Item 1.01 Entry into a Material Definitive Agreement

On July 12, 2010, EnergySolutions, Inc. (the Company), EnergySolutions, LLC (the Borrower) and Duratek, Inc., a wholly owned subsidiary of the Company (Duratek), entered into Amendment No. 2 (the Amendment) to (i) the Third Amended and Restated Credit Agreement (the ES Credit Agreement), dated as of September 23, 2009 (as amended by Amendment No. 1, dated as of January 14, 2010), among the Company, the Borrower, the lenders from time to time party thereto, and Citicorp North America, Inc., as administrative agent (the Administrative Agent), and (ii) the Amended and Restated Credit Agreement (the Duratek Credit Agreement and together with the ES Credit Agreement, the Credit Agreements), dated as of September 23, 2009 (as amended by Amendment No. 1, dated as of January 14, 2010), among Duratek, the lenders from time to time party thereto and the Administrative Agent. Capitalized terms used but not otherwise defined in this report shall have the respective meanings ascribed to such terms in the respective Credit Agreement, as applicable.

After giving effect to the Amendment, the Applicable Margins applicable to Loans under each Credit Agreement will be based on the Leverage Ratio and the applicable long-term credit or corporate family rating assigned to the Company by S&P and Moody's. After giving effect to the Amendment, each Credit Agreement provides for a minimum Base Rate of 3.25% and a minimum Eurodollar Rate of 1.75%.

Although the Company is still in the process of preparing its financial results for the quarter ended June 30, 2010, it has entered into the Amendment to ensure that it remains in compliance with the financial covenants in the Credit Agreements. Pursuant to the Amendment, the lenders waived the requirement not to exceed a maximum First Lien Leverage Ratio for the quarter ended June 30, 2010. The Company incurred fees of approximately \$2.2 million in connection with the Amendment, which will be amortized over the expected remaining life of the Credit Agreements.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The disclosure set forth in Item 1.01 above is incorporated by reference into this item.

Item 8.01 Other Events

On July 13, 2010, the Company also announced that it is seeking to refinance the Credit Agreements. A copy of the press release is filed as Exhibit 99.1 to this report and incorporated herein by reference.

This report contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties related to effects of the Amendment on the Credit Agreements and the intended refinancing of the Credit Agreements. Forward-looking statements provide current expectations of future events based on certain assumptions and include any statement that does not directly relate to any historical or current fact. Forward-looking statements are not guarantees of future performance and the Company's actual results may differ significantly from the results discussed in the forward-looking statements. Factors that may cause future performance or actual results to differ from the expectations expressed or implied herein include, without limitation, the following: changes in general economic conditions, which prevent or delay the refinancing
