Item 8.01 Other Events.

As previously announced, on December 16, 2011, Array BioPharma Inc. (Array) gave a presentation at an Analyst and Investor Day in New York City discussing previously announced results on its clinical programs in cancer and inflammation. Array also updated information on Array s current expectations with respect to the timing of the announcement of certain clinical trial results and the completion of certain clinical trial milestones during 2012, which are set forth on the slide attached as Exhibit 99.1 attached to this Form 8-K and incorporated herein by reference.

Array BioPharma Forward-Looking Statement

This current report on Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements about the timing of the announcement of certain clinical trial results, the timing of the completion of certain clinical trial milestones and future plans to progress and develop Array s proprietary and partnered programs. These statements involve significant risks and uncertainties, including those discussed in our most recent annual report filed on Form 10-K, in our quarterly reports filed on Form 10-Q, and in other reports filed by Array with the Securities and Exchange Commission. Because these statements reflect our current expectations concerning future events, our actual results could differ materially from those anticipated in these forward-looking statements. We are providing this information as of December 19, 2011. We undertake no duty to update any forward-looking statements to reflect the occurrence of events or circumstances after the date of such statements or of anticipated or unanticipated events that alter any assumptions underlying such statements.
