Item 2.02 Results of Operations and Financial Condition.

On November 14, 2005, Affordable Residential Communities Inc. (the Company) issued a press release (Press Release attached hereto as Exhibit 99.1) announcing the Company's results of operations for the third quarter of 2005 and supplemental operating and financial data (the Third Quarter 2005 Earnings Release and Supplemental Operating and Financial Data attached hereto as Exhibit 99.2), upon which the data contained in the Press Release is in part based.

Exhibits 99.1 and 99.2 to this Form 8-K contain non-GAAP financial measures, including funds from operations available to common stockholders (FFO), FFO per share, real estate net segment income, and a related reconciliation to net loss, net loss per share and net loss, respectively, the most directly comparable GAAP measures.

Management uses these non-GAAP financial measures because they provide meaningful information regarding the Company's operating performance and they facilitate management's comparisons to the Company's historical operating results. The Company believes that these non-GAAP financial measures also can be useful to investors in facilitating comparisons to the Company's historical operating results.

These non-GAAP financial measures are not prepared in accordance with generally accepted accounting principles and may be different from non-GAAP financial measures used by other companies. Non-GAAP financial measures should not be considered a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP.

The Press Release and Supplemental Presentation contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. The forward-looking statements contained therein are subject to certain risks and uncertainties including, but not limited to, statements about the Company's plans, objectives, expectations and intentions and other statements that are not historical facts. Actual results may differ materially from those set forth in the forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: general risks affecting the real estate industry; the Company's ability to maintain or increase rental rates and occupancy with respect to properties currently owned; the Company's assumptions on rental home and home sales and financing activity; completion of pending acquisitions and sales, if any, and timing with respect thereto; the Company's growth and expansion into new markets or successful integration of acquisitions; and the effect of interest rates. Additional factors that could cause the Company's results to differ materially from those described in the forward-looking statements can be found in the Company's 2004 Annual Report on Form 10-K (included under the heading Forward-Looking Statements), and in the Company's Quarterly Reports on Form 10-Q filed with the Securities and Exchange Commission (SEC) and available at the SEC's internet site (<http://www.sec.gov>). The forward-looking statements contained in the Press Release and Supplemental Presentation speak only as of the date thereof, and the Company assumes no obligation to update the forward-looking statements or update the reasons why actual results could differ from those contained in the forward-looking statements.

Item 2.06-Material Impairment.

The Press Release also addressed the fact that as a result of previously announced community sales the Company expects to record a non-cash impairment charge of approximately \$34.8 million in the third quarter of 2005. The Company will record gains, if any, associated with the sales, once those sales have closed. There can be no assurances that any or all of the sales will close or that any gains or losses will be realized if any or all of the sales ultimately close. The Company also recorded a non-cash impairment charge of approximately \$69.8 million to write-off its remaining goodwill. The Press Release is attached hereto as Exhibit 99.1. The description of the Press Release set forth above is qualified in its entirety by reference to such Exhibit.

Item 5.02 Departures of Directors or Principal Officers; Elections of Directors; Appointment of Principal Officers.

Effective November 10, 2005, Eugene Mercy, Jr. resigned his position on the Board of Directors of Affordable Residential Communities, Inc. (the Company).
