  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 8.01 Other Information.**

On June 1, 2012, LRR Energy, L.P., a Delaware limited partnership (the Partnership), closed its previously announced acquisition of certain oil and natural gas properties located in the Permian Basin region of New Mexico and onshore Gulf Coast region of Texas (the Transferred Properties) pursuant to a Purchase and Sale Agreement (the Purchase Agreement) among Lime Rock Resources A, L.P., a Delaware limited partnership (LRR A), Lime Rock Resources B, L.P., a Delaware limited partnership (LRR B), Lime Rock Resources C, L.P., a Delaware limited partnership (LRR C, and together with LRR A and LRR B, the Seller) and the Partnership and LRE Operating, LLC, a Delaware limited liability company and a wholly owned subsidiary of the Partnership, for \$65.1 million in cash consideration (the Acquisition), after giving effect to purchase price adjustments from the effective date of the Purchase Acquisition (March 1, 2012). The post closing adjustments to the purchase price were finalized in September 2012, and the Partnership received \$1.1 million in cash from Fund I. The Partnership financed the acquisition with borrowings under its revolving credit facility.

The general partner of the Partnership, LRE GP, LLC, a Delaware limited liability company (the General Partner), is ultimately controlled by the co-founders of Lime Rock Management LP, a Delaware limited partnership (Lime Rock Management), who also ultimately control the Seller. The Seller owns 5,049,600 common units and 6,720,000 subordinated units representing limited partner interests in the Partnership representing an aggregate 52.4% limited partner interest in the Partnership and, through the Seller's Class B interest in the General Partner, is entitled to receive 80% of the distributions the Partnership makes with respect to the incentive distribution rights held by the General Partner through November 16, 2017. The General Partner also owns an approximate 0.1% general partner interest in the Partnership, represented by 22,400 general partner units. In addition, the non-independent directors and executive officers of the General Partner, other than the General Partner's Chief Financial Officer, serve in similar capacities with, and own economic interests, investments and other economic incentives in, Lime Rock Management, the Seller and their affiliates.

As described in our Quarterly Report on Form 10-Q for the periods ended June 30, 2012 and September 30, 2012 and within this Current Report on Form 8-K, our acquisition of the Transferred Properties from the Seller in June 2012 was accounted for as a transaction between entities under common control. The purpose of this Current Report on Form 8-K is to recast certain financial and other information of the Partnership to include the financial position and results attributable to the Transferred Properties as if the Partnership had owned such assets for all periods presented in 2011. Items 6, 7 and 8 of the Partnership's 2011 Annual Report on Form 10-K filed with the SEC on March 27, 2012 (2011 Form 10-K) have been retrospectively updated to give effect to the acquisition. There have been no revisions or updates to any other sections of the 2011 Form 10-K.
