(São Paulo, Brazil - November 04, 2009) Telecomunicações de São Paulo S.A. - TELESP (NYSE: TSP; BOVESPA: TLPP) in accordance to CVM's Instruction 358, of January 03, 2002, regarding the Public Tender Offer for acquisition of the control of GVT (Holding) S.A. (GVT) launched through the Official Note published by the Company on October 08, 2009 (PTO), inform to its shareholders, to GVT's shareholders and the market in general that Telesp's Board of Directors approved the increase of the PTO's price to R\$50.50 (fifty reais and fifty cents) per share, that is supported by the valuation provided by the financial institutions contracted for the PTO.

This increase aims the confirmation of the success of the PTO's execution, while shows the capacity and reinforces Telesp's intention to acquire 100% of GVT's shares, benefiting all shareholders that will have the opportunity, under the same conditions, to sell the totality of its shares.

The new price was based on additional information related to GVT as a consequence of the excellent results published by this Company in the third quarter of this year, which allowed Telesp to confirm its perspectives regarding GVT's long term fundamentals, having an even higher conviction about the potential of value creation as a result of the combination of GVT's and Telesp's operations.

Telesp's Board of Directors reiterates that this decision doesn't change the legal and regulatory issues of the PTO. The Offer Notice of PTO with this change on price will be published by Telesp tomorrow in the local newspapers.
