PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

This Registration Statement on Form S-8 is filed by Ninetowns Internet Technology Group Company Limited, or the Registrant, with the Securities and Exchange Commission, or the Commission, pursuant to General Instruction E to Form S-8 Registration Statement under the Securities Act of 1933, as amended, or Securities Act, to register an additional 2,500,000 ordinary shares of the Registrant, HK\$0.025 per share, or the Ordinary Shares, that may be offered and sold to participants under the Registrant's Amended and Restated 2004 Share Option Plan, or the Option Plan. On October 21, 2005, the board of directors of the Registrant approved the Option Plan which amends and restates the 2004 Share Option Plan. A total of 1,800,000 Ordinary Shares issuable under the 2004 Share Option Plan have been previously registered pursuant to the Registrant's Registration Statement on Form S-8 filed with the Commission on January 19, 2005 (File No. 333-122138), and the information contained therein is hereby incorporated by reference.

This Registration Statement is also filed by the Registrant with the Commission to register 2,800,000 Ordinary Shares that may be offered and sold to participants under the Registrant's 2006 Share Incentive Plan, or the Incentive Plan. On October 21, 2005, the board of directors of the Registrant approved the Incentive Plan. The Incentive Plan includes the ability to grant stock options, share appreciation rights, restricted and unrestricted shares and performance awards, or collectively, the Awards. The Incentive Plan also provides for the grant of incentive share options, within the meaning of Section 422 of the Internal Revenue Code, to the employees and employees of the affiliates and subsidiaries of the Registrant. The board of directors of the Registrant or a committee appointed by the board of directors of the Registrant, or the Administrator, administers the Incentive Plan. The Administrator has the power to determine the terms of the share options, including the exercise price, the number of shares subject to each such award and the circumstances for vesting.

The Administrator determines the exercise price of options granted under the Incentive Plan, but with respect to incentive share options, the exercise price must be equal to at least 100% of the fair market value of the Ordinary Shares on the date of grant. The term of an incentive share option may not exceed ten year from the grant date, except that no participant may receive awards during the life of the Incentive Plan that relate to more than 30% of the maximum number of shares that may be issued pursuant to awards.

After termination of employment of an employee, director or consultant, he or she may exercise his option for the period of time stated in the option agreement. Generally, (a) if termination is due to death or disability, the option will remain exercisable for one year following such termination; (b) if termination is due to retirement, the option will remain exercisable for six months following such termination; and (c) if termination is for cause, the option will be forfeited immediately. In all other cases, the option will generally remain exercisable for 30 days following such termination. However, an option generally may not be exercised after the expiration of its term.

The Incentive Plan generally does not allow for the transfer of options and only the recipient of an option may exercise an award during his or her lifetime. The Incentive Plan generally provides that in the event of a "change in control" involving the Registrant, the Administrator may arrange for the successor corporation to assume or substitute an equivalent award for each outstanding option. The Administrator may in the alternative pay cash or other consideration in exchange for cancellation of the outstanding options. The Incentive Plan will automatically terminate in 2015, unless the Registrant terminates it sooner. In addition, the board of directors of the Registrant has the authority to amend, alter, suspend, discontinue or terminate the Incentive Plan, provided such action does not impair the rights of any participant.

The documents containing the information specified in Part I of Form S-8 (plan information and registrant information) will be sent or given as specified by Securities and Exchange Commission Rule 428(b)(1). Such documents need not be filed with the Commission either as part of this Registration Statement or as prospectuses or prospectus supplements pursuant to Rule 424. These documents and the documents incorporated by reference in this Registration Statement pursuant to Part II, Item 3 of Form S-8, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

Item 9. Undertakings

The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement;

(2) that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as the indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the Registrant will, unless in the opinion of its counsel the matter has already been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
