Item 1.01. Entry into a Material Definitive Agreement1993 Stock Incentive Plan

At the 2006 Annual Meeting of Shareholders on January 30, 2006, the Company's shareholders approved amendments to the Company's 1993 Stock Incentive Plan (the "Plan"). The Plan was amended (a) to authorize the grant of performance-based long-term incentive awards under the Plan that would be eligible for treatment as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, and (b) to increase the per-employee limit on grants of options and stock appreciation rights under the Plan from 100,000 shares to 150,000 shares annually. The amendments did not include any increase in the number of shares reserved for issuance under the Plan. Additional information regarding the Plan is contained in the Company's Proxy Statement dated December 27, 2005 for the 2006 Annual Meeting of Shareholders. A copy of the Plan, as amended, is attached hereto as Exhibit 10.1.

Long-Term Incentive Award Agreements

Subject to shareholder approval of the proposed amendments to the Plan, on November 29, 2005 the Company's Compensation Committee approved performance-based awards under the Plan and the entry by the Company into Long-Term Incentive Award Agreements evidencing those awards. Shareholder approval of the Plan amendments on January 30, 2006 satisfied the condition to the effectiveness of the awards. A copy of the form of Long-Term Incentive Award Agreement is attached hereto as Exhibit 10.2. The terms of the awards to executive officers of the Company are summarized in the following table:
