PROXY STATEMENT

The Board of Directors of Cogent Communications Group, Inc. (the "Company"), a Delaware corporation, is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on April 17, 2014, at 9:00 a.m., local time, at the Company's offices at 1015 31st Street, NW, Washington, D.C. 20007, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the Company's 2013 Annual Report to Stockholders are first being mailed to stockholders on or about March 7, 2014.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m., February 21, 2014 (the "Record Date"), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the outstanding voting securities of the Company consisted of 47,347,511 shares of common stock, par value \$0.001 per share.

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. In general, our Bylaws provide that a quorum consists of a majority of the shares issued and outstanding and entitled to vote, the holders of which are present in person or represented by proxy. Broker non-votes (which occur when a brokerage firm has not received voting instructions from the beneficial owner on a non-routine matter, as defined under applicable rules and as discussed in greater detail below) and abstentions are counted for purposes of determining whether a quorum is present.

Except in very limited circumstances, the affirmative vote of a majority of the shares having voting power present in person or represented by proxy at a duly held meeting at which a quorum is present is required under the Company's Bylaws for approval of proposals presented to stockholders, including Proposals 1, 2, 3 and 4.

Proxies

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

delivering written notice of revocation to the Company, Attention: Ried Zulager;

delivering a duly executed proxy bearing a later date to the Company; or

attending the Annual Meeting and voting in person.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Any proxy that is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted "FOR" the election of directors, "FOR" the ratification of the selection by

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

the Audit Committee of Ernst & Young LLP as independent registered public accountants, "FOR" the approval of the increase of 1.2 million shares in the number of shares available under the Amended and Restated 2004 Incentive Award Plan, and "FOR" the non-binding approval of the compensation of the Company's named executive officers.

Proposals 1, 3, and 4 are matters considered non-routine under applicable rules. A broker or other nominee cannot vote on these non-routine matters without specific voting instructions and therefore there may be broker non-votes on Proposals 1, 3, and 4.

Proposal 2 is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters without specific voting instructions, and therefore no broker non-votes are expected to exist in connection with Proposal 2.

Broker non-votes will not be deemed to have voting power and thus will have no effect on voting. However, abstentions will be treated as present and having voting power, and accordingly will have the effect of a negative vote for purposes of determining the approval of Proposals 1, 2, 3, and 4.

The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or email.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the Board of Directors shall be approved by a majority of the votes cast by holders of our common stock present in person or by proxy at the Annual Meeting, each share being entitled to one vote.

In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company. The Board has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

Set forth below is certain information concerning the six directors of the Company nominated to be elected at the Annual Meeting:

Dave Schaeffer, age 57, founded our Company in August 1999 and is our Chairman of the Board of Directors, Chief Executive Officer and President. Prior to founding the Company, Mr. Schaeffer was the founder of Pathnet, Inc., a broadband telecommunications provider, where he served as Chief Executive Officer from 1995 until 1997 and as Chairman from 1997 until 1999. Mr. Schaeffer has been a director since 1999. Mr. Schaeffer serves as both Chairman and CEO because he is the founder of the Company and has successfully led the Company and the board since the Company was founded. For this reason he has been nominated to continue serving on the Board.

Steven D. Brooks, age 62, has served on our Board of Directors since October 2003. Mr. Brooks is a private investor. He was Managing Partner of BCP Capital Management from 1999 to 2009. From 1997 until 1999, Mr. Brooks headed the technology industry mergers and acquisition practice at Donaldson, Lufkin & Jenrette. Previously, Mr. Brooks held a variety of positions in the investment banking and private equity fields, including: Head of Global Technology Banking at Union Bank of Switzerland, Managing Partner of Corporate Finance at Robertson Stephens, founder and Managing Partner of West Coast technology investment banking at Alex Brown & Sons, and Principal at Rainwater, Inc., a private equity firm in Fort Worth, Texas. Mr. Brooks has been nominated to continue serving on the Board because of his extensive experience with firms such as Cogent and with public market activities of such companies. Having been involved with the Company since its early days he also brings extensive historical perspective to the Board.

Timothy Weingarten, age 38, has served on our Board of Directors since October 2003. Mr. Weingarten is currently the co-founder & CEO of ShopTAP Inc. Prior to founding ShopTAP Inc., he was the Chairman and CEO of Visage Mobile. He is also a former General Partner of Worldview Technology Partners an early stage venture capital fund with over \$1 billion under management. From 1996 to 2000, Mr. Weingarten was a member of the telecom equipment research group at Robertson Stephens and Company. Mr. Weingarten is also a member of the board of directors of ShopTAP Inc. and Ooma, Inc., both privately held companies. Mr. Weingarten has been nominated to continue serving on the Board because of his extensive knowledge of the U.S. venture capital backed companies making use of the Internet. The Board values this insight since Cogent's future growth depends to a great extent on the uses made of the Internet.

Richard T. Liebhaber, age 78, has served on our Board of Directors since March 2006. Mr. Liebhaber was with IBM from 1954 to 1985, where he held a variety of positions. Subsequently, he served as executive vice president and member of the management committee at MCI Communications, and served on the board of directors of MCI from 1992 to 1995. From 1995 to 2001, Mr. Liebhaber served as managing director at Veronis, Suhler & Associates, a New York media

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

merchant banking firm. Mr. Liebhaber has been nominated to continue serving on the Board because of his extensive operational experience with telecommunications companies.

D. Blake Bath, age 51, has served on our Board of Directors since November 2006. He is the Chief Executive Officer of Bay Bridge Capital Management, LLC, an investment firm in Bethesda, MD. From 1996 until 2006, Mr. Bath was Managing Director at Lehman Brothers and, as a senior equity research analyst for Lehman Brothers, was Lehman's lead analyst covering wireline and wireless telecommunications services. Prior to joining Lehman Brothers he was the primary telecommunications analyst at Sanford C. Bernstein from 1992 to 1996. From 1989 to 1992 he was an analyst in the Strategic Planning and Corporate Finance organizations at MCI Communications. Mr. Bath has been nominated to continue serving on the Board because of his wide experience with the telecommunications industry which allows him to contribute a broad perspective to discussions about the Company's future activities and its place in the current competitive landscape.

Marc Montagner, age 52, has served on our Board of Directors since April 2010. He is currently Chief Financial Officer at LightSquared. He had been Executive Vice President of Strategy, Development and Distribution at LightSquared previously. On May 14, 2012, LightSquared filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code. Prior to joining LightSquared in February of 2009, Mr. Montagner was Managing Director and Co-Head of the Global Telecom, Media and Technology Merger and Acquisition Group at Banc of America Securities. Until August of 2006, he was Senior Vice President, Corporate Development and M&A with the Sprint Nextel Corporation. Prior to this, Mr. Montagner had the same responsibilities with Nextel Communications. Prior to 2002, Mr. Montagner was a Managing Director in the Media and Telecom Group at Morgan Stanley. Prior to joining Morgan Stanley, Mr. Montagner worked for France Télécom in New York where he was Head of Corporate Development for North America. Mr. Montagner has been nominated to the Board due to his extensive experience in the telecommunications industry, specifically with respect to operational, financial and strategic matters.

Unless marked otherwise, proxies received will be voted "FOR" the election of each of the nominees named above.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the election of all nominees named above.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2014. Services provided to the Company and its subsidiaries by Ernst & Young LLP in fiscal years 2012 and 2013 are described under "Relationship with Independent Registered Public Accountants Fees and Services of Ernst & Young LLP," below.

We are asking our stockholders to ratify the selection of Ernst & Young LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

Representatives of Ernst & Young LLP will be available by telephone at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for ratification. The Board recommends that stockholders vote "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for fiscal year 2014. Unless marked otherwise, proxies received will be voted "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2014.

In the event stockholders do not ratify the appointment, the appointment may be reconsidered by the Audit Committee and the Board. The Company believes that neither the Audit Committee nor the Board is obliged to make any such reconsideration under Delaware law, the rules of the stock exchange on which it is listed, or the rules promulgated by the Securities and Exchange Commission that frame certain specific obligations of the members of all public company audit committees with respect to the selection of independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2014.

PROPOSAL NO. 3

APPROVAL OF AN INCREASE OF 1.2 MILLION SHARES IN THE NUMBER OF SHARES AVAILABLE UNDER THE AMENDED AND RESTATED 2004 INCENTIVE AWARD PLAN

On December 5, 2013, the Board of Directors approved, subject to stockholder approval, an increase in the number of shares available for grant under the Amended and Restated 2004 Incentive Award Plan of 1.2 million (1,200,000) shares. As of December 31, 2013, there were only 46,454 shares remaining available for issuance under the Amended and Restated 2004 Incentive Award Plan. As noted in the Compensation Discussion & Analysis below, we use equity compensation as an integral part of our compensation program by linking the personal interests of our employees and directors to the Company's success. Without this share increase the Company will be limited in its ability and to attract, motivate and retain talented employees and non-employee directors, align employee and stockholder interests, link employee compensation with company performance and maintain a culture based on employee stock ownership.

Burn Rate

The "burn rate" at which the Company has awarded stock and options to employees, including the named executive officers, in the last three years is set out below. The "burn rate" is the sum of stock

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

and option awards granted divided by the number of weighted average common shares used in our basic earnings per share calculation.

(shares in thousands)	2013	2012	2011	TOTAL	AVERAGE
Options granted	58	61	47	166	55
Shares granted	176	1,338	246	1,760	587
TOTAL	234	1,399	293	1,926	642

Weighted average shares basic EPS 46,287

Burn rate 1 year 0.51%

Burn rate 3 year average 1.39%

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for ratification. If this Proposal 3 is not approved by our stockholders, the 1,200,000 shares will not be added to those that remain available under the plan.

The principal features of the Amended and Restated 2004 Incentive Award Plan are summarized below. The summary below is qualified by reference to the full text of the Amended and Restated 2004 Incentive Award Plan which is included as Appendix A to this Proxy Statement.

Summary of the 2004 Incentive Award Plan

General. In 2013 the stockholders re-approved the Amended and Restated 2004 Incentive Award Plan. The purpose of the plan is to promote the success of the business and enhance the Company's value by linking the personal interests of employees, consultants and directors to its success and by providing these individuals with an incentive for outstanding performance. The plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock, restricted stock units, stock appreciation rights, dividend equivalent rights, performance-based awards, deferred stock, stock payments and other stock-based awards (collectively, the "Awards").

Shares Subject to the Amended and Restated 2004 Incentive Award Plan. The aggregate number of shares of our common stock that are available for issuance under the Amended and Restated 2004 Incentive Award Plan are those that are approved by stockholders from time to time. Stockholders last approved a total of 1,480,040 shares for issuance under the Amended and Restated 2004 Incentive Award Plan in 2012. As of December 31, 2013 only 46,454 shares remained available for issuance thereunder. No more than 769,230 shares of our common stock may be granted to any one participant in any twelve month period.

If any shares subject to an Award under the plan terminate, expire or lapse for any reason without the delivery of shares, then the shares subject to such Award will be available for grant under the plan. In addition, shares tendered or withheld to satisfy the grant or exercise price or tax withholding obligation pursuant to an Award will be available for future grants under the plan. To the extent permitted by applicable law or any exchange rule, shares issued in assumption of, or in substitution for, any outstanding awards of an entity acquired by the Company or any of its subsidiaries will not be counted against the shares available for grant under the plan. The payment of dividend equivalents in connection with any outstanding Awards will not count against the shares available for issuance under the plan.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

On February 21, 2014 the closing price of a share of our common stock as reported by the NASDAQ Global Select Market was \$40.23.

Administration. Our Board of Directors administers the Amended and Restated 2004 Incentive Award Plan, unless and until the Board of Directors delegates administration of the plan to a committee, subject to the limitations set forth in the plan (the "Administrator"). The CEO has been delegated authority, subject to limits, to make grants to employees other than executive officers.

The Administrator is authorized to determine the individuals who will receive Awards (the "participants"), the terms and conditions of such Awards, the types of Awards to be granted, the number of shares to be subject to each Award, the price of the Awards granted, any reload provisions, payment terms and payment methods applicable to each Award. The Administrator is also authorized to establish, adopt or revise rules relating to the administration of the Amended and Restated 2004 Incentive Award Plan. The Administrator may delegate its authority to grant or amend Awards with respect to participants other than senior executive officers subject to Section 16 of the Exchange Act, employees covered by Section 162(m) of the Internal Revenue Code or the officers to whom the authority to grant or amend Awards has been delegated.

Eligibility. Awards may be granted to individuals who are then employees, consultants or independent directors of our company or one of our subsidiaries, unless otherwise indicated. As of February 1, 2014, we had 707 employees and six directors, five of whom were independent directors.

Awards. Each Award is set forth in a separate Award agreement with the person receiving the Award. The Award agreement indicates the type, terms and conditions of the Award.

Nonqualified Stock Options. Nonqualified stock options provide for the right to purchase shares of our common stock at a specified price, which may not be less than the market price of our common stock on the date of grant of the option. Nonqualified stock options may be granted for any term specified in the applicable Award agreement that does not exceed ten years and usually become exercisable in one or more installments after the grant date, subject to vesting conditions which may include continued employment or service with us, satisfaction of performance targets and/or other conditions. The option exercise price may be paid in: (i) cash; (ii) a promissory note bearing interest at no less than such rate that will preclude the imputation of interest under the Internal Revenue Code; (iii) shares of our common stock held for longer than six months (iv) a broker assisted cash-less exercise or (v) other property acceptable to the Administrator.

Incentive Stock Options. Incentive stock options are designed in a manner intended to comply with the provisions of Section 422 of the Internal Revenue Code, and are subject to specified restrictions contained in the Internal Revenue Code. Incentive stock options have an exercise price of not less than 100% of the fair market value of the underlying share on the date of grant (or if granted to certain individuals who own or are deemed to own at least 10% of the total combined voting power of all of our classes of stock ("10% stockholders"), then such exercise price may not be less than 110% of the fair market value of our common stock on the date of grant). Only employees are eligible to receive incentive stock options, and incentive stock options may not have a term of more than ten years (or five years in the case of incentive stock options granted to 10% stockholders). Vesting conditions may apply to incentive stock options as determined by the Administrator and may include continued employment with us, satisfaction of performance targets and/or other conditions.

Restricted Stock. Restricted stock may be granted to any eligible individual and made subject to such restrictions as may be determined by the Administrator. Typically, restricted stock may be forfeited for no consideration or repurchased by us if the conditions or restrictions on vesting are not met, and may not be sold or otherwise transferred to third parties until restrictions are removed or expire. Recipients of restricted stock, unlike recipients of options, may have voting rights and may receive dividends, if any, prior to the time when the restrictions lapse.

Restricted Stock Units. Restricted stock units may be awarded to any eligible individual, typically without payment of consideration or for a nominal purchase price, but typically subject to vesting conditions including continued employment or pre-established performance targets. Shares of common stock underlying restricted stock units are not issued until the restricted stock units have vested. Recipients of restricted stock units will have no voting or dividend rights with respect to the underlying shares prior to the time when the shares are issued.

Stock Appreciation Rights. Stock appreciation rights typically will provide for payments to the holder based upon increases in the price of our common stock over the base price of the stock appreciation rights. Similar to nonqualified stock options, stock appreciation rights typically become exercisable in one or more installments after the grant date, subject to vesting conditions which may include continued employment or service with us, satisfaction of performance targets and/or other conditions. The Administrator may elect to pay stock appreciation rights in cash, in common stock or in a combination of both.

Dividend Equivalents. Dividend equivalents represent the value of the dividends, if any, per share paid by us, calculated with reference to the number of shares covered by an Award. Dividend equivalents may be settled in cash or shares and at such times as determined by the Administrator, subject to certain restrictions set forth in the Amended and Restated 2004 Incentive Award Plan.

Performance Awards Performance awards are denominated in cash or shares of our common stock and are linked to satisfaction of performance targets established by the Administrator. If the Administrator determines that the Award is intended to meet the requirements of "qualified performance based compensation" and therefore be deductible under Section 162(m) of the Internal Revenue Code, then the performance targets upon which the Award will be based shall be with reference to any one or more of the following:

net earnings (either before or after interest, taxes, depreciation and amortization),

economic value-added (as determined by the Administrator),

sales or revenue,

net income (before or after taxes),

operating earnings,

cash flow (including, but not limited to, operating cash flow and free cash flow),

return on capital,

return on net assets,

return on stockholders' equity,

return on assets,

stockholder return,

return on sales,

gross or net profit margin,

productivity,

expense margins,

operating efficiency,

customer satisfaction,

working capital,

earnings per share,

price per share of common stock, and

market share,

any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group.

Stock Payments Participants may receive stock payments in the manner determined by the Administrator from time to time. Such Awards may be based upon the achievement of specific performance targets determined by the Administrator on the date the stock payment is made or anytime thereafter.

Deferred Stock Deferred stock typically is awarded without payment of consideration and is subject to vesting conditions, including satisfaction of performance targets. Like restricted stock, deferred stock may not be sold, or otherwise transferred until the vesting conditions are removed or expire. Unlike restricted stock, deferred stock is not actually issued until the deferred stock award has vested. Recipients of deferred stock also will have no voting or dividend rights prior to the time when the vesting conditions are met and the deferred stock is delivered.

Other Awards. Other performance share awards, performance stock unit awards and stock-based awards may be granted under the Amended and Restated 2004 Incentive Award Plan. The right to vest in these awards generally will be based upon achievement of specific performance targets and these awards may generally be paid in cash or in common stock or in a combination of both.

Limitations on Terms of Grants. Absent approval of the stockholders, no option may be amended to reduce the per share exercise price of shares subject to such option below the per share exercise price as of the date the option is granted, and except as permitted by the Amended and Restated 2004 Incentive Award Plan with respect to changes in capital structure, no option may be granted in exchange for, or in connection with, the cancellation or surrender of an option having a higher per share exercise price, nor may an option be exchanged for restricted stock. Restricted Stock, that does not vest on the basis of meeting performance targets shall not vest at a rate that would cause the following vesting schedule to be exceeded: no vesting prior to the first anniversary of the grant; no more than $\frac{1}{3}$ vested on the first anniversary of the grant; no more than $\frac{2}{3}$ vested on the second anniversary of the grant; and full vesting not occurring prior to the end of the third year.

Certain Transactions. In the event of certain transactions and events affecting our common stock or the share price of our common stock, such as stock dividends, stock splits, mergers, acquisitions, spin-offs, recapitalizations, consolidations and other corporate transactions, or changes in applicable law, the Administrator has broad discretion to make proportionate adjustments to reflect changes with respect to: (i) the terms and conditions of any outstanding Awards, (ii) the aggregate number and type of shares subject to the Amended and Restated 2004 Incentive Award Plan and (iii) the grant and exercise price per share for any outstanding Awards granted pursuant to the Amended and Restated 2004 Incentive Award Plan, to prevent the dilution or enlargement of intended benefits and/or facilitate such transactions or events or give effect to such changes in applicable law. In the event of a change in control where the acquirer does not assume or replace Awards granted under the Amended and Restated 2004 Incentive Award Plan, such Awards will be subject to accelerated vesting so that 100% of such Awards will become vested and exercisable or payable and all forfeiture restrictions will lapse, as applicable. Award agreements may also provide for accelerated vesting or payment, as applicable, upon certain events.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Awards Not Transferable. Generally the Awards may not be assigned, transferred or otherwise disposed other than by will or by laws of descent and distribution. The Administrator may allow Awards other than incentive stock options to be transferred for estate or tax planning purposes to members of the holder's family, charitable institutions or trusts for the benefit of family members.

Amendment and Termination of the Amended and Restated 2004 Incentive Award Plan. The Administrator may terminate, amend or modify the plan. However, stockholder approval of any amendment to the plan will be obtained (i) to the extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule, (ii) for any amendment to the plan that increases the number of shares available under the plan (other than any adjustment as provided by the plan with respect to changes in capital structure), or (iii) for any amendment to the plan that permits the Administrator to extend the exercise period of an option beyond ten years from the date of grant. Absent approval of the stockholders, no option may be amended to reduce the per share exercise price of shares subject to such option below the per share exercise price as of the date the option is granted, and except as permitted by the plan with respect to changes in capital structure, no option may be granted in exchange for, or in connection with, the cancellation or surrender of an option having a higher per share exercise price, nor may an option be exchanged for restricted stock. If not terminated earlier by the Administrator, the plan expires ten years after the most recent date the plan was approved by our stockholders.

U.S. Federal Income Tax Consequences. The tax consequences of the Amended and Restated 2004 Incentive Award Plan under current federal law are summarized in the following discussion. This discussion is limited to the general tax principles applicable to the plan, and is intended for general information only. Non-U.S., state, and local income taxes are not discussed. Tax laws are complex and subject to change and may vary depending on individual circumstances and from locality to locality. The tax information summarized is not tax advice.

Nonqualified Stock Options. For federal income tax purposes, an optionee generally will not recognize taxable income at the time a non-qualified stock option is granted under the plan. The optionee will recognize ordinary income, and the Company generally will be entitled to a deduction, upon the exercise of a non-qualified stock option. The amount of income recognized (and the amount generally deductible by the Company) generally will be equal to the excess, if any, of the fair market value of the shares at the time of exercise over the aggregate exercise price paid for the shares, regardless of whether the exercise price is paid in cash, shares or other property. An optionee's basis for the stock for purposes of determining his or her gain or loss upon a subsequent disposition of the shares generally will be the fair market value of the stock on the date of exercise of the non-qualified stock option, and any subsequent gain or loss will generally be taxable as capital gain or loss.

Incentive Stock Options. An optionee generally will not recognize taxable income either at the time an incentive stock option is granted or when it is exercised. However, the amount by which the fair market value of the shares at the time of exercise exceeds the exercise price will be an "item of tax preference" to the optionee for purposes of alternative minimum tax. Generally, upon the sale or other taxable disposition of the shares acquired upon exercise of an incentive stock option, the optionee will recognize taxable income. If shares acquired upon the exercise of an incentive stock option are held for the longer of two years from the date of grant or one year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition will be treated as a long-term capital gain or loss, and the company will not be entitled to any deduction. If this holding period is not met and the stock is sold for a gain, then the difference between the option price and the fair market value of the stock on the date of exercise will be taxed as ordinary income and any gain over that will be eligible for long or short term capital gain treatment. If the holding period is not met and the shares are disposed of for less than the fair market value on the date of exercise, then the amount of ordinary income is limited to the excess, if

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

any, of the amount realized over the exercise price paid. The Company generally will be entitled to a deduction in the amount of any ordinary income recognized by the optionee.

Stock Appreciation Rights. No taxable income is generally recognized upon the receipt of a stock appreciation right. Upon exercise of a stock appreciation right, the cash or the fair market value of the shares received generally will be taxable as ordinary income in the year of such exercise. The Company generally will be entitled to a compensation deduction for the same amount which the recipient recognizes as ordinary income.

Restricted Stock. A participant to whom restricted stock is issued generally will not recognize taxable income upon such issuance and the Company generally will not then be entitled to a deduction, unless an election is made by the participant under Section 83(b) of the Internal Revenue Code. However, when restrictions on shares of restricted stock lapse, such that the shares are no longer subject to a substantial risk of forfeiture, the participant generally will recognize ordinary income and the Company generally will be entitled to a deduction for an amount equal to the excess of the fair market value of the shares on the date such restrictions lapse over the purchase price thereof. If an election is made under Section 83(b) of the Internal Revenue Code, then the participant generally will recognize ordinary income on the date of issuance equal to the excess, if any, of the fair market value of the shares on that date over the purchase price therefor and the Company will be entitled to a deduction for the same amount.

Restricted Stock Unit. A participant will generally not recognize taxable income upon the grant of a restricted stock unit. However, when the shares are delivered to the participant, the value of such shares at that time will be taxable to the participant as ordinary income. Generally the Company will be entitled to a deduction for an amount equal to the amount of ordinary income recognized by the participant.

Deferred Stock. A participant will generally not recognize taxable income upon the grant of deferred stock. However, when the shares are delivered to the participant, the value of such shares at that time will be taxable to the participant as ordinary income. Generally, the Company will be entitled to a deduction for an amount equal to the amount of ordinary income recognized by the participant.

Stock Payments. A participant will recognize taxable ordinary income on the fair market value of the stock delivered as payment of bonuses or other compensation under the Plan and generally the Company will be entitled to a corresponding deduction.

Performance Awards. A participant who has been granted a performance award (either performance unit or stock) generally will not recognize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time. When an award is paid, whether in cash or shares, the Participant generally will recognize ordinary income, and the Company will be entitled to a corresponding deduction.

Section 162(m) Limitation. In general, under Section 162(m) of the Internal Revenue Code, income tax deductions of publicly-held corporations may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises and non-qualified benefits paid) for certain executive officers exceeds \$1,000,000 (less the amount of any "excess parachute payments" as defined in Section 280G of the Internal Revenue Code) in any one year. However, under Section 162(m) of the Internal Revenue Code, the deduction limit does not apply to certain "performance-based compensation" established by an independent compensation committee which is adequately disclosed to, and approved by, stockholders. In particular, stock options and stock appreciation rights will satisfy the "performance-based compensation" exception if the awards are made by a qualifying compensation committee, the 2004 Incentive Award Plan sets the maximum number of shares that can be granted to any person within a specified period and the compensation is based solely on an increase in the stock

price after the grant date (i.e., the option exercise price is equal to or greater than the fair market value of the stock subject to the award on the grant date). Restricted stock, restricted stock units and performance unit/share Awards granted under the Amended and Restated 2004 Incentive Award Plan may qualify as "qualified performance-based compensation" for purposes of Section 162(m) of the Internal Revenue Code if such awards are granted or vest upon pre-established objective performance measures based on the performance goals described above under the section entitled "Performance Awards," and the other technical requirements for granting such Awards are met at the time the performance based awards are granted.

New Plan Benefits

The future benefits or amounts that will be received by or allocated are not determinable. Future benefits or amounts to be received by or allocated will be determined by future action of the Compensation Committee and the Board of Directors.

**PROPOSAL NO. 4
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to approve the following non-binding advisory resolution at the 2014 Annual Meeting of Stockholders:

RESOLVED that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2013 Summary Compensation Table and the other related tables and disclosure.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

In 2011, the Board of Directors recommended that this advisory resolution to approve named executive officer compensation be conducted annually and stockholders voted in favor of this recommendation by a substantial majority. Accordingly, the Board of Directors has determined that it will hold an advisory resolution to approve named executive officer compensation annually until the next vote to determine the frequency of such an advisory vote. Although the stockholder's vote is advisory and non-binding upon our Board of Directors, our Board will take your vote into consideration when making future decisions regarding executive compensation. However, our Board of Directors and the Compensation Committee will retain full responsibility for determining the final compensation of the executive management of the Company.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval.

As described in the Compensation Discussion and Analysis section of this Proxy Statement, the Company's executive compensation is designed to attract, reward and retain the executives of our Company in order to achieve our corporate goals and to align the interests of the executives with the long-term interests of our stockholders.

In 2013 the stockholders did not approve the compensation of the named executive officers. The Board believes that this occurred as a result of recommendations by some organizations that advise stockholders on the votes to be cast at a company's annual meeting, e.g. Institutional Shareholder Services (ISS) which found cause for concern in the size of the restricted stock award to the CEO in 2012, the discretionary nature of the award, and the lack of performance criteria for the stock award. As further discussed in the Compensation Discussion and Analysis section of this Proxy Statement, the Board believes the size of the award in 2012 was reasonable and appropriate for the Company in light of:

The Company's overall compensation program which focuses on compensation over 2-3 year periods and links a significant portion of our executive's overall compensation to our equity;

The 2012 award was intended to reflect the value of two years' worth of grants, which is evidenced by no award of being made in 2013,

The 2012 grant vests over more than three years, which acts to retain the executive and aligns the interests of management and the stockholders; and

The total compensation of other CEOs and other executives at similar companies.

The Board has determined that given its simple compensation structure and the size of the Company that it is not cost effective to retain consultants to advise it on compensation matters, relying instead on its extensive judgment and experience. The Board believes its overall compensation program is reasonable, effective, and appropriate for the size and nature of the Company.

The Board urges stockholders to carefully read the "Compensation Discussion and Analysis" section of this Proxy Statement, which describes in more detail our executive compensation philosophy, policies and procedures, as well as the Summary Compensation Table and other related compensation tables and the narrative discussion.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the resolution set forth above thereby approving the compensation of the named executive officers as described in the Compensation Discussion and Analysis and Summary Compensation and related tables set forth in this Proxy Statement.

THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors met eight times during 2013. Each director, during his term as director, attended at least 75% of the meetings of the Board. Each director, during his term as director, attended at least 75% of the meetings of the committees of the Board of which he was a member. The independent directors met four times. All of the directors attended the annual meeting of stockholders. During 2013, the Board had a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Mr. Schaeffer serves as CEO and Chairman of the Board of Directors. He is the founder of the Company and owns approximately 6.78% of the Company's stock. His dual role was established 14 years ago when he founded the Company. The Board believes that at the Company's current stage of growth the Board is best served by a chairman who is involved with the Company on a full-time basis and is therefore able to bring great depth of knowledge about the Company to this role. The Board does not have a designated lead independent director.

The Board's role in the Company is to provide general oversight of strategy and operations. As part of its oversight of operations it reviews the performance of the Company and the risks involved in the operations of the Company. The Board and the Audit Committee receive regular reports on the status of the Company's internal controls and each has reviewed key operational risks. The Board's risk oversight role has no effect on its leadership structure as all directors other than Mr. Schaeffer are independent directors and therefore have no conflict that might discourage critical review.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April 2005. During all of 2013 the members of this committee were Messrs. Brooks (Chairman), Montagner and Margalit (until July 26, 2013 when he resigned from the Board), each of whom are independent members of our Board. Our Board has adopted a charter governing the activities of the Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com. Pursuant to its charter, the Nominating and Corporate Governance Committee's tasks include assisting the Board of Directors in identifying individuals qualified to become Board members, recommending to the Board director nominees to fill vacancies in the membership of the Board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting.

The Nominating and Corporate Governance Committee seeks diversity in the membership of the Board and the Company. It does not have formal objective criteria for determining the amount of diversity needed or present on the Board. Instead it and the Board seek candidates with a range of experience. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the committee's understood needs of the Board at that time. In addition, the Nominating and Corporate Governance Committee considers whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, the Company seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Nominating and Corporate Governance Committee has the sole authority to retain, compensate, and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

The Nominating and Corporate Governance Committee considers proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not to date adopted a formal process because it believes that the informal consideration process has been adequate. The committee intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for committee consideration, the name of that nominee and related personal information should be forwarded to the Nominating and Corporate Governance Committee, in care of the Secretary, at least three months before the next annual meeting to ensure meaningful consideration by the Nominating and Corporate Governance Committee. See also "Stockholder Proposals" for Bylaw requirements for nominations.

The Nominating and Corporate Governance Committee had two (2) formal meetings in 2013; all meetings were held in conjunction with a meeting of the full board to accommodate the views of all members of the Board of Directors concerning its membership and constitution.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications that are received by the Secretary for the Board's attention, or summaries thereof, are then forwarded to the Board has served the Board's and the stockholders' needs. In the past several institutional investors communicated with the Board in this fashion. The investor letters were subsequently addressed by direct communications with representatives of the investors and a member of the Board with responsibility for the topics addressed by the investors, and the full Board was apprised of the conversations. Accordingly, the Board considers that an effective and well established traditional means of receiving communications from stockholders currently exists. In view of Securities and Exchange Commission, or SEC, disclosure requirements relating to this issue, the Nominating and Corporate Governance Committee may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website at www.cogentco.com, any communications to the Board should be sent to it in care of the Secretary.

Code of Conduct

The Company's Code of Conduct may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Board Member Attendance at Annual Meetings

The Company encourages all of its directors to attend the Annual Meeting of Stockholders. All of the directors attended the 2013 Annual Meeting. The Company generally holds a Board meeting coincident with the Annual Meeting to minimize director travel obligations and facilitate their attendance at the Annual Meeting.

Director Independence

Nasdaq Marketplace Rules require that a majority of the Board be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In assessing the independence of its members, the Board examined the commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships of each member. The Board's inquiry extended to both direct and indirect relationships with the Company. Based upon both detailed written submissions by its members and discussions regarding the facts and circumstances pertaining to each member, considered in the context of

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

applicable Nasdaq Marketplace Rules, the Board has determined that all of the directors nominated for election, other than Mr. Schaeffer, are independent.

Audit Committee

The Audit Committee is established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). During all of 2013 the members of this committee were Messrs. Liebhaber (Chairman), Bath and Montagner, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that each of Messrs. Liebhaber, Bath and Montagner qualifies as a financial expert, as that term is defined in the Exchange Act. The responsibilities of this Audit Committee include:

the appointment, compensation, retention and oversight of our independent registered public accountants;

reviewing with our independent registered public accountants the plans and results of the audit engagement;

pre-approving professional services provided by our independent registered public accountants;

reviewing our critical accounting policies, our Annual and Quarterly reports on Forms 10-K and 10-Q, and our earnings releases;

reviewing the independence of our independent registered public accountants; and

reviewing the adequacy of our internal accounting controls and overseeing our ethics program.

The Audit Committee met six (6) times during 2013. The charter of the Audit Committee may be found under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Audit Committee Report

To the Board of Directors:

We have reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2013.

We have discussed with the independent registered public accountants, Ernst & Young LLP, the matters required to be discussed with us by the American Institute of Certified Public Accountants, the Securities and Exchange Commission, the Nasdaq Stock Market and the Public Company Accounting Oversight Board, including those required by the Statement on Auditing Standards No. 61, as amended.

We have received and reviewed the letter from Ernst & Young LLP required by the Public Company Accounting Oversight Board, and have discussed with Ernst & Young LLP their independence, including the written disclosures and letter required by Rule 3526 of the Public Company Accounting Oversight Board.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the Securities and Exchange Commission. The Board of Directors caused the Form 10-K to be so filed.

Audit Committee:

Compensation Committee

During 2013 the Compensation Committee consisted of Messrs. Margalit (until July 26, 2013 when he resigned from the Board due to his membership in the Israeli parliament), Brooks and Weingarten, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq. Mr. Margalit was chairman of the Compensation Committee until his resignation. The Compensation Committee is responsible in conjunction with the other independent directors for determining compensation for our executive officers and other employees, and administering our compensation programs. The Compensation Committee had two (2) formal meetings in 2013 and did not act by unanimous written consent. In 2013 the functions of the Compensation Committee were largely undertaken by the full Board during closed executive session meetings held in conjunction with regularly scheduled in-person meetings of the Board. Salary and equity compensation awards for all of the executive officers and key employees of the Company listed in this proxy statement were considered during these meetings and Mr. Schaeffer was absent from any discussions concerning his compensation. The charter of the Compensation Committee is available under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

The Company's compensation program for named executive officers has three simple components:

Base salary;

Restricted stock grants that vest over time; and

Sales commissions for the vice president of sales.

These components generally apply to all of our employees, not just our executive officers. Other than commissions, we do not have any annual incentives for our named executive officers, as we believe it is difficult and unnecessary to create for non-sales executives a performance measure that is sufficiently objective and within the control of the individual to be effective. Instead the Company uses

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

equity in the form of time-vested restricted stock as significant component of executive's compensation 91% for the CEO and 55% for other executives (measured over time). The Board believes this compensation structure is in the interests of stockholders as it links a significant portion of the executive's compensation to the Company's fortunes as reflected in its stock price.

Decision Making Process

The Company's compensation decision making methodology does not lend itself to extensive analytical and quantitative disclosure. Most of the analysis that goes into compensation determinations is simply based on the subjective business judgment of the Board of Directors and the CEO based on building long term value for stockholders. Cogent is a small company, with 707 employees, a majority of whom are sales employees or sales management focused on generating revenue that translates into stock appreciation and stockholder value. Accordingly, the Company's simple compensation structure reflects the goals of the Company to reward executives for performance that increases stock value.

Each member of the Compensation Committee has extensive personal experience with the determination of executive compensation in our industry. They have reviewed and are experienced with the compensation paid in today's marketplace to similarly situated executives for whom we might compete in hiring. Timothy Weingarten has been a venture capitalist for many years. The funds with which he is affiliated were some of the initial investors in the Company when it was founded. He has served on the Board of Directors of numerous companies and he has participated in setting compensation for CEOs and other executives for many start-up and growth companies both directly through his role on the board and through the funds with which he is affiliated. He is also familiar with these issues in connection with his role as CEO at several start-up companies. Steven Brooks' past service on numerous public company boards has included membership in a number of compensation committees. Additionally, as managing partner of Broadview Capital Partners, a private equity firm, for more than ten years, Mr. Brooks was regularly involved in discussing and setting executive compensation in more than a dozen companies, including Cogent. This combined experience along with the input of the other Board members, having seen hundreds of executives in start-up and other companies, gives the Compensation Committee and the Board a sense of the compensation that is necessary to attract, retain and motivate executives. Each year's ultimate compensation decisions, therefore, reflect the synthesis of the Compensation Committee's, other Board member's and the CEO's experience and views on reasonable compensation levels with respect to companies of a similar profile as Cogent.

Given our size, the simplicity of our compensation program and the knowledge and experience of the Compensation Committee, the Board and the CEO regarding compensation practices, we do not think it is cost effective for us to engage an independent compensation consultant.

Compensation Philosophy

The compensation philosophy of the Company is to pay reasonable salaries in light of the perceived market for the skills of each individual hired, to pay management that is responsible for driving sales substantial cash commissions based on revenue generated, and to tie each executive's fortunes to those of stockholders through equity grants that vest over time. The Company believes that this philosophy has been successful in recruiting and retaining its management team as evidenced by the Company's success and low management turnover.

2013 Highlights

In 2013 we hired a new Chief Revenue Officer and Vice President of Global Sales, Ernest Ortega. His total compensation package was negotiated by the CEO and reviewed and approved by the Compensation Committee based on their judgment as to what was necessary to attract Mr. Ortega to

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

the Company, taking into account his prior experience and the compensation paid to his predecessor, Jeffery Karnes, who left the Company in May, 2013.

Other than the equity grant to Mr. Ortega in connection with his hiring, we did not make any equity grants to named executive officers in 2013.

In addition, the Company follows the following compensation practices:

The Company does not offer any perquisites (such as automobiles, club dues, etc.).

Restricted stock awards that vest over a period of at least three years.

The Company does not provide any tax gross up benefits.

The Company's commission plan for Mr. Ortega (described below) is based on sales revenue generated.

Salary

The general policy of the Compensation Committee and the Board is to grant to executive officers only the same general salary increase granted to all employees each year. Consistent with this policy executive officers received the same 1.5% salary increase as other employees for both 2013 and 2014. From time to time the Compensation Committee reviews the compensation of the Company's CEO and each executive officer and, based on recommendations from the CEO, has in the past given specific executive officers raises based on the officer's increased responsibilities as the Company has grown.

Bonus and Commissions

As discussed above, bonuses are not a component of the Company's compensation structure for non-sales personnel. Instead, as further discussed below the Company uses grants of restricted stock to align the interests of executives with those of the stockholders and incent performance.

Due to the importance of his position in driving revenue and therefore stockholder value, the Company's Chief Revenue Officer and Vice President of Global Sales, Ernest Ortega, is paid monthly commissions based on the achievement of the entire sales organization against monthly revenue quotas. Revenue, for purposes of the quota and commission calculation, is the expected revenue from customers that have had the Company's service (Internet access and related services) installed during the relevant period and includes monthly recurring revenue and a portion of non-recurring revenue, such as installation charges. Since revenue growth is key to the Company's performance, the Board thinks it is important to directly link a significant portion of Mr. Ortega's compensation to achieving our monthly revenue targets. (For the first six months of his employment Mr. Ortega received his monthly target commission without regard to performance against quotas. His commission is currently determined by his achievement of the revenue goals of the Company as reflected in sales quotas.)

Options and Restricted Stock

The Company uses time-vested restricted stock and options to reward and motivate employees by aligning their interests with the interests of the Company's stockholders. Awards to senior officers are determined by the Compensation Committee and/or the full Board of Directors as appropriate, taking into account such factors as the nature of the participant's responsibilities and the business priorities of the Company.

The size of the award to each named executive offices is based primarily on the Compensation Committee's subjective experience with company founders and other executives hired to build a start-up, growth company, as well as their knowledge of awards given to executives at similar

companies. Except for grants in connection with hiring, restricted stock awards are currently being granted every other year and not annually. As a result, the size of a bi-annual grant will appear relatively larger than those of companies with a more annualized compensation view. The restricted stock grants also reflect the decision of the Board to not pay annual bonuses and instead focus incentives on tying long term value for its named executive officers to the long term value of the Company. Over the last three years restricted stock awards have represented 91% of the CEO's total compensation, and 55% of the total compensation for other executive officers (based on grant date value of the stock compared to total compensation).

In the past, Mr. Schaeffer's stock awards have been substantially greater than the awards given to other executive officers, which is reflective of his being the founder of the Company, its CEO since inception, and his responsibility for hiring our senior management, leading the Company's capital raising activities, and actively managing the Company for its entire history. Accordingly, the Compensation Committee regards him as critical to the future prospects of the Company.

As discussed above, no awards were made in 2013 to named executive officers, except for the initial grant to Mr. Ortega in connection with his hiring. Awards in 2012, were in part in compensation for 2013, and as such the size of such awards were reflective of a two years' worth of value.

Severance and Change of Control Compensation

Each of the our named executive officers is entitled to receive 3-12 months of salary and, in certain cases, acceleration of vesting in restricted stock in the event of discharge or a change of control. The specific amounts that each executive officer would receive are described below in the section titled "Employment Agreements and Other Potential Post-Employment Payments." The Compensation Committee and the Board believe such termination arrangements are necessary to secure and retain the services of experienced managers and provide value by contributing to stability of management.

Additionally, restricted stock grants fully vest upon a change of control, even if the named executive officer is not discharged. The Compensation Committee and the Board believes that these arrangements encourage executives to be receptive to changes, such as sale of the company or management changes, that may benefit the Company and its stockholders though they may place an individual executive at risk and uncertainty with respect to future employment.

Other Benefits

All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan (which matches employee contributions up to 2% of salary) and its medical, dental and other benefits plans, on the same basis as other employees.

Tax Deductibility of Compensation

Section 162(m) of the U.S. Internal Revenue Code limits the Company's federal income tax deduction for certain executive compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the three other most highly compensated executive officers (excluding the Chief Financial Officer). The awards made to the CEO will cause his compensation to exceed \$1,000,000 in most years and such compensation will not be fully deductible for federal income tax purposes.

Consideration of 2013 Say on Pay Vote

In 2013 the stockholders did not approve the compensation of the named executive officers. The Board believes that this occurred as a result of recommendations by some organizations that advise stockholders on the votes to be cast at a company's annual meeting, e.g. Institutional Shareholder Services (ISS) which found cause for concern in the size of the restricted stock award to the CEO in 2012, the discretionary nature of the award, and the lack of performance criteria for the stock award. As discussed above, the Board believes the size of the award in 2012 and the Company's overall compensation practices are reasonable and appropriate. In response to such negative vote and comments of stockholders the Board has tried to better explain in this year's Compensation Discussion and Analysis the Company's compensation philosophy, compensation program and how it is designed to reflect the goals of the Company and build long term value by linking a significant portion of executive's compensation to the value of the Company. Additionally, the Board did not make any equity grants in 2013 to named executive officers who received grants in 2012.

Summary Compensation Table

The following table sets forth the cash and non-cash compensation paid or incurred on our behalf to our Chief Executive Officer, our principal financial officer, and each of our three other most highly compensated executive officers, or our named executive officers, whose annual compensation equaled or exceeded \$100,000 for the year three years ended December 31, 2013.

These increases were intended simply to compensate (partially) for inflation.

Grants of Plan-Based Awards in Fiscal 2013

Only Mr. Ortega received an award of restricted stock in 2013. In conjunction with his hiring he received the award shown below. Mr. Ortega's commission plan began when he was hired on August 1, 2013. Mr. Ortega's revenue quota is based on the sum of the quotas for all sales representatives. If the revenue generated by the entire sales organization for the month is 100% of Mr. Ortega's revenue quota, he will receive 100% of \$12,500. If the percentage is more or less he receives a proportionally lesser or greater amount. For example if revenue were at 50% of his quota for the month, then he would be paid 50% of \$12,500 or \$6,250. If revenue were 200% of his quota he would receive \$25,000.

Employment Agreements and Other Potential Post-Employment Payments

Each of Messrs. Schaeffer, Weed, Beury, Ortega, and O'Neill have entered into an employment agreement with us. Among other things, these agreements and the terms of the grants of options and restricted stock provide for certain benefits upon change of control, termination of employment without cause and resignation for "good reason" (as defined in the respective employment agreements). The agreements are as follows:

Dave Schaeffer Employment Agreement. Dave Schaeffer has an employment agreement that provides for his services as Chief Executive Officer. He also receives all of our standard employee benefits. If he is discharged without cause or resigns for "good reason" he is entitled to a lump sum amount equal to his annual salary at the time and continuation of his benefits for one year. Under the terms of the grants of restricted stock that have been made to him in the event of death, disability, retirement or a change of control, 100% of his then unvested restricted stock will vest immediately. The value on December 31, 2013 of the unvested restricted stock and options that could have vested pursuant to these provisions was \$17.8 million. However, in the event the acceleration arose from a change of control this amount would have been limited to \$16.5 million (3 times his annual compensation) and the remaining \$1.3 million would have continued to vest normally. Had his employment been terminated without cause or had he resigned for "good reason" on December 31, 2013 he would have received a payment of \$338,000 (equal to one year's salary). In addition he would have continued to vest in his restricted stock during his one year severance period and would have vested in certain other grants after the end of that severance period. The value on December 31, 2013 of that stock was \$12.9 million. "Good reason" for resignation includes removal from his position as CEO or failure to elect him as chairman of the Board of Directors.

Thaddeus G. Weed Employment Agreement. Thaddeus Weed has an employment agreement under which he serves as Chief Financial Officer and Treasurer. In the event that his employment with us is terminated without cause or he resigns for good reason, the agreement entitles him to twelve months of salary and continuation of benefits for twelve months. Had this occurred on December 31, 2013 he would have received \$261,000 (12 months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2013 of the unvested stock for which vesting would continue was \$687,000. In the event of death, disability, retirement, or a change of control he becomes fully vested in his restricted stock. If this had occurred on December 31, 2013 the value of the restricted stock that would have vested was

\$2.7 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Robert N. Beury, Jr. Employment Agreement. Robert Beury's employment agreement entitles him to twelve months of salary and twelve months of benefits in the event that his employment with us is terminated without cause or he resigns for good reason. Had this occurred on December 31, 2013 he would have received \$259,000 (twelve months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2013 of the unvested stock for which vesting would continue was \$485,000. In the event of death, disability, retirement, or a change of control the vesting of his restricted stock accelerates so that he will be 100% vested. Had this occurred on December 31, 2013 the value of the restricted stock that would have vested was \$1.5 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Ernest Ortega Employment Agreement. Ernest Ortega's employment agreement provides that in the event his employment with us is terminated without cause or he resigns for good reason he will receive three months' salary and continuation of benefits for six months. Had this occurred on December 31, 2013 he would have received \$75,000 (three months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2013 of the unvested stock for which vesting would continue was zero. In the event of death, disability, retirement, or a change of control the vesting of his restricted stock accelerates so that he will be 100% vested. Had this occurred on December 31, 2013 the value of the restricted stock that would have vested was \$1.6 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Timothy G. O'Neill Employment Agreement. Timothy O'Neill's employment agreement provides that in the event his employment with us is terminated without cause or he resigns for good reason he will receive six months' salary and continuation of benefits for six months. Had this occurred on December 31, 2013 he would have received \$127,000 (six months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2013 of the unvested stock for which vesting would continue was \$243,000. In the event of death, disability, retirement, or a change of control the vesting of his restricted stock accelerates so that he will be 100% vested. Had this occurred on December 31, 2013 the value of the restricted stock that would have vested was \$1.5 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Agreements

We have employment agreements with each of our named executive officers as described in "Employment Agreements and Other Potential Post-Employment Payments."

Our Headquarters Lease

The Company's headquarters is located in an office building owned by Niobium LLC (a successor to 6715 Kenilworth Avenue Partnership). The two owners of the partnership are our Chief Executive Officer, Dave Schaeffer, who has a 51% interest in the partnership and his wife, Ruth Schaeffer, who has a 49% interest in the partnership. The Company paid \$0.6 million in 2013 in rent and related costs (including taxes and utilities) to this company. The dollar value of Mr. Schaeffer's interest in the lease payments in 2013 was \$0.3 million. The dollar value of Mrs. Schaeffer's interest in the lease payment in 2013 was \$0.3 million. If Mr. Schaeffer's interest is combined with that of his wife then the total dollar value of his interest in the lease payments in 2013 was \$0.6 million. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party. The lease currently ends on August 31, 2015. It is cancellable without penalty by the Company upon sixty days' notice.

Approval of Related Party Transactions

The Audit Committee is responsible for reviewing and approving or ratifying any transaction in which the Company and any of our directors, director nominees, executive officers, 5% stockholders and their immediate family members are participants and in which such persons have a direct or indirect material interest as provided under SEC rules. The company does not have a written policy for reviewing these transactions. However, in the course of reviewing potential related person transactions, the Audit Committee considers the nature of the related person's interest in the transaction; the presence of standard prices, rates or charges or terms otherwise consistent with arms-length dealings with unrelated third parties; the materiality of the transaction to each party; the reasons for the Company entering into the transaction with the related person; the potential effect of the transaction on the status of a director as an independent, outside or disinterested director or committee member; and any other factors the Audit Committee may deem relevant. In the case of the headquarters lease described above the Audit Committee reviewed information on comparable leases in making its determination to approve the lease.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. Based on its records and other information, the Company believes that all Section 16(a) filing requirements applicable to its directors and executive officers for 2013 were timely met.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2014. In making this appointment, the Audit Committee considered whether the audit and non-audit services Ernst & Young LLP provides are compatible with maintaining the independence of our outside auditors. The Audit Committee has adopted a policy that sets forth the manner in which the Audit

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Committee will review and approve all services to be provided by Ernst & Young LLP before the firm is retained.

Representatives of Ernst & Young LLP will not be present at the Annual Meeting but are expected to be available by telephone should there be questions that need to be addressed by them.

All services performed by Ernst & Young LLP were pre-approved by the Audit Committee in accordance with its pre-approval policy. The policy describes the audit, audit-related, tax and other services permitted to be performed by the independent registered public accountants, subject to the Audit Committee's prior approval of the services and fees. On an annual basis, the Audit Committee will review and provide pre-approval for certain types of services that may be provided by the independent registered public accountants without obtaining specific pre-approval from the Audit Committee. If a type of service to be provided has not received pre-approval during this annual process, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require separate pre-approval by the Audit Committee.

Householding of Proxies

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

To request individual copies for each stockholder in your household, please contact our Investor Relations department by e-mail at investor.relations@cogentco.com, or by mail to Cogent Communication, Inc., 1015 31st Street, NW, Washington, DC 20007, Attn: Investor Relations. (ii) One year after the date of the Participant's termination of employment or service on account of Disability or death. Upon the Participant's Disability or death, any Incentive Stock Options exercisable at the Participant's Disability or death may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

(c) *Individual Dollar Limitation.* The aggregate Fair Market Value (determined as of the time the Option is granted) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. 5.4 *Granting of Options to Independent Directors.* The Board may from time to time, in its sole discretion, and subject to the limitations of the Plan:

(a) Select from among the Independent Directors (including Independent Directors who have previously been granted Options under the Plan) such of them as in its opinion should be granted Options;

(b) Subject to Section 3.3, determine the number of shares of Stock that may be purchased upon exercise of the Options granted to such selected Independent Directors; and

These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Restricted Stock, that does not vest on the basis of meeting performance targets shall not vest at a rate that would cause the following vesting schedule to be exceeded: no vesting prior to the first anniversary of the grant; no more than $\frac{1}{3}$ vested on the first anniversary of the grant; no more than $\frac{2}{3}$ vested on the second anniversary of the grant; and full vesting not occurring prior to the end of the third year.

6.3 *Forfeiture.* Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; *provided, however,* that, the Committee may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

6.4 *Certificates for Restricted Stock.* Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

6.5 *Performance Based Awards.* The Committee shall determine and designate if any grants of Restricted Stock under this Article 6 made to Covered Employees are intended to be Qualified Performance-Based Compensation. If the Committee designates an Award of Restricted Stock as a Performance Based Award, the restrictions on such Award will lapse depending upon the satisfaction of Performance Goals which are established and later certified in accordance with the requirements of Code Section 162(m). Any such Performance Based Award may be subject to such additional limitations as the Committee determines is necessary to conform with the requirements as Qualified Performance-Based Compensation under Code Section 162(m). Restricted stock that vests based on meeting performance targets shall not vest prior to the first anniversary of the grant.

ARTICLE 7

STOCK APPRECIATION RIGHTS

7.1 *Grant of Stock Appreciation Rights.* A Stock Appreciation Right may be granted to any Participant selected by the Committee. A Stock Appreciation Right may be granted (a) in connection and simultaneously with the grant of an Option, (b) with respect to a previously granted Option, or (c) independent of an Option. A Stock Appreciation Right shall be subject to such terms and conditions not inconsistent with the Plan as the Committee shall impose and shall be evidenced by an Award Agreement.

7.2 *Coupled Stock Appreciation Rights.*

(a) A Coupled Stock Appreciation Right ("CSAR") shall be related to a particular Option and shall be exercisable only when and to the extent the related Option is exercisable.

(b) A CSAR may be granted to a Participant for no more than the number of shares subject to the simultaneously or previously granted Option to which it is coupled.

(c) A CSAR shall entitle the Participant (or other person entitled to exercise the Option pursuant to the Plan) to surrender to the Company the unexercised portion of the Option to which the CSAR relates (to the extent then exercisable pursuant to its terms) and to receive from the Company in exchange therefor an amount determined by multiplying the difference obtained by subtracting the Option exercise price from the Fair Market Value of a share of Stock on the date of exercise of the CSAR by the number of shares of Stock with respect to which the CSAR shall have been exercised, subject to any limitations the Committee may impose.

7.3 *Independent Stock Appreciation Rights.*

(a) An Independent Stock Appreciation Right ("ISAR") shall be unrelated to any Option and shall have a term set by the Committee. An ISAR shall be exercisable in such installments as the Committee may determine. An ISAR shall cover such number of shares of Stock as the Committee may determine. The exercise price per share of Stock subject to each ISAR shall be set by the Committee; *provided, however*, that the exercise price for any ISAR shall not be less than 100% of the Fair Market Value on the date of grant; and *provided, further*, that, the Committee in its sole and absolute discretion may provide that the ISAR may be exercised subsequent to a termination of employment or service, as applicable, or following a Change in Control of the Company, or because of the Participant's retirement, death or disability, or otherwise.

(b) An ISAR shall entitle the Participant (or other person entitled to exercise the ISAR pursuant to the Plan) to exercise all or a specified portion of the ISAR (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the ISAR from the Fair Market Value of a share of Stock on the date of exercise of the ISAR by the number of shares of Stock with respect to which the ISAR shall have been exercised, subject to any limitations the Committee may impose.

7.4 Payment and Limitations on Exercise.

(a) Payment of the amounts determined under Sections 7.2(c) and 7.3(b) above shall be in cash, in Stock (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Committee.

(b) To the extent any payment under Section 7.2(c) or 7.3(b) is effected in Stock it shall be made subject to satisfaction of all provisions of Article 5 above pertaining to Options.

(c) Stock Appreciation Rights that vest based on meeting performance targets shall not vest prior to the first anniversary of the grant.

ARTICLE 8

8.1 Performance Share Awards. Any Participant selected by the Committee may be granted one or more Performance Share awards which shall be denominated in a number of shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.2 Performance Stock Units. Any Participant selected by the Committee may be granted one or more Performance Stock Unit awards which shall be denominated in units of value including dollar value of shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.3 Dividend Equivalents.

(a) Any Participant selected by the Committee may be granted Dividend Equivalents based on the dividends declared on the shares of Stock that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such Dividend Equivalents shall be converted to cash or additional shares of Stock by such formula and at such time and subject to such limitations as may be determined by the Committee.

(b) Dividend Equivalents granted with respect to Options or SARs that are intended to be Qualified Performance-Based Compensation shall be payable, with respect to pre-exercise periods, regardless of whether such Option or SAR is subsequently exercised.

8.4 Stock Payments. Any Participant selected by the Committee may receive Stock Payments in the manner determined from time to time by the Committee. The number of shares shall be

8.5 *Deferred Stock.* Any Participant selected by the Committee may be granted an award of Deferred Stock in the manner determined from time to time by the Committee. The number of shares of Deferred Stock shall be determined by the Committee and may be linked to the Performance Criteria or other specific performance criteria determined to be appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Stock underlying a Deferred Stock award will not be issued until the Deferred Stock award has vested, pursuant to a vesting schedule or performance criteria set by the Committee. Unless otherwise provided by the Committee, a Participant awarded Deferred Stock shall have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Deferred Stock Award has vested and the Stock underlying the Deferred Stock Award has been issued.

8.6 *Restricted Stock Units.* The Committee is authorized to make Awards of Restricted Stock Units to any Participant selected by the Committee in such amounts and subject to such terms and conditions as determined by the Committee. At the time of grant, the Committee shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. At the time of grant, the Committee shall specify the maturity date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the grantee. On the maturity date, the Company shall transfer to the Participant one unrestricted, fully transferable share of Stock for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. The Committee shall specify the purchase price, if any, to be paid by the grantee to the Company for such shares of Stock.

8.7 *Other Stock-Based Awards.* Any Participant selected by the Committee may be granted one or more Awards that provide Participants with shares of Stock or the right to purchase shares of Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of Award) the contributions, responsibilities and other compensation of the particular Participant.

8.8 *Term.* Except as otherwise provided herein, the term of any Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock, Restricted Stock Units or Other Stock-Based Award shall be set by the Committee in its discretion. Restricted Stock Units, Deferred Stock, Stock Payments and other awards that represent or substitute for stock, that do not vest on the basis of meeting performance targets, shall not vest at a rate that would cause the following vesting schedule to be exceeded: no vesting prior to the first anniversary of the grant; no more than $\frac{1}{3}$ vested on the first anniversary of the grant; no more than $\frac{2}{3}$ vested on the second anniversary of the grant; and full vesting not occurring prior to the end of the third year. Restricted Stock Units, Deferred Stock, Stock Payments and other awards that represent or substitute for stock that vest based on meeting performance targets shall not vest prior to the first anniversary of the grant.

8.9 *Exercise or Purchase Price.* The Committee may establish the exercise or purchase price, if any, of any Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Payments, Restricted Stock Units or Other Stock-Based Award; *provided, however*, that such price shall not be less than the par value of a share of Stock on the date of grant, unless otherwise permitted by applicable state law.

If the Committee designates an Award as a Performance Based Award, the Committee will designate the Performance Goals, Performance Criteria and Performance Period applicable to such Award and later certified achievement of such Performance Goals in accordance with the requirements of Code Section 162(m). Any such Performance Based Award may be subject to such limitations as the Committee determines is necessary to conform with the requirements as Qualified Performance-Based Compensation under Code Section 162(m).

ARTICLE 9

PROVISIONS APPLICABLE TO AWARDS

9.1 *Stand-Alone and Tandem Awards.* Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

9.2 *Award Agreement.* Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award. An Award may, in the discretion of the Committee grant to the Company certain rights, including rights of first refusal and call or repurchase rights on any shares of Stock issued under an Award. Additionally, an Award may require the Participant to consent to execute such other agreements regarding the shares of Stock issuable under such Award as requested by the Company, including but not limited to stockholders agreements and/ or lock-up agreements.

9.3 *Limits on Transfer.* No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Committee by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a "blind trust" in connection with the Participant's termination of employment or service with the Company or a Subsidiary to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

9.4 *Beneficiaries.* Notwithstanding Section 9.3, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

9.5 *Stock Certificates.* Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing, "blackout", or other restrictions with respect to the settlement or exercise of any Award and with respect to the sale of any security received as a result of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

9.6 *Other Conditions Pertaining to Vesting.* Vesting of restricted stock and options granted to employees shall not accelerate except in the following circumstances: death, disability, change of control of the company, and retirement. An award that provides for acceleration of vesting in the event of a change of control shall not provide for acceleration that would result in the employee receiving more than three times his or her annual compensation from acceleration of the award as a result of the change of control. Awards of restricted stock and options shall be measured against this standard using value of restricted stock and options and compensation at the time of the grant.

ARTICLE 10

CHANGES IN CAPITAL STRUCTURE

10.1 *Adjustments.*

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Stock or the share price of the Stock, the Committee shall make such proportionate adjustments as necessary to reflect such change with respect to (i) the aggregate number and type of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3); (ii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (iii) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 10.1(a) or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate (including without limitation any Change in Control), or of changes in applicable laws, regulations or accounting principles, the Committee, in its sole discretion and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Committee determines that such action is appropriate in order to prevent dilution or encroachment of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 10.1(b) the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; and

(iii) To make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

10.2 *Acceleration Upon a Change in Control.* Notwithstanding Section 10.1, except as may otherwise be provided in any applicable Award Agreement or other written agreement entered into between the Company and a Participant, if a Change in Control occurs and a Participant's Awards are not converted, assumed, or replaced by a successor, such Awards shall become fully exercisable, payable and all forfeiture restrictions on such Awards shall lapse. Upon, or in anticipation of, a Change in Control, the Committee may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Committee, in its sole and absolute discretion, shall determine. In the event that the terms of any agreement between the Company or any Company subsidiary or affiliate and a Participant contains provisions that conflict with and are more restrictive than the provisions of this Section 10.2, this Section 10.2 shall prevail and control and the more restrictive terms of such agreement (and only such terms) shall be of no force or effect.

10.3 *Outstanding Awards Certain Mergers.* Subject to any required action by the stockholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Stock receive securities of another corporation), each Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities that a holder of the number of shares of Stock subject to such Award would have received in such merger or consolidation.

10.4 *Outstanding Awards Other Changes.* In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in this Article 10, the Committee may, in its absolute discretion, make such adjustments in the number and kind of shares or other securities subject to Awards outstanding on the date on which such change occurs and in the per share grant or exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights.

10.5 *No Other Rights.* Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 11

ADMINISTRATION

11.1 *Committee.* Unless and until the Board delegates administration of the Plan to a Committee as set forth below, the Plan shall be administered by the full Board, and for such purposes the term "Committee" as used in this Plan shall be deemed to refer to the Board. The Board, at its discretion or as otherwise necessary to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or to the extent required by any other applicable rule or regulation, shall delegate administration of the Plan to a Committee. The Committee shall consist solely of two or more members of the Board each of whom is both an "outside director," within the meaning of Section 162(m) of the Code, and a Non-Employee Director. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and

Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may only be filled by the Board.

11.2 *Action by the Committee.* A majority of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

11.3 *Authority of Committee.* Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

- (a) Designate Participants to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Participant;
- (c) Determine the number of Awards to be granted and the number of shares of Stock to which an Award will relate;
- (d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any reload provision, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Committee in its sole discretion determines; *provided, however,* that the Committee shall not have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards;
- (e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

11.4 *Decisions Binding.* The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

11.5 *Delegation of Authority.* To the extent permitted by applicable law, the Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 11.5 shall serve in such capacity at the pleasure of the Committee.

ARTICLE 12

EFFECTIVE AND EXPIRATION DATE

12.1 *Effective Date.* The Plan is effective on the date it is approved by the Company's stockholders (the "*Effective Date*"). The Plan will be deemed to be approved by the stockholders if it receives the affirmative vote of the holders of a majority of the shares of stock of the Company present or represented and entitled to vote at a meeting duly held in accordance with the applicable provisions of the Company's Bylaws.

12.2 *Expiration Date.* The Plan will expire on, and no Award may be granted pursuant to the Plan after, the tenth anniversary of the most recent date this Plan is approved by the stockholders. Any Awards that are outstanding as of the Expiration Date shall remain in force according to the terms of the Plan and the applicable Award Agreement.

ARTICLE 13

AMENDMENT, MODIFICATION, AND TERMINATION

13.1 *Amendment, Modification, And Termination.* With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; *provided, however,* that (a) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 10), or (ii) permits the Committee to extend the exercise period for an Option beyond ten years from the date of grant. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, no Option may be amended to reduce the per share exercise price of the shares subject to such Option below the per share exercise price as of the date the Option is granted and, except as permitted by Article 10, no Option may be granted in exchange for, or in connection with, the cancellation or surrender of an Option having a higher per share exercise price.

13.2 *Awards Previously Granted.* No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 14

GENERAL PROVISIONS

14.1 *No Rights to Awards.* No Participant, employee, or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Participants, employees, and other persons uniformly.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

14.2 *No Stockholders Rights.* No Award gives the Participant any of the rights of a stockholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

14.3 *Withholding.* The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a Fair Market Value equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award in order to satisfy the Participant's federal, state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income. No shares of Stock shall be delivered upon exercise of an option or a SAR or under Restricted Stock Units or Deferred Stock or restrictive legends removed from any Shares of Stock previously delivered under another Award unless and until the Participant satisfies all required applicable tax withholding obligations.

14.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

14.5 *Unfunded Status of Awards.* The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

14.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

14.7 *Relationship to other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

14.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

14.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

14.10 *Fractional Shares.* No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.
