure of the date of the meeting is given or made, notice by the stockholder to be timely must be received not later than the close of business on the tenth day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure was made. The notice must include the stockholder's name, record address and number of shares owned by the stockholder, describe briefly the proposed business, the reasons for bringing the business before the annual meeting and any material interest of the stockholder in the proposed business. In the case of nominations to the Board, certain information regarding the nominee must be provided. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement and proxy relating to an annual meeting any stockholder proposal which does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received.

The date on which the 2004 Annual Meeting of Stockholders is expected to be held is April 15, 2004. Accordingly, advance written notice of business or nominations to the Board of Directors to be brought before the 2004 Annual Meeting of Stockholders must be given to the Company no later than January 17, 2004. If notice is received after January 17, 2004, it will be considered untimely, and the Company will not be required to present the matter at the 2004 Annual Meeting of Stockholders.

MISCELLANEOUS

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Company. Proxies also may be solicited personally or by mail, telephone or telegraph by the Company's directors, officers and employees, without additional compensation therefor. The Company also will request persons, firms and corporations holding shares in their names, or in the names of their nominees which are beneficially owned by others, to send proxy materials to and to obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so.
