3. To transact such other business as may properly come before the meeting or any adjournments thereof.

Only holders of the Common Stock at the close of business on Friday, December 10, 2004 are entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof. **PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON
January 21, 2005**

This proxy statement, which is first being mailed to stockholders on approximately December 16, 2004, is furnished in connection with the solicitation by the Board of Directors of Mothers Work, Inc. (the "Company") of proxies to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), to be held at 9:00 a.m., Eastern Standard Time, on January 21, 2005 (the "2005 Annual Meeting") at the Company's corporate headquarters, 456 North Fifth Street, Philadelphia, Pennsylvania, and at any adjournments or postponements thereof. If proxies in the accompanying form are properly executed and returned prior to voting at the meeting, the shares of the Company's Common Stock (the "Common Stock") represented thereby will be voted as instructed on the proxy. If no instructions are given on a properly executed and returned proxy, the shares of the Common Stock represented thereby will be voted for the election of the nominees for director named below, for the ratification of the appointment of KPMG as independent auditors, and in support of management on such other business as may properly come before the Annual Meeting or any adjournments thereof. Any proxy may be revoked by a stockholder prior to its exercise upon written notice to the Secretary of the Company, by delivering a duly executed proxy bearing a later date, or by the vote of a stockholder cast in person at the Annual Meeting.

VOTING

Holders of record of the Common Stock on Friday, December 10, 2004 will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of that date, there were 5,225,495 shares of Common Stock outstanding and entitled to vote. The presence, in person or by proxy, of holders of Common Stock entitled to cast at least a majority of the votes which all holders of the Common Stock are entitled to cast will constitute a quorum for purposes of the transaction of business. Each share of Common Stock entitles the holder thereof to one vote on the election of each of the nominees for director and on any other matter that may properly come before the Annual Meeting. Stockholders are not entitled to cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast and votes may be cast in favor of or withheld from each director nominee. Votes that are withheld from a director nominee will be excluded entirely from the vote for such nominee and will have no effect thereon. Ratification of the appointment of KPMG as independent auditors to audit the consolidated financial statements of the Company and its subsidiaries for the year ended September 30, 2005 requires the affirmative vote of the holders of a majority of the shares entitled to vote, present at the Annual Meeting in person or represented by proxy.

Abstentions and broker non-votes (described below) are counted in determining whether a quorum is present. Abstentions with respect to any proposal other than the election of directors will have the same effect as votes against the proposal. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the beneficial owners have not instructed the broker on how to vote on such proposals and the broker does not have discretionary authority to vote in the absence of instructions. Broker non-votes are not considered to be shares

"entitled to vote" (other than for quorum purposes), and will therefore have no effect on the outcome of any of the matters to be voted upon at the Annual Meeting.

The cost of solicitation of proxies by the Board of Directors will be borne by the Company. Proxies may be solicited by mail, personal interview, telephone or facsimile and, in addition, directors, officers and regular employees of the Company may solicit proxies by such methods without additional remuneration. Banks, brokerage houses and other institutions, nominees or fiduciaries will be requested to forward the proxy materials to beneficial owners in order to solicit authorizations for the execution of proxies. The Company will, upon request, reimburse such banks, brokerage houses and other institutions, nominees and fiduciaries for their expenses in forwarding such proxy materials to the beneficial owners of the Common Stock.

**ELECTION OF DIRECTORS
(PROPOSAL 1)**

The Company's Board of Directors is divided into three classes, with staggered three-year terms. Currently, the Board has seven members. Unless otherwise specified in the accompanying proxy, the shares voted pursuant thereto will be cast for Ms. Rebecca C. Matthias, Mr. Joseph A. Goldblum and Mr. David Schlessinger for terms expiring at the Annual Meeting of Stockholders to be held following fiscal 2007 (the "2008 Annual Meeting"). If, for any reason, at the time of election, any of the nominees named should decline or be unable to accept his or her nomination or election, it is intended that such proxy will be voted for the election, in the nominee's place, of a substituted nominee, who would be recommended by the Board of Directors. The Board of Directors, however, has no reason to believe that any of the nominees will be unable to serve as a director.

The following biographical information is furnished as to each nominee for election as a director and each of the current directors:

Elam M. Hitchner, III, 58, has served as a director since January 1994. From July 1999 until December 31, 2000, Mr. Hitchner was a general partner of Meridian Venture Partners and Meridian Venture Partners II, venture capital firms located in Radnor, Pennsylvania.

Other than the husband and wife relationship between Dan and Rebecca Matthias, there are no family relationships among any of the other directors of the Company.

The Board of Directors recommends a vote FOR Proposal 1 to elect all Nominees to the Board of Directors for a Three-Year Term Expiring at the 2008 Annual Meeting.

**Committees and Meetings of
the Board of Directors**

During the fiscal year ended September 30, 2004, the Board of Directors held four meetings, all of which were held in person. With the exception of Mr. Tuttleman (who attended a majority of the scheduled Board meetings and Committee meetings), each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and committees of the Board of Directors on which he or she served.

The Company expects all of its directors to attend the annual meetings of stockholders. All of the directors attended last year's annual meeting.

The Board of Directors has three committees: an Audit Committee, a Compensation Committee and a Nominating Committee.

During the fiscal year ended September 30, 2004, the Audit Committee, which consists of Mr. Hitchner, Chairman, Mr. Schwartz and Mr. Tuttleman, held eight meetings, of which two were held telephonically as scheduled. Each member of the Audit Committee is considered an "independent director" under Nasdaq rules and the rules of the Securities and Exchange Commission ("SEC"). The function of the Audit Committee is to assist the Board of Directors in preserving the integrity of the financial information published by the Company through the review of financial and accounting

controls and policies, financial reporting requirements, alternative accounting principles that could be applied and the quality and effectiveness of the independent public accountants. The Board of Directors has adopted a written Audit Committee Charter which was revised in 2003 (A copy of which was attached to last year's proxy statement as Appendix A).

The Board of Directors has determined that the Audit Committee does not have an "audit committee financial expert" as that term is defined in the SEC's rules and regulations. However, the Board of Directors believes that each of the members of the Audit Committee has demonstrated that he is capable of analyzing and evaluating the Company's financial statements and understanding internal controls and procedures for financial reporting. As the Board of Directors believes that the current members of the Audit Committee are qualified to carry out all of the duties and responsibilities of the Company's Audit Committee, the Board does not believe that it is necessary at this time to actively search for an outside person to serve on the Board of Directors who would qualify as an audit committee financial expert.

During the fiscal year ended September 30, 2004, the Compensation Committee, which consists of Mr. Goldblum, Chairman, Mr. Schlessinger and Mr. Schwartz, held three meetings. Each member of the Compensation Committee is considered an "independent director" under Nasdaq rules. The Compensation Committee considers recommendations of the Company's management regarding compensation, bonuses and fringe benefits of the executive officers of the Company, and determines whether the recommendations of management are consistent with general policies, practices, and compensation scales established by the Board of Directors. The Board of Directors adopted a Compensation Committee Charter in 2003 (A copy of which was attached to last year's proxy statement as Appendix B).

On November 17, 2004, the Nominating Committee met and recommended to the full Board the re-election of Ms. Rebecca C. Matthias, Mr. Joseph A. Goldblum and Mr. David Schlessinger for an additional three year term as directors of the Company. The Nominating Committee held no other meetings in fiscal year 2004. In April of 2004, the Board replaced Mr. Schwartz with Mr. Schlessinger as a member of the Nominating Committee. The current members of the Nominating Committee are Mr. Goldblum, Mr. Hitchner and Mr. Schlessinger. Each member of the Nominating Committee is considered an "independent director" under Nasdaq rules and the rules of the Securities and Exchange Commission. The Nominating Committee functions include establishing the criteria for selecting candidates for nomination to the Board of Directors; actively seeking candidates who meet those criteria; and making recommendations to the Board of Directors of nominees to fill vacancies on, or as additions to, the Board of Directors. The Nominating Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields, and who possess the skills and expertise to make a significant contribution to the Board of Directors, the Company and its stockholders. Director nominees should have high-leadership business experience, knowledge about issues affecting the Company and the ability and willingness to apply sound and independent business judgment. The Nominating Committee applies the same criteria to nominees recommended by stockholders. Such recommendations should be submitted in writing to the attention of the Nominating Committee, c/o Mothers Work, Inc., 456 North Fifth Street, Philadelphia, Pennsylvania, 19123, and should not include self-nominations. The Board of Directors adopted a Nominating Committee Charter in 2003 (A copy of which was attached to last year's proxy statement as Appendix C).

Nominations of Directors by Stockholders

On November 17, 2004, the Board amended the Bylaws of the Company to provide procedures pursuant to which a stockholder may nominate individuals for election to the Board of Directors at meetings of the stockholders. The procedures are summarized below:

A stockholder who proposes to nominate an individual for election to the Board of Directors must deliver a written notice to the Secretary of the Company which includes: (i) a complete

Edgar Filing: MOTHERS WORK INC - Form DEF 14A

description of the nominees' qualifications, experience and background, and any and all other information that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, and Rule 14a-11 thereunder; (ii) a statement signed by each nominee in which he or she consents to being named in the proxy statement as a nominee and to serving as a director if elected, (iii) the name and address of the stockholder giving the notice, as it appears on the Company's books, (iv) the name and address of the beneficial owner, if any, on whose behalf the nomination is being made, (v) the class and number of shares of the Company which are owned beneficially and of record by such stockholder and such beneficial owner, and (vi) a representation that such stockholder and beneficial owner intend to appear in person or by proxy at the meeting. The stockholder's written notice should be sent to the attention of the Secretary, c/o Mothers Work, Inc., 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

In order for a stockholder's nomination to be considered at any annual meeting of the stockholders, the notice must be delivered not later than the 60th day nor earlier than the 90th day prior to the first anniversary of the preceding year's annual meeting. However, if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice must be received not earlier than the 90th day prior to the annual meeting and not later than, the later of, the 60th day prior to the annual meeting or the 15th day following the day on which public announcement of the date of the meeting is first made by the Company.

Stockholder Communications

Pursuant to the policy of the Board of Directors, all communications directed to the Board of Directors will be delivered to the Board. Stockholders may contact the Board of Directors by writing to them c/o Mothers Work, Inc., 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

Compensation of Directors

For the fiscal year ended September 30, 2004, the Company paid each director, other than the Matthiases, a retainer of \$4,000 per quarter. In addition, each director was paid \$1,500 for each Board meeting scheduled to be held in person and attended by such director, and \$500 for each Committee meeting scheduled to be held in person and attended by such director. Directors were not compensated for attendance at Board or Committee meetings scheduled to be held telephonically. Upon conclusion of the Annual Meeting of Stockholders for the last fiscal year, the Company granted each director, other than the Matthiases, immediately vested options to purchase 3,000 shares of Common Stock pursuant to the Company's 1994 Director Stock Option Plan.

Effective with the fiscal year beginning October 1, 2004, the Board, in accordance with the recommendations of the Compensation Committee and management, modified the compensation structure for its non-employee directors as follows. The Company shall pay each non-employee director a retainer of \$5,000 per quarter. In addition, each non-employee director will be paid \$1,500 for each Board meeting scheduled to be held in person and attended by such non-employee director, and \$750 for each Committee meeting scheduled to be held in person and attended by such non-employee director. The Chairman of the Audit Committee will be paid a retainer of \$2,500 per quarter, and the Chairman of the Compensation Committee will be paid a retainer of \$1,250 per quarter. Non-employee directors will not be compensated for attendance at Board or Committee meetings scheduled to be held telephonically. Upon conclusion of the Annual Meeting of Stockholders each year, the Company will grant each non-employee director immediately vested options to purchase 5,000 shares of Common Stock pursuant to the Company's 1994 Director Stock Option Plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities (collectively, "Reporting Persons"), to file with the SEC initial reports of ownership (on Form 3) and reports of changes in ownership of the Common Stock and other equity securities of the Company (on Forms 4 and 5). Reporting Persons are additionally required to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely upon a review of the copies of such reports furnished to the Company, all Section 16(a) reports for the fiscal year ended September 30, 2004 were timely filed.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors has:

Reviewed and discussed the audited financial statements for the year ended September 30, 2004 with management;

Discussed with the Company's independent auditors regarding matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, as amended by SAS No. 90, in connection with the audit of the financial statements for the year ended September 30, 2004; and

Received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, and has discussed with the independent auditors its independence.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for filing with the SEC for the year ended September 30, 2004.

The Audit Committee pre-approved all audit and non-audit services described above rendered to the Company by KPMG during fiscal years 2004 and 2003 and has pre-approved similar services to be rendered during fiscal 2005. **COMPENSATION COMMITTEE REPORT
ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation:

General

The Compensation Committee of the Board of Directors consists of Joseph A. Goldblum, Chairman, David Schlessinger and William A. Schwartz. Under the supervision of the Compensation Committee, the Company has developed and implemented compensation policies, plans and programs which seek to enhance the profitability of the Company, and thus stockholder value, by aligning the financial interests of the Company's senior management with those of its stockholders. Annual base salary and longer term incentive compensation provide an important incentive in attracting and retaining corporate officers and other key employees and motivating them to perform to the full extent of their abilities in the best long-term interests of the stockholders.

The Company's executive compensation program consists of two key elements: (1) an annual component, i.e., base salary and annual bonus and (2) a long-term component, i.e., stock options. Executive compensation levels are determined in connection with a review of compensation levels at comparable publicly-held companies. The Compensation Committee has determined that a compensation package that contains long-term stock based incentives is appropriate for the Company's goals of sustainable growth and enhanced stockholder value.

Based on this philosophy, a meaningful portion of the senior executives' annual bonus and stock options is designed to be linked to the Company's achievement of targeted earnings before interest expense, income tax provision, and depreciation and amortization expense ("EBITDA"). Under this pay-for-performance orientation:

executives are motivated to improve the overall performance and profitability of the Company; and

accountability is further encouraged through the adjustment of salaries and incentive awards on the basis of each executive's individual performance, potential and contribution.

The policies with respect to each element of the compensation package, as well as the basis for determining the compensation of the Chief Executive Officer and the President, Dan and Rebecca Matthias, respectively, are described below.

1. Annual Component: Base Salary and Annual Bonus

Base Salary: includes compensation for discharging job responsibilities and reflects the executive officer's performance over time. Peer salaries for comparable positions are used as reference points in setting salary opportunities for executive officers. The Company's overall goal is to approximate the median salaries paid by the peer group assuming comparability of such factors as position, responsibilities and tenure.

Individual salary adjustments take into account the Company's salary increase guidelines for the year and individual performance contributions for the year, as well as sustained performance contributions over a number of years and significant changes in responsibilities, if any. The assessment of individual performance contributions is subjective and does not reflect the Company's performance.

Annual Bonus: based on the Company's performance and management's performance against specified goals established by senior management and the Compensation Committee.

The annual bonuses for the Chief Executive Officer and the President are based upon the Company's achievement of targeted EBITDA. Notwithstanding the foregoing, the Compensation Committee has the discretion to increase the annual bonus in any given year to take into account what it deems to be extraordinary events.

2. Long-Term Component: Stock Options

To align stockholder and executive officer interests, the long-term component of the Company's executive compensation program includes the granting of stock options whose value is related to the appreciation in the market price of the underlying Common Stock. Stock options are granted to reinforce the importance of improving stockholder value over the long term, and to encourage and facilitate the executive's stock ownership. Under the Company's 1987 Stock Option Plan (as amended and restated, the "Amended and Restated Stock Option Plan"), options to purchase Common Stock are available for grant to officers and other employees and consultants of the Company. Stock options are granted with an exercise price equal to 100% of the fair market value of the Common Stock on the date of the grant to ensure that the executives can only be rewarded for appreciation in the price of the Common Stock when the Company's stockholders are similarly benefited. Stock options are exercisable up to ten years from the date granted. The stock options generally vest over a five-year period, although some stock options, including those granted to the Chief Executive Officer and the President pursuant to the terms of their employment agreements, vest immediately. While all executives are eligible to receive stock options, participation in each annual grant, as well as the size of the grant each participating executive receives, is based upon Company and individual performance. Notwithstanding the foregoing, the Compensation Committee has the discretion to increase the annual grant of options in any given year to take into account what it deems to be extraordinary events. Certain options for the Company's Chief Executive Officer and the President are governed by the terms of their employment agreements. The entitlement of the Chief Executive Officer and the President to options for services rendered are based upon the Company's EBITDA performance.

Chief Executive Officer and President Compensation

In fiscal 2004, the annual base salaries for each of Dan W. Matthias, Chairman of the Board and Chief Executive Officer, and Rebecca C. Matthias, President and Chief Operating Officer, increased from \$463,500 to \$477,405, respectively. As of October 1, 2004, the fiscal 2005 salaries for the Chief Executive Officer and President were increased from \$477,405 to \$491,727, respectively. The fiscal 2004 and 2005 base salaries are commensurate with the salaries of other senior management of publicly-held companies of comparable size in the retail clothing industry.

The Matthiases' compensation package as set forth in their respective employment agreements, as modified by the Compensation Committee, consists of two elements: (1) an annual component consisting of base salary and cash bonus and (2) a long-term component consisting of stock options. See "Employment Agreements" on page 15. Management's performance is measured against the Company's achievement of targeted EBITDA. Based upon the Company's actual fiscal 2004 EBITDA relative to targeted EBITDA, neither of the Matthiases automatically received a cash bonus or an option grant. The Compensation Committee, under its discretionary authority and in accordance with and proportionate to the Committee's bonus determinations for the entire executive team, decided to grant a cash bonus to each of Dan and Rebecca Matthias of \$23,870 (which amount is equivalent to 10% of each of their target bonuses). The Compensation Committee also granted 40,000 options to each of the Matthiases. The cash bonus and option grant were in recognition of the progress made in the past year in the development of the Company's strategic business initiatives (such as the Destination MaternityTM superstore, the expansion of the Company's relationship with Sears® and the establishing of a relationship with Kohl's®) and the other various initiatives adopted by the Company in the past year. The Compensation Committee believes that the stock option grant is consistent with aligning the interests of these senior executives with the stockholders, and will serve to reinforce the importance of increasing stockholder value over the long term.

Edgar Filing: MOTHERS WORK INC - Form DEF 14A

The Board ratified the Compensation Committee's recommendations regarding the basis of the fiscal 2004 compensation of each of the Matthiases.

Employment Agreements

Dan and Rebecca Matthias

The Company is a party to written employment agreements (the "Employment Agreements") with each of Dan and Rebecca Matthias which expire on September 30, 2007, unless earlier terminated pursuant to the terms of the Employment Agreements. The term of each Employment Agreement automatically extends for successive one-year periods extending the expiration date into the third year after the extension, unless either the Company or the executive gives written notice to the other party that the term will not so extend. Under the Employment Agreements, as modified based on discussions with the Compensation Committee, the Company has agreed to nominate the Matthiases as directors and to use its best efforts to cause them to be elected as directors. The base salary of each executive for fiscal 2005 is \$491,727 per year, and the base salary will increase each year during the term in an amount determined by the Compensation Committee of the Board of Directors, but in any event no less than the rate of inflation.

Each of the Matthiases are entitled to a cash bonus of up to 100% of his or her base salary and a grant of up to 60,000 immediately-vested stock options based on a formula relating to the Company's achievement of a target EBITDA that has been approved by the Compensation Committee. Under these formulas, achievement of 100% of Compensation Committee-approved target EBITDA results in each of the Matthiases earning a cash bonus equal to 50% of his or her base salary and a grant of 45,000 immediately-vested stock options. The Compensation Committee retains the discretion to increase the executives' bonuses and to grant additional options if such Committee deems it to be appropriate.

The Employment Agreements provide that for one year following the termination of employment of either executive (other than for "Good Reason" or upon a "Change of Control" of the Company, as such terms are defined in the Employment Agreements) the executive shall not compete with the Company or solicit the Company's suppliers or employees. If the employment of either executive is terminated by the Company without cause or by the executive for Good Reason or following a Change of Control, each term as defined in the Employment Agreements, (i) the executive is entitled to receive a lump sum severance payment equal to three years of base salary and the maximum amount of cash and option bonus compensation and fringe benefits which would have been paid or made available to the executive during the three years following such termination, (ii) all unvested stock options held by the terminated executive will become immediately vested, and (iii) the executive is entitled to cause the Company to register all shares owned by the executive under the Securities Act of 1933, as amended, to the extent they are not then registered, and the executive may additionally include his or her shares in future registrations filed by the Company. In the event of a termination by the Company for cause or by the executive without good reason, the executive will not be entitled to any further base salary or bonus compensation, and all unvested options then held by the executive will be automatically canceled. In the event of a termination by the Company because of a disability, the executive shall continue to receive base salary and cash bonus and option compensation and fringe benefits during the three years following such termination, at 50% of the levels the executive would have received if the executive's employment had been terminated by the Company without cause, as described above, less any payments received by the executive under any long term disability or life insurance provided by the Company.

Edward Krell

The Company is also a party to a written employment agreement with Edward Krell which expires on September 30, 2006, unless earlier terminated pursuant to the terms of his employment agreement. The term of the employment agreement automatically extends for successive one-year periods extending the expiration date into the second year after the extension, unless either the Company or

the executive gives written notice to the other party that the term will not so extend. The base salary of Mr. Krell for fiscal 2005 is \$381,600 per year.

The employment agreement provides that for two years following the termination of employment, Mr. Krell shall not compete with the Company or solicit the Company's suppliers or employees. Except for a "Change of Control" as defined in the agreement, if the employment of Mr. Krell is terminated by the Company without cause, (i) he is entitled to receive a lump sum severance payment equal to one year of his then current base salary, and (ii) all unvested stock options held by him will become immediately vested and exercisable. If after a Change of Control the employment of Mr. Krell is terminated by the Company or by Mr. Krell, he is entitled to receive a lump sum severance payment equal to (i) two years of his then current base salary or the highest salary paid to him at any time by the Company, (ii) two years of the target amount of cash bonus compensation (currently 50% of base salary) and (iii) two years of fringe benefits, provided, however, that the Company may instead elect to continue providing such benefits, and all stock options held by him will become immediately vested and exercisable. In the event of a termination by the Company for cause, as defined in the employment agreement, he will not be entitled to any further base salary, bonus compensation or fringe benefits.
