UFP Technologies, Inc. (the Company) hereby amends and restates, as set forth below, its Report on Form 8-K filed on June 14, 2006 (the Original Report) solely with regard to Item 1.01 of the Original Report. The Company does not hereby make any other changes to the Original Report.

## Edgar Filing: UFP TECHNOLOGIES INC - Form 8-K/A

The stock unit awards listed in column A above are subject to a time-based vesting requirement. One-third of these awards vest on July 1, 2007, one-third of these awards vest on July 1, 2008 and one-third of these awards vest on July 1, 2009, provided that the recipient remains continuously employed by the Company through each such vesting date.

The stock unit awards listed in columns B and C above are subject to a different time-based vesting requirement and to the Company meeting certain financial performance objectives, described below. One-third of these awards vest on July 1, 2008, one-third of these awards vest on July 1, 2009 and one-third of these awards vest on July 1, 2010, provided that the recipient remains continuously employed by the Company through each such vesting date.

The stock unit awards listed in columns B and C above are also subject to the Company achieving certain financial performance objectives. The performance objectives are based on the Company's earnings before interest and taxes (EBIT) for calendar year 2006 relative to an EBIT target established by the Compensation Committee. If the Company achieves the EBIT target, then all of the stock unit awards listed in column B above will be eligible to become vested, subject to the time-based vesting and continuous employment requirements described above. To the extent the Company achieves in excess of the EBIT target, stock unit awards listed in column C above (in addition to the stock unit awards listed in column B above) will be eligible to become vested, subject to the time-based vesting and continuous employment requirements described above, based on a straight-line interpolation of the EBIT target established by the Compensation Committee in increments of 20% of such stock unit awards, up to the maximum amount listed in column C.

Any unvested stock unit awards shall terminate upon the cessation of a recipient's employment with the Company. In the event of a change in control of the Company (as defined in the stock unit award agreement evidencing the award) at any time, the stock unit awards listed in column A above, to the extent not already vested, shall become fully vested immediately prior to the effective date of such change in control. In the event of a change in control of the Company (as defined in the stock unit award agreement evidencing the award) on or after January 1, 2007, to the extent the EBIT target has been achieved or exceeded the applicable number of stock unit awards listed in columns B and C above, to the extent not already vested, shall become fully vested immediately prior to the effective date of such change in control.
