**ABLEAUCTIONS ANNOUNCES STRONG 4<sup>TH</sup> QUARTER REVENUE & INCOME TO POSITIVELY  
IMPACT 2003 RESULTS**

FIFE, WASHINGTON December 8, 2003 Ableauctions.com Inc. (AMEX:AAC) (the Company ) announced today that it expects fourth quarter revenues to increase by approximately 25% from the previous quarter and net income to increase by approximately 50% from the previous quarter, exceeding management's expectations.

The increase in revenues is attributed to strong auction activity in the fourth quarter and a consolidation of the results of operations from the Company's acquisition of Rapidfusion Technologies Inc. on September 1, 2003. The increase in net income is attributed to growth of the Company's business, increased operating efficiency and gains realized on investments and currency exchange.

The Company believes that increased transparency is the cornerstone of maintaining investor trust. It will continue to update its shareholders with information on its earnings, value drivers, strategic initiatives and those factors critical to understanding its business and operating environment.

The Company plans to file its annual report on Form 10-KSB on March 29, 2004 at the market open.
