Item 1.01. **Entry into a Material Definitive Agreement.**

On August 23, 2005, Catalyst Semiconductor, Inc. (Catalyst) entered into Severance Agreements (the Agreements) with the following executive officers of Catalyst: Thomas Gay, its Chief Financial Officer; Sorin Georgescu, its Vice President of Technology Development; Irvin Kovalik, its Vice President of Sales; and George Smarandoiu, its Vice President of Product Design. The Agreements were effective immediately.

Except as otherwise noted below, the Agreements have substantially the same terms. The following is a summary of the material terms of the Agreements:

In the event of the officer s involuntary termination (as defined in the Agreements), death or disability prior to or more than 12 months following a change in control of Catalyst, the officer and Catalyst will negotiate in good faith a consulting arrangement for a period of 6 months (9 months in the case of Mr. Gay) pursuant to which the officer will be compensated for such consulting services based upon a full-time monthly rate equal to the officer s monthly base salary on the date of termination. If, however, the officer and Catalyst cannot agree upon the terms of the consulting arrangement, the officer will be entitled to a lump-sum severance payment upon the termination equal to 6 months base salary (9 months in the case of Mr. Gay). Catalyst will also pay for continuing health insurance coverage for the officers for a period of 6 months following the date of termination (9 months in the case of Mr. Gay).

In the event of the officer s involuntary termination (as defined in the Agreements), death or disability within 12 months following a change in control of Catalyst (a Change in Control Termination), the officer and Catalyst will negotiate in good faith a consulting arrangement for a period of 9 months (12 months in the case of Mr. Gay) pursuant to which the officer will be compensated for such consulting services based upon a full-time monthly rate equal to the officer s monthly base salary on the date of termination. If, however, the officer and Catalyst cannot agree upon the terms of the consulting arrangement, the officer will be entitled to a lump-sum severance payment upon the termination equal to 9 months base salary (12 months in the case of Mr. Gay). Catalyst will also pay for continuing health insurance coverage for the officers for a period of 9 months following the date of termination (12 months in the case of Mr. Gay). In addition, all unvested options and shares of restricted common stock held by the officer will immediately vest upon such termination.

The Agreements provide that the officers may not solicit Catalyst s employees or customers for a period of 6 months following any termination of employment (9 months in the case of Mr. Gay), except that this period will be extended to 9 months following a Change in Control Termination (12 months in the case of

Mr. Gay). In addition, the officers must provide a general release of claims as a condition of the severance payments described above.
