**ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On September 19, 2007, Republic Bancorp, Inc. (the Company) wholly owned subsidiary, Republic Bank & Trust Company, a Kentucky state chartered bank (the Bank), entered into a three year Program Agreement (the Program Agreement) with Jackson Hewitt Inc. ( JHI ) and a three year Technology Services Agreement (the Technology Agreement) with Jackson Hewitt Technology Services LLC ( JHTSL ) related to the Bank's Refund Anticipation Loan ( RAL ) and Electronic Refund Check/Electronic Refund Deposit ( ERC ) products. JHI and JHTSL are subsidiaries of Jackson Hewitt Tax Service Inc. which provides computerized preparation of federal, state and local individual income tax returns in the United States through a nationwide network of franchised and company-owned tax offices operating under the brand name Jackson Hewitt Tax Service®. The Bank's RAL and ERC products essentially comprise the products offered through the Company's Tax Refund Solutions ( TRS ) business segment.

Under the Program Agreement, JHI will process applications for TRS and under the Technology Agreement JHTSL will provide technology services to TRS as necessary to support the RAL and ERC products offered by TRS through selected Jackson Hewitt Tax Service offices. Significant terms of the agreements include:

1. The Program and Technology Agreements will be effective for TRS' first quarter 2008 RAL and ERC tax season. TRS' RAL and ERC products are substantially delivered during the first quarter of each year.
2. The Program Agreement provides for TRS to be the exclusive provider of RAL and ERC products for a select group of Jackson Hewitt Tax Service offices. The Jackson Hewitt offices offering TRS products are subject to agreement each year between TRS and Jackson Hewitt.
3. During 2007, the select Jackson Hewitt offices that will begin making TRS products available during 2008 produced approximately 70% of the total number of RAL and ERC products generated by TRS with others during 2007. The business generated from these agreements is more likely than not to have a material positive impact on the Company's net income and earnings per share beginning with the first quarter of 2008. The agreements require the Bank to make minimum fixed annual payments to Jackson Hewitt with an additional variable payment schedule based on growth in the program. The overall impact of these agreements to the Company's earnings for 2008 and beyond will be dependent upon many factors such as consumer demand for tax related products, consumer demand for Jackson Hewitt services, losses on RALs, overall product mix, and overhead cost to the Company.
4. The Bank can terminate the agreements under specified circumstances.

The Company will seek confidential treatment from the Securities and Exchange Commission for certain portions of the Jackson Hewitt agreements in connection with filing such agreements as exhibits to the Company's Quarterly Report on Form 10-Q for the period ended September 30, 2007.
