and furnished as an Exhibit 99.2. Also on July 18, 2003, Equitable held a conference call at which certain of its officers discussed, among other things, Equitable's second quarter earnings. A transcript of the conference call is attached hereto and furnished as an Exhibit 99.3. In the question and answer portion of the conference call, a caller inquired about the amount of capital expenditures in the second quarter of 2002, identifying \$51 million from his records. In a subsequent discussion with the caller, Equitable determined that the caller was utilizing an incorrect number. Equitable confirms that the capital expenditure information contained in the press releases is correct. Exhibits 99.1, 99.2 and 99.3 are incorporated in this report by reference.
