As described in the enclosed prospectus, the Fund will issue one non-transferable right for each whole share of common stock registered in your name as of the record date. In order to subscribe, the subscriber is required to submit the estimated subscription price of \$xx.xx per share to the subscription agent. The terms of the offer also entitle record date stockholders to subscribe, subject to certain conditions and allotment, for shares not subscribed for through the exercise of rights in the primary subscription as described in the enclosed prospectus.

The rights may only be exercised by you as the registered holder. Accordingly, we are asking you to contact clients for whom you hold common shares of the Fund registered in your name, or in the name of your nominee, to obtain instructions with respect to the rights.
