NOTE A

This Schedule 13D represents ownership by the Reporting Person and other members of the "group" as described below of an aggregate of 3,824,165 shares of common stock of the Issuer (29.8%), including immediately exercisable warrants to purchase 300,000 shares at \$6.00 per share and 30,000 shares at \$1.57 per share, but excluding (i) shares issuable upon conversion of a \$2,500,000 Convertible Promissory Note and a Warrant to purchase 462,963 shares (as may be adjusted) (not more than 19.9% without shareholder approval) and (ii) shares issuable upon conversion of a \$150,000 Convertible Promissory Note, all as described in Item 5c above. L. Thomas Baldwin III is a non-voting, non-managing member of Rosenthal Collins Group, L.L.C., an Illinois limited liability company ("RCG"). RCG is registered with the Commodity Futures Trading Commission as a futures commission merchant and is a clearing member of all major principal futures exchanges in the United States and elsewhere. As such, RCG is required to meet and maintain significant levels of adjusted net capital to comply with CFTC and exchange clearing requirements.

While RCG has full legal control over 586,490 shares, Mr. Baldwin could always direct RCG to sell the shares, which accommodation RCG would be willing to accommodate subject, of course, to all the various capital requirements with which RCG must comply. Moreover, as an accommodation, RCG would be willing to defer to Mr. Baldwin with respect to the voting of such shares. Hence, RCG in Item 5.b has listed the shares deposited with it as owned by it, and it has listed voting and dispositive power as shared with Mr. Baldwin.

While the shares of the Issuer held by RCG are owned of record and are under its total legal control, RCG, solely for purposes of the shares of the Issuer and

not otherwise, should be deemed an affiliate of L. Thomas Baldwin III and Mr. Baldwin should be deemed de facto beneficial owner of all such shares, notwithstanding that all such shares are subject to the risks and requirements, regulatory and market, of RCG.
