## **ACTION NO. 1: THE REINCORPORATION**

### **Purpose of the Reincorporation**

The Board has determined that it is in the best interests of the Company and our shareholders to reincorporate and reorganize in the State of Delaware.

The State of Delaware is recognized for adopting comprehensive modern and flexible corporate laws, which are periodically revised to respond to the changing legal and business needs of corporations. For this reason, many major corporations have initially incorporated in Delaware or have changed their corporate domiciles to Delaware in a manner similar to that adopted by our Board and a majority of our shareholders. Consequently, the Delaware judiciary has become particularly familiar with corporate law matters and a substantial body of court decisions has developed construing Delaware law. Delaware corporate law, accordingly, has been, and is likely to continue to be, interpreted in many significant judicial decisions, a fact which may provide greater clarity and predictability with respect to our corporate legal affairs and the activities of our directors.

### **Mechanics of the Reincorporation**

The Reincorporation will be accomplished as follows: (i) we will form a new Delaware corporation, which will be a wholly-owned subsidiary of ours, IT&E Delaware, (ii) we will merge with and into IT&E Delaware pursuant to an Agreement and Plan of Merger (the Reincorporation Agreement ) attached hereto as **Appendix A** , and (iii) following the merger, IT&E Delaware will be the surviving entity. Pursuant to the Reincorporation Agreement, each outstanding share of our common stock will automatically convert into one (1) share of common stock of IT&E Delaware.

IT WILL NOT BE NECESSARY FOR SHAREHOLDERS TO EXCHANGE THEIR EXISTING STOCK CERTIFICATES FOR STOCK CERTIFICATES OF IT&E DELAWARE.

Shareholders may, however, exchange their certificates through our transfer agent, Holladay Stock Transfer, Inc., if they so choose. Shares of common stock of the IT&E Delaware will continue to trade on the over the counter bulletin board.

### **Timing of the Reincorporation**

Pursuant to a covenant in the Securities Purchase Agreement (as defined in Action No. 4 below) we have agreed to effect, and intend to effect, the Reincorporation on the date that is twenty one (21) days after the date on which this Information Statement is mailed to our shareholders.

### **Consequences of the Reincorporation**

The Reincorporation will result in a change in our legal domicile from Nevada to Delaware and certain other changes described in this Information Statement. The Reincorporation by itself will not result in any change in our business, management, fiscal year, assets or liabilities. The following discussion provides an overview of how the Reincorporation, by itself, will affect certain matters.

#### *Name*

Effective upon the Reincorporation, our name will change from IT&E International Group to IT&E International, Inc.

### *Authorized Capital Stock*

Effective upon the Reincorporation, IT&E Delaware will have 660,000,000 authorized shares of capital stock, 650,000,000 of which will be common stock and 10,000,000 of which will be preferred stock with rights, preferences and privileges as determined by the Board from time to time.

### *Board of Directors*

Following the Reincorporation, our Board will continue to consist of the directors holding office prior to the Reincorporation, subject to Action No. 6 described below.

### *Shareholder Rights*

Following the Reincorporation, the rights of our shareholders will be governed by the Certificate of Incorporation of IT&E Delaware, the Bylaws of IT&E Delaware and Delaware General Corporation Law (the "DGCL"). These changes will result in certain differences in the rights of our shareholders after the Reincorporation is complete. Please see the section of this Information Statement entitled "Differences in Shareholder Rights" for a discussion of some of these differences.

### *U.S. Federal Income Tax Consequences*

The Reincorporation is intended to be tax free to us and our shareholders under the Internal Revenue Code of 1986, as amended (the "Code"). Accordingly, it is expected that no gain or loss will be recognized by you solely as a result of the Reincorporation, and no gain or loss will be recognized by us or the newly formed Delaware entity. Each former holder of shares of our common stock will have the same tax basis in the newly formed Delaware entity's common stock received by such holder pursuant to the Reincorporation as such holder has in the shares of our common stock held by such holder at the effective time of the Reincorporation. Each stockholder's holding period with respect to the newly formed Delaware entity's common stock will include the period during which such holder held the shares of our common stock, so long as the latter were held by such holder as a capital asset at the effective time of the Reincorporation. We have not obtained, and do not intend to obtain, a ruling from the Internal Revenue Service with respect to the tax consequences of the Reincorporation.

### *Accounting Consequences*

There will be no material accounting consequences for us resulting from the Reincorporation.

### **Differences in Shareholder Rights**

#### *Bylaws*

The bylaws of IT&E Delaware are substantially similar to our existing Amended and Restated Bylaws except that under the NRS, a director may be removed with or without cause only with the affirmative vote of sixty six and two-thirds percent (66 2/3%) of our outstanding voting stock and our existing Amended and Restated Bylaws reflect this aspect of the NRS. In contrast the DGCL allows for the removal of a director, with or without cause, with the affirmative vote of a majority of the outstanding shares of voting stock, and the IT&E Delaware bylaws reflect this aspect of the DGCL. A majority of our outstanding stock is held by a small number of shareholders which means that a relatively small group of shareholders acting together could vote to remove a director under the IT&E Delaware bylaws where such an action would have been more difficult pursuant to the super majority voting provision of the NRS and our existing Amended and Restated Bylaws discussed above. The IT&E Delaware bylaws are attached hereto as **Appendix B**.

*Certificate of Incorporation*

In general, the Certificate of Incorporation of IT&E Delaware differs from our existing Articles of Incorporation in the following manner. Our existing Articles of Incorporation authorize the issuance of 250,000,000 shares of common stock, par value \$0.001 per share, and 2,820,000 shares of Series A Preferred Stock, par value \$0.001 per share. The IT&E Delaware Certificate of Incorporation authorizes the issuance of 660,000,000 shares of capital stock total, par value \$.001 per share, of which 650,000,000 are common stock and 10,000,000 of which are preferred stock with rights, preferences and privileges as determined by the Board from time to time, and eliminates reference to the old Series A Preferred Stock, all of which has been converted to common stock.

The rights, preferences and privileges of the common stock of the IT&E Delaware are substantially similar to the rights, preferences and privileges of our common stock, subject to the differences between the NRS and the DGCL described below.

*Nevada Revised Statutes and Delaware Corporation Law*

The following is a summary comparison of certain provisions of the NRS and the DGCL. It does not purport to be anything other than a summary and you are encouraged to review the NRS and DGCL for a complete understanding of their respective provisions.

The NRS and DGCL both have provisions and limitations regarding directors' liability. The NRS and DGCL permit a corporation to include in its articles of incorporation or certificate of incorporation, as the case may be, a provision that eliminates or limits the personal liability of a director to the corporation or its shareholders for monetary damages for breach of fiduciary duties as a director. Both the IT&E International Articles of Incorporation and the IT&E Delaware Certificate of Incorporation include such a provision. However, under DGCL this provision does not eliminate or limit the liability of a director: (1) for any breach of the director's duty of loyalty to the corporation or its shareholders; (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (3) for declaration of unlawful dividends or illegal redemptions or stock repurchases; or (4) for any transaction from which the director derived an improper personal benefit. Under the NRS, this limitation of liability is not effective for acts or omissions that involve intentional misconduct, fraud, or a knowing violation of law. While these provisions provide directors with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate that duty. Accordingly, these provisions have no effect on the availability of equitable remedies like an injunction or rescission based on a director's breach of his duty of care. These provisions apply to an officer only if he/she is also a director and is acting in the capacity as a director, and does not apply to officers who are not directors.

Both the NRS and DGCL generally permit a corporation to indemnify its officers and directors against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with a third-party action, other than a derivative action, and against expenses actually and reasonably incurred in the defense or settlement of a derivative action, provided that there is a determination that the individual acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation. That determination must be made, in the case of an individual who is a director or officer, at the time of the determination: (i) by a majority of the disinterested directors, even though less than a quorum; (ii) by independent legal counsel, regardless of whether a quorum of disinterested directors exists; or (iii) by a majority vote of the shareholders, at a meeting at which a quorum is present. Both the NRS and DGCL require indemnification of directors and officers for expenses relating to a successful defense on the merits or otherwise of a derivative or third-party action. Also, both NRS and DGCL permit a corporation to advance expenses relating to the defense of any proceeding to directors and officers contingent upon those individuals' commitment to repay any advances unless it is determined ultimately that those individuals are entitled to be indemnified.

Under the DGCL, any director or the entire board of directors may be removed, with or without cause, by the holders of a majority of the shares entitled to vote in an election of directors unless provided otherwise by the corporation's certificate of incorporation. Under the NRS, any director may be removed by the vote of shareholders representing not less than two-thirds of the voting power entitled to vote.

Under the DGCL, the board of directors can amend the bylaws of a corporation only if the right to do so is expressly conferred upon the board of directors in its certificate of incorporation. In contrast, under NRS the directors are free to amend the bylaws. The IT&E Delaware bylaws include such a provision allowing the Board to amend the bylaws.

Under the NRS and DGCL, unless the articles of incorporation or certificate of incorporation, as the case may be, of a corporation otherwise provide, amendments of the articles of incorporation or certificate of incorporation, as the case may be, generally require the approval of the holders of a majority of the outstanding stock entitled to vote on the amendment, and if the amendment would increase or decrease the number of authorized shares of any class or series or the par value of shares of that class or series or would adversely affect the rights, powers or preferences of that class or series, a majority of the outstanding stock of that class or series also would be required to approve the amendment.

The NRS provides that any merger, consolidation or share exchange of a Nevada corporation, as well as the sale, lease, exchange or disposal of all or substantially all of its assets not in the ordinary course of business, generally must be recommended by the board of directors and approved by a vote of a majority of the outstanding shares of stock of the corporation entitled to vote on such matters, unless the articles of incorporation provides otherwise. Under the NRS, the vote of the shareholders of a corporation surviving a merger is not required if: (i) the articles of incorporation of the surviving domestic corporation will not differ from its articles before the merger; (ii) each shareholder of the surviving domestic corporation whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations and relative rights immediately after the merger; (iii) the number of voting shares outstanding immediately after the merger, plus the number of voting shares issued as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed by more than twenty percent (20%) the total number of voting shares of the surviving domestic corporation outstanding immediately before the merger; and (iv) the number of participating shares outstanding immediately after the merger, plus the number of participating shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed by more than twenty percent (20%) the total number of participating shares outstanding immediately before the merger. The DGCL contains similar provisions.

The NRS generally restricts the ability of a company to engage in business combinations with an interested shareholder (generally any holder of ten percent (10%) or more of the outstanding voting stock of a company) during the three (3) years following the date such shareholder became an interested shareholder, subject to certain limited exceptions. The DGCL contains similar provisions, with the exception that an interested stockholder under the DGCL shall generally mean any holder of fifteen percent (15%) or more of the outstanding voting stock of a company. As permitted by the DGCL, the New Certificate will expressly elect not to be governed by this provision of the DGCL.

Under the NRS and DGCL, a special meeting of shareholders can be called by the corporation's board of directors or by any person or persons as may be authorized by the corporation's articles of incorporation or certificate of incorporation, as applicable, or bylaws. Under each of the bylaws of IT&E International and the bylaws of IT&E Delaware special meetings of the shareholders, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the president or by the Board of Directors, and shall be called by the President at the request of the holders of not less than twenty five percent (25%) of all the outstanding shares of the corporation entitled to vote at the meeting.

Both the NRS and the DGCL permit corporate action without a meeting of shareholders upon the written consent of the holders of that number of shares necessary to authorize the proposed corporate action being taken, unless the articles of incorporation or the certificate of incorporation, as applicable, or bylaws expressly provide otherwise. Our existing bylaws and IT&E Delaware's bylaws expressly allow our shareholders to act by written consent.

Neither the NRS nor the DGCL provide that shareholders have the right to cumulate votes in an election of directors, unless expressly set forth in the articles of incorporation or certificate of incorporation, as the case may be. Neither our Articles of Incorporation nor the Certificate of Incorporation of IT&E Delaware allow for cumulative voting in the election of directors.

Under both the NRS and DGCL, any shareholder with a proper purpose may inspect and copy the books, records and shareholder lists of the corporation.

#### **Appraisal Rights**

You will be entitled to dissenters' rights of appraisal with respect to the Reincorporation provided that you follow the procedures more specifically outlined in the section of this Information Statement below, entitled "Dissenters' Right of Appraisal." For further information and a description of the procedures to be followed in order to demand appraisal, please refer such section below.

**ACTION NO. 2: APPROVE IT&E DELAWARE CERTIFICATE OF INCORPORATION**

Our Board and shareholders have approved the Certificate of Incorporation attached to this Information Statement as **Appendix C** (the New Certificate ).

The New Certificate: (i) increases the number of authorized shares of common stock from 250,000,000 shares to 650,000,000 shares, (ii) eliminates reference to the existing Series A Preferred Stock, and (iii) authorizes the issuance of up to 10,000,000 shares of preferred stock with rights, preferences and privileges to be designated by the Board from time to time.

Our existing Amended and Restated Articles of Incorporation (the Articles ) currently authorize 250,000,000 shares of common stock and 2,820,000 shares of preferred stock, all of which is designated as Series A Preferred Stock. As of December 31, 2005, we had 60,086,375 shares of common stock outstanding and no shares of Series A Preferred Stock outstanding. We have the following shares currently reserved for issuance: (i) 25,000,000 shares of common stock reserved for issuance in connection with our 2005 Equity Incentive Plan (subject to the expiration of the waiting period prescribed by Rule 14-2 of the Exchange Act which takes place on the date that is twenty (20) days after we mail this Information Statement to our shareholders); and (ii) 84,066,832 shares of common stock reserved for issuance upon the exercise of outstanding warrants.

**Elimination of Existing Series A Convertible Preferred Stock**

In order to facilitate an equity financing, the holders of a majority of our Series A Preferred Stock consented and agreed to convert all of the outstanding Series A Preferred Stock into common stock at a conversion ratio of one (1) share of Series A Preferred Stock to ten (10) shares of common stock. On November 4, 2005, we converted 2,820,000 shares of Series A Preferred Stock into 28,200,000 shares of common stock upon receipt of notice of such conversion from the holders of such Series A Preferred Stock. In connection with the conversion of the Series A Preferred, our New Certificate will not contain any reference to the rights, preferences and privileges of our existing Series A Preferred Stock.

**Increase in Authorized Common Stock and Authorization of Blank Check Preferred Stock**

Our Board has determined that it is in the best interests of the Company and our shareholders to increase the number of authorized shares of our common stock and to authorize the issuance of preferred stock with rights, preferences and privileges to be determined by our Board. The increase in our authorized common stock and preferred stock contemplated by this Action No. 2 will allow us to issue the 16,500 shares of Series D Preferred Stock described in Action No. 4 below. We currently intend to issue 11,500 shares of Series D Preferred Stock as described in Action No. 4 and to reserve up to 5,000 shares of Series D Preferred Stock for issuance upon the exercise of the ComVest Option described in Action No. 4. In addition, we intend to reserve an additional 235,714,215 shares of common stock that will become issuable upon conversion of all such shares of Series D Preferred Stock.

Any remaining shares of authorized but unissued and unreserved common or preferred stock may be issued to new investors in capital raising transactions or in connection with potential acquisitions. However, other than issuing up to 16,500 shares of Series D Preferred Stock described in Action No. 4 below and reserving a sufficient number of shares of common stock for issuance upon conversion of such Series D Preferred Stock into common stock, we have no current plans for the issuance of any remaining authorized but unissued and unreserved common or preferred stock. In addition, we have not currently identified any such acquisition candidate to whom we would issue any such remaining authorized but unissued and unreserved common or preferred stock.

As discussed above and assuming all of the authorized shares of Series D Preferred Stock are issued, such Series D Preferred Stock will initially be convertible into 235,714,215 shares of common stock. After

such conversion to common stock, the holders of our Series D Preferred Stock will then hold approximately 79.69% of our outstanding common stock.

In addition, the holders of the Series D Preferred Stock will be entitled to vote on all matters presented to the holders of the common stock. Each share of Series D Preferred Stock will entitle the holder thereof to cast that number of votes that such holder would be entitled to cast had such holder converted its Series D Preferred Stock into shares of common stock as of the date immediately prior to the record date for determining our shareholders eligible to vote on any such matter. Therefore, the holders of our Series D Preferred Stock would initially be entitled to 235,714,215 votes or 79.69% of the voting power when voting together with the common stock as a single class.

Be advised that the issuance of such preferred stock will dilute our existing shareholders and that our Board does not intend to solicit further approval from our shareholders prior to designating the rights, preferences or privileges of any such preferred stock, including, without limitation, rights as to dividends, conversion, voting, liquidation preference or redemption, which in each case may be superior to the rights of our common stock, or prior to the issuance of any such shares of preferred stock.

#### **Effectiveness**

We will file the New Certificate with the Secretary of State of the State of Delaware on the date that is twenty one (21) days after the date on which this Information Statement is mailed to our stockholders. Upon the filing of the New Certificate with the Secretary of State of the State of Delaware, the New Certificate will become effective and will become our governing charter document.

### **ACTION NO. 3: APPROVE REVERSE STOCK SPLIT**

Our Board has determined it is in our best interests and the best interests of our shareholders to effect a reverse stock split at any time prior to November 9, 2006 based upon an exchange ratio not to exceed twenty five (25) shares to one (1) share (the Reverse Split ).

#### **Consequences of the Reverse Split**

The effect of such Reverse Split may increase the trading price of our common stock and could therefore create greater investor interest in our common stock and possibly enhance the marketability of our common stock to the financial market. In addition, the reduction in the number of outstanding shares, together with the increased number of authorized shares, as discussed above, will provide us with additional authorized but unissued shares which could be used for future acquisitions or mergers or to otherwise carry out our business objectives. We do not currently have any specific plans for the issuance of the additional shares of common stock that will be made available as a result of the Reverse Split.

Although the Reverse Split may increase the market price of our common stock, the actual effect of the Reverse Split on the market price cannot be predicted. The market price of the common stock may not rise in proportion to the reduction in the number of shares outstanding as a result of the Reverse Split. Further, there is no assurance that the Reverse Split will lead to a sustained increase in the market price of the common stock. The market price of the common stock may also change as a result of other unrelated factors, including our operating performance and other factors related to our business as well as general market conditions. The Reverse Split will affect all of the holders of our stock uniformly and will not affect any shareholder's percentage ownership interest in us or proportionate voting power, except for minor changes that will result from the rounding of fractional shares, as discussed below.

To help you understand how the Reverse Split will affect: (i) our outstanding common stock, (ii) the shares of common stock we have reserved for issuance upon exercise of warrants and options or conversion of preferred stock, and (iii) our authorized but unissued and unreserved common stock, we have summarized four potential Reverse Split scenarios below. The following scenarios assume that our New Certificate will have been filed at the time of the Reverse Split and that at the time of the Reverse Split, we will have: (i) 60,086,375 shares of common stock issued and outstanding, (ii) 451,923,872 shares of common stock reserved for issuance upon exercise of outstanding warrants and options and the conversion of the Series D Preferred Stock, and (iii) 198,076,128 shares of authorized common stock unreserved and unissued.

If the Board were to effect the Reverse Split at a ratio of five (5) to one (1), immediately after the effective date of such Reverse Split, we would have 12,017,275 shares of common stock issued and outstanding, 90,384,774 shares of common stock reserved for issuance upon exercise of outstanding warrants and options and the conversion of the Series D Preferred Stock, and 547,597,951 shares of authorized but unreserved and unissued common stock.

If the Board were to effect the Reverse Split at a ratio of ten (10) to (1), immediately after the effective date of such Reverse Split, we would have 6,008,638 shares of common stock issued and outstanding, 45,192,387 shares of common stock reserved for issuance upon exercise of outstanding warrants and options and the conversion of the Series D Preferred Stock, and 598,798,975 shares of authorized but unreserved and unissued common stock.

If the Board were to effect the Reverse Split at a ratio of twenty (20) to one (1), immediately after the effective date of such Reverse Split, we would have 3,004,319 shares of common stock issued and outstanding, 22,596,194 shares of common stock reserved for issuance upon exercise of outstanding warrants and options and the conversion of the Series D Preferred Stock, and 624,399,487 shares of authorized but unreserved and unissued common stock.

If the Board were to effect the Reverse Split at a ratio of twenty five (25) to one (1), immediately after the effective date of such Reverse Split, we would have 2,403,455 shares of common stock issued and outstanding, 18,076,955 shares of common stock reserved for issuance upon exercise of outstanding warrants and options and the conversion of the Series D Preferred Stock, and 629,519,590 shares of authorized but unreserved and unissued common stock.

#### **Fractional Shares**

No fractional shares will be issued in connection with the Reverse Split. Shareholders who would otherwise be entitled to receive fractional shares because they hold a number of shares that is not evenly divisible by the Reverse Split ratio selected by the Board will receive one (1) additional share of the IT&E Delaware common stock in lieu of such fractional share.

#### **Registered and Beneficial Stockholders**

Upon a Reverse Split, we intend to treat stockholders holding our common stock in street name, through a bank, broker, or other nominee, in the same manner as registered stockholders whose shares are registered in their names. Banks, brokers, or other nominees will be instructed to effect the Reverse Split for their beneficial holders holding our common stock in street name. However, these banks, brokers, or other nominees may have different procedures than registered stockholders for processing the Reverse Split. If you hold your shares with a bank, broker or other nominee, and if you have any questions in this regard, we encourage you to contact your nominee.

#### **Accounting Matters**

The Reverse Split will not affect the par value of our common stock. As a result, as of the effective time of the Reverse Split, the stated capital attributable to the common stock on our balance sheet will be reduced proportionately based on the Reverse Split ratio selected by our Board, and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. The per-share net income or loss and net book value of our common stock will be restated because there will be fewer shares of our common stock outstanding.

#### **Procedure for Effecting the Reverse Split**

If the Board decides to implement the Reverse Split at any time after the date the New Certificate is filed but prior to November 9, 2006, we will promptly file a Certificate of Amendment to our New Certificate with the Secretary of State of the State of Delaware, in the form attached hereto as **Appendix D** to amend the New Certificate with a provision effecting the Reverse Split. If our Board determines the Reverse Split ratio and decides to implement the Reverse Split prior to the date on which the New Certificate is filed, we will include a provision in the New Certificate that will effect the Reverse Split. The Reverse Split will become effective at the discretion of our Board (the Reverse Split Effective Date), however no later than November 9, 2006. The Reverse Split will take place on the Reverse Split Effective Date without any further action on the part of shareholders. Beginning on the Effective Date, each certificate representing pre-Reverse Split shares will be deemed, for all corporate purposes, to evidence ownership of post-Reverse Split shares.

IT WILL NOT BE NECESSARY FOR SHAREHOLDERS TO EXCHANGE THEIR EXISTING STOCK CERTIFICATES FOR STOCK CERTIFICATES REPRESENTING THE NUMBER OF SHARES OF STOCK EACH HOLDER IS ENTITLED TO RECEIVE AS A RESULT OF THE REVERSE SPLIT.

### **No Appraisal Rights**

Under the DGCL, our stockholders will not be entitled to appraisal rights in connection with the Reverse Split. Furthermore, we do not intend to independently provide stockholders with any such rights.

### **Federal Income Tax Consequences of the Reverse Split**

The following is a summary of the material United States federal income tax consequences of the Reverse Split, does not purport to be a complete discussion of all of the possible federal income tax consequences of the Reverse Split and is included for general information only. Further, it does not address any state, local or foreign income or other tax consequences. Also, it does not address the tax consequences to holders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. The discussion is based on the provisions of the United States federal income tax as of the date hereof, which is subject to change retroactively as well as prospectively. This summary also assumes that the pre-Reverse Split shares were, and the post-Reverse Split shares will be, held as a *capital asset*, as defined in the Code (i.e., generally, property held for investment). The tax treatment of a stockholder may vary depending upon the particular facts and circumstances of such stockholder. Each stockholder is urged to consult with such stockholder's own tax advisor with respect to the tax consequences of the Reverse Split. As used herein, the term United States holder means a stockholder that is, for federal income tax purposes: a citizen or resident of the United States; a corporation or other entity taxed as a corporation created or organized in or under the laws of the United States, any State of the United States or the District of Columbia; an estate the income of which is subject to federal income tax regardless of its source; or a trust if a U.S. court is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust.

No gain or loss should be recognized by a stockholder upon such stockholder's exchange of pre-Reverse Split shares for post-Reverse Split shares pursuant to the Reverse Split. The aggregate tax basis of the post-Reverse Split shares received in the Reverse Split will be the same as the stockholder's aggregate tax basis in the pre-Reverse Split shares exchanged therefore. The stockholder's holding period for the post-Reverse Split shares will include the period during which the stockholder held the pre-Reverse Split shares surrendered in the Reverse Split.

Our view regarding the tax consequences of the Reverse Split is not binding on the Internal Revenue Service or the courts.

ACCORDINGLY, WE URGE EACH STOCKHOLDER TO CONSULT WITH HIS OR HER OWN TAX ADVISOR WITH RESPECT TO ALL OF THE POTENTIAL TAX CONSEQUENCES TO HIM OR HER OF THE REVERSE SPLIT.

#### **ACTION NO. 4: CREATION OF SERIES D PREFERRED STOCK**

In connection with our recent private placement which resulted in gross proceeds to us of approximately \$11,500,000 (the *Private Placement*), our Board and shareholders have approved the creation of a Series D Convertible Preferred Stock and have adopted the Certificate of Designations attached to this Information Statement as **Appendix E** (the *Certificate of Designations*). The Certificate of Designations sets forth the rights, preferences and privileges of our Series D Convertible Preferred Stock (the *Series D Preferred Stock*). For a summary of such rights, preferences and privileges, please see the table at the end of this Action No. 4 below. Pursuant to a covenant in the Securities Purchase Agreement (defined below) we have agreed to file, and intend to file, the Certificate of Designations on the date that is twenty one (21) days after the date on which this Information Statement is mailed to our shareholders.

In connection with the Private Placement, our Board has authorized the issuance of up to 16,500 shares of such Series D Preferred Stock. The Series D Preferred Stock, when issued as described below, will be senior in rights, preferences and privileges to the shares of our common stock as set forth in the Certificate of Designations. Please see the subsection below entitled, *How the Issuance of the Series D Preferred Stock will Affect our Existing Shareholders*, for more information related to the preferences and privileges of the Series D Preferred Stock.

In addition, we have attached hereto as **Appendix F** certain of our historical financial statements, together with certain historical financial statements of Millennix, Inc. and certain pro forma financial information related to both companies. These financial statements may include information that is material to you with regard to the actions described in this Information Statement.

#### **Background of the Private Financing**

For approximately twelve months prior to the closing of the Private Placement, we had been exploring various financing alternatives in order to enable us to fund our growth and acquisition strategy. We originally intended to identify one or more lenders and to enter into a loan or credit facility to finance such growth and acquisition strategy; however, we were unable to identify a lender who would lend us funds on terms that were acceptable to us.

In July, 2005, we were first introduced to ComVest Investment Partners II, LLC ( *ComVest* ) by our existing lender, Laurus Master Fund, Ltd. We had no prior relationship with ComVest. Between July, 2005, and November, 2005, ComVest undertook a due diligence investigation of our Company, its operations and financial condition. Once ComVest had completed its due diligence investigation, it proposed a potential preferred stock financing based on its valuation of our Company. Thereafter, we negotiated the terms of their proposal, including ComVest's proposed valuation, at arms-length. The agreed upon valuation resulted in an effective price per share of \$0.07, notwithstanding that the price per share of our common stock on the date of the first closing, November 9, 2005, was \$0.17 per share. In addition, ComVest's proposal included a provision whereby we would also issue to the new investors warrants to purchase a number of shares of our common stock equal to fifty percent (50%) of the number of shares of common stock issuable upon conversion of the new preferred stock at an exercise price equal to \$0.10 per share, notwithstanding that the price per share of our common stock on November 9, 2005 was \$0.17 per share. The exercise price of \$0.10 per share was intended to be thirty percent greater than the effective price per share of the new preferred stock, or \$0.07, which was based on ComVest's valuation of our Company.

In addition, ComVest's proposal required that we (i) repay all of our outstanding debt and terminate any existing security agreement with any lender such that the holders of our newly created preferred stock would be senior to all of our other outstanding securities with respect to liquidation preference, and (ii) consummate the acquisition of the Millennix assets concurrently with the closing of the preferred stock

financing. ComVest's proposal also required that the holders of the Series D Preferred Stock be entitled to elect five (5) of our seven (7) directors, which required that one (1) of our existing directors resign from our Board.

Our Board considered ComVest's proposal together with all other factors it deemed relevant to the decision, including, without limitation, the Company's growth and acquisition strategy, financial position, financing alternatives and the substantial dilution that would result to our existing shareholders and determined that it was in the best interest of the Company and its shareholders to proceed with an equity financing along the lines proposed by ComVest because it enabled us to enter into a relationship with an investor whose interests were more aligned with the interests of our shareholders in general and provided us with greater access to capital to further our acquisition strategy; provided, however, that because we did not yet have sufficient shares of preferred stock authorized to complete such a preferred stock financing, we proposed to issue and sell convertible notes that would automatically convert into such newly created preferred stock at such time as this preferred stock was duly authorized by our shareholders. In addition, it was determined that Anthony Allocca would resign from our board to create five (5) vacancies on our Board and that Mr. Allocca would continue on in his capacity as one of our officers.

Approximately one week prior to the initial closing, ComVest introduced us to each of the other two new investors, Mr. McCall and Mr. Dontzin. We had no prior relationship with either of such individuals. Two entities affiliated with Mr. McCall are also investors in ComVest with an aggregate ownership interest of approximately 1.8%. Mr. Dontzin is also an investor in ComVest with an ownership interest of approximately 0.9%. Neither Mr. McCall nor Mr. Dontzin have any management role with ComVest.

#### **The Private Placement and the Issuance of our Series D Preferred Stock**

On November 9, 2005, we issued and sold senior secured convertible promissory notes (the "Senior Notes") in an aggregate principal amount of \$7,000,000 to certain purchasers (the "Purchasers") and warrants to purchase an additional 49,999,985 shares of common stock at an exercise price of \$0.10 per share pursuant to that certain Securities Purchase Agreement dated November 9, 2005 (the "Securities Purchase Agreement"). On December 22, 2005, we held a second closing at which we issued an additional Senior Note in the aggregate principal amount of \$4,500,000 and a warrant to purchase an additional 32,142,847 shares of common stock at an exercise price of \$0.10 per share. The Senior Notes automatically convert into a number of shares of our Series D Preferred Stock equal to the total outstanding principal amount under all issued and outstanding Senior Notes divided by \$1,000 upon the filing of the Certificate of Designations. The shares of Series D Preferred Stock will be issued to the Purchasers as follows: (i) ComVest will receive 10,300 shares; (ii) Charles McCall will receive 1,000 shares; and (iii) Matthew Dontzin will receive 200 shares.

In addition, pursuant to the Securities Purchase Agreement, we granted ComVest the right to invest up to an additional \$5,000,000 (the "ComVest Option") at any time prior to May 9, 2006. If ComVest chooses to exercise the ComVest Option prior to the filing of the Certificate of Designations, ComVest will receive an additional Senior Note in the principal amount of \$5,000,000 and if ComVest chooses to exercise the ComVest Option in full after the Certificate of Designations has been filed, ComVest will be issued 5,000 shares of Series D Preferred Stock. If ComVest exercises the ComVest Option, it will also be issued an additional warrant to purchase 35,714,275 of common stock at an exercise price of \$0.10 per share.

#### **How the Issuance of the Series D Preferred Stock Will Affect our Existing Shareholders**

As noted above, the Series D Preferred Stock, when issued, will be senior in rights, preferences and privileges to the shares of our outstanding common stock. In particular, the holders of our Series D Preferred Stock will (i) have a liquidation preference in the event of a liquidation event (defined below),

(ii) have certain voting rights with respect to the election of directors and other material transactions, and (iii) have effective voting control of all outstanding capital stock.

### The Liquidation Preference

With respect to our Series D Preferred Stock, a liquidation preference means that upon a liquidation event, the holders of our Series D Preferred Stock will receive \$1,000 per share of Series D Preferred Stock then held by such holder from the proceeds of such liquidation event before the holders of our common stock receive any of the proceeds from such liquidation event. For example, if a liquidation event were to occur immediately after the filing of the Certificate of Designations, and assuming all 16,500 shares of Series D Preferred Stock were then outstanding, the holders of our Series D Preferred Stock would be entitled to receive an aggregate of \$16,500,000 from the proceeds of such

liquidation event before the holders of our common stock were to receive any of the proceeds from such liquidation event. Therefore, if the value of our assets were approximately the same on the date of such liquidation event as they are on the date of this Information Statement, the holders of our common stock would not be entitled to receive any proceeds from such liquidation event. Further, assuming the value of our assets was in excess of \$16,500,000 at the time of such liquidation event, our common stockholders would have to share any such remaining proceeds in excess of \$16,500,000 with the holders of our Series D Preferred Stock on a pro rata basis and as if such shares of Series D Preferred Stock had converted into common stock immediately prior to such liquidation event. For purposes of our Series D Preferred Stock, a liquidation event means (i) our liquidation, dissolution or winding up; (ii) our involvement in a bankruptcy action or our admission of our inability to pay our debts as they become due; (iii) a merger or consolidation where our existing shareholders do not retain more than 50% of our voting power or interest; (iv) a sale of all or substantially all of our assets; or (v) the acquisition of 50% or more of our voting power or interest by a single person or group.

### Rights with Respect to the Election of Directors and Protective Provisions

The holders of Series D Preferred Stock will also have the right to elect a five (5) out of seven (7) members of our Board. Our common stockholders will have the right to elect the remaining two (2) directors. Additionally, we may not, once the shares of Series D Preferred Stock are issued, without the consent of the holders of a majority of the shares of Series D Preferred Stock, take certain actions, including, without limitation: (i) altering, amending or repealing the rights, preferences and privileges of the Series D Preferred Stock; (ii) altering, amending or repealing our certificate of incorporation or bylaws in a manner that would adversely affect the voting power or any other rights, preferences or privileges of the Series D Preferred Stock; (iii) creating any securities senior in rights, preferences or privileges to the Series D Preferred Stock; and (iv) creating any securities equal in rights, preferences or privileges to the Series D Preferred Stock.

### Effective Voting Control

The holders of our Series D Preferred Stock will be entitled to vote on all matters presented to the holders of our common stock on an as-if-converted to common stock basis. Each share of Series D Preferred Stock will initially be convertible into 14,285.71 shares of our common stock. As a result, the holders of Series D Preferred Stock will initially be entitled to 235,714,215 votes, or 79.69% of the voting power, when voting together with the common stock as a single class on any action to be voted upon by the holders of our capital stock.

## Use of Proceeds from the Private Financing

### *Repayment of the Laurus Note*

We used approximately \$5,000,000 of the proceeds received in the Private Placement and the sale of the Senior Notes to repay Laurus Master Fund, Ltd. ( "Laurus" ) all outstanding amounts owed under a Secured Convertible Term Note dated October 18, 2004 (the "Laurus Note" ). We had intended to use the proceeds of the Laurus Note, which bore interest at rate equal to the prime rate, as published in the Wall Street Journal, plus 2.5%, for working capital and potential acquisitions. While we could have used such proceeds to consummate the Millennix acquisition described below, our Board determined that repaying the Laurus Note and entering into the Private Placement was in the best interests of our Company and our shareholders because it enabled us to enter into a relationship with an investor whose interests were more aligned with the interests of our shareholders in general and provided us with greater access to capital to further our acquisition strategy.

### Acquisition of Millennix, Inc.

Additionally, approximately \$1,200,000 of the proceeds received in the sale of the Senior Notes was used to acquire substantially all of the assets of Millennix, Inc. ( "Millennix" ). Of such amount, approximately \$78,000 represents a loan repaid on behalf of Millennix to The Bank of New York pursuant to a Promissory Note dated March 29, 2002, which bore interest at the prime rate, as publicly announced from time to time by The Bank of New York, plus 1%. In addition to the cash portion of the purchase price for the assets of Millennix, we also issued 10,416,667 shares of our common stock to Dr. Gene Resnick, the sole shareholder of Millennix, and assumed certain debts of Millennix in the aggregate principal amount of approximately \$800,000.

We are also obligated to pay a possible additional \$1,400,000 in cash ( "Millennix Earnout" ), contingent upon the achievement of certain earnout milestones. We currently contemplate that we will pay the Millennix Earnout using our available working capital, some of which may, but will not necessarily, include proceeds received from the sale of the Senior Notes.

Millennix provides comprehensive clinical research services for Phase I through Phase IV clinical trials, with a focus in oncology and other complex medical conditions. Millennix also assists its clients with strategic and regulatory planning, as well as protocol development, investigator qualification and recruitment, study implementation and management, and data management. Millennix's clients include large pharmaceutical companies and smaller pharmaceutical and biotechnology companies. As such, the primary component of the assets we acquired from Millennix was the various service agreements Millennix has entered into with its various clients related to the conduct of their respective clinical trials and the Millennix expertise and personnel. We had no relationship with Millennix prior to the acquisition of the Millennix assets.

We intend to operate Millennix as a division of our Company. Our Millennix division will continue to be located in Purchase, New York. We have hired each of the employees of Millennix who was an employee of Millennix immediately prior to the acquisition. In addition, we intend to integrate our sales operations as well as our internal control systems and certain other information technology. To date, we have not encountered any material difficulty in integrating such aspects of the two companies; however, the integration process is still at a very early stage.

### *Remaining Proceeds from the Private Placement*

The remaining proceeds received from the sale of the Senior Notes, including those received in connection with the exercise of the ComVest Option, if any, shall be used as working capital and for potential future acquisitions. At this time, however, we have not identified any such potential future

acquisition candidates for which we would use such funds. We expect the funds received in the Private Placement to be sufficient to fund our operations through at least December 31, 2006.

### Summary of the Terms of the Series D Preferred Stock

The following is a summary of the rights, preferences and privileges of the Series D Preferred Stock.

<i>Dividends:</i>	Holders of Series D Preferred Stock are not entitled to receive dividends.
<i>Liquidation Preference:</i>	In the event of any liquidation or winding up of IT&E Delaware, the holders of Series D Preferred Stock will be entitled to receive, in preference to the holders of the IT&E Delaware common stock, an amount per share equal to the stated value per share, initially \$1,000, subject to weighted average anti-dilution adjustments (the "Liquidation Preference"). If the assets and funds thus distributed among the holders of the Series D Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of IT&E Delaware legally available for distribution shall be distributed ratably among the holders of the Series D Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive. All remaining proceeds thereafter shall be shared pro rata by the holders of common stock and the holders of the Series D Preferred Stock (on an as converted basis). A consolidation or merger of IT&E Delaware or sale of all or substantially all of its assets in a transaction in which IT&E Delaware's stockholders prior to such transaction hold less than fifty percent (50%) of the voting power of the surviving or acquiring entity shall be deemed a liquidation or winding up for purposes of the Liquidation Preference.
<i>Redemption:</i>	IT&E Delaware has the right, upon written notice to the holders of Series D Preferred Stock, to redeem any of the holder's Series D Preferred Stock, if the following conditions are met: (i) a majority of the independent non-employee members of the Board of Directors (as "independent" is defined in Rule 10A-3 of the Exchange Act) have affirmatively voted in favor of the redemption; (ii) the closing price of the common stock has traded at or above a price equal to \$0.30 for a period of twenty (20) days prior to the redemption notice; and (iii) IT&E Delaware has achieved a pre-tax income per share of common stock (calculated on a fully-diluted basis after giving effect to the issuance of the common stock underlying the Series D Preferred Stock, and using the Treasury Method for options and warrants) of at least \$0.015 per share for the prior trailing four (4) quarters (excluding any non-recurring extraordinary expenses). IT&E Delaware may exercise this right by delivering \$0.001 per share of common stock issuable upon the conversion of the Series D Preferred Stock being redeemed.
<i>Optional Conversion:</i>	The Series D Preferred Stock will be convertible into common stock at any time, at the sole option of each holder. The conversion ratio is determined by dividing the Liquidation Preference by the then-current conversion price for the Series D Preferred Stock. The initial conversion price for the Series D Preferred Stock is \$0.07 (the "Conversion Price").
<i>Anti-Dilution:</i>	The Conversion Price of the Series D Preferred Stock is subject to adjustment on a weighted average anti-dilution basis if IT&E Delaware sells shares of equity securities, or is deemed to have sold shares of equity securities, at a purchase price less than the then-effective Conversion Price for the Series D Preferred Stock, subject to certain standard and customary exceptions. There shall also be a proportional adjustment to the Series D Preferred Stock Conversion Price in the event of stock splits, stock dividends, recapitalizations, combinations and the like.
<i>Voting:</i>	A holder of Series D Preferred Stock will have the right to that number of votes equal to the number of shares of common stock issuable upon conversion of the Series D Preferred Stock held by such holder. Except as otherwise provided by law or otherwise set forth herein, the Series D Preferred Stock and the common stock shall vote together on all other matters.
<i>Board of Directors:</i>	Pursuant to the Certificate of Designations, for so long as the Series D Preferred Stock is outstanding, the authorized number of members of the Board of Directors shall be seven (7) and the holders of Series D Preferred Stock, voting as a separate class, shall be entitled to elect five (5) members to the Board of Directors.

<i>Protective Covenants:</i>	So long as any of the shares of Series D Preferred Stock remain outstanding, the consent of at least a majority of the Series D Preferred Stock, voting as a separate class, will be required for IT&E Delaware to undertake any of the following actions:
	<ul style="list-style-type: none"> <li>alter, amend or repeal (whether by merger, consolidation or otherwise) the rights, preferences or privileges of the Series D Preferred Stock or any capital stock of IT&amp;E Delaware so as to affect adversely the Series D Preferred Stock;</li> </ul>
	<ul style="list-style-type: none"> <li>alter, amend or repeal, the Certificate of Incorporation or Bylaws, in a manner that would adversely affect the voting power of the Series D Preferred Stock or any other rights or privileges of the holders of the Series D Preferred Stock;</li> </ul>

	<ul style="list-style-type: none"> <li>issue or sell any shares of common stock or securities convertible into common stock for no consideration or for a consideration per share less than the then in effect Conversion Price, except that, no adjustment to the Conversion Price will be made in the case of (i) shares of common stock options or shares of common stock issued upon the exercise of any such options to employees, officers or directors of IT&amp;E Delaware pursuant to any stock or option plan duly adopted by a majority of the non-employee members of the Board of Directors of IT&amp;E Delaware or a majority of the members of a committee of non-employee directors established for such purpose, (ii) securities upon the exercise of or conversion of any convertible securities, options or warrants issued and outstanding on November 9, 2005, provided that such securities have not been amended, (iii) the securities issued or issuable hereunder or pursuant to that certain Securities Purchase Agreement between the Company and the purchasers set forth on the signature pages thereto, dated as November 9, 2005, (iv) issuances in connection with mergers, acquisitions, joint ventures or other transactions with an unrelated third party in a bona fide transaction the purpose of which is not fundraising, or (v) issuances at fair market value to the IT&amp;E Delaware's suppliers, consultants and other providers of services and goods not to exceed \$100,000 to any one person, and not to exceed an aggregate of \$250,000 in any fiscal year without the prior written consent of the holders of a majority of shares of Series D Preferred Stock;</li> </ul>

	<ul style="list-style-type: none"> <li>enter into any transaction, including, without limitation, any purchase, sale, lease or exchange of property, the rendering of any service or the payment of any management, advisory or similar fees, with any of its affiliates, unless such transaction is (i) in the ordinary course of business, and (ii) upon fair and reasonable terms no less favorable to IT&amp;E Delaware than it would obtain in a comparable arm's length transaction with a person which is not an affiliate; or</li> </ul>
	<ul style="list-style-type: none"> <li>do any act or thing not authorized or contemplated by the Certificate of Designations which would result in taxation of the holders of shares of the Series D Preferred Stock under Section 305 of the Code (or any comparable provision of the Internal Revenue Code as hereafter from time to time amended).</li> </ul>
<i>Registration Rights:</i>	IT&E Delaware will be obligated to file a re-sale registration statement registering the shares of common stock issuable upon conversion of the Series D Preferred Stock within fifteen (15) days after the earlier to occur of: (i) the exercise in full of the ComVest Option, which may occur at any time after November 9, 2005, or (ii) the expiration of the ComVest Option on May 9, 2006.

**ACTION NO. 5: APPROVE AMENDMENT TO COMPANY S 2005 EQUITY INVENTIVE PLAN**

Our Board has adopted, and the shareholders have approved, an amendment to the IT&E International Group 2005 Equity Incentive Plan (the Plan ), under which employees, consultants and directors may receive grants of stock options, restricted stock awards and stock bonuses (collectively, Stock Awards ) to increase the maximum number of shares that have been reserved for issuance under the Plan from 7,500,000 to 25,000,000. The principal features of the Plan are summarized below. Such summary is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached as *Appendix G* to this Information Statement.

**Terms and Conditions of the Plan**

We believe that our ability to award incentive compensation based on equity in us is critical to our success in remaining competitive and attracting, motivating and retaining key personnel. The efforts and skill of our employees and other personnel who provide services to us generate much of the growth and success of our business. We believe that a broad-based equity incentive program will help us to be highly successful in motivating and rewarding the efforts of our employees and other valuable personnel. By giving our employees, consultants and directors an opportunity to share in the growth of our equity, we will be aligning their interests with those of our shareholders. Our employees, consultants and directors understand that their stake in our Company will have value only if, working together, we create value for our shareholders. We anticipate that awards under the Plan will generally vest over a period of four years with 25% vesting on the first anniversary of the grant date and the remainder of the options vesting in equal monthly installments over the remaining three years, giving the recipient an additional incentive to provide services over a number of years and build on past performance. However, individual vesting schedules will be determined at the discretion of our Board. We believe that, if approved, the Plan will continue to help us to build a team of high achievers who have demonstrated long-term dedication and productivity and who, in turn, help us to attract like-minded individuals to our Company.

*Number of Shares*

Under the Plan, as amended, 25,000,000 new shares of our common stock are reserved for issuance under awards. Any shares that are represented by Stock Awards under the Plan that expire or otherwise terminate without being exercised in full will again be available for awards under the Plan.

The Plan imposes the following additional maximum limitations:

- The number of shares of common stock issuable upon exercise of all outstanding Stock Awards, together with the total number of shares of common stock provided for under any other stock bonus or similar plan, may not exceed the applicable limitations set forth in Title 10 of the California Code of Regulations.
- The aggregate fair market value (determined at the time of grant) of common stock with respect to which incentive stock options are exercisable for the first time by any participant during any calendar year under all our equity compensation plans and those of our affiliates (including the Plan) may not exceed \$100,000.

The number of shares reserved for issuance under the Plan are subject to adjustment to reflect certain potential subsequent changes to our capital structure, such as stock splits, stock dividends and recapitalizations.

*Administration*

The Plan will be administered by our Board, unless the Board decides to delegate administration of the Plan to a committee of the Board. Any such delegation may be made only to the extent permitted by

our bylaws and applicable laws and regulations. The Board will have full power to administer the Plan and the decisions of the Board will be final and binding upon all participants.

#### *Eligibility*

The selection of the participants in the Plan will generally be determined by the Board. Employees, including those who are our officers, or directors or officers or directors of our subsidiaries and affiliates, are eligible to be selected to receive awards under the Plan. In addition, non-employee service providers, including directors, and employees of unaffiliated entities that provide bona fide services to us as a consultant are eligible to be selected to receive awards under the Plan. Members of the Board are eligible for and are expected to receive grants of awards under the Plan for their services as directors.

#### *Types of Awards*

The Plan allows for the grant of stock options, restricted stock awards and stock bonuses. Subject to the terms of the Plan, the Board will determine the terms and conditions of awards, including the times when awards vest or become payable and the effect of certain events such as termination of employment. Each grant of a Stock Award will be evidenced by an award agreement.

*Stock Options.* The Board may grant either incentive stock options intended to qualify as such under Section 422 of the Code, or options not intended to so qualify ( nonstatutory options ). All incentive stock options granted under the Plan must generally have an exercise price that is at least equal to the fair market value of our underlying common stock on the grant date. All nonstatutory options granted under the Plan must generally have an exercise price that is at least equal to eighty five percent (85%) of the fair market value of our underlying common stock on the grant date. The closing price per share of our common stock as of November 9, 2005, as reported on the OTC Bulletin Board, was \$0.17. No stock option granted under the Plan may have a term longer than ten (10) years. All or part of any option award may be subject to conditions and restrictions, which the Board will specify. The exercise price of stock options may be paid, to the extent permitted by applicable laws and regulations, (i) in cash; (ii) by tendering shares of our common stock that have been held by the optionee for at least six (6) months; (iii) or, pursuant to a cashless exercise program developed under Regulation T promulgated by the Federal Reserve Board.

*Restricted Stock Awards.* The Board may grant awards of restricted common stock for a purchase price of not less than eighty five percent (85%) of the fair market value of our common stock on the date such award is made or at the time the purchase is consummated. All or part of any restricted stock award may be subject to conditions and restrictions, which the Board will specify.

*Stock Bonus Awards.* The Board may grant stock bonus awards, which are awards of our common stock in consideration for past services actually rendered to us or a parent or subsidiary. All or part of any stock bonus award may be subject to conditions and restrictions, which the Board will specify.

#### *Change of Control*

The Board may determine, in its discretion, whether an award issued under the Plan will become vested or exercisable, either in whole or in part, upon a change in control (as defined in the Plan). Any rights which a participant may have upon a change in control will be set forth in the applicable award agreement.

#### *Transferability of Awards*

Awards granted under the Plan are not transferable, other than by will or pursuant to state intestate laws, unless the Board otherwise approves a transfer.

*Amendment; Term and Termination*

The Board may alter or amend the Plan or any Stock Award in any manner at any time. However, no amendment to the Plan will be effective unless approved by our shareholders, to the extent such approval is necessary to satisfy the requirements of Section 422 of the Code. The Board may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan will terminate on the day before the tenth (10<sup>th</sup>) anniversary of the date the Plan is adopted by the Board or approved by our shareholders, whichever is earlier.

**Federal Income Tax Consequences**

The following summary is intended only as a general guide to the United States federal income tax consequences under current law of incentive stock options and nonstatutory stock options, which are authorized for grant under the Plan. It does not attempt to describe all possible federal or other tax consequences of participation in the Plan, tax consequences of all of the types of awards which may be granted under the Plan, or tax consequences based on particular circumstances. The tax consequences may vary if options are granted outside the United States.

*Incentive Stock Options*

An option holder recognizes no taxable income for regular income tax purposes as a result of the grant or exercise of an incentive stock option qualifying under Section 422 of the Code. Option holders who dispose of the shares acquired under an incentive stock option after two years following the date the option was granted and after one year following the exercise of the option will normally recognize a capital gain or loss upon a sale of the shares equal to the difference, if any, between the sale price and the purchase price of the shares. If an option holder satisfies such holding periods upon a sale of the shares, we will not be entitled to any deduction for federal income tax purposes. If an option holder disposes of shares within two years after the date of grant or within one year after the date of exercise (a disqualifying disposition), the difference between the fair market value of the shares on the exercise date and the option exercise price (not to exceed the gain realized on the sale if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) will be taxed as ordinary income at the time of disposition. Any gain in excess of that amount will be a capital gain. If a loss is recognized, there will be no ordinary income, and such loss will be a capital loss. Any ordinary income recognized by the option holder upon the disqualifying disposition of the shares generally will result in a deduction by us for federal income tax purposes.

*Nonstatutory Stock Options*

Options not designated or qualifying as incentive stock options will be non-qualified stock options having no special tax status. An optionee generally recognizes no taxable income as the result of the grant of such an option. Upon exercise of a non-qualified stock option, the optionee normally recognizes ordinary income in the amount of the difference between the option exercise price and the fair market value of the shares on the exercise date. If the optionee is an employee, such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of stock acquired by the exercise of a non-qualified stock option, any gain or loss, based on the difference between the sale price and the fair market value on the exercise date, will be taxed as a capital gain or loss. No tax deduction is available to us with respect to the grant of a non-qualified stock option or the sale of the stock acquired pursuant to such grant. We generally should be entitled to a deduction equal to the amount of ordinary income recognized by the optionee as a result of the exercise of a non-qualified stock option.

*Other Considerations*

The Code allows publicly-held corporations to deduct compensation in excess of \$1,000,000 paid to the corporation's chief executive officer and its four other most highly compensated executive officers in office at the end of the tax year if the compensation is payable solely based on the attainment of one or more performance goals and certain statutory requirements are satisfied. We intend for compensation arising from grants of awards under the Plan which are based on performance goals to be deductible by us as performance-based compensation not subject to the \$1,000,000 limitation on deductibility.

**Awards under the Plan**

Options granted under the Plan will be granted at the discretion of the Board, and, accordingly, are not yet determinable. Benefits under the Plan will depend on a number of factors, including the fair market value of our common stock on future dates, and actual Company performance against performance goals established with respect to performance awards, if any. Consequently, other than the options described below, it is not possible to determine the benefits that might be received by participants under the Plan.

As of December 31, 2005, we have previously granted options to purchase 13,965,750 shares of common stock under the Plan, to certain persons as follows:

On October 31, 2005, our Board established an Audit Committee and a Compensation Committee.

Our Board has not established a nominating committee. Each member of our Board participates in the consideration of nominees for our Board. Our Board does not have a formal policy with respect to consideration of director candidates recommended by our security holders, but will consider such candidates. Our Board feels that it is appropriate not to have such a formal policy because of the small size of our Board and Company. Any shareholder may make recommendations to our Board for membership on the Board by sending a written statement of the qualifications of the recommended individual to: IT&E International Group, Chief Executive Officer, 505 Lomas Santa Fe Drive, Suite 200, Solana Beach, California 92075. Such recommendations should be received no later than sixty (60) days prior to the annual meeting for which the shareholder wishes his or her recommendation to be considered. The Board will evaluate candidates recommended by shareholders on the same basis as it evaluates other candidates.

In evaluating potential candidates for membership on our Board, our Board may consider such factors as it deems appropriate. These factors may include judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. While the Board has not established any specific minimum qualifications for director nominees, the Board believes that demonstrated leadership, as well as significant years of service, in an area of endeavor such as business, law, public service, related industry or academia, is a desirable qualification for service as a member of our Board.

#### **Audit Committee**

A director or officer who is successful in defending a claim will be indemnified for all expenses incurred in connection with his defense.

In addition, we may enter into indemnification agreements with certain of our officers and directors that require us to indemnify such persons against any and all expenses (including attorneys' fees), witness fees, damages, judgments, fines, settlements and other amounts incurred in connection with any action, suit or proceeding, whether actual or threatened, to which any such person may be made a party by reason of the fact that such person is or was or at any time becomes a director, an officer or an employee of our or any of its affiliated enterprises, provided that such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to our best interest and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

We also maintain directors and officers insurance providing indemnification for certain of our directors, officers, affiliates, partners or employees for certain liabilities.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the *Securities Act*) may be permitted to directors, officers and controlling persons of ours pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the *Securities Act*, and is, therefore, unenforceable.

In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of ours in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

#### **Change in Control of Company**

On November 9, 2005, ComVest acquired control of the Company. ComVest purchased Senior Notes in the aggregate principal amount of \$5,800,000 which are automatically convertible into 5,800 shares of Series D Preferred Stock, subject only to the filing of the Certificate of Designations with the relevant Secretary of State. Each share of Series D Preferred Stock, when issued, will be convertible at the option of the holder into 14,285.71 shares of our common stock. ComVest was also issued warrants to purchase up to 41,428,559 shares of our common stock which are immediately exercisable for a period of four (4) years at an exercise price of \$0.10 per share, notwithstanding that the market price of a share of our common stock was \$0.17 on November 9, 2005. This exercise price was based on a valuation of our company performed by ComVest which we negotiated at arms-length, without reference to any prevailing market price. Therefore, ComVest beneficially owned approximately 67.41% of our outstanding common stock as of November 9, 2005. ComVest acquired control of the Company from Kelly Alberts and Anthony Allocca. Pursuant to the Certificate of Designations, the holders of Series D Preferred Stock will have the right to elect five (5) members to our Board and the holders of common stock have the right to elect two (2) members to our Board.

In addition, at a second closing on December 22, 2005, ComVest purchased an additional Senior Note in the aggregate principal amount of \$4,500,000. The additional Senior Note issued to ComVest at the second closing will automatically convert into 4,500 shares of Series D Preferred Stock upon the filing of the Certificate of Designations with the relevant Secretary of State. At the second closing, ComVest was also issued a warrant to purchase up to 32,142,847 shares of our common stock which is immediately exercisable for a period of four (4) years at an exercise price of \$0.10 per share. Subsequent to the second closing, ComVest beneficially owned approximately 78.6% of our outstanding common stock.

Further, we granted ComVest an option to purchase an additional Senior Note or shares of Series D Preferred Stock for an aggregate purchase price of \$5,000,000 which may be exercised at any time prior to May 9, 2006. If ComVest acquires a Senior Note pursuant to the ComVest Option, the Senior Note will be automatically convertible into 5,000 shares of Series D Preferred Stock upon the filing of the Certificate of Designations with the relevant Secretary of State. If ComVest exercises the ComVest Option, ComVest will also be issued a warrant to purchase up to 35,714,275 shares of our common stock which will be immediately exercisable for a period of four (4) years at an exercise price of \$0.10 per share. Subsequent to the closing of the ComVest Option, if any, ComVest will beneficially own approximately 84.51% of our outstanding common stock.

## DISSENTERS' RIGHT OF APPRAISAL

Holders of the common stock of IT&E International that follow the appropriate procedures will be entitled to dissent from the consummation of the Reincorporation and receive payment of the fair value of their shares under Sections 92A.300 through 92A.500 of the Nevada General Corporation Law. The following discussion summarizes the material applicable provisions of the Nevada dissenters' rights statute. You are urged to read the full text of the Nevada dissenters' rights statute, which is reprinted in its entirety and attached as **Appendix I** to this Information Statement. A person having a beneficial interest in shares of IT&E International's common stock that are held of record in the name of another person, such as a bank, broker or other nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner if such person wishes to perfect any dissenters' rights such person may have. This discussion and Appendix I should be reviewed carefully by you if you wish to exercise statutory dissenters rights or wish to preserve the right to do so, because failure to strictly comply with any of the procedural requirements of the Nevada dissenters' rights statute may result in a termination or waiver of dissenters' rights under the Nevada dissenters' rights statute.

Under the Nevada dissenters' rights statute, you have the right to dissent from the Reincorporation and demand payment of the fair value of your shares of IT&E International common stock. If you elect to dissent, you must file with IT&E International a written notice of dissent stating that you intend to demand payment for your shares of IT&E International common stock if the Reincorporation is consummated. Such written notice of dissent must be filed with IT&E International within twenty (20) days after receipt of this Information Statement. If you fail to comply with this notice requirement, you will not be entitled to dissenters' rights. The fair value of the shares as used in the Nevada dissenters' rights statute is the value of the shares immediately before the effectuation of the proposed Reincorporation, including an appreciation or depreciation in anticipation of the Reincorporation unless exclusion would be inequitable.

Within ten (10) days after the effective time of the Reincorporation, IT&E International will give written notice of the effective time of the Reincorporation by certified mail to each shareholder who filed a written notice of dissent. The notice must also state where demand for payment must be sent and where share certificates shall be deposited, among other information. Within thirty (30) days following the date such notice is delivered, the dissenting shareholder must make a written demand on IT&E International for payment of the fair value of his, her or its shares and deposit his, her or its share certificates in accordance with the notice.

Within thirty (30) days after the receipt of demand for the fair value of the dissenters' shares, IT&E International will pay each dissenter who complied with the required procedures the amount it estimates to be the fair value of the dissenters' shares, plus accrued interest. Additionally, IT&E International shall mail to each dissenting shareholder a statement as to how fair value was calculated, a statement as to how interest was calculated, a statement of the dissenters' right to demand payment of fair value under Nevada law, and a copy of the relevant provisions of Nevada law. A dissenting shareholder, within thirty (30) days following receipt of payment for the shares, may send IT&E International a notice containing such shareholder's own estimate of fair value and accrued interest, and demand payment for that amount less the amount received pursuant to IT&E International's payment of fair value to such shareholder.

If a demand for payment remains unsettled, IT&E International shall petition the court to determine fair value and accrued interest. If IT&E International fails to commence an action within sixty (60) days following the receipt of the shareholder's demand, IT&E International shall pay to the shareholder the amount demanded by the shareholder in the shareholder's notice containing the shareholder's estimate of fair value and accrued interest.

All dissenting shareholders, whether residents of Nevada or not, must be made parties to the action and the court shall render judgment for the fair value of their shares. Each party must be served with the petition. The judgment shall include payment for the amount, if any, by which the court finds the fair value of such shares, plus interest, exceeds the amount already paid. If the court finds that the demand of any dissenting shareholder for payment was arbitrary, vexatious or otherwise not in good faith, the court may assess costs, including reasonable fees of counsel and experts, against such shareholder. Otherwise the costs and expenses of bringing the action will be determined by the court. In addition, reasonable fees and expenses of counsel and experts may be assessed against IT&E International if the court finds that it did not substantially comply with the requirements of the Nevada dissenters' rights statute or that it acted arbitrarily, vexatiously, or not in good faith with respect to the rights granted to dissenters under Nevada law.

**IF YOU WISH TO SEEK DISSENTERS' RIGHTS, YOU ARE URGED TO REVIEW THE APPLICABLE NEVADA STATUTES ATTACHED TO THIS DOCUMENT AS APPENDIX I.**

IF YOU FAIL TO COMPLY STRICTLY WITH THE PROCEDURES DESCRIBED ABOVE, YOU WILL LOSE YOUR APPRAISAL RIGHTS. CONSEQUENTLY, IF YOU WISH TO EXERCISE YOUR APPRAISAL RIGHTS, WE STRONGLY URGE YOU TO CONSULT A LEGAL ADVISOR BEFORE ATTEMPTING TO EXERCISE YOUR APPRAISAL RIGHTS.

By Order of the Board of Directors,  
/s/ PETER SOLLENNE  
Chief Executive Officer

**Section 2. Other Offices** The corporation shall also have and maintain an office or principal place of business at such place as may be fixed by the Board of Directors, and may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors may from time to time determine or the business of the corporation may require. (Del. Code Ann., tit. 8, § 122(8))

**ARTICLE II  
CORPORATE SEAL**

**Section 3. Corporate Seal** The Board of Directors may adopt a corporate seal. The corporate seal shall consist of a die bearing the name of the corporation and the inscription, Corporate Seal-Delaware. Said seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise. (Del. Code Ann., tit. 8, § 122(3))

**ARTICLE III  
STOCKHOLDERS MEETINGS**

**Section 4. Place of Meetings** Meetings of the stockholders of the corporation may be held at such place, either within or without the State of Delaware, as may be determined from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication as provided under the Delaware General Corporation Law ( DGCL ). (Del. Code Ann., tit. 8, § 211(a))

**Section 5. Annual Meeting**

(a) The annual meeting of the stockholders of the corporation, for the purpose of election of directors and for such other business as may lawfully come before it, shall be held on such date and at such time as may be designated from time to time by the Board of Directors. Nominations of persons for election to the Board of Directors of the corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders: (i) pursuant to the corporation's notice of meeting of stockholders; (ii) by or at the direction of the Board of Directors; or (iii) by any stockholder of the corporation who was a stockholder of record at the time of giving of notice provided for in the following paragraph, who is entitled to vote at the meeting and who complied with the notice procedures set forth in Section 5. (Del. Code Ann., tit. 8, § 211(b))

(b) At an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of Section 5(a) of these Bylaws, (i) the stockholder must have given timely notice thereof in writing to the Secretary of the corporation, (ii) such other business must be a proper matter for stockholder action under the DGCL, (iii) if the stockholder, or the beneficial owner on whose behalf any such proposal or nomination is made, has provided the corporation with a Solicitation Notice (as defined in this Section 5(b)), such stockholder or beneficial owner must, in the case of a proposal, have delivered a proxy statement and form of proxy to holders of at least the percentage of the corporation's voting shares required under applicable law to carry any such

proposal, or, in the case of a nomination or nominations, have delivered a proxy statement and form of proxy to holders of a percentage of the corporation's voting shares reasonably believed by such stockholder or beneficial owner to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder, and must, in either case, have included in such materials the Solicitation Notice, and (iv) if no Solicitation Notice relating thereto has been timely provided pursuant to this section, the stockholder or beneficial owner proposing such business or nomination must not have solicited a number of proxies sufficient to have required the delivery of such a Solicitation Notice under this Section 5. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth: (A) as to each person whom the stockholder proposed to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "1934 Act") and Rule 14a-4(d) thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the corporation's books, and of such beneficial owner, (ii) the class and number of shares of the corporation which are owned beneficially and of record by such stockholder and such beneficial owner, and (iii) whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of, in the case of the proposal, at least the percentage of the corporation's voting shares required under applicable law to carry the proposal or, in the case of a nomination or nominations, a sufficient number of holders of the corporation's voting shares to elect such nominee or nominees (an affirmative statement of such intent, a "Solicitation Notice").

(c) Notwithstanding anything in the second sentence of Section 5(b) of these Bylaws to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the corporation at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 5 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the corporation.

(d) Only such persons who are nominated in accordance with the procedures set forth in this Section 5 shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 5. Except as otherwise provided by law, the Chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was

made, or proposed, as the case may be, in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, to declare that such defective proposal or nomination shall not be presented for stockholder action at the meeting and shall be disregarded.

(e) Notwithstanding the foregoing provisions of this Section 5, in order to include information with respect to a stockholder proposal in the proxy statement and form of proxy for a stockholders' meeting, stockholders must provide notice as required by the regulations promulgated under the 1934 Act. Nothing in these Bylaws shall be deemed to affect any rights of stockholders to request inclusion of proposals in the corporation proxy statement pursuant to Rule 14a-8 under the 1934 Act.

(f) For purposes of this Section 5, public announcement shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the 1934 Act.

#### **Section 6. Special Meetings**

(a) Special meetings of the stockholders of the corporation may be called, for any purpose or purposes, by (i) the Chairman of the Board of Directors, (ii) the Chief Executive Officer, (iii) the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board of Directors for adoption) or (iv) by the holders of shares entitled to cast not less than twenty-five percent (25%) of the votes at the meeting, and shall be held at such place, on such date, and at such time as the Board of Directors shall fix.

(b) If a special meeting is properly called by any person or persons other than the Board of Directors, the request shall be in writing, specifying the general nature of the business proposed to be transacted, and shall be delivered personally or sent by certified or registered mail, return receipt requested, or by telegraphic or other facsimile transmission to the Chairman of the Board of Directors, the Chief Executive Officer, or the Secretary of the corporation. No business may be transacted at such special meeting otherwise than specified in such notice. The Board of Directors shall determine the time and place of such special meeting, which shall be held not less than thirty-five (35) nor more than one hundred twenty (120) days after the date of the receipt of the request. Upon determination of the time and place of the meeting, the officer receiving the request shall cause notice to be given to the stockholders entitled to vote, in accordance with the provisions of Section 7 of these Bylaws. Nothing contained in this paragraph (b) shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board of Directors may be held.

**Section 7. Notice of Meetings** Except as otherwise provided by law, notice, given in writing or by electronic transmission, of each meeting of stockholders shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting, such notice to specify the place, if any, date and hour, in the case of special meetings, the purpose or purposes of the meeting, and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at any such meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the corporation. Notice of the time, place, if any, and purpose of any meeting of stockholders may be waived in writing, signed by the person entitled to notice thereof or by electronic transmission by such person, either before or after such meeting, and will be waived by any stockholder by his attendance thereat in person, by remote communication, if applicable, or by proxy, except when the stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any

stockholder so waiving notice of such meeting shall be bound by the proceedings of any such meeting in all respects as if due notice thereof had been given. (Del. Code Ann., tit. 8, §§ 222, 229, 232)

**Section 8. Quorum** At all meetings of stockholders, except where otherwise provided by statute or by the Certificate of Incorporation, or by these Bylaws, the presence, in person, by remote communication, if applicable, or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock entitled to vote shall constitute a quorum for the transaction of business. In the absence of a quorum, any meeting of stockholders may be adjourned, from time to time, either by the chairman of the meeting or by vote of the holders of a majority of the shares represented thereat, but no other business shall be transacted at such meeting. The stockholders present at a duly called or convened meeting, at which a quorum is present, may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Except as otherwise provided by statute, or by the Certificate of Incorporation or these Bylaws, in all matters other than the election of directors, the affirmative vote of a majority of shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the subject matter shall be the act of the stockholders. Except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws, directors shall be elected by a plurality of the votes of the shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the election of directors. Where a separate vote by a class or classes or series is required, except where otherwise provided by the statute or by the Certificate of Incorporation or these Bylaws, a majority of the outstanding shares of such class or classes or series, present in person, by remote communication, if applicable, or represented by proxy duly authorized, shall constitute a quorum entitled to take action with respect to that vote on that matter. Except where otherwise provided by statute or by the Certificate of Incorporation or these Bylaws, the affirmative vote of the majority (plurality, in the case of the election of directors) of shares of such class or classes or series present in person, by remote communication, if applicable, or represented by proxy at the meeting shall be the act of such class or classes or series. (Del. Code Ann., tit. 8, § 216)

**Section 9. Adjournment and Notice of Adjourned Meetings** Any meeting of stockholders, whether annual or special, may be adjourned from time to time either by the chairman of the meeting or by the vote of a majority of the shares present in person, by remote communication, if applicable, or represented by proxy. When a meeting is adjourned to another time or place, if any, notice need not be given of the adjourned meeting if the time and place, if any, thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. (Del. Code Ann., tit. 8, § 222(c))

**Section 10. Voting Rights** For the purpose of determining those stockholders entitled to vote at any meeting of the stockholders, except as otherwise provided by law, only persons in whose names shares stand on the stock records of the corporation on the record date, as provided in Section 12 of these Bylaws, shall be entitled to vote at any meeting of stockholders. Every person entitled to vote or execute consents shall have the right to do so either in person, by remote communication, if applicable, or by an agent or agents authorized by a proxy granted in accordance with Delaware law. An agent so appointed need not be a stockholder. No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period. (Del. Code Ann., tit. 8, §§ 211(e), 212(b))

**Section 11. Joint Owners of Stock** If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the

contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the Delaware Court of Chancery for relief as provided in the DGCL, Section 217(b). If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest. (Del. Code Ann., tit. 8, § 217(b))

**Section 12. List of Stockholders** The Secretary shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or during ordinary business hours, at the principal place of business of the corporation. In the event that the corporation determines to make the list available on an electronic network, the corporation may take reasonable steps to ensure that such information is available only to stockholders of the corporation. The list shall be open to examination of any stockholder during the time of the meeting as provided by law. (Del. Code Ann., tit. 8, § 219)

**Section 13. Action Without Meeting**

(a) Unless otherwise provided in the Certificate of Incorporation, any action required by statute to be taken at any annual or special meeting of the stockholders, or any action which may be taken at any annual or special meeting of the stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, or by electronic transmission setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. (Del. Code Ann., tit. 8, § 228)

(b) Every written consent or electronic transmission shall bear the date of signature of each stockholder who signs the consent, and no written consent or electronic transmission shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered to the corporation in the manner herein required, written consents or electronic transmissions signed by a sufficient number of stockholders to take action are delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to a corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. (Del. Code Ann., tit. 8, § 228)

(c) Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing or by electronic transmission and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take action were delivered to the corporation as provided in Section 228(c) of the DGCL. If the action which is consented to is such as would have required the filing of a certificate under any section of the DGCL if such action had been voted on by stockholders at a meeting thereof, then the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of stockholders, that written consent has been given in accordance with Section 228 of the DGCL.

(d) A telegram, cablegram or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this section, provided that any such telegram, cablegram or other electronic transmission sets forth or is delivered with information from which the corporation can determine (i) that the telegram, cablegram or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder and (ii) the date on which such stockholder or proxyholder or authorized person or persons transmitted such telegram, cablegram or electronic transmission. The date on which such telegram, cablegram or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by telegram, cablegram or other electronic transmission shall be deemed to have been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the corporation by delivery to its registered office in the state of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to a corporation's registered office shall be made by hand or by certified or registered mail, return receipt requested. Notwithstanding the foregoing limitations on delivery, consents given by telegram, cablegram or other electronic transmission may be otherwise delivered to the principal place of business of the corporation or to an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded if, to the extent and in the manner provided by resolution of the board of directors of the corporation. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing. (Del. Code Ann., tit. 8 § 228(d))

#### **Section 14. Organization**

(a) At every meeting of stockholders, the Chairman of the Board of Directors, or, if a Chairman has not been appointed or is absent, the President, or, if the President is absent, a chairman of the meeting chosen by a majority in interest of the stockholders entitled to vote, present in person or by proxy, shall act as chairman. The Secretary, or, in his absence, an Assistant Secretary directed to do so by the President, shall act as secretary of the meeting.

(b) The Board of Directors of the corporation shall be entitled to make such rules or regulations for the conduct of meetings of stockholders as it shall deem necessary, appropriate or convenient. Subject to such rules and regulations of the Board of Directors, if any, the chairman of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in such meeting to stockholders of record of the corporation and their duly authorized and constituted proxies and such other persons as the chairman shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comments by participants and regulation of the opening and closing of the polls for balloting on matters which are to be voted on by ballot. The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with rules of parliamentary procedure.

#### **ARTICLE IV DIRECTORS**

**Section 15. Number and Term of Office** The authorized number of directors of the corporation shall be fixed by the Board of Directors from time to time. Directors need not be stockholders unless so

B-6

---

required by the Certificate of Incorporation. If for any cause, the directors shall not have been elected at an annual meeting, they may be elected as soon thereafter as convenient. (Del. Code Ann., tit. 8, §§ 141(b), 211(b), (c))

**Section 16. Powers** The powers of the corporation shall be exercised, its business conducted and its property controlled by the Board of Directors, except as may be otherwise provided by statute or by the Certificate of Incorporation. (Del. Code Ann., tit. 8, § 141(a))

**Section 17. Term of Directors**

(a) Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, directors shall be elected at each annual meeting of stockholders for a term of one year. Each director shall serve until his successor is duly elected and qualified or until his death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(b) No person entitled to vote at an election for directors may cumulate votes to which such person is entitled, unless, at the time of such election, the corporation is subject to Section 2115(b) of the CGCL. During such time or times that the corporation is subject to Section 2115(b) of the CGCL, every stockholder entitled to vote at an election for directors may cumulate such stockholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which such stockholder's shares are otherwise entitled, or distribute the stockholder's votes on the same principle among as many candidates as such stockholder thinks fit. No stockholder, however, shall be entitled to so cumulate such stockholder's votes unless (i) the names of such candidate or candidates have been placed in nomination prior to the voting and (ii) the stockholder has given notice at the meeting, prior to the voting, of such stockholder's intention to cumulate such stockholder's votes. If any stockholder has given proper notice to cumulate votes, all stockholders may cumulate their votes for any candidates who have been properly placed in nomination. Under cumulative voting, the candidates receiving the highest number of votes, up to the number of directors to be elected, are elected.

**Section 18. Vacancies**

(a) Unless otherwise provided in the Certificate of Incorporation, and subject to the rights of the holders of any series of Preferred Stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by stockholders, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified. A vacancy in the Board of Directors shall be deemed to exist under this Bylaw in the case of the death, removal or resignation of any director. (Del. Code Ann., tit. 8, § 223(a), (b))

(b) At any time or times that the corporation is subject to §2115(b) of the CGCL, if, after the filling of any vacancy, the directors then in office who have been elected by stockholders shall constitute less than a majority of the directors then in office, then:

(c) any holder or holders of an aggregate of five percent (5%) or more of the total number of shares at the time outstanding having the right to vote for those directors may call a special meeting of stockholders; or

(d) the Superior Court of the proper county shall, upon application of such stockholder or stockholders, summarily order a special meeting of the stockholders, to be held to elect the entire board, all in accordance with Section 305(c) of the CGCL, the term of office of any director shall terminate upon that election of a successor. **Section 19. Resignation** Any director may resign at any time by delivering his or her notice in writing or by electronic transmission to the Secretary, such resignation to specify whether it will be effective at a particular time, upon receipt by the Secretary or at the pleasure of the Board of Directors. If no such specification is made, it shall be deemed effective at the pleasure of the Board of Directors. When one or more directors shall resign from the Board of Directors, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each Director so chosen shall hold office for the unexpired portion of the term of the Director whose place shall be vacated and until his successor shall have been duly elected and qualified. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. (Del. Code Ann., tit. 8, § 141(f))

The Board of Directors shall have the power to delegate the determination of whether indemnification shall be given to any such person to such officers or other persons as the Board of Directors shall determine.

**(c) Expenses** The corporation shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or officer, of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any director or officer in connection with such proceeding, provided, however, that, if the DGCL requires, an advancement of expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the corporation of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this Section 43 or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Bylaw, no advance shall be made by the corporation to an officer of the corporation (except by reason of the fact that such officer is or was a director of the corporation, in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by a majority vote of a quorum consisting of directors who were not

parties to the proceeding, even if not a quorum, or (ii) by a committee of such directors designated by a majority of such directors, even though less than a quorum, or (iii) if there are no such directors, or such directors so direct, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation.

**(d) Enforcement** Without the necessity of entering into an express contract, all rights to indemnification and advances to directors and officers under this Bylaw shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the corporation and the director or officer. Any right to indemnification or advances granted by this Bylaw to a director or officer shall be enforceable by or on behalf of the person holding such right in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting the claim. In connection with any claim for indemnification, the corporation shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the DGCL or any other applicable law for the corporation to indemnify the claimant for the amount claimed. In connection with any claim by an officer of the corporation (except in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such officer is or was a director of the corporation) for advances, the corporation shall be entitled to raise a defense as to any such action clear and convincing evidence that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation, or with respect to any criminal action or proceeding that such person acted without reasonable cause to believe that his conduct was lawful. Neither the failure of the corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the DGCL or any other applicable law, nor an actual determination by the corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct. In any suit brought by a director or officer to enforce a right to indemnification or to an advancement of expenses hereunder, the burden of proving that the director or officer is not entitled to be indemnified, or to such advancement of expenses, under this Article XI or otherwise shall be on the corporation.

**(e) Non-Exclusivity of Rights** The rights conferred on any person by this Bylaw shall not be exclusive of any other right which such person may have or hereafter acquire under any applicable statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the DGCL or any other applicable law.

**(f) Survival of Rights** The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director, officer, employee or other agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

**(g) Insurance** To the fullest extent permitted by the DGCL, or any other applicable law, the corporation, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Bylaw.

**(h) Amendments** Any repeal or modification of this Bylaw shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the corporation.

**(i) Saving Clause** If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the corporation shall nevertheless indemnify each director and officer to the full extent not prohibited by any applicable portion of this Bylaw that shall not have been invalidated, or by any other applicable law. If this Section 43 shall be invalid due to the application of the indemnification provisions of another jurisdiction, then the corporation shall indemnify each director and officer to the full extent under applicable law.

**(j) Certain Definitions** For the purposes of this Bylaw, the following definitions shall apply:

(i) The term **proceeding** shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(ii) The term **expenses** shall be broadly construed and shall include, without limitation, court costs, attorneys' fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.

(iii) The term **the corporation** shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Bylaw with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(iv) References to a **director, executive officer, officer, employee, or agent** of the corporation shall include, without limitation, situations where such person is serving at the request of the corporation as, respectively, a director, executive officer, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

(v) References to **other enterprises** shall include employee benefit plans; references to **fines** shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to **serving at the request of the corporation** shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the corporation as referred to in this Bylaw.

## **ARTICLE XII NOTICES**

### **Section 44. Notices**

**(a) Notice to Stockholders** Written notice to stockholders of stockholder meetings shall be given as provided in Section 7 herein. Without limiting the manner by which notice may otherwise be given effectively to stockholders under any agreement or contract with such stockholder, and except as otherwise

required by law, written notice to stockholders for purposes other than stockholder meetings may be sent by United States mail or nationally recognized overnight courier, or by facsimile, telegraph or telex or by electronic mail or other electronic means. (Del. Code Ann., tit. 8, §§ 222, 232)

**(b) Notice to Directors** Any notice required to be given to any director may be given by the method stated in subsection (a), or as provided for in Section 21 of these Bylaws. If such notice is not delivered personally, it shall be sent to such address as such director shall have filed in writing with the Secretary, or, in the absence of such filing, to the last known post office address of such director.

**(c) Affidavit of Mailing** An affidavit of mailing, executed by a duly authorized and competent employee of the corporation or its transfer agent appointed with respect to the class of stock affected or other agent, specifying the name and address or the names and addresses of the stockholder or stockholders, or director or directors, to whom any such notice or notices was or were given, and the time and method of giving the same, shall in the absence of fraud, be prima facie evidence of the facts therein contained. (Del. Code Ann., tit. 8, § 222)

**(d) Methods of Notice** It shall not be necessary that the same method of giving notice be employed in respect of all recipients of notice, but one permissible method may be employed in respect of any one or more, and any other permissible method or methods may be employed in respect of any other or others.

**(e) Notice to Person with Whom Communication Is Unlawful** Whenever notice is required to be given, under any provision of law or of the Certificate of Incorporation or Bylaws of the corporation, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the corporation is such as to require the filing of a certificate under any provision of the DGCL, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

### **ARTICLE XIII AMENDMENTS**

**Section 45. Amendments** The Board of Directors is expressly empowered to adopt, amend or repeal Bylaws of the corporation. The stockholders shall also have power to adopt, amend or repeal the Bylaws of the corporation; provided, however, that, in addition to any vote of the holders of any class or series of stock of the corporation required by law or by the Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal any provision of the Bylaws of the corporation.

### **ARTICLE XIV MISCELLANEOUS**

#### **Section 46. Annual Report**

**(a)** Subject to the provisions of paragraph (b) of this Bylaw, the Board of Directors shall cause an annual report to be sent to each stockholder of the corporation not later than one hundred twenty (120) days after the close of the corporation's fiscal year. Such report shall include a balance sheet as of the end of such fiscal year and an income statement and statement of changes in financial position for such fiscal year, accompanied by any report thereon of independent accounts or, if there is no such report, the certificate of an authorized officer of the corporation that such

Such report shall be sent to stockholders at least fifteen (15) days prior to the next annual meeting of stockholders after the end of the fiscal year to which it relates.

(b) If and so long as there are fewer than 100 holders of record of the corporation's shares, the requirement of sending of an annual report to the stockholders of the corporation is hereby expressly waived.

#### ARTICLE V

(A) **Amendment of Bylaws.** The Board of Directors is expressly empowered to adopt, amend or repeal bylaws of the corporation. The stockholders shall also have power to adopt, amend or repeal the bylaws of the corporation; provided, however, that, in addition to any vote of the holders of any class or series of stock of the corporation required by law or by this Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal any provision of the bylaws of the corporation.

#### ARTICLE VI

The number of directors constituting the entire Board of Directors shall be as set forth in or determined pursuant to the Bylaws of the Corporation. Subject to the rights of the holders of any series of Preferred Stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by stockholders, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified. A vacancy in the Board of Directors shall be deemed to exist under this Bylaw in the case of the death, removal, or resignation of any director.

#### ARTICLE VII

Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under the provisions of section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under the provisions of section 279 of Title 8 of the Delaware Code, order a meeting of creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to

be summoned in such a manner as such Court directs. If a majority in number representing three-fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as a consequence of such compromise or arrangement, such compromise or arrangement and such reorganization shall, if sanctioned by the Court to which such application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of this Corporation, as the case may be, and also on this Corporation.

#### ARTICLE VIII

(A) **Indemnification.** To the fullest extent permitted by law, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), liability, loss, judgment, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in manner reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, upon a plea of nolo contendere or equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect of any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

(B) **Undertaking.** Such indemnity shall inure to the benefit of the heirs, executors and administrators of any such person so indemnified pursuant to this Article VIII. The right to indemnification under this Article VIII shall be a contract right and shall include, with respect to directors and officers, the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its disposition; provided however, that, if the DGCL requires, the payment of such expenses incurred by a director or officer in advance of the final disposition of a proceeding shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Article VIII or otherwise. The Corporation may, by action of its Board of Directors, pay such expenses incurred by employees and agents of the Corporation upon such terms as the Board of Directors deems appropriate. Such indemnification and advancement of expenses shall be in addition to any other rights to which those seeking indemnification and advancement of expenses may be entitled under any law, Bylaw, agreement, vote of stockholders, or otherwise.

(C) **Insurance.** The Corporation may, to the fullest extent permitted by applicable law, at any time without further stockholder approval, purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under applicable law.

(D) **Prospective Repeal or Amendment.** Any repeal or amendment of this Article VIII by the stockholders of the Corporation or by changes in applicable law shall, to the extent permitted by applicable law, be prospective only, and shall not adversely affect any right to indemnification or advancement of expenses of a director or officer of the Corporation existing at the time of such repeal or amendment. In addition to the foregoing, the right to indemnification and advancement of expenses shall be to the fullest

extent permitted by the DGCL or any other applicable law and all amendments to such laws as hereafter enacted from time to time.

#### **ARTICLE IX**

No director of the Corporation shall have any personal liability to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as a director; provided, however, that this provision eliminating such personal liability of a director shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under §174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

#### **ARTICLE X**

All of the powers of this Corporation, insofar as the same may be lawfully vested by this Certificate of Incorporation in the Board of Directors, are hereby conferred upon the Board of Directors of this Corporation.

#### **ARTICLE XI**

The election of directors need not be by written ballot unless otherwise provided in the bylaws of the Corporation.

#### **ARTICLE XII**

The Corporation elects not to be governed by Section 203 of the Delaware General Corporation Law.

#### **ARTICLE XIII**

The Corporation reserves the right to amend or repeal any provision contained in this Certificate of Incorporation in the manner prescribed by the laws of the State of Delaware and all rights conferred upon stockholders are granted subject to this reservation; *provided, however*, that, notwithstanding any other provisions of this Certificate of Incorporation or any provision of law which might otherwise permit a lesser vote or no vote, but in addition to any vote of the holders of any class or series of the stock of this Corporation required by law or by this Certificate of Incorporation, the affirmative vote of the holders of at least 66 $\frac{2}{3}$ % of the voting power of all of the then outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to amend or repeal this Article XIII, Article V, Article VI, Article VIII or Article IX.

DESIGNATIONS, PREFERENCES, AND RIGHTS**

of

**SERIES D CONVERTIBLE PREFERRED STOCK**

of

**IT&E INTERNATIONAL, INC.**

**(Pursuant to Section 151 of the  
Delaware General Corporation Law)**

IT&E INTERNATIONAL, INC. a corporation organized and existing under the Delaware General Corporation Law (the **Corporation** ), hereby certifies that the following resolutions were adopted by the Board of Directors of the Corporation on October 31, 2005 pursuant to the authority of the Board of Directors as required by Section 151 of the Delaware General Corporation Law.

**RESOLVED**, that pursuant to the authority granted to and vested in the Board of Directors of this Corporation (the **Board of Directors** or the **Board** ) in accordance with the provisions of its Articles of Incorporation, as amended, the Board of Directors hereby authorizes a series of the Corporation's previously authorized Preferred Stock, par value \$.001 per share, and hereby states the designation and number of shares, and fixes the relative rights, preferences, privileges, powers and restrictions thereof as follows:

Series D Convertible Preferred Stock:

**I. DESIGNATION AND AMOUNT**

The designation of this series, which consists of Sixteen Thousand Five Hundred (16,500) shares of Preferred Stock, is Series D Convertible Preferred Stock (the **Series D Preferred Stock** ) and the stated value shall be One Thousand dollars (\$1,000.00) per share (the **Stated Value** ).

**II. RANK**

The Series D Preferred Stock shall rank (i) prior to the Corporation's common stock, par value \$.001 per share (the **Common Stock** ); (ii) prior to any class or series of capital stock of the Corporation hereafter created (collectively, with the Common Stock, **Junior Securities** ); (iii) *pari passu* with any class or series of capital stock of the Corporation hereafter created (with the consent of the holders of Series D Preferred Stock obtained in accordance with Article VII hereof) specifically ranking, by its terms, on parity with the Series D Preferred Stock ( **Pari Passu Securities** ); and (iv) junior to any class or series of capital stock of the Corporation hereafter created (with the consent of the holders of Series D Preferred Stock obtained in accordance with Article VII hereof) specifically ranking, by its terms, senior to the Series D Preferred Stock ( **Senior Securities** ), in each case as to distribution of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

**III. DIVIDENDS**

The holders of Series D Preferred Stock are not entitled to receive dividends.

**IV. LIQUIDATION PREFERENCE**

**A. Liquidation Event.** If the Corporation shall commence a voluntary case under the Federal bankruptcy laws or any other applicable Federal or State bankruptcy, insolvency or similar law, or consent to the entry of an order for relief in an involuntary case under any law or to the appointment of a receiver,

liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or make an assignment for the benefit of its creditors, or admit in writing its inability to pay its debts generally as they become due, or if a decree or order for relief in respect of the Corporation shall be entered by a court having jurisdiction in the premises in an involuntary case under the Federal bankruptcy laws or any other applicable Federal or state bankruptcy, insolvency or similar law resulting in the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order shall be unstayed and in effect for a period of thirty (30) consecutive days and, on account of any such event, the Corporation shall liquidate, dissolve or wind up, or if the Corporation shall otherwise liquidate, dissolve or wind up (each such event being considered a **Liquidation Event**), no distribution shall be made to the holders of any shares of capital stock of the Corporation upon liquidation, dissolution or winding up unless prior thereto, the holders of shares of Series D Preferred Stock, shall have received the Liquidation Preference (as defined in Article IV.C.) with respect to each share. If upon the occurrence of a Liquidation Event, the assets and funds available for distribution among the holders of the Series D Preferred Stock and holders of *Pari Passu* Securities (including any dividends or distribution paid on any *Pari Passu* Securities after the date of filing of this Certificate of Designation) shall be insufficient to permit the payment to such holders of the preferential amounts payable thereon, then the entire assets and funds of the Corporation legally available for distribution to the Series D Preferred Stock and the *Pari Passu* Securities shall be distributed ratably among such shares in proportion to the ratio that the Liquidation Preference payable on each such share bears to the aggregate Liquidation Preference payable on all such shares. Any prior dividends or distribution made after the date of filing of this Certificate of Designation shall offset, dollar for dollar, the amount payable to the class or series to which such distribution was made. Once the holders of the Series D Preferred Stock receive their full Liquidation Preference, then the holders of the Series D Preferred Stock shall be treated as *Pari Passu* with the holders of Common Stock, as if the holders of the Series D Preferred Stock had converted their Series D Preferred Stock into Common Stock.

B. **Certain Acts Deemed Liquidation Event.** For purposes of IV.A section, a merger or consolidation, where existing stockholders do not retain more than 50% of the voting power or interest, a sale of all or a substantial part of the Corporation's assets, or an acquisition of 50% or more of the voting power or interest in the corporation by a single person or a Group within the meaning of Section 13(d)(3) under the Exchange Act shall be deemed to be a Liquidation Event for purposes hereof.

C. **Liquidation Preference.** For purposes hereof the **Liquidation Preference** with respect to a share of the Series D Preferred Stock shall mean an amount equal to the Stated Value, subject to appropriate adjustments in the event of any stock dividend, subdivision, combination or reclassification affecting such shares, plus any distributions paid to the holders of Common Stock that the holders of the Series D Preferred Stock would receive if the Series D Preferred Stock had been converted, on a pro rata basis with all other holders of Common Stock.

## V. CONVERSION AT THE OPTION OF THE HOLDER

A. **Optional Conversion.** Each holder of shares of Series D Preferred Stock may, at its option at any time and from time to time, upon surrender of the certificates therefor, convert any or all of its shares of Series D Preferred Stock into Common Stock as set forth below (an **Optional Conversion**). Each share of Series D Preferred Stock shall be convertible into shares of Common Stock based upon the Conversion Ratio, for purposes hereof, **Conversion Ratio** shall mean the quotient arrived at by dividing the Stated Value by the Conversion Price subject to adjustment as hereinafter provided and the conversion price shall initially be \$0.07 (the **Conversion Price**).

B. **Adjustment Provisions.** The Conversion Price and number and kind of shares or other securities to be issued upon conversion determined pursuant to this Certificate of Designation shall be subject to adjustment from time to time upon the happening of certain events, as follows:

(a) **Reclassification.** If the Corporation at any time shall, by reclassification or otherwise, change the Common Stock into the same or a different number of securities of any class or classes, the Series D Preferred Stock, shall thereafter be deemed to evidence the right to convert the Series D Preferred Stock into an adjusted number of such securities and kind of securities as would have been issuable as the result of such change with respect to the Common Stock (i) immediately prior to, or (ii) immediately after, such reclassification or other change at the sole election of the holder of the Series D Preferred Stock.

(b) **Stock Splits, Combinations and Dividends.** If the shares of Common Stock are subdivided or combined into a greater or smaller number of shares of Common Stock, or if a dividend is paid on the Common Stock or any preferred stock issued by the Corporation in shares of Common Stock, the Conversion Price shall be proportionately reduced in case of subdivision of shares or stock dividend or proportionately increased in the case of combination of shares, in each such case by the ratio which the total number of shares of Common Stock outstanding immediately after such event bears to the total number of shares of Common Stock outstanding immediately prior to such event.

(c) **Share Issuances.** If and whenever the Company issues or sells, or in accordance with Section V.B.(c) hereof is deemed to have issued or sold, any shares of Common Stock for an effective consideration per share of less than the then Conversion Price or for no consideration, then, the Conversion Price shall be adjusted as set forth in this Section V.B.(c). Such adjustment shall be made whenever shares of Common Stock or an instrument convertible into Common Stock are issued (except (i) pursuant to Sections V.B.(a) or (b) above; (ii) for an Exempt Issuance). For purposes of this Section an **Exempt Issuance** shall mean the issuance of (a) shares of Common Stock options or shares of Common Stock issued upon the exercise of any such options to employees, officers or directors of the Corporation pursuant to any stock or option plan duly adopted by a majority of the non-employee members of the Board of Directors of the Corporation or a majority of the members of a committee of non-employee directors established for such purpose, (b) securities upon the exercise of or conversion of any convertible securities, options or warrants issued and outstanding on November 9, 2005, provided that such securities have not been amended, (c) the securities issued or issuable hereunder or pursuant to the Securities Purchase Agreement between the Corporation and the Holder, dated as of the date hereof, (d) issuances in connection with mergers, acquisitions, joint ventures or other transactions with an unrelated third party in a bona fide transaction the purpose of which is not fundraising, or (e) issuances at fair market value to the Corporation's suppliers, consultants and other providers of services and goods not to exceed \$100,000 to any one Person, and not to exceed an aggregate of \$250,000 in any fiscal year without the prior written consent of the Holder. For purposes hereof, the issuance of any security of the Corporation convertible into or exercisable or exchangeable for Common Stock shall result in an adjustment to the Conversion Price upon the issuance of such securities pursuant to the formula below.

If the Corporation issues any additional shares of Common Stock for a consideration per share less than the then-applicable Conversion Price pursuant to this Section V.B. then, and thereafter successively upon each such issue, the Conversion Price shall be adjusted by multiplying the then applicable Conversion Price by the following fraction:

$$\frac{A + B}{(A + B) + [(C - D) \times B] / C}$$

A = Total amount of common shares issuable upon conversion of the Series D Preferred Stock

B = Actual shares sold in the offering

C = Conversion Price

D = Offer Price

(d) **Computation of Consideration.** For purposes of any computation respecting consideration received pursuant to Section V.B.(c) above, the following shall apply:

(i) in the case of the issuance of shares of Common Stock for cash, the consideration shall be the amount of such cash, provided that in no case shall any deduction be made for any commissions, discounts or other expenses incurred by the Corporation for any underwriting of the issue or otherwise in connection therewith;

(ii) in the case of the issuance of shares of Common Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair market value thereof as determined in good faith by the Board of Directors of the Corporation (irrespective of the accounting treatment thereof); and

(iii) upon any such exercise, the aggregate consideration received for such securities shall be deemed to be the consideration received by the Corporation for the issuance of such securities plus the additional minimum consideration, if any, to be received by the Corporation upon the conversion or exchange thereof (the consideration in each case to be determined in the same manner as provided in subsections (i) and (ii) of this Section V.B.(d)).

(e) **Certificate as to Adjustments.** Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section B, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of the Series D Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of the Series D Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Ratio at the time in effect and (iii) the number of shares of Common Stock and the type and amount, if any, of other property which at the time would be received upon the conversion of the Series D Preferred Stock.

(f) **Readjustment.** If, at any time after any adjustment of the Conversion Price shall have been made pursuant to Section V.B.(c) as the result of any issuance of warrants, rights or convertible securities, and either (1) such warrants or rights, or the rights of conversion or exchange in such other convertible securities, shall expire, and all or a portion of such warrants or rights, or the right of conversion or exchange with respect to all or a portion of such other convertible securities, as the case may be, shall not have been exercised, or (2) the consideration per share for which shares of Common Stock are issuable pursuant to such warrants or rights, or such other convertible securities, shall be increased or decreased by virtue of provisions therein contained, then such previous adjustments shall be rescinded and annulled and the additional shares of Common Stock which were deemed to have been issued by virtue of the computation made in connection with the adjustment so rescinded and annulled shall no longer be deemed to have been issued by virtue of such computation. Thereupon, a recomputation shall be made of the effect of such rights or options or other convertible securities on the then outstanding Warrants, but not on any then outstanding Warrant Shares, on the basis of (x) treating the number of additional shares of Common Stock or other property, if any, theretofore actually issued or issuable pursuant to the previous exercise of any such warrants or rights or any such right of conversion or exchange, as having been issued on the date or dates of any such exercise and for the consideration actually received and receivable therefor, and (y) treating any such warrants or rights or any such other convertible securities which then remain outstanding as having been granted

or issued immediately after the time of such increase or decrease of the consideration per share for which shares of Common Stock or other property are issuable under such warrants or rights or other convertible securities.

(g) ***Change in Option Price or Conversion Rate.*** If there is a change at any time in (i) the amount of additional consideration payable to the Corporation upon the exercise of any options; (ii) the amount of additional consideration, if any, payable to the Corporation upon the exercise, conversion or exchange of any warrants or rights, or such other convertible securities; or (iii) the rate at which any warrants or rights, or such other convertible securities, are convertible into or exchangeable for Common Stock (in each such case, other than under or by reason of provisions designed to protect against dilution), the Common Conversion Price or Preferred Conversion Price in effect at the time of such change will be readjusted to the Common Conversion Price or Preferred Conversion Price which would have been in effect at such time had such Options, warrants or rights, or such other convertible securities still outstanding provided for such changed additional consideration or changed conversion rate, as the case may be, at the time initially granted, issued or sold.

C. ***Mechanics of Conversion.*** In order to convert Series D Preferred Stock into full shares of Common Stock, a holder of Series D Preferred Stock shall: (i) submit a copy of the fully executed notice of conversion in the form attached hereto as *Exhibit A* ( **Notice of Conversion** ) to the Corporation by facsimile dispatched prior to Midnight, New York City time (the **Conversion Notice Deadline** ) on the date specified therein as the Conversion Date (as defined herein) (or by other means resulting in, or reasonably expected to result in, notice to the Corporation on the Conversion Date) to the office of the Corporation or its designated Transfer Agent for the Series D Preferred Stock, which notice shall specify the number of shares of Series D Preferred Stock to be converted, the Conversion Price and a calculation of the number of shares of Common Stock issuable upon such conversion (together with a copy of the first page of each certificate to be converted); and (ii) surrender the original certificates representing the Series D Preferred Stock being converted (the **Preferred Stock Certificates** ), duly endorsed, along with a copy of the Notice of Conversion to the office of the Corporation or the Transfer Agent for the Series D Preferred Stock as soon as practicable thereafter. The Corporation shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such conversion, unless either the Preferred Stock Certificates are delivered to the Corporation or its Transfer Agent as provided above, or the holder notifies the Corporation or its Transfer Agent that such certificates have been lost, stolen or destroyed (subject to the requirements of subparagraph (a) below). In the case of a dispute as to the calculation of the Conversion Ratio, the Corporation shall promptly issue such number of shares of Common Stock that are not disputed in accordance with subparagraph (b) below. The Corporation shall submit the disputed calculations to its outside accountant via facsimile within five (5) business days of receipt of the Notice of Conversion. The accountant shall audit the calculations and notify the Corporation and the holder of the results no later than 72 hours from the time it receives the disputed calculations. The accountant's calculation shall be deemed conclusive absent manifest error.

(a) ***Lost or Stolen Certificates.*** Upon receipt by the Corporation of evidence of the loss, theft, destruction or mutilation of any Preferred Stock Certificates representing shares of Series D Preferred Stock, and (in the case of loss, theft or destruction) of indemnity reasonably satisfactory to the Corporation, and upon surrender and cancellation of the Preferred Stock Certificate(s), if mutilated, the Corporation shall execute and deliver new Preferred Stock Certificate(s) of like tenor and date.

(b) ***Delivery of Common Stock Upon Conversion.*** Upon the surrender of certificates as described above together with a Notice of Conversion, the Corporation shall promptly issue after such surrender (or, in the case of lost, stolen or destroyed certificates, after provision of agreement and indemnification pursuant to subparagraph (a) above), deliver (or cause its Transfer Agent to so issue and deliver) to or upon the order of the holder (i) that number of shares of Common Stock for the portion of the shares of Series D Preferred Stock converted as shall be determined in accordance herewith and (ii) a certificate representing the balance of the shares of Series D Preferred Stock not converted, if any.

(c) ***Fractional Shares.*** No fractional shares of Common Stock shall be issued upon conversion of shares of Series D Preferred Stock or the issuance of Series D Preferred Stock dividends. In lieu of any fractional shares to which the holder of Series D Preferred Stock would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of one share of Common Stock. The fair market value of the Common Stock shall be deemed to be the average of the closing prices per share for the five trading days prior to the day of conversion. The number of whole shares issuable to each holder upon such conversion shall be determined on the basis of the number of shares of Common Stock issuable upon conversion of the total number of shares of Series D Preferred Stock of each holder at the time converting into Common Stock.

(d) ***Conversion Date.*** The **Conversion Date** shall be the date specified in the Notice of Conversion, provided that the Notice of Conversion is submitted by facsimile (or by other means resulting in, or reasonably expected to result in, notice) to the Corporation or its Transfer Agent before Midnight, New York City time, on the date so specified, otherwise the Conversion Date shall be the first business day after the date so specified on which the Notice of Conversion is actually received by the Corporation or its Transfer Agent. The person or persons entitled to receive the shares of Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such securities as of the Conversion Date and all rights with respect to the shares of Series D Preferred Stock surrendered shall forthwith terminate except the right to receive the shares of Common Stock or other securities or property issuable on such conversion and except that the holders preferential rights as a holder of Series D Preferred Stock shall survive to the extent the Corporation fails to deliver such securities.

D. ***Reservation of Shares.*** A number of shares of the authorized but unissued Common Stock sufficient to provide for the conversion of the Series D Preferred Stock outstanding (based on the Conversion Ratio then in effect) shall at all times be reserved by the Corporation, free from preemptive rights, for such conversion or exercise. In addition, if the Corporation shall issue any securities or make any change in its capital structure which would change the number of shares of Common Stock into which each share of the Series D Preferred Stock shall be convertible, the Corporation shall at the same time also make proper provision so that thereafter there shall be a sufficient number of shares of Common Stock authorized and reserved, free from preemptive rights, for conversion of the outstanding Series D Preferred Stock.

E. ***Status as Stockholders.*** Upon submission of a Notice of Conversion by a holder of Series D Preferred Stock, (i) the shares covered thereby (other than the shares, if any, which cannot be issued because their issuance would exceed such holder's allocated portion of the Reserved Amount or Maximum Share Amount) shall be deemed converted into shares of Common Stock and (ii) the holder's rights as a holder of such converted shares of Series D Preferred Stock shall cease and terminate, excepting only the right to receive certificates for such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation.

## VI. VOTING RIGHTS

A. **Voting.** The holders of the Series D Preferred Stock are entitled to vote on all matters presented to the holders of the Common Stock. Each share of Series D Preferred Stock entitles the holder thereof to cast that number of votes that such holder would be entitled to cast had such holder converted its Series D Preferred Stock into shares of Common Stock as of the date immediately prior to the record date for determining our shareholders eligible to vote on any such matter.

### B. *Directors.*

(a) For so long as the Series D Preferred Stock is outstanding, the authorized number of members of the Board of Directors shall be seven (7), and the Company shall not change the authorized number of members of the Board of Directors without first obtaining the written consent, or affirmative vote at a meeting, of the holders of at least a majority of the then outstanding Series D Preferred Stock, consenting or voting (as the case may be) separately as a class.

(b) For so long as the Series D Preferred Stock is outstanding, the holders of the Series D Preferred Stock, voting as a separate class, shall be entitled to elect five (5) members to the Board of Directors and each other committee of the Board of Directors and (ii) the holders of Common Stock, voting as a separate class, shall be entitled to elect two (2) members of the Board of Directors.

## VII. REDEMPTION OPTION

A. **Redemption Option of the Corporation.** The Corporation shall have the right, subject to the prior satisfaction of the conditions precedent set forth in Section B, upon delivery of written notice to the holder of Series D Preferred Stock (the **Redemption Notice**) to redeem any of the holder's Series D Preferred Stock not converted into Common Stock (a **Preferred Redemption**). The Preferred Redemption may be exercised by the Corporation by delivering the payment of the Preferred Redemption Price (as defined below) for the number of shares of Common Stock issuable upon conversion of the shares of Series D Preferred Stock being redeemed to the holder of his or her Series D Preferred Stock at the address of the holder provided to the Corporation, together with the Redemption Form attached hereto, duly completed and signed. The Common Stock issuable upon conversion of the Series D Preferred Stock being redeemed under Section VIIA shall be and are deemed to be redeemed by the Corporation as of the close of business on the latest date on which the Redemption Form is delivered to the holder (which must be at least five business days after the Redemption Notice is given) and payment made therefor. Upon receipt of the payment and the duly completed and signed Redemption Form, the holder shall deliver its Series D Preferred Stock (which is the subject of the Redemption Form), to the Corporation within three (3) business days thereafter. The **Preferred Redemption Price** shall mean \$0.001 per share of Common Stock issuable upon conversion of the Series D Preferred Stock being redeemed.

B. **Conditions Precedent to Corporation's Redemption Rights.** The Corporation's right to redeem the Series D Preferred Stock, upon the affirmative vote of a majority of the independent non-employee members of the Board of Directors, as **independent** is defined in Rule 10A-3 of the Exchange Act of 1934, approving the Preferred Redemption as described above is subject to the satisfaction of the following conditions:

(a) **Minimum Closing Price.** The closing price of the Common Stock has traded at or above a price equal to \$0.30 for a period of twenty (20) consecutive trading days prior to the Redemption Notice.

(b) **Pre-Tax Income.** The Corporation has achieved pre-tax income per share of Common Stock (calculated on a fully-diluted basis after giving effect to the issuance of the Common Stock underlying the Series D Preferred Stock, and using the Treasury Method for options and warrants) of at least

\$.015 per share for the prior trailing four quarters (excluding any non-recurring extraordinary expenses).

#### VIII. PROTECTIVE PROVISIONS

So long as any shares of Series D Preferred Stock are outstanding the Corporation shall not, without first obtaining the approval (by vote or written consent), as provided by the DGCL of the holders of at least fifty percent (50%) of the then outstanding shares of Series D Preferred Stock:

- (a) alter, amend or repeal (whether by merger, consolidation or otherwise) the rights, preferences or privileges of the Series D Preferred Stock or any capital stock of the Corporation so as to affect adversely the Series D Preferred Stock;

- (f) issue any Senior Securities or *Pari Passu* Securities;
- (g) issue or sell any shares of Common Stock or securities convertible into Common stock for no consideration or for a consideration per share less than the then in effect Conversion Ratio, *except* that, no adjustment to the Conversion Ratio will be made in the case of an Exempt Issuance;
- (h) increase the par value of the Common Stock;
- (i) directly or indirectly pay or declare any dividend, make any distribution upon, redeem or repurchase any shares of capital stock (except a dividend on, or distribution upon, the Series D Preferred Stock or pursuant to a stock option or award under a plan approved by the Board of Directors); (ii) agree to any provision in any agreement that would impose any restriction on our ability to honor the exercise of any rights of the holders of the Series D Preferred Stock;
- (j) enter into any transaction, including, without limitation, any purchase, sale, lease or exchange of property, the rendering of any service or the payment of any management, advisory or similar fees, with any of its affiliates, unless such transaction is (i) in the ordinary course of business, and (ii) upon fair and reasonable terms no less favorable to the Corporation than it would obtain in a comparable arm's length transaction with a person which is not an affiliate; or
- (k) do any act or thing not authorized or contemplated by this Certificate of Designation which would result in taxation of the holders of shares of the Series D Preferred Stock under Section 305 of the Internal Revenue Code of 1986, as amended (or any comparable provision of the Internal Revenue Code as hereafter from time to time amended).

During the term of the Plan, the Company shall keep available in the Reserve Pool at all times a number of shares of Common Stock sufficient to satisfy all outstanding Stock Awards.

In the event that any Award is inadvertently granted to an Employee who has not, as of the date of such grant, entered into a Proprietary Information and Inventions Agreement with the Company, such Award shall be deemed null and void *ab initio*.

(b) In the event that any Employee breaches any provision of the Proprietary Information and Inventions Agreement between such Employee and the Company, such Employee shall no longer be eligible to receive Awards pursuant to this Plan. Moreover, such Employee shall be deemed, as of the date of such Employee's breach of such Proprietary Information and Inventions Agreement, to have forfeited all outstanding Awards previously granted to and then held by such Employee, regardless of whether such Awards are then vested or exercisable.

## 6. PROVISIONS APPLICABLE TO ALL STOCK AWARDS.

**6.1 No Stockholder Rights.** No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to any Stock Award held by such Participant unless and until such Participant has satisfied all requirements for the exercise of the Stock Award pursuant to its terms.

**6.2 No Employment or Other Service Rights.** Nothing in the Plan or any Stock Award Agreement shall confer upon any Participant any right to continue to serve the Company or an Affiliate in any capacity. Likewise, nothing in the Plan or any Stock Award shall affect the right of the Company or any applicable Affiliate to terminate: (i) the employment of an Employee with or without notice and with or without Cause; (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate; or (iii) the service of a Director pursuant to the bylaws of the Company or

G-2

---

any applicable Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

**6.3 Investment Assurances.** At any time that the issuance of the shares of Common Stock issuable upon the exercise of a Stock Award has not been registered under an effective registration statement under the Securities Act, the Company may: (i) require a Participant, as a condition of acquiring Common Stock under such Stock Award, to give written assurances satisfactory to the Company (a) as to the Participant's knowledge and experience in financial and business matters and capability to evaluate the merits and risks of acquiring such Common Stock under such Stock Award and (b) stating that the Participant is acquiring such Common Stock under the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing such Common Stock; and (ii) place legends, including, without limitation, legends restricting the transfer of such Common Stock, on any and all stock certificates representing such Common Stock in order to comply with applicable securities laws.

**6.4 Withholding Obligations.** To the extent provided by the terms of a Stock Award Agreement, the Participant may satisfy any federal, state or local tax withholding obligation relating to the acquisition of Common Stock under a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) tendering a cash payment; or (ii) authorizing the Company to withhold shares of Common Stock from the shares of Common Stock otherwise issuable to the Participant as a result of the acquisition of Common Stock under the Stock Award; *provided, however*, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lower amount as may be necessary to avoid variable award accounting).

**6.5 Vesting.** The Board or Committee may provide that the total number of shares of Common Stock subject to a Stock Award shall vest in installments over any given period of time. Criteria for determining the vesting of shares of Common Stock subject to a Stock Award may be based solely on the passage of time or on any other criteria, including, without limitation, the performance of the Participant, deemed appropriate by the Board or Committee.

**6.6 Acceleration of Exercisability and Vesting.** The Board shall have the power to accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest.

**6.7 Terms of Repurchase Options.** The terms of any repurchase option in favor of the Company with respect to shares of Common Stock issuable pursuant to a Stock Award shall be specified in the applicable Stock Award Agreement. The price per share of Common Stock at which such repurchase option may be exercised may be either: (i) the Fair Market Value of the shares of Common Stock on the date of the termination of the applicable Participant's Continuous Service; or (ii) the lower of (a) the Fair Market Value of the shares of Common Stock on the date of repurchase and (b) the original purchase price per share of Common Stock paid by the applicable Participant; *provided, however*, that terms of any repurchase option shall comply at all times with the provisions of CCR Title 10 relating to presumptively reasonable repurchase prices.

(c) **Termination As a Result of Disability.** In the event that a Participant's Continuous Service terminates as a result of the Participant's Disability, the Participant may exercise his or her Option (to the extent that the Participant was entitled to exercise such Option as of the date of termination), at any time during the Post-Termination Exercise Period ending on the earlier of: (i) the expiration of the term of the Option as set forth in the Stock Award Agreement; or (ii) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Stock Award Agreement, which period shall not be less than six (6) months). If, after termination of Continuous Service, the Participant does not exercise his or her Option within such Post-Termination Exercise Period, the Option shall terminate.

(d) **Termination As a Result of Death.** In the event that a Participant's Continuous Service terminates as a result of the Participant's death or a Participant dies within any applicable Post-Termination Exercise Period, then such Participant's Option may be exercised (to the extent the Participant was entitled to exercise such Option as of the date of death) by the Participant's estate, by a Person who acquired the right to exercise the Option by bequest or inheritance or by a Person designated to exercise the option upon the Participant's death pursuant to Section 7.8(b) or 7.9(b) below, at any time during the Post-Termination Exercise Period ending on the earlier of: (i) the expiration of the term of the Option as set forth in the Stock Award Agreement; or (ii) the date eighteen (18) months following such termination of Continuous Service (or such longer or shorter period specified in the Stock Award Agreement, which period shall not be less than six (6) months). If a Nonstatutory Stock Option does not provide for transferability, then such Nonstatutory Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant. Notwithstanding the foregoing, a Participant may, by delivering written notice to the Company in a form satisfactory to the Company, designate a third party who, in the event of the death of such Participant, shall thereafter be entitled to exercise such Participant's Nonstatutory Stock Option.

The Board or Committee shall make such adjustments, which shall be final, binding and conclusive.

**10.2 Dissolution or Liquidation.** In the event of a dissolution or liquidation of the Company, then all outstanding Stock Awards shall terminate immediately prior to the completion of such dissolution or liquidation, and shares of Common Stock subject to any repurchase option in favor of the Company may

In the event any surviving corporation or acquiring corporation elects to assume or continue any or all Stock Awards outstanding under the Plan, such Stock Awards shall remain in effect in accordance with the terms of this Plan and the applicable Stock Award Agreements, but shall thereafter represent the right to receive (upon exercise thereof in accordance with the terms of such Stock Awards, if applicable) for each share of Common Stock underlying each such Stock Award such cash, securities or other property that would have been received by the applicable Participant had such Participant exercised such Stock Award immediately prior to the effective time of the Corporate Transaction.

(b) In the event that, in connection with a Corporate Transaction, any surviving corporation or acquiring corporation does not assume or continue any or all such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted, such Stock Awards shall terminate if not exercised (if applicable) at or prior to the effective time of such Corporate Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Stock Awards held by Participants whose Continuous Service has not terminated shall (contingent upon the effectiveness of the Corporate Transaction) lapse.

**10.4 Change in Control.** A Stock Award held by any Participant whose Continuous Service has not terminated prior to the effective time of a Change in Control may be subject to additional acceleration of vesting and exercisability upon or after such Change in Control as may be provided in the Stock Award Agreement for such Stock Award; *provided, however*, that in the absence of any such provision in the Stock Award Agreement for such Stock Award, no such acceleration shall occur.

**12. MISCELLANEOUS.**

**12.1 Compliance with Laws.**

(a) This Plan and the obligations of the Company with respect to any Stock Awards granted hereunder shall be subject to all applicable federal and state securities laws. If, after reasonable efforts, the Company is unable to obtain from any applicable regulatory commission or agency the authority that legal counsel for the Company deems necessary for the lawful issuance and sale of Common Stock pursuant to such Stock Awards, then the Company shall be relieved from any liability for failure to issue and sell Common Stock in connection with such Stock Awards unless and until such authority is obtained.

(b) To facilitate the grant of any Stock Award, the Committee may impose special terms for Stock Awards granted to Participants who are foreign nationals or who are employed by the Company or any Affiliate outside of the United States as the Board or Committee may consider necessary or appropriate to accommodate differences in local laws, tax policies or customs.

**12.2 Severability.** If one or more provisions of this Plan are held to be unenforceable under applicable law, such provision shall be excluded from this Plan and the balance of the Plan shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms.
