Item 1.01 Entry into a Material Definitive Agreement.

Previously, Support.com, Inc. (“Company”) and Comcast Cable Communications Management, LLC. (“Comcast”) entered into Statement of Work #1, effective October 1, 2013 (“SOW#1”) to the Master Services Agreement, Call Handling Services, effective October 1, 2013 (the “Agreement”), under which SOW#1 the Company provides to customers of Comcast high speed Internet and wireless gateway offerings, certain sales and customer support services, and which further provides for the training of the Company’s technology specialists in the performance of such services, at specified productive and training hourly rates.

On September 30, 2014, the Company received fully executed copies of two “Change Management Forms” between Comcast and Company, using the template format attached as Exhibit B to the Agreement for managing changes to statements of work thereunder. The Change Management Forms reflect the following changes under SOW#1: (i) under Change Management Form #4, dated September 17, 2014, the parties, for an interim two (2) month period, increased the quantity of hours allotted to the training of the Company’s technology specialists; and (ii) under Change Management Form #5, dated September 18, 2014, the parties clarified the description of the initial performance of services by newly trained technology specialists who are supervised for quality assurance purposes (referred to therein as “nesting”), in order to further distinguish between the different hourly rates payable under SOW#1 for training and productive activities.

The foregoing descriptions of Change Management Form #4 and Change Management Form #5 are qualified in their entirety by reference to the actual documents, which are attached as exhibits hereto and are incorporated by reference herein.
