Press release

MTS Announces Signing of Memorandum of Understanding (MOU) with Svyazinvest and Sistema on Reorganization of Assets

November 23, 2009

Moscow, Russian Federation Mobile TeleSystems OJSC (MTS - NYSE: MBT), today announces that **COMSTAR** United TeleSystems JSC (Comstar - LSE: CMST), a majority-owned subsidiary of MTS, has concluded a non-binding MOU with OAO Svyazinvest and AFK Sistema to begin negotiations over the reorganization of certain assets, that if realized could ultimately lead to the disposal of Comstar's stake in Svyazinvest and the increase in its ownership stake in OAO Moscow City Telephone Network (MGTS).

Comstar currently owns 25% +1 share of Svyazinvest and a 55.73% stake in MGTS. Svyazinvest owns a 23.33% stake in MGTS. The MOU contemplates, among other things, a potential sale by Comstar of the respective interest in Svyazinvest, the acquisition of a stake in MGTS and the restructuring of certain indebtedness in connection with the deal.

The precise terms and consummation of the transactions remain subject to the negotiation and execution of definitive binding documentation by these and potentially other parties as well as satisfaction of any applicable conditions (including receipt of any required regulatory approvals and valuations). No assurance can be given that any of the parties will execute definitive documentation or that any of the contemplated transactions will occur.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and the negative of such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, including Comstar-UTS, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
