**ITEM 1.01 Entry Into a Material Definitive Agreement**

On April 10, 2015, Boston Scientific Corporation (the "Company") entered into a \$2,000,000,000 senior unsecured credit facility, by and among the Company, as Borrower, the several lenders party thereto, Bank of America, N.A., as Syndication Agent and JPMorgan Chase Bank, N.A., as Administrative Agent (the "2015 Credit Agreement"). The 2015 Credit Agreement refinances the Company's prior credit agreement, dated as of April 18, 2012, by and among the Company, as Borrower, the several lenders party thereto, Bank of America, N.A., as Syndication Agent and JPMorgan Chase Bank, N.A., as Administrative Agent (the "2012 Facility"). The Company may borrow from time to time up to \$2,000,000,000 in revolving credit loans under the 2015 Credit Agreement. The 2015 Credit Agreement matures on April 10, 2020, with one-year extension options subject to certain conditions, including certain lender approvals. Loans under the 2015 Credit Agreement will bear interest at the Company's option at either LIBOR or ABR plus an interest margin. ABR is the greatest of the (a) Prime Rate, (b) the Federal Funds Effective Rate plus ½ of 1 percent per annum and (c) one month LIBOR plus 1 percent per annum. The applicable interest margin will be based on the Company's long-term, senior unsecured corporate credit ratings from Fitch Ratings Ltd., Moody's Investors Service, Inc., and Standard & Poor's Ratings Services and the Company's Consolidated Leverage Ratio (as defined in the 2015 Credit Agreement). Based on the Company's current credit ratings and Consolidated Leverage Ratio, any Eurodollar Loans and Multicurrency Loans under the 2015 Credit Agreement bear interest at LIBOR plus 1.300 percent (compared to LIBOR plus 1.275 percent under the 2012 Facility), and any ABR Loans under the 2015 Credit Agreement bear interest at ABR plus 0.300 percent (compared to ABR plus 0.275 percent under the 2012 Facility). In addition, the Company will pay a facility fee of 0.200 percent per year (compared to 0.225 percent per year under the 2012 Facility), based on the Company's credit ratings, Consolidated Leverage Ratio and the total amount of revolving credit commitments (generally irrespective of usage) under the 2015 Credit Agreement. The 2015 Credit Agreement contains covenants which, among other things, require that the Company maintain a minimum interest coverage ratio of 3.0x and a maximum leverage ratio of 4.5x for the first four fiscal quarter-ends following the closing of the Company's proposed acquisition of the American Medical Systems urology portfolio (the "Acquisition"), and decreasing to 4.25x, 4.0x, and 3.75x for the next three fiscal quarter-ends after such four fiscal quarter-ends, respectively, and then to 3.5x for each fiscal quarter-end thereafter. The ratios are calculated based on earnings before interest, taxes, depreciation and amortization, as adjusted pursuant to the 2015 Credit Agreement ("Consolidated EBITDA"). The Company is permitted to exclude from Consolidated EBITDA any Non-Cash Charges (as defined in the 2015 Credit Agreement) and any Cash Litigation Payments (as defined in the 2015 Credit Agreement), and will be permitted to exclude from Consolidated Total Debt (as defined in the 2015 Credit Agreement) any new debt issued to fund any tax deficiency payments, provided that the sum of any excluded Cash Litigation Payments and any new debt issued to fund any tax deficiency payments shall not exceed \$2,000,000,000 in the aggregate. In addition, the Company may exclude from Consolidated EBITDA any cash and non-cash charges with respect to restructurings, plant closings, staff reductions, distributor network optimization initiatives, distribution technology optimization initiatives or other similar charges, provided that the aggregate amount of all such charges shall not exceed \$620,000,000.

A copy of the 2015 Credit Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the 2015 Credit Agreement is qualified in its entirety by reference to the full text of the Credit Agreement.

**\$750 Million Term Loan Facility and \$250 Million Revolving Credit Facility**

On April 10, 2015, the Company entered into a \$750,000,000 unsecured term loan credit facility (the *New Term Loan Facility*), by and among the Company, as Borrower, the several lenders party thereto, Bank of America, N.A., as Syndication Agent, and JPMorgan Chase Bank, N.A., as Administrative Agent. This *New Term Loan Facility* matures on April 10, 2020 and will be used to fund the Acquisition, including the payment of fees and expenses. The Acquisition is expected to close before the end of the third quarter of 2015, subject to receipt of applicable regulatory clearances and satisfaction of other customary conditions. The *New Term Loan Facility* will only be funded if the Acquisition closes. On the same day, the Company also entered into a \$250,000,000 unsecured revolving credit facility, by and among the Company, as Borrower, and JPMorgan Chase Bank, N.A., as Administrative Agent (the *New Revolving Facility* and together with the *New Term Loan Facility*, the *Additional Credit Agreements*). The *New Revolving Facility* will be used to finance working capital and for the general corporate needs of the Company and its subsidiaries, including but not limited to acquisitions and will mature on October 13, 2015. Commitment amounts under the *New Revolving Facility* may be reduced by certain debt and equity issuances occurring prior to the maturity date.

The *New Term Loan Facility* requires quarterly principal payments in the amount of 5% of the aggregate initial principal commencing on the first fiscal quarter ended after the date which is the second anniversary of the Acquisition closing date. Loans under the *Additional Credit Agreements* will each bear interest at the Company's option at either LIBOR or ABR plus an interest margin. The applicable interest margin will be based on the Company's long-term, senior unsecured, corporate credit ratings from Fitch Ratings, Moody's Investor Service Inc., and Standard & Poor's Rating Services and the Company's Consolidated Leverage Ratio (as defined in the *Additional Credit Agreements*, respectively). Based on the Company's current credit ratings and Consolidated Leverage Ratio, (i) any borrowings under the *New Term Loan Facility* bear interest at LIBOR plus 1.500 percent or ABR plus 0.500 percent and an undrawn fee of 0.200 percent per year that accrues from 60 days after the closing date through the date of funding under the *New Term Loan Facility*, and (ii) any borrowings under the *New Revolving Facility* bear interest at LIBOR plus 1.325 percent or ABR plus 0.325 percent. The Company will pay a facility fee on the *New Revolving Facility* of 0.175 percent per year, based on the Company's credit ratings. In addition, the Company is required to pay certain other fees under the *Additional Credit Agreements* based on the Company's credit ratings and Consolidated Leverage Ratio.

The *Additional Credit Agreements* contain covenants which, among other things, require that the Company maintain a minimum interest coverage ratio and a maximum leverage ratio substantially similar to the ratios in the 2015 Credit Facility.
