JOINT PROXY STATEMENT

For the Annual Meetings of Shareholders
each to be held on March 26, 2015

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by each Fund's Board of Directors (each, a "Board" and collectively, the "Boards," with members of each Board being referred to as "Directors") to be voted at the Annual Meeting of shareholders of each Fund (each, a "Meeting" and collectively, the "Meetings") to be held at the offices of Aberdeen Asset Management Inc. located at 712 Fifth Avenue, 49th Floor, New York, NY 10019, on Thursday, March 26, 2015 for all the Funds, and at any adjournments or postponements thereof. A Notice of Annual Meeting of Shareholders and a proxy card (the "Proxy") accompany this Joint Proxy Statement. This Joint Proxy Statement is first being mailed to shareholders on or about February 13, 2015.

All properly executed proxies received prior to a Meeting will be voted at the Meeting, or at any adjournments thereof, in accordance with the instructions marked on the Proxy. Unless instructions to the contrary are marked on the Proxy, Proxies received will be voted **"FOR"** the Proposal (as defined below). The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before a Meeting or any adjournments or postponements thereof. Any Proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to Megan Kennedy, Secretary of the Fund(s), 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103, or by attending the Meeting and voting in person. Shareholders may authorize proxy voting by using the enclosed Proxy along with the enclosed envelope with pre-paid postage. Shareholders may also authorize proxy voting by telephone or through the internet by following the instructions contained on their Proxy. Shareholders do not have dissenter's rights of appraisal in connection with any of the matters to be voted on by the shareholders at the Meetings.

A quorum of shareholders is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of a Fund entitled to vote at a Meeting. In the event that a quorum is not present at a Meeting, the holders of a majority of the shares present in person or by proxy will have the power to adjourn such Meeting, without notice other than an announcement at such Meeting, until the requisite number of shares entitled to vote at such Meeting is present. In the event that a quorum is present at a Meeting but sufficient votes to approve the Proposal are not received, the persons named as proxies may propose one or more adjournments of that Meeting to

permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of a Fund's shares represented at the Meeting in person or by proxy, and the persons named as proxies will vote those proxies that they are entitled to vote **"FOR"** the Proposal in favor of such adjournment and will vote those proxies required to be voted **"AGAINST"** the Proposal against any such adjournment. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than 120 days after the record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting. If a quorum is present, a shareholder vote may be taken on one or more of the proposals properly brought before the Meeting prior to any adjournment if sufficient votes have been received and it is otherwise appropriate.

For purposes of determining the presence of a quorum for transacting business at a Meeting, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but which have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

The election of a Director at each Meeting will require that the successful candidate(s) receive a plurality of the votes cast at a Meeting in person or by proxy. Because abstentions and broker non-votes are not treated as shares voted, any abstentions and broker non-votes would have no impact on the elections.

Only shareholders or their duly appointed proxy holders can attend a Meeting and any adjournment or postponement thereof. To gain admittance, if you are a shareholder of record or a proxy holder of a shareholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our shareholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. If you are a beneficial owner and plan to vote at the Meeting, you should also bring a proxy card from your broker.

Each Board has fixed the close of business on February 6, 2015 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, each Meeting and at any adjournment or postponement thereof. Shareholders on the Record Date will be entitled to one vote for each share held.

Each Fund has one class of shares of capital stock, par value \$0.001 per share. Each share of a Fund is entitled to one vote at that Fund's Annual Meeting, and fractional shares are entitled to a proportionate share of one vote. On the Record Date, the following number of shares of each Fund were issued and outstanding:

ETF	9,764,732 common shares
ISL	4,055,049 common shares
CH	9,386,498 common shares
IF	9,485,247 common shares
LAQ	7,448,517 common shares

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meetings to be Held on Thursday, March 26, 2015. The Proxy Materials and each Fund's most recent annual report are available on the Internet at <http://www.aberdeen-asset.us/cef>. Each Fund will furnish, without charge, a copy of its most recent annual report, and any more recent reports, to any Fund shareholder upon request. To request a copy, please write to the Fund c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103, or call 1-866-839-5205. You may also call for information on how to obtain directions to be able to attend a Meeting and vote in person.

The Proposal - Election of Directors

Pursuant to each Fund's Articles of Incorporation, each Board is divided into three classes, each class having a term of three years. If elected, each Director is entitled to hold office until the Annual Meeting in the year noted below or until his successor is elected and qualifies. Each nominee has indicated an intention to serve if elected and has consented to being named in this Joint Proxy Statement. The nominees for election to the Boards of the Funds are as follows:

investment manager and/or investment adviser of the Funds, and may thus be deemed to be part of the same "Fund Complex."

** Effective November 11, 2011, Mr. Zagoreos was determined by the Board of Directors of ETF to be an interested director (as that term is defined in the 1940 Act) of ETF because of his nomination by, and employment with, an affiliate of a shareholder holding more than 25% of the voting securities of ETF.

Additional Information about the Board of Directors

Each Board believes that each Director's experience, qualifications, attributes and/or skills on an individual basis and in combination with those of the other Directors on the Board lead to the conclusion that each Director should serve on each respective Board. Each Board believes that each Director's ability to review critically, evaluate, question and discuss information provided to him; to interact effectively with Aberdeen Asset Managers Limited ("AAML") (the investment adviser to CH, ISL, LAQ and ETF), and Aberdeen Asset Management Asia Limited ("AAMAL") (the investment adviser to IF), as applicable, other service providers, counsel, and independent auditors; and to exercise effective business judgment in the performance of his duties, support this conclusion. Each Board has also considered the contributions that each Director can make to the specific Board and Fund.

A Director's ability to contribute effectively may have been attained through the Director's executive, business, consulting, and/or legal positions; experience from service as a Director of the Fund(s) and other funds/portfolios in the Aberdeen fund complex, other investment funds, public companies, non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Director: Mr. Arzac financial background as professor of finance and economics at a business school, fund leadership roles as chairman of the board of directors for certain funds within the Aberdeen complex, as well as board experience with other closed-end investment companies and public companies; Mr. Cattano business background and executive management and financial experience as president and CEO of a commodities trading company; Mr. Fox legal experience as a partner at a law firm and as a law professor; Mr. Rappaport investment management experience as partner at investment firms, accounting experience and other board experience; Mr. Torino business background and executive experience as president of commodities trading and logistics and transportation companies; and Mr. Zagoreos financial and business experience as senior adviser and managing director at a financial advisory and asset management firm.

Each Board believes that the significance to its Fund of each Director's experience, qualifications, attributes and/or skills is an individual matter (meaning that it may vary by individual and by Board) and that these factors are best evaluated at the Board level, with no particular factor being indicative of effectiveness. In addition, in its periodic self-assessment of its effectiveness, each Board considers the complementary individual skills and experience of the individual Directors in the broader context of the Board's overall composition to assess whether the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Fund. References to the experience, qualifications, attributes and/or skills of Directors are presented pursuant to disclosure requirements of the Securities and Exchange Commission ("SEC"), do not constitute holding out any Board or any Director as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on such Board by reason thereof.

Board and Committee Structure

Each Board of CH, ISL, IF and LAQ is comprised entirely of Directors who are not "interested persons" (as that term is defined in the Investment Company Act of 1940 ("1940 Act")) of the Fund, its investment adviser and/or its investment sub-adviser (each an "Independent Director," and collectively, the "Independent Directors"). The ETF Board is comprised of four Independent Directors and one Director who was determined by the Board to be an interested person (as that term is defined in the 1940 Act) of the Fund.

* "Interested Person" as defined in the 1940 Act

Each Board has appointed Mr. Arzac, an Independent Director, as Chairman. The Chairman presides at meetings of the Directors, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Directors and Fund management, and the investment adviser, as applicable, between Board meetings. Except for any duties specified herein, the designation of the Chairman does not impose on such Director any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the Board, generally. Each Board holds regular quarterly meetings throughout the year to consider and address matters involving its Fund. Each Board also may hold special meetings to address matters arising between regular meetings. The Independent Directors also meet outside the presence of management in executive session at least quarterly and have engaged separate, independent legal counsel to assist them in performing their oversight responsibilities.

Each Board has established a committee structure that includes an Audit and Valuation Committee, a Nominating Committee and a Cost Review Committee (each, a "Committee" and together, the "Committees") to assist the Board in the oversight and direction of the business affairs of the respective Fund, and from time to time may establish informal ad hoc committees or working groups to review and address the practices of the respective Fund with respect to specific matters. The Committee system facilitates the timely and efficient consideration of matters by the Directors, and facilitates effective oversight of compliance with legal and regulatory requirements and of each Fund's activities and associated risks. The standing Committees conduct an annual review of their charters, which includes a review of their responsibilities and operations.

The Committees of each Board and each Board as a whole also conduct an annual evaluation of its performance, including consideration of the effectiveness of the Board's Committee structure. Each Committee is comprised entirely of Independent Directors. Each Board believes that its leadership structure, including maintaining standing Committees and establishing ad hoc Committees or working groups as needed and having an Independent Director as Chairman, is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview. Each Board also believes that it allocates areas of responsibility among the Committees and the full Board in a manner that enhances efficient and effective oversight. Any Board may, at any time and in its discretion, change its leadership structure, including in response to changes in circumstances or characteristics of the Funds.

Each Audit and Valuation Committee consists of all the Independent Directors of the Fund, with the exception of Mr. Fox, all of whom are also "independent" as that term is interpreted under Rule 10A-3 of the "1934 Act and under the listing standards of the NYSE MKT LLC exchange (the "NYSE MKT"). Each of the Audit and Valuation Committees of CH, ISL, IF, and LAQ convened six times during the fiscal year ended December 31, 2014. The Audit and Valuation Committee of ETF convened five times during the fiscal year ended October 31, 2014. Mr. Cattano serves as Chair of each Audit and Valuation Committee and each Board has determined that Messrs. Arzac and Rappaport qualify as Audit Committee Financial Experts and are "financially sophisticated" as interpreted by the NYSE MKT. Each Fund's Audit and Valuation Committee advises its full Board with respect to accounting, auditing and financial matters affecting the Fund. Each Board has adopted an Audit and Valuation Committee Charter, the current copy of which was attached as Appendix A to the Joint Proxy Statement of the Funds for the 2014 Annual Meeting to Shareholders. The mission of each Audit and Valuation Committee is to oversee: (i) the accounting and financial reporting policies and practices for the Fund; (ii) its internal controls and, as appropriate, the internal controls of certain service providers; and (iii) the integrity, quality and objectivity of the Fund's financial statements and the independent audit thereof, including but not limited to, oversight of the independent auditor's qualifications and independence. Each Audit and Valuation Committee also oversees the activities of the pricing committee and performs the responsibilities assigned to the Audit and Valuation Committee in the "Valuation and Liquidity

Procedures." Each Audit and Valuation Committee also provides an open avenue of communication among the independent auditors, the internal accounting staff of the Fund's administrator and the Boards. In addition, each Audit and Valuation Committee has the duty to review in advance, and consider approval of, any and all proposals that the Fund, the investment adviser or any of their affiliated persons, employ the independent auditor to render certain non-audit services to the Fund and to consider whether such services are consistent with the independent auditor's independence. The function of each Audit and Valuation Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out a proper audit. The independent auditors are ultimately accountable to the Boards and the Audit and Valuation Committees, as representatives of the Funds' shareholders.

Each Nominating Committee is comprised of all of the Independent Directors of the Fund. The Nominating Committee of CH, ISL, IF and LAQ convened two times during the fiscal year ended December 31, 2014. ETF's Nominating Committee met two times during the fiscal year ended October 31, 2014. Mr. Arzac serves as Chair of each Fund's Nominating Committee. Each Fund's Nominating Committee assists the Board in its selection and nomination of Directors and the evaluation of the Board and its Committee structure. Each Board has adopted a Nominating Committee Charter, the current copy of which was attached as Appendix A to the Joint Proxy Statement of the Funds for the 2014 Annual Meeting to Shareholders. Each Nominating Committee has, among other items, the following powers and responsibilities: (1) the nomination of new Directors; (2) the evaluation of its Board and its committee structure; and (3) the periodic review of the tenure of the Directors, including any term limits, limits on the number of boards (or committees) on which a Director may sit and retirement age. Each Nominating Committee reports to the full Board with recommendations of any appropriate changes to its particular Board.

In nominating candidates, each Nominating Committee shall take into consideration such factors as it deems appropriate. These factors may include (but are not limited to): availability and commitment of the candidate, relevant industry and related experience, educational background, reputation, financial expertise, ability, judgment, expertise, overall diversity of the Board's composition, experience in fund governance and other business practices and actual or potential conflicts bearing on either the candidate's independence or the business of the Fund. Each Nominating Committee will consider potential director candidates, if any, recommended by shareholders, provided that the proposed candidates (i) satisfy any minimum qualifications of the Fund for its directors; (ii) are not "interested persons" (as defined in the 1940 Act) of the Fund, its investment adviser and its investment sub-adviser, if applicable; and (iii) are "independent" as defined in the NYSE MKT listing standards and any other exchange on which the Fund's shares are listed. When considering whether to add additional or substitute Directors to the Board of Directors of the Fund, the Directors take into account any proposals for candidates that are properly submitted to the Fund's Secretary. Shareholders wishing to present one or more candidates for Director for consideration may do so by submitting a signed written request to Megan Kennedy, Secretary of the Fund(s), 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103, which includes the following information: as to each individual proposed for election as Director, the name, age, business address, residence address and principal occupation or employment of such individual, the class, series and number of shares of stock of a Fund that are beneficially owned by such individual, the date such shares were acquired and the investment intent of such acquisition, whether such shareholder believes such individual is, or is not, an "interested person" of a Fund (as defined in the 1940 Act), and information regarding such individual that is sufficient, in the discretion of the Nominating Committee, to make such determination, and all other information relating to such individual that is required to be disclosed in a solicitation of proxies for election of Directors in an election contest (even if an election contest is not involved) or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the 1934 Act, and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a Director (if elected)). In the case of any Fund holding a meeting of shareholders, any such

submission, in order to be considered for inclusion in the Fund's proxy statement, should be submitted by a date not later than 45 days before the date in the then current year corresponding to the date on which the Fund first mailed its notice and proxy materials for the annual meeting held in the prior year; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the preceding year's annual meeting, notice by such shareholder must be so received not later than the close of business on the 10th day following the day on which public announcement of the date of such meeting was given or made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a shareholder's notice as described above. Any such submission must also be submitted by such date and contain such information as may be specified in a Fund's Bylaws, or as required by any relevant stock exchange listing standards.

The Cost Review Committees are comprised of Mr. Cattano (CH, ETF, ISL, IF, LAQ), Mr. Rappaport (CH, ETF, ISL, IF, LAQ) and Mr. Torino (CH, ETF, LAQ). The Cost Review Committee of CH, ISL, IF and LAQ convened one time during the fiscal year ended December 31, 2014. ETF's Cost Review Committee met one time during the fiscal year ended October 31, 2014. Mr. Cattano serves as Chair of each Fund's Cost Review Committee. Each Cost Review Committee reviews on an ongoing basis the fees and expenses incurred by each Fund, to ensure that such expenses are commensurate with the services provided.

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational and valuation risks. Risk oversight forms part of a Board's general oversight of a Fund and is addressed as part of various Board and Committee activities. Each Board has adopted, and periodically reviews, policies and procedures designed to address risks. Different processes, procedures and controls are employed with respect to different types of risks. Day-to-day risk management functions are subsumed within the responsibilities of the Fund's investment adviser, who carries out the Fund's investment management and business affairs, and also by the Fund's investment sub-adviser, as applicable, and other service providers in connection with the services they provide to the Fund. Each of AAML, AAMAL, and other service providers have their own independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. As part of its regular oversight of a Fund, each Board, directly and/or through a Committee, interacts with and reviews reports from, among others, the investment adviser, the investment sub-adviser and the Fund's other service providers, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm, legal counsel to the Fund, and internal auditors, as appropriate, relating to the operations of the Fund. Each Board also requires the investment adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis. Each Board recognizes that it may not be possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. Any Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Other Board-Related Matters

Shareholders who wish to send communications to the Boards should send them to the address of the relevant Fund and to the attention of that Board, c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103. All such communications will be directed to the appropriate Board's attention.

The Funds do not have a formal policy regarding Board member attendance at the Annual Meetings of Shareholders. Enrique R. Arzac, Chairman of the Funds, attended the 2014 Annual Meeting of Shareholders telephonically for all Funds.

REPORTS OF THE AUDIT AND VALUATION COMMITTEES

The Audit and Valuation Committee of ETF met with the Fund's management to discuss, among other things, the Fund's audited financial statements for the fiscal year ended October 31, 2014. The Audit and Valuation Committees of each CH, ISL, IF and LAQ will meet with the applicable Fund's management to discuss, among other things, each Fund's audited financial statements for the fiscal year ended December 31, 2014, sometime in late February 2015. Each Audit and Valuation Committee has also met with the Funds' independent registered public accounting firm, PricewaterhouseCoopers LLP ("PwC"), and discussed with PwC certain matters required by Statement of Auditing Standards No. 61, COMMUNICATIONS WITH AUDIT COMMITTEES, as currently modified or supplemented, including, but not limited to, the scope of that Fund's audit, that Fund's financial statements and that Fund's accounting controls. Each Audit and Valuation Committee has received from PwC the letter required by the independence rules of the SEC describing any relationships between PwC and the applicable Fund, the applicable investment adviser and its affiliates that may be thought to bear upon the independence of the independent registered public accounting firm. Each Audit and Valuation Committee has considered whether the provision of non-audit services that were rendered the Fund's investment adviser or sub-adviser, if applicable, and any entity controlling, controlled by, or under common control with these entities that provides ongoing services to the relevant Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining PwC's independence and has concluded that it is.

The members of the Audit and Valuation Committees are not professionally engaged in the practice of auditing or accounting and are not employed by a Fund for accounting, financial management or internal control. Moreover, each Audit and Valuation Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, an Audit and Valuation Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit and Valuation Committees' considerations and discussions referred to above do not provide assurance that the audit of a Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based upon review and discussions, the Audit and Valuation Committee of ETF recommended to the Board that the Fund's audited financial statements be included in the Fund's 2014 Annual Report to Shareholders for the fiscal year ended October 31, 2014. The Audit and Valuation Committees for CH, ISL, IF and LAQ are currently reviewing the audited financial statements for inclusion in the Fund's 2014 Annual Report to Shareholders for the fiscal year ended December 31, 2014. Each Audit and Valuation Committee consists of all the Independent Directors of the applicable Fund, with the exception of Mr. Fox.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At meetings held on December 9, 2014, each Fund's Audit and Valuation Committee approved the selection of PwC for the fiscal year ending December 31, 2015 for CH, ISL, LAQ and IF, and for the fiscal year ending October 31, 2015 for ETF. PwC has been each Fund's independent registered public accounting firm since each Fund commenced operations, and has informed each Fund that it has no direct or material indirect financial interest in that Fund. A representative of PwC will be available by telephone at the Meetings and will have the opportunity to make a statement, if the representative so desires, and will be available to respond to appropriate questions.

The information in the table below is provided for services, all approved by the Audit and Valuation Committee, rendered to CH, ISL, LAQ and IF by PwC for its fiscal years ended December 31, 2014 and December 31, 2013, and to ETF for its fiscal years ended October 31, 2014 and October 31, 2013.

(1) Services include tax services in connection with each Fund's excise tax calculations and review of the Fund's applicable tax returns.

(2) Services include local government review and repatriation processes.

Each Audit and Valuation Committee is responsible for pre-approving (i) all audit and permissible non-audit services to be provided by the independent registered public accounting firm to each Fund and (ii) all permissible non-audit services to be provided by the independent registered public accounting firm to AAML for CH, ISL, ETF and LAQ, or to AAMAL for IF, and any service provider to a Fund controlling, controlled by or under common control with AAML or AAMAL that provided ongoing services to the Fund ("Covered Service Provider"), if the engagement relates directly to the operations and financial reporting of the Fund. Each Audit and Valuation Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chair of the Audit and Valuation Committee, and the Chair shall report to the Audit and Valuation Committee, at its next regularly scheduled meeting after the Chair's pre-approval of such services, his or her decision(s). Each Audit and Valuation Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit and Valuation Committee's pre-approval responsibilities to other persons (other than AAML, AAMAL or a Fund's officers). Pre-approval by an Audit and Valuation Committee of any permissible non-audit services shall not be required so long as: (i) the aggregate amount of all such permissible non-audit services provided to a Fund, AAML, AAMAL and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit and Valuation Committee and approved by the Audit and Valuation Committee (or its delegate(s)) prior to the completion of the audit.

All of the services described in the table above were pre-approved by the relevant Audit and Valuation Committee. ADDITIONAL INFORMATION

Expenses

The expense of preparation, printing and mailing of the enclosed proxy card and accompanying Notice and Joint Proxy Statement will be borne proportionately by each Fund. Each Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of that Fund. In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. Such solicitation may be conducted by, among others, officers, Directors and employees of the Funds, AAML, AAMAL or the Funds' administrator.

AST Fund Solutions, LLC has been retained to assist in the solicitation of proxies and will receive a fee not to exceed \$3,500 per Fund and be reimbursed for its reasonable expenses. Total payments for the Funds to AST Fund Solutions, LLC are expected to be between approximately \$1,850 and \$2,250 per Fund.

Solicitation and Voting of Proxies

Solicitation of proxies is being made primarily by the mailing of this Joint Proxy Statement with its enclosures on or about February 13, 2015. As mentioned above, AST Fund Solutions, LLC has been engaged to assist in the solicitation of proxies. As the meeting date approaches, certain shareholders of a Fund may receive a call from a representative of AST Fund Solutions, LLC, if the Fund has not yet received their vote. Authorization to permit AST Fund Solutions, LLC to execute proxies may be obtained by telephonic instructions from shareholders of a Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that management of each of CH, ISL, ETF, LAQ and IF believes are reasonably designed to ensure that the identity of the shareholder casting the vote is accurately determined and that the voting instructions of the shareholder are accurately determined.

SHAREHOLDER PROPOSALS

Notice is hereby given that for a shareholder proposal to be considered for inclusion in any Fund's proxy material relating to its 2016 annual meeting of shareholders, the shareholder proposal must be received by that Fund no earlier than September 17, 2015 and no later than October 16, 2015. The shareholder proposal, including any accompanying supporting statement, may not exceed 500 words. A shareholder desiring to submit a proposal must be a record or beneficial owner of shares with a market value of \$2,000 and must have held such shares for at least one year. Further, the shareholder must continue to hold such shares through the date on which the meeting is held. Documentary support regarding the foregoing must be provided along with the proposal. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal is

referred to Rule 14a-8 promulgated under the 1934 Act. The timely submission of a proposal does not guarantee its inclusion in a Fund's proxy materials.

Pursuant to the Bylaws of each Fund, at any annual meeting of the shareholders, only such business will be conducted as has been properly brought before the annual meeting. To be properly brought before the annual meeting, the business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board, (ii) otherwise properly brought before the meeting by or at the direction of the Board, or (iii) otherwise properly brought before the meeting by a shareholder. Under Maryland law, and pursuant to each Fund's Bylaws, only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Fund's notice of special meeting.

For business to be properly brought before the annual meeting by a shareholder, the shareholder must have given timely notice thereof in writing to the Secretary of the relevant Fund. Such notice must contain the information required by the Bylaws. To be timely, any such notice must be delivered to, or mailed (certified mail being recommended) to and received by, the relevant Fund c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103 not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the first anniversary of the date on which the Fund first mailed its notice and proxy materials for the annual meeting held in the prior year; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the preceding year's annual meeting, notice by such shareholder to be timely must be so received not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the date of such meeting or the 10th day following the day on which public announcement of the date of such meeting was given or made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a shareholder's notice as described above.

A Fund may exercise discretionary voting authority with respect to any shareholder proposals for the 2015 annual meeting of shareholders not included in the proxy statement and form of proxy which are not submitted to the Fund within the time-frame indicated above. Even if timely notice is received, a Fund may exercise discretionary voting authority in certain other circumstances. Discretionary voting authority is the ability to vote proxies that shareholders have executed and returned to a Fund on matters not specifically reflected on the form of proxy.

SHAREHOLDERS WHO DO NOT EXPECT TO BE PRESENT AT THE MEETINGS AND WHO WISH TO HAVE THEIR SHARES VOTED ARE REQUESTED TO DATE AND SIGN THE ENCLOSED PROXY CARD(S) AND RETURN THEM IN THE ENCLOSED ENVELOPE. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

Delivery of Proxy
