Item 8.01. Other Events.

On May 2, ProtoKinetix, Incorporated (the “Company” or “ProtoKinetix”) notified the British Columbia Securities Commission that it has ceased to be an Over-the-Counter reporting issuer under Multilateral Instrument 51-105 Issuers Quoted in the U.S. Over-the-Counter Markets by filing a Form 51-105F1 Notice.

Until May 2, 2016, the Company was deemed to be a “reporting issuer” under the laws of British Columbia and was therefore subject to Multilateral Instrument 51-105, which prescribes certain disclosure requirements for the Company and conditions that must be met in order for holders of the Company’s securities who acquired their securities under an exemption from the prospectus requirement to resell their securities in or from any jurisdiction of Canada (excluding sales resulting from a take-over bid or issuer bid in a jurisdiction of Canada; an amalgamation, merger, reorganization or arrangement under a statutory procedure or court order; or, the dissolution or winding up of the issuer under a statutory procedure or court order). The Company’s common stock could not be sold in or from a jurisdiction of Canada by any stockholder unless certain conditions were met.

Because (i) ProtoKinetix’s business has not been directed or administered for at least one year in or from British Columbia; (ii) no promotional activities have been carried on for at least one year in or from British Columbia; and (iii) more than one year has passed since the ticker-symbol date, ProtoKinetix is no longer a reporting issuer in British Columbia, and those restrictions on the sale of the Company’s common stock in or from a jurisdiction in Canada no longer apply. Further, the Company no longer has disclosure requirements under Multilateral Instrument 51-105.

Also on May 2, 2016, ProtoKinetix issued a press release. A copy of the press release is furnished as Exhibit 99.2 hereto.

Item 9.01. Financial Statements and Exhibits.
