JOINT PROXY STATEMENT

Annual Meetings of Shareholders June 17, 2009

This Joint Proxy Statement is furnished by the Board of Trustees (each a "Board" and collectively, the "Boards") of each of the funds listed above (each a "Fund" and collectively, the "Funds") in connection with the solicitation of proxies by the Board of Trustees for use at the Annual Meeting of Shareholders of each Fund to be held on Wednesday, June 17, 2009 (each a "Meeting" and collectively, the "Meetings"), and at any adjournments thereof. The first mailing of this Joint Proxy Statement is expected to be made on or about May 7, 2009.

If the enclosed form of proxy is properly executed and returned in time, or is submitted by telephone or Internet, to be voted at the Meetings, the proxies named therein will vote the shares represented by the proxy in accordance with the instructions marked thereon. Unmarked proxies submitted by shareholders of a Fund ("Shareholders") will be voted for each of the nominees for election as Trustee to be elected by all Shareholders of that Fund, and, if the Shareholder holds preferred shares of the Fund, for the nominee for election as Trustee to be elected by only the preferred shareholders ("Preferred Shareholders") with respect to that Fund. A proxy may be revoked at any time prior to its exercise by any of the following: written notice of revocation to the Secretary of the Fund, execution and delivery of a later dated proxy to the Secretary of the Fund (whether by mail or, as discussed below, by touchtone telephone or the Internet) (if returned and received in time to be voted), or attendance and voting at the Meetings. Attendance at the Meetings will not in and of itself revoke a proxy.

Shareholders of record of each Fund as of the close of business on April 13, 2009, the record date for the determination of Shareholders entitled to notice of and to vote at the Meetings (the "Record Date"), are entitled to one vote for each share held and a fractional vote for a fractional share. No person was known to own as much as 5% of the outstanding shares of any of the Funds on that date. The percentage ownership of shares of each Fund changes from time to time depending on purchases and sales by Shareholders and the total number of shares outstanding.

The table below sets forth the total number of Common Shares and Preferred Shares outstanding for each Fund as of the Record Date:

Name of Trust	Number of Common Shares Outstanding as of April 13, 2009 (Record Date)	Number of Preferred Shares Outstanding as of April 13, 2009 (Record Date)
IQC	8,886,531	941
ICS	3,427,552	N/A
IMS	6,591,385	N/A
OIB	16,184,386	N/A
IQN	4,036,154	396
IQM	13,454,167	1,449

The cost of soliciting proxies for the Meeting of each Fund, consisting principally of printing and mailing expenses, will be borne by each respective Fund. The solicitation of proxies will be by mail, telephone or otherwise through Trustees, officers of the Funds, or officers and regular employees of Morgan Stanley Investment Advisors Inc. ("Morgan Stanley Investment Advisors" or the "Investment Adviser"), Morgan Stanley Trust, Morgan Stanley Services Company Inc. ("Morgan Stanley Services" or the "Administrator") and/or Morgan Stanley & Co. Incorporated ("Morgan Stanley & Co."), without special compensation therefor. In addition, each Fund may employ Computershare Fund Services, Inc. ("Computershare") to make telephone calls to Shareholders to remind them to vote. Each Fund may also employ Computershare as proxy solicitor if it appears that the required number of votes to achieve a Quorum will not be received. The transfer agent services for each Fund are currently provided by Computershare Trust Company, N.A. (the "Transfer Agent").

Shareholders will be able to vote their shares by touchtone telephone or by Internet by following the instructions on the proxy card or on the Voting Information Card accompanying this Joint Proxy Statement. The Internet procedures are designed to authentic a Shareholder's identity to allow Shareholders to vote their shares and confirm that their instructions have been properly recorded. To vote by touchtone telephone or by Internet, Shareholders can access the website or call the toll-free number listed on the proxy card or noted in the enclosed voting instructions. To vote by touchtone telephone or by Internet, Shareholders will need the control number that appears on the proxy card in the shaded box.

In certain instances, Computershare may call Shareholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Shareholders' identities, to allow Shareholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. No recommendation will be made as to how a Shareholder should vote on any proposal other than to refer to the recommendations of the Board. The Funds have been advised by counsel that these procedures are consistent with the requirements of applicable law. Shareholders voting by telephone in this manner will be asked for their social security number or other identifying information and will be given an opportunity to authorize proxies to vote their shares in accordance with their instructions. To ensure that the Shareholders' instructions have been recorded correctly, they will receive a confirmation of their instructions in the mail. A special toll-free number set forth in the confirmation will be available in case the information contained in the confirmation is incorrect. Although a Shareholder's vote may be taken by telephone, each Shareholder will receive a copy of this Joint Proxy Statement and may vote by mail using the enclosed proxy card or by touchtone telephone or the Internet as set forth above. The last proxy vote received in

time to be voted, whether by mailed proxy card, touchtone telephone or Internet, will be the vote that is counted and will revoke all previous votes by the Shareholder. In the event that Computershare is retained as proxy solicitor, Computershare will be paid a project management fee as well as telephone solicitation expenses incurred for reminder calls, outbound telephone voting, confirmation of telephone votes, inbound telephone contact, obtaining Shareholders' telephone numbers, and providing additional materials upon Shareholder request, at an estimated cost of \$2,000, which would be borne by each respective Fund.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund and, because Shareholders may own shares of more than one Fund, to potentially avoid burdening Shareholders with more than one proxy statement. Shares of a Fund are entitled to one vote each at the respective Fund's Meeting. To the extent information relating to common ownership is available to the Funds, a Shareholder that owns record shares in two or more of the Funds will receive a package containing a Joint Proxy Statement and proxy cards for the Funds in which such Shareholder is a record owner. If the information relating to common ownership is not available to the Funds, a Shareholder that beneficially owns shares in two or more Funds may receive two or more packages each containing a Joint Proxy Statement and a proxy card for each Fund in which such Shareholder is a beneficial owner. If the proposed election of Trustees is approved by Shareholders of one Fund and disapproved by Shareholders of other Funds, the proposal will be implemented for the Fund that approved the proposal and will not be implemented for any Fund that did not approve the proposal. Thus, it is essential that Shareholders complete, date, sign and return each enclosed proxy card or vote by touchtone telephone or Internet as indicated in each Fund's proxy card.

Only one copy of this Joint Proxy Statement will be delivered to multiple Shareholders sharing an address unless we have received contrary instructions from one or more of the Shareholders. Upon written or oral request, we will deliver a separate copy of this Joint Proxy Statement to a Shareholder at a shared address to which a single copy of this Joint Proxy Statement was delivered. Should any Shareholder wish to receive a separate Proxy Statement or should Shareholders sharing an address wish to receive a single Proxy Statement in the future, please contact (888) 421-4015 (toll-free).

ELECTION OF TRUSTEES FOR EACH FUND

The number of Trustees of each Fund has been fixed by the Trustees, pursuant to each Fund's Declaration of Trust, at ten. There are presently ten Trustees for each Fund. At the Meetings, the following nominees are to be elected to each Fund's Board of Trustees to serve for the following terms, in accordance with each Fund's Declaration of Trust, as set forth below:

OIB	ICS and IMS	IQC, IQN and IQM
Until the year 2012 Annual Meeting	Until the year 2012 Annual Meeting	Until the year 2012 Annual Meeting
Frank L. Bowman	Kathleen A. Dennis	Michael F. Klein
Michael Bozic	Manuel H. Johnson	W. Allen Reed
James F. Higgins	Joseph J. Kearns	Michael E. Nugent*
	Fergus Reid	

* Pursuant to the Declaration of Trust of each of IQC, IQN and IQM and the Investment Company Act of 1940, as amended (the "1940 Act"), one Trustee (Michael E. Nugent) is to be elected to the Board of IQC, IQN and IQM to serve until the year 2012 Annual Meeting by the holders of the Preferred Shares of each Fund voting separately as a single class.

Nine of the current ten Trustees (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid) are "Independent Trustees," that is, Trustees who are not "interested persons" of the Funds, as that term is defined in the 1940 Act. The other current Trustee, James F. Higgins, is an "Interested Trustee," that is, a Trustee who is an "interested person" (as that term is defined in the 1940 Act) of the Funds and Morgan Stanley Investment Advisors and thus, is not an Independent Trustee. The nominees for election as Trustee have been proposed by the Trustees now serving, or, in the case of the nominees for positions as Independent Trustees, by the Independent Trustees now serving. All of the members of the Boards have previously been elected by the Shareholders of the Funds.

The nominees of the Board for election as Trustee of each Fund are listed below. It is the intention of the persons named in the enclosed form of proxy, unless instructed by proxy to withhold authority to vote for the nominees, to vote all validly executed proxies for the election of these nominees: for OIB Frank L. Bowman, Michael Bozic and James F. Higgins; for ICS and IMS Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns and Fergus Reid; and for IQC, IQN and IQM Michael F. Klein, Michael E. Nugent (with respect to Preferred Shareholder proxies only) and W. Allen Reed. Should any of the nominees become unable or unwilling to accept nomination or election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Boards may recommend or, in the case of an Independent Trustee nominee, as the Independent Trustees of each Fund may recommend. All of the nominees have consented to being named in this Joint Proxy Statement and to serve if elected. The Funds know of no reason why any of the said nominees would be unable or unwilling to accept nomination or election. With respect to each Fund, the election of the nominees listed above to be elected by all Shareholders requires the approval of a majority of the shares of the Fund represented and entitled to vote at the Meeting (Common Shares and Preferred Shares voting together as a single class). The election of the nominee listed above to be elected by only the Preferred Shareholders of IQC, IQN and IQM requires the approval of a majority of the Preferred Shares of the Fund represented and entitled to vote at the Meeting (voting separately as a single class).

Pursuant to the provisions of the Declaration of Trust of each Fund, in certain cases as amended, the Trustees are divided into three separate classes, each class having a term of three years. The term of office of one of each of the three classes will expire each year.

The Board of Trustees of each Fund previously determined that any nominee for election as Trustee for each Fund will stand for election as Trustee and serve as Trustee in one of the three classes of Trustees as follows: Class I Messrs. Bowman, Bozic and Higgins; Class II Ms. Dennis and Messrs. Johnson, Kearns and Reid; and Class III Messrs. Klein, Nugent and Reed. Each nominee will, if elected, serve a term of up to approximately three years running for the period assigned to that class and terminating at the date of the Annual Meeting of Shareholders so designated by the Boards, or any adjournments thereof. In addition with respect to IQC, IQN and IQM, pursuant to each Fund's Declaration of Trust and the 1940 Act, the Board of Trustees of each Fund previously determined that one each of the Class II Trustees and the Class III Trustees will be designated to be elected by the Preferred Shareholders voting separately. In this regard, Manuel H. Johnson and Michael E. Nugent serve as Trustees of each Fund's Board of Trustees on behalf of the Preferred Shareholders, the terms of each to expire with his designated Class. As a consequence of this method of election, the replacement of a majority of each of the Boards could be delayed for up to two years. In accordance with the above, the three Trustees in Class I for OIB, the four Trustees in Class II for ICS and IMS and the three Trustees in Class III for IQC, IQN and IQM are standing for election at the Meetings and will, if elected, serve until the 2012 Annual Meetings for each Fund as set forth above or, in each case, until their successors shall have been elected and qualified.

The current Trustees of each Fund also serve as trustees for certain of the funds advised by the Investment Adviser (the "Retail Funds") and certain of the funds advised by Morgan Stanley Investment Management Inc. and Morgan Stanley AIP GP LP (the "Institutional Funds"). The table below sets forth the following information regarding the Trustees of the Funds and the nominees for election as Trustees of one or more Funds at the Meetings, as well as the executive officers of the Funds, their age, address, term of office and length of time served, their principal business occupations during the past five years, the number of portfolios in the Fund Complex (defined below) overseen by each Trustee or nominee Trustee as of December 31, 2008, and other directorships, if any, held by the Trustees. The Fund Complex includes all open-end and closed-end funds (including all of their portfolios) advised by the Investment Adviser and any funds that have an investment adviser that is an affiliated person of the Investment Adviser (including, but not limited to, Morgan Stanley Investment Management Inc.).

As to each Independent Trustee and his or her immediate family members, no person owned beneficially or of record securities in an investment adviser or principal underwriter of the Funds, or a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with an investment adviser or principal underwriter of the Funds as of the record date.

Independent Trustees and the Committees

Law and regulation establish both general guidelines and specific duties for the Independent Trustees. The Retail Funds seek as Independent Trustees individuals of distinction and experience in business and finance, government service or academia; these are people whose advice and counsel are in demand by others and for whom there is often competition. To accept a position on the Retail Funds' Boards, such individuals may reject other attractive assignments because the Retail Funds make substantial demands on their time. The Board of each Fund has four committees: (1) Audit Committee, (2) Governance Committee, (3) Compliance and Insurance Committee and (4) Investment Committee. Three of the Independent Trustees serve as members of the Audit Committee, three Independent Trustees serve as members of the Governance Committee, four Trustees, including three Independent Trustees, serve as members of the Compliance and Insurance Committee, and all of the Trustees serve as members of the Investment Committee.

The Independent Trustees are charged with recommending to the full Board approval of management, advisory and administration contracts and distribution and underwriting agreements; continually reviewing fund performance; checking on the pricing of portfolio securities, brokerage

commissions, transfer agent costs, performance and trading among funds in the same complex; and approving fidelity bond and related insurance coverage and allocations, as well as other matters that arise from time to time.

The Board of Trustees of each Fund has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended ("Exchange Act"). The Audit Committee is charged with recommending to the full Board the engagement or discharge of the Funds' independent registered public accounting firm; directing investigations into matters within the scope of the independent registered public accounting firm's duties, including the power to retain outside specialists; reviewing with the independent registered public accounting firm the audit plan and results of the auditing engagement; approving professional services provided by the independent registered public accounting firm and other accounting firms prior to the performance of such services; reviewing the independence of the independent registered public accounting firm; considering the range of audit and non-audit fees; reviewing the adequacy of the Funds' system of internal controls; reviewing the valuation process; and preparing and submitting committee meeting minutes to the full Board.

The members of the Audit Committee of the Funds are Joseph J. Kearns, Michael E. Nugent and W. Allen Reed. None of the members of the Funds' Audit Committee is an "interested person," as defined under the 1940 Act (with such disinterested Trustees being "Independent Trustees" or individually, "Independent Trustee"). Each Independent Trustee is also "independent" from the Funds under the listing standards of the New York Stock Exchange, Inc. ("NYSE"). The Chairperson of the Audit Committee of each of the Funds is Joseph J. Kearns. The Board of Trustees for each Fund has adopted a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the Audit Committee Charter is attached to this Joint Proxy Statement as Exhibit A.

The Board of Trustees of each Fund also has a Governance Committee. The Governance Committee identifies individuals qualified to serve as Independent Trustees on the Funds' Boards and on committees of the Board and recommends such qualified individuals for nomination by the Funds' Independent Trustees as candidates for election as Independent Trustees, advises each Fund's Board with respect to Board composition, procedures and committees, develops and recommends to each Fund's Board a set of corporate governance principles applicable to the Funds, monitors and makes recommendations on corporate governance matters and policies and procedures of each Fund's Board of Trustees and any Board committees, and oversees periodic evaluations of each Fund's Board and its committees. The members of the Governance Committee of each Fund are Kathleen A. Dennis, Michael F. Klein and Fergus Reid, each of whom is an Independent Trustee. The Chairperson of the Governance Committee is Fergus Reid. The Board of Trustees for each Fund has adopted a formal written charter for the Governance Committee, which sets forth the Governance Committee's responsibilities. A copy of the Governance Committee Charter is attached to the 2008 Joint Proxy Statement filed for the Funds with the Securities and Exchange Commission (the "SEC") on May 14, 2008.

The Funds do not have a separate nominating committee. While each of the Fund's Governance Committee recommends qualified candidates for nominations as Independent Trustees, the Board of Trustees of each Fund believes that the task of nominating prospective Independent Trustees is important enough to require the participation of all current Independent Trustees, rather than a separate committee consisting of only certain Independent Trustees. Accordingly, each Independent Trustee (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid) for all Funds participates in the election and nomination of candidates for election as Independent Trustees for the respective Funds for which the Independent Trustee serves. Persons recommended by each of the Fund's Governance Committee as

candidates for nomination as Independent Trustees shall possess such knowledge, experience, skills, expertise and diversity so as to enhance each of the Board's ability to manage and direct the affairs and business of the Funds, including, when applicable, to enhance the ability of committees of each of the Boards to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Trustees of the Funds expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Fund's Boards as they deem appropriate, they will consider nominations from Shareholders to the Board. Nominations from Shareholders should be in writing and sent to the Independent Trustees as described below under the caption "Shareholder Communications."

The Board of each Fund formed the Compliance and Insurance Committee to address insurance coverage and oversee the compliance function for each of the Funds and its Board. The Compliance and Insurance Committee for each Fund consists of Frank L. Bowman, Michael Bozic, James F. Higgins and Manuel H. Johnson. Frank L. Bowman, Michael Bozic and Manuel H. Johnson are Independent Trustees. The Chairperson of the Compliance and Insurance Committee is Michael Bozic. The Compliance and Insurance Committee has an Insurance Sub-Committee to review and monitor the insurance coverage maintained by the Funds. The Chairperson of each Fund's Insurance Sub-Committee is Frank L. Bowman.

The Investment Committee oversees the portfolio investment process for and reviews the performance of each Fund. The Investment Committee also recommends to the Board to approve or renew the respective Fund's Investment Advisory and Administration Agreements. The members of the Investment Committee are Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, James F. Higgins, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid. The Chairperson of the Investment Committee is Manuel H. Johnson.

The Investment Committee has three Sub-Committees, each with its own Chairperson. Each Sub-Committee focuses on the Funds' primary areas of investment, namely equities, fixed income and alternatives. The Sub-Committees and their members are as follows:

- (1) Equity W. Allen Reed (Chairperson), Frank L. Bowman and Michael E. Nugent.
- (2) Fixed Income Michael F. Klein (Chairperson), Michael Bozic and Fergus Reid.
- (3) Money Market and Alternatives Kathleen A. Dennis (Chairperson), James F. Higgins and Joseph J. Kearns.

The following chart sets forth the number of meetings of the Board, the Audit Committee, the Governance Committee, the Compliance and Insurance Committee and the Investment Committee of each Fund during that Fund's most recent fiscal year. During each Fund's fiscal year ended October 31, 2008 (February 28, 2009 for OIB), each Trustee attended at least seventy-five percent of the aggregate number of meetings of the Board and any committee on which he or she served held during the time such Trustee was a member of the Board.

Number of Board and Committee Meetings Held During Last Fiscal Year

During each Fund's fiscal year ended October 31, 2008 (IQC, ICS, IMS, IQN and IQM) and February 28, 2009 (OIB), the Board of Trustees held the following meetings:

	IQC	ICS	IMS	ION	IOM	OIB
Board of Trustees	9	9	9	9	9	7
Committee/Sub-Committee:						
Audit Committee	4	4	4	4	4	4
Governance Committee	4	4	4	4	4	4
Compliance and Insurance Committee	4	4	4	4	4	4
Insurance Sub-Committee	2	2	2	2	2	2
Investment Committee	5	5	5	5	5	5

For annual or special shareholder meetings, Trustees may, but are not required to, attend the meetings; and for each Fund's last annual shareholder meeting, no Trustees attended the meeting.

Shareholder Communications

Shareholders may send communications to each Fund's Board of Trustees. Shareholders should send communications intended for each Fund's Board by addressing the communications directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Trustee previously noted. Other shareholder communications received by a Fund not directly addressed and sent to the Fund's Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Each of the nominees for Trustee has consented to be named in this Joint Proxy Statement and to serve as a Trustee of the Funds if elected. The Board of Trustees of each Fund has no reason to believe that any of the nominees named above will become unavailable for election as a Trustee, but if that should occur before the Meeting for that Fund, the persons named as proxies on the Proxy Cards will vote for such persons as the Board of Trustees of the Fund may recommend.

Share Ownership by Trustees

The Trustees have adopted a policy pursuant to which each Trustee and/or his or her spouse is required to invest at least \$100,000 in any of the funds in the Morgan Stanley Retail and Institutional Funds on whose Boards the Trustee serves. In addition, the policy contemplates that the Trustees will, over time, increase their aggregate investment in the funds above the \$100,000 minimum requirement. The Trustees may allocate their investments among specific funds in any manner they determine is appropriate based on their individual investment objectives. Any future new Trustee will be given a one year period following his or her election within which to comply with the foregoing. As of the date of this Joint Proxy Statement, each Trustee is in compliance with the policy.

As of the Record Date for these Meetings, the aggregate number of shares of each Fund owned by the respective Fund's officers and Trustees as a group was less than one percent of each Fund's outstanding shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that each Fund's executive officers and Trustees, and beneficial owners of more than 10% of its shares, make certain filings on a timely basis under Section 16(a) of the Exchange Act. Based solely on each Fund's review of copies of such reports of ownership furnished to the Funds, the Funds believe that during the past fiscal year all of its officers, Trustees and greater than 10% beneficial holders complied with all applicable filing requirements.

Compensation of Trustees

Each Trustee (except for the Chairperson of the Boards) receives an annual retainer fee of \$200,000 for serving the Retail Funds and Institutional Funds. The Chairperson of the Audit Committee receives an additional annual retainer fee of \$75,000 and the Investment Committee Chairperson receives an additional annual retainer fee of \$60,000. Other Committee Chairpersons receive an additional annual retainer fee of \$30,000 and the Investment Sub-Committee Chairpersons receive an additional annual retainer fee of \$15,000. The aggregate compensation paid to each Trustee is paid by the Retail Funds and Institutional Funds, and is allocated on a *pro rata* basis among each of the operational funds/portfolios of the Retail Funds and Institutional Funds based on the relative net assets of each of the funds/portfolios. Michael E. Nugent receives a total annual retainer fee of \$400,000 for his services as Chairperson of the Boards of the Retail Funds and Institutional Funds and for administrative services provided to each Board.

The Funds also reimburse the Trustees for travel and other out-of-pocket expenses incurred by them in connection with attending such meetings. Trustees of the Funds who are employed by the Investment Adviser receive no compensation or expense reimbursement from the Funds for their services as Trustee.

Effective April 1, 2004, the Funds began a Deferred Compensation Plan (the "DC Plan"), which allows each Trustee to defer payment of all, or a portion, of the fees he or she receives for serving on the Boards of Trustees throughout the year. Each eligible Trustee generally may elect to have the deferred amounts credited with a return equal to the total return on one or more of the Retail Funds or Institutional Funds (or portfolios thereof) that are offered as investment options under the DC Plan. At the Trustee's election, distributions are either in one lump sum payment, or in the form of equal annual installments over a period of five years. The rights of an eligible Trustee and the beneficiaries to the amounts held under the DC Plan are unsecured and such amounts are subject to the claims of the creditors of the Funds.

Prior to April 1, 2004, the Institutional Funds maintained a similar Deferred Compensation Plan (the "Prior DC Plan") which also allowed each Independent Trustee to defer payment of all, or a portion, of the fees he or she received for serving on the Boards of Trustees throughout the year. Generally, the DC Plan amends and supersedes the Prior DC Plan and all amounts payable under the Prior DC Plan are now subject to the terms of the DC Plan (except for amounts paid during the 2004 calendar year, which remain subject to the terms of the Prior DC Plan).

The following table shows aggregate compensation payable to each of the Fund's Trustees from each Fund for the fiscal year ended October 31, 2008 (IQC, ICS, IMS, IQN and IQM) February 28, 2009 (OIB) and the aggregate compensation payable to each of the Fund's Trustees by the Fund Complex (which includes all of the Retail Funds and Institutional Funds) for the calendar year ended December 31, 2008.

As of December 31, 2008, the value (including interest) of the deferral accounts across the Fund Complex for Messrs. Bowman, Kearns, Reed and Reid pursuant to the deferred compensation plan was \$397,110, \$761,543, \$332,876 and \$474,242, respectively. Because the funds in the Fund Complex have different fiscal year ends, the amounts shown in this column are presented on a calendar year basis.

Prior to December 31, 2003, 49 of the Retail Funds (the "Adopting Funds"), including OIB, IMS, IQM and IQC, had adopted a retirement program under which an Independent Trustee who retired after serving for at least five years as an Independent Trustee of any such fund (an "Eligible Trustee") would have been entitled to retirement payments, based on factors such as length of service, upon reaching the eligible retirement age. On December 31, 2003, the amount of accrued retirement benefits for each Eligible Trustee was frozen, and will be payable, together with a return of 8% per annum, at or following each such Eligible Trustee's retirement as shown in the table below.

The following table illustrates the retirement benefits accrued to the Funds' Independent Trustees, by OIB, IMS, IQM and IQC for the last fiscal year and the Adopting Funds for the calendar year ended December 31, 2008, and the estimated retirement benefits for the Independent Trustees, from OIB, IMS,

IQM and IQC for their last fiscal year and from the Adopting Funds for each calendar year following retirement. Only the Trustees listed below participated in the retirement program.

⁽¹⁾ Total compensation accrued under the retirement plan, together with a return of 8% per annum, will be paid annually commencing upon retirement and continuing for the remainder of the Trustee's life.

Assuming a Quorum is present, approval of the Proposal with respect to each Fund will require the affirmative vote of a majority of each Fund's shares represented in person or by proxy at the Meeting and entitled to vote at the Meeting.

The Board of Trustees of each Fund unanimously recommends that Shareholders vote FOR the election of each of the Trustees nominated for election.

Audit Committee Report

At a meeting held on February 24, 2009 (OIB) and a meeting held on September 24, 2008 (IQC, ICS, IMS, IQN and IQM), the Board of Trustees of each Fund, including a majority of the Trustees who are not "interested persons" of the Funds, as defined under the 1940 Act, acting on the recommendation of the Audit Committee of each Fund, selected Deloitte & Touche LLP to act as the independent registered public accounting firm for each Fund for the fiscal year ending February 28, 2010 (OIB) and October 31, 2009 (IQC, ICS, IMS, IQN and IQM).

The Audit Committee of each Fund has reviewed and discussed the financial statements of each Fund with management as well as with Deloitte & Touche LLP, the independent registered public accounting firm for each Fund. In the course of its discussions, the Audit Committee also discussed with Deloitte & Touche LLP any relevant matters required to be discussed under the Statement on Auditing Standards No. 61. Based on this review, the Audit Committee recommended to the Board of Trustees of each Fund that each Fund's audited financial statements be included in each Fund's Annual Report to Shareholders for the most recent fiscal year for filing with the SEC. The Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required under Public Company Accounting Oversight Board's Ethics & Independence Rule 3526 and has discussed with the independent registered public accounting firm its independence with respect to each Fund. Each Fund knows of no direct financial or material indirect financial interest of Deloitte & Touche LLP in the Fund.
