**Delivery of technical and commercial proposals for the construction of the hull/topsides/andintegration of platforms P-51 and P-52**

---

(Rio de Janeiro, May 12, 2003). PETROLEO BRASILEIRO S.A Petrobras, (BOVESPA: PETR3 / PETR4, NYSE: PBR / PBRA, LATIBEX: XPBR / XPBRA), Brazil s largest oil and gas, petrochemicals and energy company, announces that today, May 12, 2003, the first phase in the construction of the hull/topsides/ integration of platforms P-51 and P-52 was begun with the delivery of the technical and commercial proposals.

The following companies delivered proposals:

- Dragados/Andrade Gutierrez/Camargo Correa/Techint/Promon;
- Fels/Setal/Technip;
- Odebrecht/Saipem;
- Aker/Kvaerner;
- Samsung; and
- Marítima, based on a court order, still sub-judice .

Given the large amount of documentation, up to 6:30 p.m., the process of receiving the proposals of the first three names on the above list had been concluded. Tomorrow, May 13, 2003, as from 10:00 a.m., the work on receiving the remaining proposals will proceed.

The Company has already received the proposals for the two units electric power and gas compression facilities on April 7 and 24, 2003, respectively. These are now being analyzed from the technical point of view, the opening of the respective commercial proposals of the three tender bids being expected to take place in June.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
