Item 1.01 Entry into a Material Definitive Agreement.

On September 10, 2010, Tucows Inc. (the Company) amended its existing credit facility (as amended, the Amended Facility) with the Bank of Montreal (the Bank), the terms of which are more fully described in Item 2.03 below.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of Registrant.

Pursuant to the terms of the Company's existing credit facility, the Company was required to make an annual cash sweep payment to the Bank based on excess cash. The cash sweep payment for the year ended December 31, 2009, which was payable during the three months ended June 30, 2010, would have been sufficient to fully repay all amounts outstanding under the credit facility with the Bank as of June 30, 2010, which repayment would have been two years earlier than originally contemplated. As a result, the Bank and the Company agreed to waive the cash sweep payment that was payable during the three months ended June 30, 2010.

The Company's Amended Facility therefore continues to provide for repayment of the \$2,103,483.60 outstanding balance under the existing non-revolving, reducing demand loan with the Bank (the Existing Demand Loan). In addition, the Bank has made available an additional \$2,000,000 non-revolving, reducing demand loan to the Company (the Additional Demand Loan) to finance the repurchase of shares of the Company's common stock, and the Amended Facility continues to provide for the existing \$3,500,000 Treasury Risk Management Facility (the TR Loan), and together with the Existing Demand Loan, the Existing Loans). The Existing Loans are governed by the terms of the Loan Agreement, dated as of July 25, 2007 (as amended from time to time, the 2007 Loan Agreement) by and among the Company, Tucows.com Co., a wholly owned subsidiary of Tucows Inc. (Borrower), and certain subsidiaries of the Company named therein (the Guarantors), and the Financing Commitment, dated as of July 19, 2007, by and between Borrower and Bank (the Term Sheet and together with the 2007 Loan Agreement, the 2007 Loan Documents). The terms of the 2007 Loan Documents have been described more fully in the Company's Current Report on Form 8-K, filed with the Securities and Exchange Commission on July 31, 2007, and such description is incorporated herein by reference.

The Amended Facility also provides for a new \$1,000,000 operating demand loan (the Operating Demand Loan Facility) to fund operational requirements pursuant to the terms of the Operating Loan Agreement with the Bank, which such terms are described in the Offer Letter, dated as of August 30, 2010, by and between the Company and the Bank (the Offer Letter and together with the Operating Loan Agreement, the 2010 Loan Documents).

Under the Amended Facility, the \$2,103,483.60 outstanding balance on the Existing Demand Loan is to be repaid in equal monthly installments of \$159,520 plus interest. Any advances under the Additional Demand Loan are to be paid in equal monthly installment over 60 months. On both the Existing Demand Loan and the Additional Demand Loan the Company can elect to pay interest either at the Bank of Montreal (BMO) U.S. Base Rate plus 1.30% (amended from plus 1.50%) or at LIBOR plus 3.25%. All interest is payable monthly in arrears as incurred. The Additional Demand Loan is subject to an undrawn aggregate standby fee of 0.20% following the first draw which is payable quarterly in arrears. The Borrower will continue to make annual cash sweep payments to the Bank based on the Company's audited financial statements. The cash sweep payments will be applied to outstanding amounts under the Existing Demand Loan and Additional Demand Loan.

Under the 2010 Loan Documents, the Borrower has agreed to pay to the order of the Bank any outstanding principal amounts under the Operating Demand Loan Facility plus interest at a rate of BMO U.S. Base Rate plus 1.30%. Interest is payable monthly in arrears with any borrowing under the facility fluctuating widely with periodic clean-up, at a minimum on an annual basis. The Borrower has also agreed to pay to the Bank a monthly monitoring fee of \$500. The Operating Demand Loan Facility is payable on demand at any time, at the sole discretion of the Bank, with or without cause.

All obligations under the Amended Facility are guaranteed by the Company pursuant to a Guaranty, dated July 25, 2007 (the Guaranty), executed by the Company in favor of the Bank, and are secured by a security interest in substantially all of the Company's assets granted under the Security Agreement (the Security Agreement), dated July 25, 2007, executed by the Company in favor of the Bank. Each other Guarantor has similarly guaranteed and secured the Borrowers' obligations and have entered into similar Guaranty and Security Agreements in favor of the Bank.

The Bank, at its sole option, with or without cause, may accelerate payment of any obligations under the 2010 Loan Documents and may terminate the Operating Demand Loan Facility at any time. The Bank may refuse to honor any check or permit any transfer or withdrawal upon (i) any default by the Borrower under any agreement between the Borrower and the Bank; (ii) the death of any Guarantor or termination of any guaranty of amounts owed under the Amended Facility; (iii) the Operating Demand Loan Facility exceeding the \$1,000,000 limit; or (iv) any demand made for payment of the Operating Demand Loan Facility.

Pursuant to the 2010 Loan Documents, the Borrower has agreed to comply with certain customary non-financial covenants regarding maintenance of insurance; payment of taxes; disposition of major assets; compliance with statutes and with environmental standards; reporting requirements; timely provision of notices of default; absence of material judgments; access to books and records; prohibition on assumption of additional debt or guarantee obligations by the Borrower, subject to certain exceptions for capital expenditures; and prohibition on the payment of dividends.

The 2010 Loan Documents, the Existing Demand Loan and the Additional Demand Loan require that Borrower comply with the following financial covenants: (i) Maximum Senior Funded Debt to EBITDA of 2.00:1; (ii) Maximum Total Funded Debt to EBITDA of 2.50:1; and (iii) Minimum Fixed Charge Coverage of 1.25:1. Further, the Borrower's Maximum Annual Capital Expenditures cannot exceed \$3,600,000 per year, which such limit will be reviewed on an annual basis.

Under the 2010 Loan Documents the Borrower is prohibited from, among other things: (i) amalgamating, merging or reorganizing with any corporation; (ii) entering into a transaction that effects a change in control of the Borrower and /or a loan guarantor, subject to certain stated exceptions; (iii) selling, assigning or otherwise disposing of any fixed asset, machinery, equipment or immovable property

subject to the Bank's security interest; (iv) creating, assuming or permitting to exist any security interest or other encumbrances on any of its assets ranking prior to or *pari passu* with or after the assets secured under the Security Agreement, except for permitted encumbrances; and (v) incurring any new debt other than the Loan.

The foregoing summary of the Amended Facility, 2010 Loan Agreement, Offer Letter, 2007 Loan Agreement, Guaranty and Security Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of each of the Operating Loan Agreement, Offer Letter, 2007 Loan Agreement, Guaranty and Security Agreement, which are included as Exhibits 10.1, 10.2, 10.3, 10.4 and 10.5, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.
