SUPPLEMENTAL INFORMATION

Recent Developments

On July 15, 2016, we issued a press release announcing results for the second quarter ended June 30, 2016. Further information relating to our financial results for the second quarter ended June 30, 2016 is contained in the filed portion of our Current Report on Form 8-K dated July 15, 2016, which is incorporated herein by reference.

Supplemental Information Concerning The Notes

The following supplemental information concerning the Notes is intended to be read in conjunction with the statements under Description of Notes in the accompanying prospectus supplement, which the following information supplements and, if there are any inconsistencies, supersedes. The following supplemental information is only applicable to the Notes being offered hereby.

Waiver and Termination of Rights with Respect to U.S. Bancorp Replacement Capital Covenants

The Company has entered into several transactions involving the issuance of capital securities (Capital Securities) by certain Delaware statutory trusts formed by the Company (the Trusts), the issuance by the Company of preferred stock (Preferred Stock) or the issuance by an indirect subsidiary of U.S. Bank National Association of preferred stock exchangeable for the Company's Preferred Stock under certain circumstances (Exchangeable Preferred Stock). Simultaneously with the closing of each of those transactions, the Company entered into a replacement capital covenant, as amended from time to time (as amended, each a Replacement Capital Covenant and collectively, the Replacement Capital Covenants), for the benefit of persons that buy, hold or sell a specified series of long-term indebtedness of the Company or U.S. Bank National Association (the Covered Debt). Each of the Replacement Capital Covenants provides that neither the Company nor any of its subsidiaries (including any of the Trusts) will repay, redeem or purchase any of the Preferred Stock, Exchangeable Preferred Stock or the Capital Securities and the securities held by the Trust (the Other Securities), as applicable, on or before the date specified in the applicable Replacement Capital Covenant, unless (a) the Company has received proceeds from the sale of qualifying securities that have equity-like characteristics that are the same as, or more equity-like than, the applicable characteristics of the Preferred Stock, the Exchangeable Preferred Stock, the Capital Securities or Other Securities, as applicable, at the time of repayment, redemption or purchase, and (b) the Company has obtained the prior approval of the Federal Reserve System, if such approval is then required by the Federal Reserve System or, in the case of the Exchangeable Preferred Stock, the approval of the Office of the Comptroller of the Currency.

Additional information regarding the closing date for each transaction, issuer, series of Capital Securities, Preferred Stock or Exchangeable Preferred Stock issued in the relevant transaction, Other Securities, if any, and the applicable Covered Debt for those securities that remain outstanding and have a Replacement Capital Covenant is set forth under the heading Capital Covenants in the Company's annual report on Form 10-K for the year ended December 31, 2015 (2015 Form 10-K), which is incorporated herein by reference.

Currently, the Company's 7.50% Subordinated Debentures due 2026 (CUSIP No. 911596AL8) and 1.95% Medium-Term Notes, Series T, due 2018 (CUSIP No. 91159HHE3) have been designated as Covered Debt for those securities that remain outstanding and have a Replacement Capital Covenant, as identified in the Company's 2015 Form 10-K.

Edgar Filing: US BANCORP \DE\ - Form 424B2

In the event that we elect to redeem or repurchase the securities that serve as a Covered Debt, either in full or in part and, as a result thereof, the principal amount thereof is reduced below a specified threshold, or upon the date that is two years prior to the final maturity date of such Covered Debt, we are required to identify another series of eligible debt to serve as the Covered Debt entitled to the benefits of the applicable Replacement Capital Covenant. The Notes being offered hereby would qualify as a Covered Debt if we designate them as such and, therefore, if we redeem or repurchase the securities that serve as a Covered Debt, or upon such date that is two years prior to the final maturity date of such Covered Debt, we may thereafter designate the Notes as the Covered Debt for the respective Replacement Capital Covenant to which they relate. If we designate the Notes as a Covered Debt, we expect that we would thereafter terminate the applicable Replacement Capital Covenant in accordance with the terms of the Notes as described below.

PS-2

The Notes will provide that, in the event they are designated as a Covered Debt for any of the Replacement Capital Covenants, each purchaser of the Notes, for itself and any and all successors and assigns, waives all rights under, and irrevocably authorizes us to terminate, without further action by or payment to any holders of the Notes, the applicable Replacement Capital Covenant. This feature of the Notes will effectively allow us to unilaterally terminate the applicable Replacement Capital Covenant, if we so choose, in the event the Notes are designated as a Covered Debt. This will provide us with flexibility, if and when we repay, redeem or repurchase the securities that serve as a Covered Debt, to redeem the Preferred Stock, the Exchangeable Preferred Stock, the Capital Securities or Other Securities, as applicable, without issuing qualifying securities under the applicable Replacement Capital Covenant.

By purchasing the Notes, an investor shall be deemed to have waived, for itself and any and all successors and assigns, all rights with respect to, and to have irrevocably authorized us to terminate, any applicable Replacement Capital Covenant upon such Notes becoming the corresponding Covered Debt as described above.

Any resale of the Notes must be made in accordance with an exemption from, or in a transaction not subject to, the

prospectus requirements of applicable securities laws.

The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for particulars of these rights or consult with a legal advisor.

Pursuant to Section 3A.3 of National Instrument 33-105 Underwriting Conflicts (NI 33-105), the underwriters are not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with this offering.
