Explanatory Note

This Amendment No. 1 on Form 10-Q/A amends Items 1, 2 and 4 of Part I of the Quarterly Report on Form 10-Q previously filed for the quarter ended September 30, 2006, by Huntsman Corporation and Huntsman International LLC. This Form 10-Q/A is filed in connection with the restatement of our financial statements for the three and nine months ended September 30, 2006. Financial statement information and related disclosures included in this Form 10-Q/A reflect, where appropriate, changes as a result of the restatement. All other information contained in this Form 10-Q/A is as of the date of the original filing. In addition, Exhibits 31.1, 31.2, 32.1 and 32.2 of the original filing have been amended to contain currently dated certifications from our Chief Executive Officer and Chief Financial Officer.

In February 2007, we discovered an error in our calculation of the impairment loss related to the sale of our European base chemicals and polymers business. We concluded that there was \$99.0 million in additional non-cash asset impairment charges recorded in discontinued operations for the three and nine months ended September 30, 2006 related to the sale of our European base chemicals and polymers business. In connection with the sale of the European base chemicals and polymers business, we agreed to take action to remove the accounts receivable of this business from our accounts receivable securitization program so that the purchaser could acquire such accounts receivable. The additional non-cash charges resulted primarily because we had not appropriately included the effect of the re-purchase of these receivables in the determination of the impairment loss.

The significant effects on us and Huntsman International of the restatement are described in Note 23. Restatement to our condensed consolidated financial statements (unaudited).
