The Proxy Statement and the 2013 Annual Report are available at:

<http://www.jonessoda.com/company/jones-press/investor-information>

Any proxy may be revoked at any time prior to its exercise at the Annual Meeting.

Beneficial Shareholders. If your shares are held in the name of a broker, bank or other holder of record, follow the voting instructions you receive from the holder of record to vote your shares.

Voting and Outstanding Shares

Only holders of record of our common stock at the close of business on March 26, 2014 are entitled to notice and to vote at the Annual Meeting. There were 38,710,416 shares of common stock issued and outstanding on that date. Shareholders are entitled to one vote for each share of common stock held on each matter to be voted upon at the Annual Meeting. If your shares are represented by a completed and signed proxy, they will be voted in accordance with your directions. If your proxy is signed and returned without any directions given, your shares will be voted in accordance with the Board's recommendations.

We are not aware, as of the date of this Proxy Statement, of any matters to be voted on at the Annual Meeting other than as stated in this Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders. If any other matters are properly brought before the Annual Meeting, the provided proxy gives discretionary authority to the persons named in it to vote the shares in their best judgment.

If the Annual Meeting is adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have at that time effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting.

Table of Contents

Quorum; Approval Requirements

Under our Bylaws, the presence at the Annual Meeting, in person or by proxy, of holders of record of at least 33 1/3 % of the outstanding shares of common stock constitutes a quorum at the Annual Meeting.

For Proposal 1, Election of Directors, directors are elected by a plurality of votes. Accordingly, the six nominees for election to the Board of Directors who receive the greatest number of affirmative votes cast at the Annual Meeting will be elected to the Board.

For Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm, this matter will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal.

Broadridge Financial Solutions, Inc. will act as Inspector of Elections at the Annual Meeting and, in that capacity, will tabulate all votes and will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes will have no impact on the votes relating to either Proposal 1, Election of Directors or Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm, because they will not represent votes cast at the Annual Meeting for the purpose of voting on such proposals. However, abstentions and broker non-votes are counted as present for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting. An abstention occurs when a shareholder withholds such shareholder's vote by checking the "abstain" box on the proxy, or when a shareholder present at the Annual Meeting does not cast a ballot. Broker non-votes occur when a person holding shares through a bank or brokerage account does not provide instructions as to how his or her shares should be voted and the broker either does not exercise, or is not permitted to exercise, discretion to vote those shares on a particular matter. Brokers may exercise discretion to vote shares as to which instructions are not given with respect to Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm. Brokers may not exercise discretion to vote shares as to which instructions are not given with respect to Proposal 1, Election of Directors.

Solicitation of Proxies

Our Board of Directors is soliciting proxies pursuant to this Proxy Statement. Jennifer L. Cue, our Chief Executive Officer, and Carrie L. Traner, our Vice President of Finance, are each named as proxies on the proxy card. We will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of the Notice of Internet Availability and if requested, this Proxy Statement, the proxy card and any additional information furnished to shareholders. Copies of the Notice of Internet Availability will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of common stock in their names that are beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the Notice of Internet Availability to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, email, facsimile or personal solicitation by our directors, officers or other regular employees, none of whom will be paid any additional compensation for such services.

Revocability of Proxies

Any shareholder who executes a proxy pursuant to this solicitation retains the right to revoke it at any time before it is voted. It may be revoked by delivering to our Corporate Secretary, at or prior to the Annual Meeting, either a written notice of revocation or a duly executed proxy bearing a later date. Alternatively, it may be revoked by voting in person at the Annual Meeting. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

PROPOSAL 1 — ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of six directors. Each director elected at the Annual Meeting would hold office until the next annual meeting of shareholders or until his or her successor is duly elected and qualified or until his or her earlier death, resignation or removal. Directors are elected by a plurality of the shares voted at the Annual Meeting.

Unless otherwise directed, the persons named as proxies in the provided proxy card will vote the proxies received by them for the six nominees named below. In the event that any nominee is unable or declines to serve as a director at or prior to the time of the Annual Meeting (an event that currently is not anticipated by management), the proxies will be voted for the election of such substitute nominee as the Board of Directors may propose.

The Board recommends a vote “FOR” each of the persons nominated by the Board.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of the Board of Directors

The Board of Directors has determined that the following directors are “independent” within the meaning of the listing standards of The Nasdaq Stock Market: current directors Mills Brown, Richard Cautero, Michael Fleming, Matthew Kellogg and Susan Schreter. In making its independence determinations, the Board of Directors considered all relationships between any of the directors and the Company.

Table of Contents

Board Leadership Structure and Role in Risk Oversight

The Board of Directors selects by consensus the Chairman from the directors. Michael Fleming serves as the current Chairman of the Board. The Board of Directors does not have a specific policy on whether the roles of Chief Executive Officer and Chairman of the Board should be separate, or if the roles are separate, whether the Chairman of the Board should be selected from the non-employee directors. Currently, these roles are separate and the Chairman is a non-employee director. The Board of Directors believes that it should have discretion to determine the most appropriate leadership structure at a given time.

The Board of Directors believes the current leadership structure, with an independent Chairman of the Board, is appropriate at this time. The Board believes this structure ensures a greater role for the independent directors in the oversight of the Company, as well as their active participation in setting agendas and establishing priorities and procedures for the work of the Board. The Board also believes its administration of risk oversight, as discussed below, has not affected the Board's leadership structure.

The Board of Directors oversees the risk management process, while executive management oversees and manages risk on a day-to-day operational basis. The Board receives regular reports from executive management on areas of material risk to the Company, including operational, financial, legal, regulatory and strategic risks. While the Board is ultimately responsible for risk oversight, each of the Board committees assists in fulfilling these oversight responsibilities. The Audit Committee oversees management of financial risks by identifying key areas of risk for the Company, reviewing management's policies, programs and policies to deal with risk and identifying members of management whose responsibility it is to manage risks and receiving reports from such persons. The Compensation and Governance Committee (the "Compensation Committee") is responsible for overseeing the management of risks relating to corporate governance and the compensation of executives, employees and non-employee directors. The Nominating Committee manages risks associated with Board composition, including the independence of Board members. The Chair of the relevant Board committee reports on its discussions to the full Board, enabling the Board and its committees to coordinate the risk oversight roles.

Board Attendance

During the 2013 fiscal year, the Board of Directors held 8 meetings. Each director was in attendance at more than 75% of the meetings held of the Board and any committees on which he or she served during his or her tenure as a director in 2013. At each Board meeting, non-employee directors have the opportunity to meet in executive session without members of management present.

We do not have a formal policy requiring director attendance at our annual meeting of shareholders; however, all directors are encouraged to attend. At last year's 2013 Annual Meeting of Shareholders, two of our directors were in

attendance.

Board Meetings and Committees

Our Board has an Audit Committee, a Compensation and Governance Committee and a Nominating Committee. The membership of each committee as of March 26, 2014 is indicated below:

Director	Audit	Compensation and Governance Chair	Nominating
Mills A. Brown			X
Richard V. Cautero	X		
Michael M. Fleming	X		X
Matthew K. Kellogg		X	Chair
Susan A. Schreter	Chair	X	

Audit Committee

The Audit Committee represents the Board of Directors in discharging its responsibilities relating to our accounting, reporting, financial and internal control practices. The Audit Committee has general responsibility for reviewing with management the financial and internal controls and the accounting, auditing and reporting activities of our company and our subsidiaries. Among its responsibilities, the Audit Committee: annually reviews the qualifications and independence of our independent public accounting firm; is responsible for selecting, retaining or replacing our independent auditors; reviews the scope, fees and result of their audit; reviews and approves any non-audit services and related fees; is informed of their significant audit findings and management's responses; and reviews legal and regulatory compliance. The Audit Committee reviews the quarterly and annual financial statements and recommends their acceptance to the Board of Directors. The Audit

Table of Contents

Committee has a written charter, which is posted on the Company's website at www.jonessoda.com under "Company– Jones Press –Investor Information –Corporate Governance."

During 2013, the Audit Committee consisted of Ms. Schreter (Chair) and Messrs. Cautero and Fleming. The Board of Directors determined that Ms. Schreter qualifies as an "audit committee financial expert" within the meaning of Securities and Exchange Commission ("SEC") rules. All of the directors on the Audit Committee qualify as "independent directors" within the meaning of SEC rules and the listing standards of The Nasdaq Stock Market. The Audit Committee held four meetings in 2013.

Compensation and Governance Committee

During 2013, the Compensation and Governance Committee consisted of Messrs. Brown (Chair) and Kellogg and Ms. Schreter. Each member of the Compensation Committee qualifies as an "independent director" within the meaning of SEC rules and under The Nasdaq Stock Market listing standards. The Compensation Committee held no meetings in 2013 as all Compensation Committee matters were handled at the Board level. Compensation for the Named Executive Officers is recommended by the Compensation Committee to the full Board of Directors. All decisions and recommendations of the Compensation Committee are reported to and approved by our Board, with the exception of equity grants, which are approved by the Compensation Committee.

Pursuant to its written charter, the primary functions of the Compensation Committee are to assist with the responsibilities of the Board of Directors relating to the compensation of the Company's Chief Executive Officer, other executives, and employees, and administration of the Company's benefit plans. The Compensation Committee is also responsible for performing other compensation- and governance-related duties set forth in its written charter, which is posted on the Company's website at www.jonessoda.com under "Company– Jones Press –Investor Information –Corporate Governance." The Compensation Committee, when appropriate, may delegate authority to subcommittees and may delegate authority to one or more designated members of the Committee, the Board or Company officers. Additionally, the Compensation Committee, in its sole discretion, may retain compensation consultants, independent counsel, accounting and other professionals without seeking approval of the Board with respect to the selection, fees or retention terms for these advisors. The Compensation Committee did not retain a compensation consultant in 2013.

Under its charter, the Compensation Committee establishes, and annually reviews, policies regarding executive compensation. With respect to our Chief Executive Officer, the Compensation Committee solicits input from the full Board of Directors and, based on that input, develops corporate goals and objectives relevant to the CEO's compensation, evaluates the CEO's performance in light of those goals and objectives and, with the exception of equity grants, recommends to the Board the CEO's compensation based on this evaluation and other relevant information. For other executive officers, the CEO provides the Compensation Committee a performance assessment and recommendation regarding performance goals and compensation. The Compensation Committee reviews this information and the recommendations, as well as other relevant information, and, with the exception of equity grants, recommends the compensation of these officers on an annual basis to the Board for approval. With respect to equity

grants, the Compensation Committee has the authority, without Board approval, to approve all equity awards to employees and executive officers.

The Chief Executive Officer reports to the Compensation Committee periodically on the results of the evaluations of our executive officers (other than the CEO). In addition to the CEO's involvement in setting individual performance goals, conducting evaluations and making compensation recommendations for other executive officers, our management team plays an active role in updating the Compensation Committee on the trends and challenges of hiring, retaining and competing for talent. The management team periodically suggests alternative forms of compensation or compensation strategies to assist the Compensation Committee in recommending to the Board compensation packages that will enable us to attract and retain key talent.

Under its charter, the Compensation Committee also reviews director compensation practices, including analysis of our practice in comparison to other companies, and recommends to the Board of Directors revisions to our director compensation program. In addition, the Compensation Committee develops, periodically reviews and recommends to the Board director and executive stock ownership guidelines, and provides oversight and recommendations to the Board regarding our tax-qualified and nonqualified benefit plans. The Compensation Committee reports regularly to the Board and seeks its approval on any other significant matters arising from the Committee's work, including awards to top executives and special executive employment, compensation and retirement arrangements.

Nominating Committee

During 2013, the Nominating Committee consisted of Messrs. Kellogg (Chair), Brown and Fleming. All of the directors on the Nominating Committee qualify as "independent directors" within the meaning of the listing standards of The Nasdaq Stock Market. The Nominating Committee did not hold any meetings in 2013.

Table of Contents

The primary functions of the Nominating Committee are to identify individuals qualified to become members of the Board of Directors and to approve and recommend to the Board of Directors director candidates for election to the Board of Directors. The Nominating Committee is also responsible for performing other related duties set forth in its written charter, which is posted on the Company's website at www.jonessoda.com under "Company–Jones Press –Investor Information–Corporate Governance."

The Nominating Committee is generally responsible for the identification, review, selection and recommendation to the Board of Directors of candidates for director nominees, including the development of policies and procedures to assist in the performance of these responsibilities. The Nominating Committee reviews with the Board the requisite qualifications, skills and characteristics for Board nominees and composition and the specific considerations relating to individual director candidates. Upon the Nominating Committee's recommendations, the Board recommends the director nominees to the shareholders for election.

Potential director candidates are referred to the Chair of the Nominating Committee for consideration by the Nominating Committee, which may then recommend the director candidate to the Board of Directors for its consideration, if deemed appropriate. If necessary or desirable in the opinion of the Nominating Committee, the Nominating Committee will determine appropriate means for seeking additional director candidates, including engagement of outside consultants to assist in the identification of director candidates.

The Nominating Committee will consider candidates recommended by shareholders. Shareholders wishing to suggest director candidates should submit their suggestions in writing to the Chair of the Nominating Committee, c/o the Corporate Secretary of the Company, providing the candidate's name, biographical data and other relevant information. Shareholders who intend to nominate a director for election at the 2015 Annual Meeting of Shareholders must provide advance written notice of such nomination to the Corporate Secretary of the Company in the manner described below under the heading "Shareholder Proposals For 2015 Annual Meeting."

The Nominating Committee has recommended to the Board of Directors, and the Board has adopted, the Director Selection Guidelines set out in Exhibit A to the Nominating Committee charter. In accordance with the Director Selection Guidelines, the Nominating Committee and the Board, as appropriate, will review the following considerations, among others, in their evaluation of candidates for Board nomination: personal and professional ethics; training, experience and ability at making and overseeing policy in business; commitment to fulfilling the duties of the Board; commitment to understanding the Company's business; commitment to engaging in activities in the best interests of the Company; independence; diversity; industry knowledge and contacts; financial or accounting expertise; leadership qualities; public company board of director and committee experience and other relevant qualifications. The Nominating Committee does not have a formal policy with respect to diversity; however, the Nominating Committee and the Board believe it essential to have directors representing diverse viewpoints. Accordingly, diversity is one factor considered by the Nominating Committee in evaluating overall Board composition and evaluating appropriate director candidates. We believe our current directors bring strong diversity of experiences to the Board as leaders in business, finance and legal affairs. Under the oversight of the Nominating Committee, the Board periodically reviews the composition of the Board and assesses the characteristics and critical skills required of prospective director candidates.

The Nominating Committee periodically reviews with the Board the appropriate process for and the considerations to be taken in the evaluation of director candidates. In the event there is a vacancy on the Board, the Chair of the Nominating Committee will initiate the effort to identify appropriate director candidates.

- " attempt to handle the inquiry directly, for example where it is a request for information about Jones Soda Co. or it is a stock related matter; or
- " not forward the communication if it is primarily commercial in nature, if it relates to an improper or irrelevant topic, or if it is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, management will present a summary of all communications received since the last meeting that were not forwarded and shall make those communications available to the directors.

Additional Narrative Disclosure

As described above under “Narrative Disclosure to Summary Compensation Table,” our employment agreements with the Named Executive Officers provide for certain benefits in the event of termination or change of control.

In addition, both our 2002 Equity Plan and our 2011 Incentive Plan provide for accelerated vesting of all unvested awards upon a corporate transaction, irrespective of the scheduled vesting date for these awards, unless the awards are assumed or substituted for by the successor company. For purposes of each plan, a “corporate transaction” means any of the following events:

2002 Equity Plan

- Consummation of any merger or consolidation in which we are not the continuing or surviving corporation, or pursuant to which shares of our common stock are converted into cash, securities or other property and our shareholders (immediately prior to such merger or consolidation) own less than 50% of the outstanding voting securities of the surviving corporation after the merger or consolidation;

Consummation of any sale, lease, exchange or other transfer in one transaction, or a series of related transactions, of all or substantially all of our assets; or

- Shareholder approval of any plan or proposal for our liquidation or dissolution.

2011 Incentive Plan:

- Consummation of a merger or consolidation of the Company with or into any other company;
- Consummation of a statutory share exchange pursuant to which our outstanding shares are acquired or a sale in one transaction or a series of transactions undertaken with a common purpose of at least 50% of our outstanding voting securities; or
- Consummation of a sale, lease, exchange or other transfer in one transaction or a series of related transactions undertaken with a common purpose of all or substantially all of our assets.

Compensation Practices

We have evaluated the risks arising from our compensation policies and practices for our employees and concluded that such risks are not reasonably likely to have a material adverse effect on the Company. In this regard, the following factors, among others, were considered:

Table of Contents

- Compensation is in line with the Company's Turnaround Plan and discourages inappropriate risk-taking for short-term gains;
 - Long-term incentive compensation is primarily in the form of stock options that generally vest over multiple year periods, thereby aligning the interests of management and other key employees with the long-term interests of our stockholders;
 - Annual cash bonuses are discretionary and are not governed by a fixed formula; and
- Sales commissions are not an element of our compensation practices for our Named Executive Officers or other senior management.

DIRECTOR COMPENSATION

We use a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the Board of Directors. In setting director compensation, the Board of Directors considers the significant amount of time that directors expend in fulfilling their duties as well as the skill level required of members of the Board of Directors.

In addition to cash and stock-based compensation, non-employee directors are reimbursed for their out-of-pocket expenses, in accordance with our reimbursement policies, incurred in attending meetings of the Board of Directors and committee meetings and conferences with our senior management. We also maintain liability insurance on all of our directors and executive officers. Directors who are our employees receive no compensation for their service as directors.

2013 Standard Cash Compensation

We pay cash compensation to our non-employee directors for their service on the Board and Committees. Under our standard director compensation structure, each non-employee director received the following cash compensation for his or her service in 2013:

Position	Amount
Non-employee ("NE") Director Annual Retainer	\$ 3,000
NE Director Board Meeting Attendance Fee (telephonic)	1000 (500)
NE Director Committee Meeting Attendance Fee - live or telephonic	500
Chair of Board of Directors Annual Retainer	2,500
Chair of Audit Committee Annual Retainer	1,000
Chair of Compensation and Governance Committee Annual Retainer	750
Chair of Nominating Committee Annual Retainer	750
2013 Standard Equity Compensation	

We grant equity compensation to our non-employee directors for their service on the Board. Each non-employee director receives an annual stock option grant for 50,000 shares of common stock, with an exercise price equal to the

fair market value of the common stock on the date of grant and a term of ten years, or can elect to receive an equivalent grant of shares of restricted stock. Stock option awards and restricted stock grants made to non-employee directors vest in full one year from the date of grant.

2013 Non-Standard Compensation

Non-employee directors can elect to receive payment of all or any portion of their cash compensation in the form of shares of our fully vested common stock in lieu of cash. Our Compensation Committee has approved this practice since June 2010. No directors elected to receive shares in lieu of payment of all or any portion of their cash compensation during 2013.

2013 Director Compensation Table

The following table presents information about compensation earned by or paid to non-employee directors during 2013:

See Note 9 of the consolidated financial statements in our 2013 Annual Report regarding the assumptions underlying the valuation of equity awards. As of December 31, 2013, each non-employee director had the following number of options outstanding: Mr. Brown, 110,000; Mr. Cautero, 50,000; Mr. Fleming, 125,000; Mr. Kellogg, 225,000; and Ms. Schreter, 125,000.

Stock Ownership Guidelines

In August 2007, the Board of Directors implemented stock ownership guidelines for its non-employee directors to further align their interests with those of shareholders. For non-employee directors, stock ownership guidelines are set at a value equal to three times their annual cash retainer and other Board fees paid to such director over the prior twelve months. Under these guidelines, non-employee directors are encouraged to increase their ownership of our common stock to meet these ownership requirements within three years of becoming a director, or within three years of the adoption of the guidelines, whichever is later. The required ownership level for each director is re-calculated as of June 30 of every third year. Shares that count toward these ownership guidelines include:

- shares of common stock purchased on the open market;
- common stock obtained and held through stock option exercises; and
- vested restricted stock and in-the-money vested stock options.

For as long as a director continues to serve on the Board, he or she may sell no more than 33% of his or her vested stock holdings in any one quarter. However, directors may sell enough shares to cover their income tax liability on vested grants. The Board may approve exceptions to these guidelines on a case-by-case basis.

As of the date of this Proxy Statement, all nonemployee directors met the ownership level under the stock ownership guidelines based on the ownership level established as of June 30, 2013.

TRANSACTIONS WITH RELATED PERSONS

During the period from the beginning of fiscal year 2013 through the date of this Proxy Statement, there have been no related person transactions required to be disclosed pursuant to Item 404(a) or Item 404(d)(1) of Regulation S-K.

The Board of Directors, upon the recommendation of the Audit Committee, has adopted a written policy for the review and approval or ratification of related person transactions. Under the policy, our directors and executive officers are expected to disclose to our principal financial officer (or, if the transaction involves the principal financial officer, to the Chief Executive Officer) (either, as applicable, the “Designated Officer”) the material facts of any transaction that could be considered a related person transaction promptly upon gaining knowledge of the transaction. A related person transaction is generally defined as any transaction required to be disclosed under Item 404(a) of Regulation S-K, the SEC's related person transaction disclosure rule, except that our policy does not contain a dollar threshold for a transaction to be considered a related person transaction.

If the Designated Officer determines that the transaction is a related person transaction under SEC's rules, the Designated Officer will notify the Chair of the Audit Committee and submit the transaction to the Audit Committee, which will review and determine whether to approve or ratify the transaction.

When determining whether to approve or ratify a related person transaction, the Audit Committee will review relevant facts regarding the related person transaction, including:

- The extent of the related person's interest in the transaction;
 - Whether the terms are comparable to those generally available in arm's-length transactions; and
 - Whether the related person transaction is consistent with the best interests of the Company.
-

Table of Contents

The related person involved in the related person transaction may participate in the approval/ratification process only to provide additional information as needed for the Audit Committee's review. If any related person transaction is not approved or ratified by the Audit Committee, the Audit Committee may take such action in respect of the transaction as it may deem necessary or desirable in the best interests of the Company and its shareholders. If any related person transaction is ongoing or is part of a series of transactions, the Audit Committee may establish guidelines as necessary to appropriately review the ongoing related person transaction. After initial approval/ratification of the transaction, the Audit Committee will review the related person transaction on a regular basis (at least annually).

The Audit Committee is authorized to administer our related person transactions policy, and may amend, modify and interpret the policy as it deems necessary or desirable. Any material amendments or modifications to the policy will be reported to the full Board at its next regularly scheduled meeting. In addition the Audit Committee will conduct an annual review and assessment of the policy.

REPORT OF AUDIT COMMITTEE

The Audit Committee of our Board of Directors serves as the representative of the Board for general oversight of our financial accounting and reporting process, system of internal control, audit process, and process for monitoring compliance with laws and regulations. Management has primary responsibility for preparing our financial statements, our internal controls and our financial reporting process. Our independent registered public accounting firm (“independent accountants”), Peterson Sullivan LLP (“Peterson Sullivan”), is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (the “PCAOB”) and issuing their report.

In this context, the Audit Committee has reviewed and discussed the audited consolidated financial statements for fiscal year 2013 with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by PCAOB Auditing Standard No. 16 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board.

The Audit Committee has received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent accountants the independent accountants' independence.

Based upon the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the Securities and Exchange Commission.

Policy for Approval of Audit and Permitted Non-Audit Services

All audit, audit-related and tax services were pre-approved by the Audit Committee, which concluded that the provision of such services by Peterson Sullivan, our independent registered public accounting firm was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's charter requires that the Audit Committee review the scope and extent of audit services to be provided, including the engagement letter, prior to the annual audit, and review and pre-approve all audit fees to be charged by the independent auditors. In addition, the charter requires the Audit Committee to pre-approve all additional non-audit matters, if any, to be provided by the independent auditors.

Audit and Related Fees

The following table sets forth the aggregate fees billed by Peterson Sullivan for professional services rendered in fiscal years ended December 31, 2013 and 2012.

Table of Contents

	2013	2012
Audit Fees	\$ 98,000	\$ 130,000
Audit-Related Fees	—	—
Tax Fees	22,000	22,000
All Other Fees	—	—

- (1) “Audit Fees” represent fees for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements included in our reports on Form 10-Q, and audit services provided in connection with other statutory or regulatory filings.
 - (2) “Audit-Related Fees” generally represent fees for assurance and related services reasonably related to the performance of the audit or review of our financial statements.
 - (3) “Tax Fees” generally represent fees for tax advice.
- All the above services were pre-approved by the Audit Committee.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Peterson Sullivan as our independent registered public accounting firm for the 2014 fiscal year, and has further directed that management submit the selection of our independent registered public accounting firm for ratification by the shareholders at the Annual Meeting. Representatives of Peterson Sullivan are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

Shareholder ratification of the selection of Peterson Sullivan as our independent registered public accounting firm is not required. The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. However, the Audit Committee is submitting the selection of Peterson Sullivan to the shareholders for ratification as a matter of good corporate governance. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether to retain Peterson Sullivan, and may continue to retain Peterson Sullivan or choose to retain another firm without resubmitting the matter to the shareholders. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of our Company and our shareholders.

The Board of Directors Recommends a Vote “FOR” Proposal 2

SHAREHOLDER PROPOSALS FOR 2015 ANNUAL MEETING

Shareholder Proposals

We currently intend to hold the 2015 Annual Meeting of Shareholders in May 2015. Eligible shareholders who wish to present proposals for action at the 2015 Annual Meeting of Shareholders in accordance with the SEC Rule 14a-8 for inclusion in our Proxy Statement must submit their proposals in writing to our Corporate Secretary, at 1000 1st Avenue South, Suite 100, Seattle, WA 98134 no later than the close of business on December 13, 2014. As described in the rules of the SEC, simply submitting a proposal does not guarantee that it will be included.

In addition, as set forth in our Bylaws, any shareholder who intends to present a proposal at the 2015 Annual Meeting (other than a director nomination) must deliver notice to the Secretary of the Company no later than 90 days and no earlier than 120 days before the first anniversary of the date of the prior year's annual meeting. This means that for the 2015 Annual Meeting, we must receive notice no earlier than January 20, 2015 and no later than February 19, 2015, or such proposal will be considered untimely. Section 2.6.2 of the Bylaws also requires the shareholder to provide additional specified information regarding the business that the shareholder proposes to bring before the meeting.

In addition, shareholders who intend to nominate persons for election to the Board of Directors at the 2015 Annual Meeting of Shareholders must provide advance written notice of such nomination in the manner required by our Bylaws. Written notice of nominations, complying with Section 17 of Article IV of the Bylaws, must be delivered or mailed by first class United States mail, postage pre-paid, to the Secretary of the Company not less than 14 days nor more than 50 days prior to the date of the 2015 Annual Meeting of Shareholders; provided, however, that if less than 21 days' notice of the meeting is

Table of Contents

given to the shareholders, such written notice shall be delivered or mailed, as prescribed above, to the Secretary of the company not later than 5:00 p.m. on the seventh day following the day on which notice of the meeting was mailed to the shareholders.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements

HOUSEHOLDING OF PROXIES

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more shareholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. We and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. You may request to receive at any time a separate copy of our annual report or proxy statement, by sending a written request to Jones Soda Co., 1000 1st Avenue South, Suite 100, Seattle, WA 98134, Attention: Investor Relations or calling us at 206-624-3357.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report or proxy statement in the future, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. If, at any time, you and another shareholder sharing the same address wish to participate in householding and prefer to receive a single copy of our annual report or proxy statement, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Jones Soda Co., 1000 1st Avenue South, Suite 100, Seattle, WA 98134, Attention: Investor Relations or calling us at 206-624-3357.

INTERNET VOTING

The Company is incorporated under Washington law, which specifically permits electronically transmitted proxies, provided that the transmission set forth or be submitted with information from which it can reasonably be determined that the transmission was authorized by the shareholder. The electronic voting procedures provided for the Annual Meeting are designed to authenticate each shareholder by use of a control number to allow the shareholder to vote their shares and to confirm that their instructions have been properly recorded.
