PURPOSE OF FILING THIS AMENDMENT NO. 1

Platinum Group Metals Ltd. (the Registrant or the Company) is filing this Amendment No. 1 to Form 40-F to:

revise clerical errors on the cover page of the Registrant's previously filed Form 40-F;

restate in the body of this Form 40-F the disclosure under Disclosure Controls and Procedures and Changes In Internal Control Over Financial Reporting, although please note that the substance of the disclosure remains the same; and

refile the Registrant's audited consolidated financial statements for the years ended August 31, 2008, 2007 and 2006, to include the correct report of the Company's former auditor, Deloitte and Touche LLP due to the fact that an incorrect version of the report had been inadvertently included in the original Form 40-F.

Other than as expressly set forth above, this Amendment No. 1 does not, and does not purport to, update or restate the information in any Item of the Annual Report on Form 40-F or reflect any events that have occurred after the Form 40-F was initially filed.

FORWARD LOOKING STATEMENTS

This report contains forward-looking statements concerning anticipated developments in the operations of the Company in future periods, planned exploration and development activities, the adequacy of the Company's financial resources and other events or conditions that may occur in the future. The Company's forward-looking statements are based on the beliefs, expectations and opinions of management on the date the statements are made and the Company assumes no obligation to update such forward-looking statements in the future. For the reasons set forth above, investors should not place undue reliance on forward-looking statements.

Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate, to allow timely decisions regarding required disclosure.
