On September 25, 2012, NuPathe Inc. (the Company) entered into a Third Loan Modification Agreement (the Amendment) with MidCap Funding III, LLC (MidCap) and Silicon Valley Bank (SVB and together with MidCap, the Lenders). The Amendment modifies the Loan and Security Agreement, dated as of May 13, 2010, by and among the Company and the Lenders, as amended by that certain First Loan Modification Agreement, dated June 13, 2011, and that certain Second Loan Modification Agreement, dated August 13, 2012 (the Term Loan Facility), to, among other things:

- in the event an additional capital raise closes on or before November 23, 2012, reduce the amount of the monthly principal payments owing under the Term Loan Facility to \$230,000 through June 30, 2013, after which such principal payments will reflect a straight line amortization schedule ending on the maturity date;
- eliminate the prepayment fee under the Term Loan Facility if all amounts owing are prepaid during the period commencing on the closing date of an additional capital raise and ending on January 16, 2013;
- temporarily suspend the minimum unrestricted cash balance that the Company is required to maintain until the earlier of the closing of an additional capital raise or November 23, 2012, after which such amount will increase to \$1.0 million if an additional capital raise has occurred on or before November 23, 2012, or to \$3.0 million if an additional capital raise has not occurred by such date;
- in the event an additional capital raise occurs on or before November 23, 2012, require that the Company issue to the Lenders warrants to purchase such number of shares of common stock equal to 5% of the aggregate principal amount outstanding under the Term Loan Facility on the closing date of an additional capital raise, divided by a per share price of \$2.00, on the same terms, including anti-dilution protection, as the warrants issued as part of the additional capital raise, and which warrants shall be issued in replacement of the warrants previously issued to the Lenders;
- include as an event of default the failure of the Company, after the occurrence of an additional capital raise, to receive United States marketing approval of Zelrix from the United States Food and Drug Administration on or before June 30, 2013, which date may be extended to the earlier of September 30, 2013 and the date on which the Company ceases to have unrestricted cash in an amount greater than 1.25 times the aggregate outstanding principal amount under the Term Loan Facility; and
- amend the maturity date of the Term Loan Facility to June 1, 2014.

All other provisions of the Term Loan Facility are unchanged by the Amendment and remain in full force and effect.
