Item 8.01 Other Events

On March 22, 2010, Assured Guaranty Ltd. ("AGL") filed a Current Report on Form 8-K, with the consolidated financial statements of Assured Guaranty Corp. ("AGC") for the year ended December 31, 2009 attached as Exhibit 99.3. On May 26, 2010, AGL filed a Current Report on Form 8-K with the unaudited consolidated financial statements of AGC for the three months ended March 31, 2010 attached as Exhibit 99.4.

Attached as Exhibit 99.1 and 99.2 and incorporated by reference herein are amended AGC consolidated financial statements for the year ended December 31, 2009 and the three months ended March 31, 2010, respectively. These consolidated financial statements are being re-filed with minor changes to footnote disclosures that had listed AGC's current financial strength ratings. The purpose of these minor changes is to allow such consolidated financial statements to be incorporated by reference in registration statements covering the securities for which AGC provides financial guarantees. The consolidated financial statements otherwise are identical in all respects to the previously filed consolidated financial statements.

The amendments to footnote disclosures are being made as a result of changes in Securities and Exchange Commission rules regarding the consent of rating agencies where their published ratings are included in registration statements, and market reactions to the application of such changes.
