PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of Western Asset High Income Opportunity Fund Inc. (the "Fund") of proxies to be voted at the Annual Meeting of Stockholders of the Fund to be held at 620 Eighth Avenue, 49th Floor, New York, New York, on Thursday, February 28, 2008 at 2:00 p.m., New York time, and at any adjournments or postponements thereof (the "Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders (the "Notice").

The costs of soliciting proxies and the expenses incurred in preparing this proxy statement will be borne by the Fund and are expected to be approximately \$17,000. In addition, the Fund will reimburse brokerage firms or other record holders for their expenses in forwarding solicitation materials to beneficial owners of shares of the Fund. Proxy solicitations will be made primarily by mail. In addition, officers, directors and employees of the Fund; Legg Mason, Inc.; Legg Mason Partners Fund Advisor, LLC ("LMPFA" or the "Manager"), the Fund's investment manager, which is a wholly-owned subsidiary of Legg Mason, Inc.; Western Asset Management Company ("Western Asset" or the "subadviser"), the Fund's sub-investment adviser; and/or American Stock Transfer & Trust Co. ("AST"), the Fund's transfer agent, may solicit proxies in person or by telephone or mail. Legg Mason, Inc. is located at 100 Light Street, Baltimore, Maryland 21202; LMPFA is located at 399 Park Avenue, New York, New York 10022; Western Asset is located at 385 East Colorado Boulevard, Pasadena, California 91101; and AST is located at 6201 15th Avenue, 1st Floor, Brooklyn, New York 11219.

The Annual Report of the Fund, including audited financial statements for the fiscal year ended September 30, 2007, has previously been furnished to all stockholders of the Fund. This proxy statement and form of proxy are first being mailed to stockholders on or about February 5, 2008. The Fund will provide, without charge, additional copies of the Annual Report to any stockholder upon request by calling the Fund at 1-800-331-1710.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, shares represented by the proxies will be voted "FOR" the election of each nominee in Proposal 1. In accordance with the Fund's By-Laws, a quorum is constituted by the presence in person or by proxy of the holders of record of a majority of the outstanding shares of the Fund's common stock entitled to vote at the Meeting. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions will be treated as shares that are present but which have not been voted.

Directors are elected by a plurality of the votes cast at a Meeting with a quorum present. Because a plurality is measured by a portion of the votes actually cast, abstentions will have no impact on the election of Directors. Any proxy may be revoked at any time prior to the exercise thereof by submitting another proxy bearing a later date, by giving written notice to the Secretary of the Fund at the Fund's address indicated above or by voting in person at the Meeting.

The Board knows of no business other than that specifically mentioned in the Notice to be presented for consideration at the Meeting. If any other matters are properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment to the extent permissible under applicable law.

The Board has fixed the close of business on January 7, 2008 as the record date (the "Record Date") for the determination of stockholders of the Fund entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. Stockholders of the Fund on that date will be entitled to one vote on each matter for each share held, and a fractional vote with respect to fractional shares, with no cumulative voting rights. At the Record Date, the Fund had outstanding 76,930,279.249 shares of Common Stock, par value \$0.001 per share, the only authorized class of stock, of which 73,209,644.020 or 95.16% were held in accounts, but not beneficially owned, by Cede & Co., as nominee for The Depository Trust Company, Box 20, Bowling Green Station, New York, New York 10004-9998.

As of the Record Date, no single shareholder or "group" (as that term is used in Section 13(d) of the Securities Exchange Act of 1934, as amended (the "1934 Act")), to the knowledge of the Fund, owned beneficially 5% or more of the outstanding shares of the Fund. As of the Record Date, the officers and Directors of the Fund in the aggregate beneficially owned less than 1% of the outstanding shares of the Fund.

In the event that a quorum is not present, or if sufficient votes to elect Directors in Proposal No. 1 as set forth in the Notice and this Proxy Statement are not received by the time scheduled for the Meeting, the persons named as proxies may move for one or more adjournments of the Meeting to permit further solicitation of proxies with respect to such proposal. In determining whether to adjourn the Meeting, the following factors may be considered: the nature of the proposal that is the subject of the Meeting, the percentage of votes actually cast, the nature of any further solicitation and the information to be provided to stockholders with respect to the reasons for the solicitation. Any such adjournment will require the affirmative vote of a majority of the shares present at the Meeting. If an adjournment is proposed, the persons named as proxies will vote the shares that they are entitled to vote in their discretion.

Proposal No. 1: Election of Directors

In accordance with the Fund's Charter, the Board is currently classified into three classes: Class I, Class II and Class III. The Directors serving in Class I have terms expiring at the Meeting, and they, in addition to Mr. Salacuse, have been nominated by the Board of Directors for election at the Meeting to serve for a term of three years (until the 2011 Annual Meeting of Stockholders), or until their successors have been duly elected and qualified or until they resign or are otherwise removed. The terms of office of the remaining Class II and Class III Directors expire at the year 2009 or 2010 Annual Meeting of Stockholders, respectively, or thereafter when their successors have been duly elected and qualified or until they resign or are otherwise removed. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

The affirmative vote of a plurality of the votes cast at a Meeting at which a quorum is present is sufficient to elect each nominee. It is the intention of the persons named in the enclosed proxy to vote in favor of the election of each of the persons listed below as nominees.

Each of the nominees is currently a member of the Fund's Board of Directors and has indicated that he or she will serve if elected. The Board knows of no reason why any of the nominees listed below will be unable to

serve, but in the event of any such unavailability, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees in their discretion.

Certain information concerning the nominees is set forth below. Any Director affiliated with the Manager or otherwise considered an "interested person" of the Fund, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), is indicated by an asterisk(*). Information as to beneficial ownership is based upon information furnished to the Fund by the Directors.

(1) This information has been furnished by each Director and nominee for election as Director as of December 31, 2006. "Beneficial Ownership" is determined in accordance with Rule 16a-1(a)(2) promulgated under the 1934 Act.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act in combination require the Fund's Directors and officers and persons who own more than 10% of the Fund's common stock, as well as LMPFA and certain of its affiliated persons, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC") and the New York Stock Exchange, Inc. ("NYSE"). Such persons are required by SEC regulations to furnish the Fund with copies of all such filings. Based solely upon its review of the copies of such filings received by it and certain other information received by it, the Fund believes that, for the fiscal year ended September 30, 2007, all filing requirements applicable to such persons were met.

Responsibilities of the Board of Directors

The Board of Directors is responsible for ensuring that the Fund is managed in the best interest of its stockholders. The Directors oversee the Fund's business by, among other things, meeting with the Fund's management and evaluating the performance of the Fund's service providers including LMPFA, Western Asset, the custodian and the transfer agent. As part of this process, the Directors consult with the Fund's independent auditors and with their own separate independent counsel.

The Board of Directors has four regularly scheduled meetings each year, and additional meetings are scheduled as needed. In addition, the Board has an Audit Committee and a Nominating Committee that meet periodically and whose responsibilities are described below.

During the fiscal year ended September 30, 2007, the Board of Directors held four regular meetings and one special meeting. Each Director attended at least 75% of the aggregate number of meetings of the Board and the committees for which he or she was eligible. The Fund does not have a formal policy regarding attendance by Directors at annual meetings of stockholders. Mr. Gerken attended the Fund's 2007 Annual Meeting of Stockholders.

The Directors review the Fund's financial statements, performance and market price as well as the quality of the services being provided to the Fund. As part of this process, the Directors review the Fund's fees and expenses to determine if they are reasonable and competitive in light of the services being received and while also ensuring that the Fund continues to have access to high quality services in the future. Based on these reviews, the Directors periodically make suggestions to the Fund's management and monitor to ensure that responsive action is taken. The Directors also monitor potential conflicts of interest among the Fund, LMPFA and its affiliates and other funds and clients managed by LMPFA and Western Asset to ensure that the Fund is managed in a manner which is in the best interest of the Fund's stockholders.

Committees of the Board of Directors

The Fund's Audit Committee is composed of all Directors who have been determined not to be "interested persons" of the Fund, LMPFA, Western Asset or their affiliates within the meaning of the 1940 Act, and who are "independent" as defined in the New York Stock Exchange listing standards. Currently, the Audit Committee is composed of Ms. Colman and Messrs. Cronin, Cucchi, Gelb, Hutchinson and Roett. The principal functions of the Audit Committee are: to (a) oversee the scope of the Fund's audit, the Fund's accounting and financial reporting policies and practices and its internal controls and enhance the quality and objectivity of the audit

function; (b) approve, and recommend to the Independent Board Members (as such term is defined in the Audit Committee Charter) for their ratification, the selection, appointment, retention or termination of the Fund's independent registered public accounting firm, as well as approving the compensation thereof; and (c) approve all audit and permissible non-audit services provided to the Fund and certain other persons by the Fund's independent registered public accounting firm. This Committee met four times during the fiscal year ended September 30, 2007. The Fund's Board of Directors adopted an amended Audit Committee Charter at a meeting held on December 16, 2005, a copy of which was filed as Exhibit A to the Fund's proxy statement dated January 30, 2007.

The Fund's Corporate Governance and Nominating Committee (the "Nominating Committee"), the principal function of which is to select and nominate candidates for election as Directors of the Fund, is currently composed of Ms. Colman and Messrs. Cronin, Cucchi, Gelb, Hutchinson and Roett. Only Directors who are not "interested persons" of the Fund as defined in the 1940 Act and who are "independent" as defined in the New York Stock Exchange listing standards are members of the Nominating Committee. The Nominating Committee may accept nominees recommended by the stockholder as it deems appropriate. Stockholders who wish to recommend a nominee should send recommendations to the Fund's Secretary that include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Directors. A recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. The Nominating Committee met three times during the Fund's fiscal year ended September 30, 2007. The Fund's Board of Directors adopted a Corporate Governance and Nominating Committee Charter at a meeting held on January 20, 2004, a copy of which was filed as Exhibit B to the Fund's proxy statement dated January 30, 2007.

The Nominating Committee identifies potential nominees through its network of contacts, and may also engage, if it deems appropriate, a professional search firm. The Nominating Committee meets to discuss and consider such candidates' qualifications and then chooses a candidate by majority vote. The Nominating Committee does not have specific, minimum qualifications for nominees and has not established specific qualities or skills that it regards as necessary for one or more of the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard). However, as set forth in the Nominating Committee Charter, in evaluating a person as a potential nominee to serve as a Director of the Fund, the Nominee Committee may consider the following factors, among any others it may deem relevant:

whether or not the person is an "interested person" as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director of the Fund;

whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related mutual fund complexes;

whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Director of the Fund;

the contribution which the person can make to the Board and the Fund (or, if the person has previously served as a Director of the Fund, the contribution which the person made to the Board during his or her previous term of service), with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant;

the character and integrity of the person; and

whether or not the selection and nomination of the person would be consistent with the requirements of the Fund's retirement policies.

Compensation

Under the federal securities laws, and in connection with the Meeting, the Fund is required to provide to stockholders in connection with the Meeting information regarding compensation paid to the Directors by the Fund, as well as by the various other investment companies advised by LMPFA. The following table provides information concerning the compensation paid to each Director by the Fund during the fiscal year ended September 30, 2007 and the total compensation paid to each Director during the calendar year ended December 31, 2006. Certain of the Directors listed below are members of the Fund's Audit and Nominating Committees, as well as other committees of the boards of certain other investment companies advised by LMPFA. Accordingly, the amounts provided in the table include compensation for service on all such committees. The Fund does not provide any pension or retirement benefits to Directors. In addition, no remuneration was paid during the fiscal year ended September 30, 2007 by the Fund to Mr. Gerken, who is an "interested person" as defined in the 1940 Act.

Report of the Audit Committee

Pursuant to a meeting of the Audit Committee on December 20, 2007, the Audit Committee reports that it has: (i) reviewed and discussed the Fund's audited financial statements with management; (ii) discussed with KPMG LLP ("KPMG"), the independent registered public accounting firm of the Fund, the matters required to be discussed by Statement on Auditing Standards No. 61; and (iii) previously received written confirmation from KPMG that it is independent and written disclosures regarding such independence as required by Independence Standards Board Standard No. 1, and discussed with KPMG the independent registered public accounting firm's independence.

Pursuant to the Audit Committee Charter adopted by the Fund's Board, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements and recommending the selection of the Fund's independent registered public accounting firm. The Audit Committee advises the full Board with respect to accounting, auditing and financial matters affecting the Fund. The independent registered public accounting firm is responsible for planning and carrying out the proper audits and reviews of the Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are responsible for oversight. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principals and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on the review and discussions referred to in items (i) through (iii) above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Fund's annual report for the Fund's fiscal year ended September 30, 2007.

These amounts represent aggregate fees paid for tax compliance, tax advice and tax planning services, which include the filing and amendment of federal, state and local income tax returns, timely tax qualification review and tax distribution and analysis planning rendered by KPMG to the Fund.

All Other Fees. There were no other fees billed to KPMG for services rendered to the Fund for the last two fiscal years.

Pre-Approval Policies and Procedures. The Audit Committee Charter requires that the Audit Committee shall approve (a) all audit and permissible non-audit services to be provided to the Fund and (b) all permissible non-audit services to be provided by the Fund's independent registered public accounting firm to the Manager and any service providers controlling, controlled by or under common control with the Manager that provide ongoing services to the Fund ("Covered Service Providers") if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may implement policies and procedures by which such services are approved other than by the full Committee.

The Audit Committee may not approve non-audit services that the Committee believes may impair the independence of the registered public accounting firm. As of the date of the approval of the Audit Committee Charter, permissible non-audit services include any professional services (including tax services), that are not prohibited services as described below, provided to the Fund by the independent registered public accounting firm, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Permissible non-audit services may not include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Manager and any Covered Service Provider constitutes not more than 5% of the total amount of revenues paid to the independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided to (a) the Fund, (b) the Manager and (c) any Covered Service Provider during the fiscal year in which the services are provided that would not have to be approved by the Committee; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Committee (or its delegate(s)) prior to the completion of the audit.

There were no services rendered by KPMG to the Fund for which the pre-approval requirement was waived.

Aggregate Non-Audit Fees. The aggregate non-audit fees billed by KPMG for non-audit services rendered to the Fund, the Manager and Covered Service Providers for the years ended December 31, 2006 and December 31, 2007 were \$0 and \$0, respectively.

The Fund's Audit Committee has considered whether the provision of non-audit services that were rendered by KPMG to LMPFA and Covered Service Providers which were not pre-approved (i.e., not requiring pre-approval) is compatible with maintaining KPMG's independence. All services provided by KPMG to the Fund, LMPFA or Covered Service Providers which were required to be pre-approved were pre-approved as required.
