**PROXY STATEMENT**

---

Our Board of Directors is soliciting proxies for the 2006 Annual Meeting of Stockholders to be held at 1:00 p.m. on April 25, 2006 at the Company's warehouse located at 955 South 3800 West, Salt Lake City, Utah 84104. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters before the meeting.

The Board set March 10, 2006 as the record date for the meeting. Stockholders who owned Overstock common stock on that date are entitled to attend and vote at the meeting. Each share is entitled to one vote. There were 19,435,095 shares of common stock outstanding on the record date.

Voting materials, which include this Proxy Statement, the proxy card and Overstock's Annual Report on Form 10-K for the year ended December 31, 2005, are being mailed to stockholders on or about March 28, 2006.

**QUESTIONS AND ANSWERS**

**Q: Why am I receiving this Proxy Statement?**

**A:** This Proxy Statement describes proposals on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision.

**Q: Who can vote at the Annual Stockholders Meeting?**

**A:** Stockholders who owned Overstock common stock on March 10, 2006 may attend and vote at the Annual Meeting. Each share is entitled to one vote. There were 19,435,095 shares of common stock outstanding on March 10, 2006. Information about the stockholdings of our directors and executive officers is contained in the section entitled *Share Ownership of Management, Directors and 5% Stockholders* beginning on page 23 of this Proxy Statement.

**Q: What is the proxy card?**

**A:** The proxy card enables you to appoint Patrick M. Byrne and Jonathan E. Johnson III as your representatives at the Annual Meeting. By completing and returning the proxy card you are authorizing Messrs. Byrne and Johnson to vote your shares at the meeting, as you have instructed them on the proxy card. This way, your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, it is a good idea to complete and return your proxy card before the meeting date just in case your plans change.

**Q: What am I voting on?**

**A:** You are being asked to vote on:

- the election of two directors; and
- ratification of our Audit Committee's selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

The section entitled *Proposals to be Voted On* on page 8 of this Proxy Statement gives you more information about the nominees for election to our Board, and the Company's independent registered public accounting firm. You may also find more information on the nominees in the section entitled *The Board Information Regarding Director Nominees and Other Directors* beginning on page 13 of this Proxy Statement. We will also transact any other business that properly comes before the meeting.

**Q: How do I vote?**

**A:** You may vote either by attending the meeting and voting in person, or you may vote by mail by completing, signing and dating your proxy card and returning it in the enclosed, postage-paid and addressed envelope, or, if available, by the Internet or by telephone by following the instructions on the proxy card. If you mark your voting instructions on the proxy card, your shares will be voted:

- as you instruct, and
- according to the best judgment of the Board (or the proxy holders, in the absence of instructions from the Board) if a proposal comes up for vote at the meeting that is not on the proxy card.

If you return a signed card but do not provide voting instructions, your shares will be voted:

- for the named nominees for director;

- for ratification of the Audit Committee's selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm, and

4

---

- according to the best judgment of the Board (or the proxy holders, in the absence of instructions from the Board) if a proposal comes up for a vote at the meeting that is not on the proxy card.

We will hand out written ballots to anyone who wants to vote at the meeting. However, if you hold your shares in street name, you must obtain a legal proxy from your stockbroker in order to vote at the meeting. Holding shares in street name means you hold them through a brokerage firm, bank or other nominee, and therefore the shares are not held in your individual name.

*We encourage you to examine your proxy card closely to make sure you are voting all of your shares in the Company.*

**Q: What does it mean if I receive more than one proxy card?**

**A:** It means that you may have multiple accounts at the transfer agent and/or with stockbrokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

**Q: What if I change my mind after I return my proxy?**

**A:** You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- sending a written notice to the Secretary of the Company (at the address shown on the cover page) stating that you are revoking your proxy of a particular date,
- signing another proxy with a later date and returning it before the polls close at the meeting, or
- attending the Annual Meeting and voting in person.

**Q: Will my shares be voted if I do not sign and return my proxy card or vote via the Internet or by telephone?**

**A:** (1) If your shares are held in street name, your brokerage firm, under certain circumstances, may vote your shares. Brokerage firms have authority under the NASDAQ rules to vote customers' unvoted shares on some routine matters. The proposals to elect directors and ratify the appointment of the independent registered public accounting firm are routine matters. If you do not give a proxy to vote your shares, your brokerage firm may either:

- vote your shares on routine matters, or
- leave your shares unvoted.

If a brokerage firm entitled to vote your shares leaves those shares unvoted, it is called a broker nonvote. A brokerage firm cannot vote customers' shares on non-routine matters without instructions from you.

You may have granted to your stockbroker discretionary voting authority over your account. Your stockbroker may be able to vote your shares depending on the terms of the agreement you have with your broker. If you hold your shares in street name and you do not authorize your broker to vote on your behalf, you must obtain a legal proxy from your stockbroker in order to vote at the meeting. We encourage you to provide instructions to your broker. This ensures your shares will be voted at the meeting.

(2) If your shares are in your name and you do not sign and return your proxy card or vote via the Internet or by telephone, your shares will not be voted unless you vote in person at the meeting.

**Q: How are votes counted?**

A: You may vote:

- with respect to the nominees for election to the Board, either for each nominee or to withhold your vote from any nominee, and
- for, against, or abstain on the ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm.

**Q: How many stockholders are needed either in person or by proxy to hold the meeting?**

A: To hold the meeting and conduct business, a majority of the Company's outstanding shares entitled to vote as of March 10, 2006 must be present at the meeting. This is called a quorum.

Shares are counted as present at the meeting if the stockholder either:

- is present in person at the meeting, or
- has properly submitted a proxy card.

On proposals for routine matters, a broker nonvote is counted for determining the presence of a quorum.

**Q: How many votes must the nominees have to be elected as directors?**

A: The two nominees receiving the highest number of yes votes will be elected as a director. This number is called a plurality.

**Q: What happens if a nominee is unable to stand for re-election?**

A: A majority of the independent members of the Board may designate a substitute nominee. If you have completed and returned your proxy, Messrs. Byrne and Johnson can vote your shares for a substitute nominee. They cannot vote for more than two nominees.

**Q: How many votes are required to ratify the appointment of PricewaterhouseCoopers LLP?**

A: A majority of the shares present, in person or by proxy, including broker nonvotes, voting in favor is required to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

**Q: How many votes are required to approve other matters that may come before the stockholders at the meeting?**

A: A majority of the shares present, in person or by proxy, excluding broker nonvotes, at the meeting voting in favor is required to approve other matters that may come before the stockholders at the meeting.

**Q: What happens if I don't indicate how to vote my proxy?**

A: If you just sign your proxy card without providing further instructions, your shares will be counted as a yes vote for each of the director nominees, and for ratification of the selection of PricewaterhouseCoopers LLP.

**Q: Is my vote kept confidential?**

**A:** Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

6

---

**Q: Where do I find the voting results of the meeting?**

**A:** We will announce preliminary voting results at the meeting. We will publish the final results in our quarterly report on Form 10-Q for the second quarter of 2006 on or before August 9, 2006. We will file that report with the SEC, and you can get a copy by calling Investor Relations at (801) 947-3132 or the SEC at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at *www.sec.gov*. You can also get a copy from our website at *www.overstock.com*.

**Q: Who can help answer my questions?**

**A:** You can call Georgeson Shareholder Communications, our proxy solicitor, toll-free at (800) 314-4549 with any questions about the proposals described in this Proxy Statement or the mechanics of voting.

**PROPOSALS TO BE VOTED ON:**

**1. ELECTION OF DIRECTORS**

The nominees for re-election this year as Class I directors, for three-year terms ending in 2009, are Patrick M. Byrne and John A. Fisher. Dr. Byrne has been a director since 1999, and Mr. Fisher has been a director since 2002. Each has consented to serve a new three-year term.

For information about the nominees, see "The Board Information Regarding Director Nominees and Other Directors" beginning on page 13.

**Recommendation of the Board of Directors**

The Board of Directors unanimously recommends a vote "for" each of Dr. Byrne and Mr. Fisher.

**Vote Required**

Directors will be elected by a plurality of the votes of the shares of common stock present in person or represented by proxy at the meeting. Votes withheld are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but otherwise they have no legal effect under Delaware law.

**2. RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since 1999. Although ratification of the Audit Committee's selection of PricewaterhouseCoopers LLP is not required under our bylaws or other legal requirements, the Company is submitting the appointment of PricewaterhouseCoopers LLP to the stockholders as a matter of good corporate practice. If stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider whether or not to retain PricewaterhouseCoopers LLP. Even if stockholders ratify the selection of PricewaterhouseCoopers LLP, the Audit Committee may appoint a different independent registered public accounting firm or replace PricewaterhouseCoopers LLP with a different independent registered public accounting firm at any time if the Audit Committee determines it is in the best interests of the Company and the stockholders to do so. Representatives of PricewaterhouseCoopers LLP are expected to attend the meeting in order to respond to appropriate questions from stockholders and will have an opportunity to make a statement if they desire to do so.

**Audit Fees**

The aggregate fees and out-of-pocket expenses PricewaterhouseCoopers LLP billed us for each of the last two fiscal years for professional services for the audits of our annual financial statements, management's assessment of the effectiveness of internal control over financial reporting, the effectiveness of internal control over financial reporting and reviews of financial statements included in our Reports on Form 10-K and Form 10-Q were \$683,900 in 2004 and \$706,000 in 2005, including \$116,600 and \$33,500 in 2004 and 2005, respectively, for services in connection with our offerings and registration statements.

**Audit-Related Fees**

PricewaterhouseCoopers LLP did not bill us any fees in the last two fiscal years for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported above under the caption "Audit Fees".

**Tax Fees**

PricewaterhouseCoopers LLP did not bill us any fees in the last two fiscal years for compliance, tax advice, or tax planning.

**All Other Fees**

PricewaterhouseCoopers LLP did not bill us any fees in the last two fiscal years for products and services provided by PricewaterhouseCoopers LLP, other than the services reported above.

**Auditor Independence**

The Audit Committee has considered the role of PricewaterhouseCoopers LLP in providing us with the services described above, and has concluded that those services are compatible with their independence from management and from the Company.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm**

*General*

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy, which sets forth the procedures and the conditions pursuant to which services to be performed by the independent registered public accounting firm are to be pre-approved. Under the Policy, proposed services either may be pre-approved by agreeing to a framework with descriptions of allowable services with the Audit Committee ( general pre-approval ), or require the specific pre-approval of the Audit Committee ( specific pre-approval ). Unless a type of service has received general pre-approval, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm.

The Policy describes the Audit, Audit-related, Tax and All Other Services that are subject to the general pre-approval of the Audit Committee. The Audit Committee annually reviews and pre-approves the services that may be provided by the independent registered public accounting firm that are subject to general pre-approval. Under the Policy, the Audit Committee may delegate either type of pre-approval authority to its chairperson or any other member or members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next meeting. The Policy does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

*Audit Services*

The annual Audit services engagement scope and terms are subject to the general pre-approval of the Audit Committee. Audit services include the annual financial statement audit (including required quarterly reviews) and other procedures required to be performed by the independent registered public accounting firm to be able to form an opinion on the Company's consolidated financial statements. Audit services also include the attestation engagement for the independent registered public accounting firm's report on management's assertion on internal control over financial reporting and the effectiveness of internal control over financial reporting. The Policy provides that the Audit Committee will monitor the Audit services engagement throughout the year and will also approve, if necessary, any changes in terms and conditions resulting from changes in audit scope or other items. The Policy provides for Audit Committee pre-approval of specific Audit services outside the engagement scope.

*Audit-related Services*

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally

performed by the independent registered public accounting firm. Under the Policy, the Audit Committee grants general pre-approval to specified Audit-related services. All other Audit-related services not specified must be specifically pre-approved by the Audit Committee.

*Tax Services*

Under the Policy, the Audit Committee grants general pre-approval to specific tax compliance, planning and advice services that have historically been provided by the auditor, that the Audit Committee has reviewed and believes would not impair the independence of the auditor, and that are consistent with the SEC's rules on auditor independence. Other tax services must be specifically approved by the Audit Committee.

*All Other Services*

Under the Policy, the Audit Committee grants general pre-approval to specific permissible non-audit services classified as All Other Services that it believes are routine and recurring services, would not impair the independence of the independent registered public accounting firm and are consistent with the SEC's rules on auditor independence. Services permissible under applicable rules but not specifically approved in the Policy require further specific pre-approval by the Audit Committee.

*Procedures*

The Policy provides that at the beginning of each year, the Senior Vice President, Finance (our principal financial and accounting officer) and the Company's independent registered public accounting firm will jointly submit to the Audit Committee a schedule of audit, audit-related, tax and other non-audit services that are subject to general pre-approval. This schedule will provide a description of each type of service that is subject to general pre-approval and, where possible, will provide projected fees (or a range of projected fees) for each service. The Audit Committee will review and approve the types of services and review the projected fees for the next fiscal year. Any changes to the fee amounts listed in the schedule will be subject to further specific approval of the Audit Committee. The Policy prohibits the independent registered public accounting firm from commencing any project not described in the schedule approved by the Audit Committee until specific approval has been given. All such audit, audit related, tax and non-audit services, if any, performed by PricewaterhouseCoopers LLP during 2005 were pre-approved by the Audit Committee in accordance with the Policy.

*Recommendation of the Board of Directors*

The Board of Directors unanimously recommends that the stockholders vote for ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm.

*Vote Required*

The affirmative vote of a majority of the shares represented at the meeting, in person or by proxy, will be required to approve the proposal.

**3. OTHER BUSINESS**

The Board knows of no other business for consideration at the meeting. If other matters are properly presented at the meeting, or at any adjournment or postponement of the meeting, Messrs. Byrne and Johnson will vote, or otherwise act, on your behalf in accordance with the Board's (or, in the absence of instructions from the Board, their) judgment on such matters.

## THE BOARD

### General

The Board of Directors is currently composed of seven members. Two current directors are nominees for re-election this year. The remaining five directors will continue to serve the terms described below. Our directors serve staggered terms. This is accomplished as follows:

- each director serves a three-year term,
- the directors are divided into three classes,
- the classes are as nearly equal in number as possible, and
- the term of each class begins on a staggered schedule.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for Dr. Byrne, who is the President and a current director of the Company, and for Mr. Fisher, who is also a current director of the Company. In the event that either nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by a majority of the independent members of the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of the nominees approved by a majority of the independent members of the Board, if possible. The term of office of the persons elected as directors will continue until the 2009 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified or until his or her earlier death, resignation or removal. It is not expected that either nominee will be unable or will decline to serve as a director.

### Board and Committee Meetings

The Board held eight meetings during 2005. The Audit Committee and the Compensation Committee each held seven meetings during 2005. Each director attended at least 75% of the meetings of the Board and of the committees on which he or she served during 2005.

### Board Independence

The Board of Directors has determined that, except for our President Patrick M. Byrne, his father John J. Byrne, and Jason Lindsey, who is an employee of the Company, each of our current directors is independent within the meaning of the Nasdaq director independence standards.

### Committees of the Board

The Board of Directors has an Audit Committee and a Compensation Committee, each of which has adopted a written charter. All members of the committees are appointed by the Board of Directors, and each member is independent within the meaning of the Nasdaq director independence standards. The committees are described in more detail below. In addition, the Board has adopted resolutions authorizing a majority of the independent members of the Board of Directors to recommend nominees for election to the Board, as described in more detail below.

*Audit Committee.* The Board has an Audit Committee consisting of Ray Groves, John A. Fisher, Gordon S. Macklin and Allison H. Abraham, each of whom is independent within the meaning of the Nasdaq director independence standards. The Board of Directors has determined that each of Mr. Groves, Mr. Fisher, Mr. Macklin and Ms. Abraham is an audit committee financial expert as defined by the SEC. The Audit Committee is responsible for reviewing and monitoring our financial statements and internal accounting procedures, selecting, reviewing and monitoring our independent registered public accounting

firm, evaluating the scope of the annual audit, reviewing audit results, and consulting with management and our independent registered public accounting firm prior to presentation of financial statements to stockholders. The Audit Committee Report is included beginning on page 22 of this proxy statement.

*Compensation Committee.* The Board also has a Compensation Committee consisting of John A. Fisher and Gordon S. Macklin. The Compensation Committee is responsible for determining salaries, incentives and other forms of compensation for our directors, officers and other employees and administering various incentive compensation and benefit plans. The Compensation Committee Report is included beginning on page 17 of this proxy statement.

*Nominations.* The Board does not have a standing nominating committee or committee performing similar functions. The Board has adopted resolutions in accordance with applicable Nasdaq rules authorizing a majority of the independent members of the Board to recommend nominees to the full Board. The Board believes that it is appropriate for the Board not to have a nominating committee because of the small size of the full Board. The Board consists of seven members, four of whom are independent. The Board considered forming a nominations committee consisting of some or all of the independent members of the Board. Forming a committee consisting of less than all the independent members was unattractive because it would have omitted one or more of the independent members of the Board. The Board desired the participation in the nomination procedure of all of its independent members, and therefore authorized a majority of the independent members of the Board to make nominations. The Board intends to review this matter periodically, and may in the future elect to designate a formal nominations committee. Each member of the Board of Directors has historically participated in the consideration of director nominees.

The independent members of the Board do not have a nominating committee charter, but act pursuant to Board resolutions as described above. Each of the members of the Board authorized to recommend nominees to the full Board is independent within the meaning of the Nasdaq director independence standards.

#### **Director Qualifications**

The independent members of the Board have not formalized specific minimum qualifications they believe must be met by a candidate to be recommended by the independent members. The independent members believe that candidates for election to the Board should have the highest professional and personal ethics and values, consistent with those of the Company. Candidates should have broad relevant experience, and should be committed to enhancing long-term stockholder value. They should be able and willing to provide insight and practical advice based on experience, and they must actively represent the interests of the stockholders. The independent members believe that a variety of types and a balance of knowledge, experience and capabilities among the members of the Board are in the best interests of the stockholders.

#### **Identification and Evaluation of Nominees for Director**

The independent members of the Board believe that the current Board composition is serving the stockholders of the Company well. The independent Board members have considered recommending additional persons as candidates for the Board from time to time, based largely on the qualifications of the potential candidates, rather than on any perceived need of the Company. In the future, the independent members may consider candidates identified through current members of the Board, professional search firms, stockholders or other persons. Candidates may be evaluated at regular or special meetings of the Board, and may be considered at any point during the year. During 2005 the Board added Jason Lindsey and Ray Groves to the Board. The independent Board members believe that each of Mr. Lindsey and Mr. Groves has substantial experience and is a significant addition to the Board.

The independent members have a policy that they will consider any properly submitted director candidates recommended by stockholders of the Company. Any stockholder who desires to submit a recommendation should submit a written recommendation to the Board, including information about the qualifications of the person to be a nominee for election to the Board, and a consent of the person to serve if elected, addressed to Board of Directors, Overstock.com, Inc., 6350 South 3000 East, Salt Lake City, Utah 84121. There is no difference in the manner in which the independent members would evaluate a nominee based on whether the nominee is recommended by a stockholder.

The independent members have not approved any nominee for inclusion on the Company's proxy card for the 2006 Annual Meeting other than Patrick M. Byrne and John A. Fisher, each of whom is standing for reelection. The Company has not paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The independent members did not receive, by November 18, 2005, any recommended nominee from any stockholder that beneficially owned more than 5% of the Company's voting common stock for at least one year as of the date the recommendation was made, or from a group of stockholders that beneficially owned, in the aggregate, more than 5% of the Company's voting common stock, with each of the securities used to calculate that ownership held for at least one year as of the date the recommendation was made.

### **Communications with the Board**

In January 2004 the Board adopted resolutions to provide a formal process by which stockholders may communicate with the Board. Although the adoption of the formal process did not change the previously existing informal procedures by which stockholders could communicate with the Board, whether for the purpose of recommending nominees for election to the Company's Board of Directors or for other purposes, the adoption of the formal process did clarify that stockholders may communicate directly with the Board, whether for the purpose of recommending nominees for election to the Company's Board of Directors or for other purposes. The formal process adopted by the Board permits stockholders to communicate with the Board either in writing, addressed to the Board at the Company's headquarters at 6350 South 3000 East, Salt Lake City, Utah 84121, or by e-mail, sent to *boardofdirectors@overstock.com*. All communications from stockholders regarding matters appropriate for stockholder communications with the Board and delivered as described will be delivered to Board members.

### **Annual Meeting Attendance**

## REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Committee has provided the following report on the compensation of the executive officers including the chief executive officer and the relationship of the Company's performance to executive compensation.

### Compensation Committee Report

In 2005, the Compensation Committee (the Committee) of the Board consisted of Messrs. Fisher and Macklin, neither of whom was an employee or former employee of the Company or any of its subsidiaries during the year. The Committee has overall responsibility for the Company's executive compensation policies and practices. The Committee's functions include:

- evaluating management's performance,
- reviewing and approving the Company's compensation philosophy,
- reviewing and approving all executive officers' compensation, including salaries, and
- administering compensation plans including granting awards under the Company's equity incentive plans to its employees.

### Compensation of the Chief Executive Officer

The Company's President, Patrick M. Byrne, declined to accept any salary or bonus payment from the Company during 2005. Dr. Byrne also declined to accept any salary or bonus payment from the Company during each of the three preceding years. Dr. Byrne's lack of any cash compensation bears no relationship to the Company's performance.

In addition to serving as President, Dr. Byrne serves as a member of the Board of Directors, and controls High Plains Investments LLC, which is the Company's largest stockholder. The Committee believes that Dr. Byrne's economic interest in the Company, directly and through High Plains Investments LLC, is fully aligned with the economic interests of the other stockholders.

### Compensation Policies Applicable to other Executive Officers

The Company's compensation program for its executive officers other than Dr. Byrne consists of (i) salaries, (ii) bonus opportunities, and (iii) stock-based compensation.

*Salaries.* The Company pays its executive officers other than Dr. Byrne salaries that are determined, in part, based on the responsibilities of the position and the experience and knowledge of the individual. Salaries are adjusted periodically at the discretion of the Committee, taking into consideration factors including the Company's growth, performance and financial condition and the Committee's subjective perception of the individual's performance, but at present (and subject to change at the discretion of the Committee) all salaries are capped at a maximum annual rate of \$100,000.

*Bonus Opportunities.* In January 2006 the Compensation Committee awarded bonus payments to executive officers of the Company other than Dr. Byrne as a result of the officers' performance in 2005. Each of the named executive officers of the Company, other than Dr. Byrne, was awarded a bonus of \$250,000. The President of the Company, Dr. Patrick M. Byrne, is a named executive officer, but declined to accept any bonus payment relating to 2005.

In January 2006 the Compensation Committee also approved the establishment of a bonus plan for 2006. The bonus plan covers the named executive officers other than Dr. Byrne. The plan establishes a target bonus opportunity of 100% of salaries of the executives. The actual amount of the bonus pool will be established at or after the end of 2006 by the Compensation Committee, after considering the President's

recommendations, according to the Compensation Committee's judgment of overall accomplishments against the Company's 2006 business plan and growth in the enterprise value of the Company of at least 20%. The actual bonus pool can range from 0% to 200% of the target amount, and individual executive payments from the bonus pool can range from 0% of salary to 200% of salary. The provisions of section 162(m) of the Internal Revenue Code could limit the Company's ability to deduct payments made pursuant to the plan.

In January 2006 the Board and Compensation Committee also adopted the Overstock.com Performance Share Plan, and approved grants to executive officers of the Company, including the named executive officers other than Dr. Byrne. The Performance Share Plan provides for a three-year period for the measurement of the Company's attainment of the performance goal described in the form of grant, but at the Company's sole option the Company may make a payment of estimated amounts payable to a plan participant after two years. The performance goal is measured by growth in economic value, as defined in the plan. The amount of payments due to participants under the plan will be a function of the then current market price of a share of the Company's common stock, multiplied by a percentage dependent on the extent to which the performance goal has been attained, which will be between 0% and 200%. If the growth in economic value is 10% compounded annually or less, the percentage will be 0%. If the growth in economic value is 25% compounded annually, the percentage will be 100%. If the growth in economic value is 40% compounded annually or more, the percentage will be 200%. If the percentage growth is between these percentages, the payment percentage will be determined on the basis of straight line interpolation. Amounts payable under the plan will be payable in cash unless the Company's stockholders approve settlement of awards under the plan with shares of common stock. The provisions of section 162(m) of the Internal Revenue Code could limit the Company's ability to deduct payments made pursuant to the plan.

*Stock-based Compensation.* The third component of the Company's compensation program consists of share based payments. During 2005 options were granted to only two of the Company's executive officers. The options granted to the two executive officers were granted in January 2005, with exercise prices of \$58.30 per share, which the Committee determined to be equal to the fair market value of the underlying shares of common stock on the date of grant. The Committee believes that stock option grants or other equity awards provide proper incentives to management and align the economic interests of management with those of the other stockholders.

Following the Committee's discussions with management and the independent registered public accounting firm, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's annual report in Form 10-K for the year ended December 31, 2005.

## STOCK PERFORMANCE GRAPH

The following graph shows a comparison of cumulative total stockholder return, calculated on a dividend reinvested basis, from the effective date of the initial public offering of Overstock's common stock (May 30, 2002) through December 31, 2005 for Overstock, Hemscoff's (formerly Media General's) Nasdaq U.S. Index and Hemscoff's Internet Software and Services Index. The graph assumes that \$100 was invested in Overstock's common stock (at the initial public offering price of \$13.00 per share), and the above indices on May 30, 2002. Historic stock price performance is not necessarily indicative of future stock price performance.

## OTHER INFORMATION

### Certain Relationships and Related Transactions

Since January 1, 2005, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$60,000 and in which any director, executive officer or holder of more than 5% of our common stock had or will have a direct or indirect interest other than the transactions described below.

From time to time Haverford Valley, L.C. and certain affiliated entities make travel arrangements for our executives and pay the travel related expenses incurred by our executives on Company business. In 2005 we reimbursed Haverford Valley, L.C. \$274,325 for these expenses. The amounts we pay to Haverford Valley, L. C. as reimbursement of air travel expenses are at rates not in excess of commercially available airline rates. The other amounts we reimburse to Haverford Valley, L.C. are reimbursed at its actual cost.

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities and Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent (10%) of the Company's common stock, to file certain reports regarding ownership of, and transactions in, the Company's securities with the SEC. Such

officers, directors, and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on a review of reports filed by, and on written representations from, its officers, directors and 10% stockholders, the Company believes that during 2005, all of its officers, directors and 10% stockholders complied with requirements for reporting ownership and changes in ownership of Company common stock under Section 16(a) of the Securities Act of 1934 except that one report was inadvertently filed by Patrick Byrne (on a timely basis) but not by High Plains Investments LLC until 11 days later.
