If NOI falls within the definition of "non-GAAP financial measure" set forth in Item 10(e) of Regulation S-K, Equity Residential is required to include in this Current Report a statement disclosing the reasons why management believes that presentation of NOI provides useful information to investors regarding Equity Residential's results of operations. Equity Residential believes that NOI is helpful to investors as a supplemental measure of the operating performance of a real estate company because it is a direct measure of the actual operating results of the Company's apartment properties.
