PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON SEPTEMBER 2, 2008

This proxy statement (the "Proxy Statement") is being furnished to stockholders (the "Stockholders") in connection with the solicitation of proxies by the Board of Directors of Rick's Cabaret International, Inc., a Texas corporation (the "Company") for their use at the Annual Meeting (the "Annual Meeting") of Stockholders of the Company to be held at 410 N. We have elected to furnish proxy materials and our Fiscal 2007 Annual Report on Form 10-KSB ("Annual Report") to many of our stockholders over the Internet pursuant to new Securities and Exchange Commission rules, which should allow us to reduce costs. On or about July 21, 2008, we began mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our Proxy Statement and Annual Report and how to vote online. All stockholders who have previously expressed a specific request to receive paper copies of proxy materials will receive a copy of the Proxy Statement and Annual Report by mail beginning on or about July 25, 2008. The Notice also contains instructions on how you can elect to receive a printed copy of the Proxy Statement and Annual Report, if you only received a Notice by mail. The proxy statement, annual report to security holders for the year ended September 30, 2007 and the proxy card are available at www.amstock.com/proxyservices/requestmaterials.asp. The cost of solicitation of proxies is being borne by the Company.

As of June 27, 2008, there were 8,825,447 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock on the record date is necessary to constitute a quorum at the Annual Meeting. Each share is entitled to one vote on all issues requiring a Stockholder vote at the Annual Meeting. Each nominee for Director named in Proposal Number 1 must receive a majority of the votes cast in person or by proxy in order to be elected. Stockholders may not cumulate their votes for the election of Directors. The affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required for the ratification of Number 2 set forth in the accompanying Notice.

All shares represented by properly executed proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted (i) FOR THE ELECTION OF THE NOMINEES NAMED HEREIN, (ii) FOR THE APPROVAL OF AN AMENDMENT TO THE ARTICLES OF INCORPORATION INCREASING THE AUTHORIZED COMMON STOCK OF THE COMPANY FROM 15,000,000 to 20,000,000, AND (iii) FOR THE RATIFICATION OF WHITLEY PENN AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2008. The Board of Directors is not aware of any other matters to be presented for action at the Annual Meeting. However, if any other matter is properly presented at the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matters.

The enclosed Proxy, even though executed and returned, may be revoked at any time prior to the voting of the Proxy (a) by execution and submission of a revised proxy, (b) by written notice to the Secretary of the Company, or (c) by voting in person at the Annual Meeting.

RELATED TRANSACTIONS

Our Board of Directors has adopted a policy that our business affairs will be conducted in all respects by standards applicable to publicly held corporations and that we will not enter into any future transactions and/or loans between us and our officers, directors and 5% shareholders unless the terms are no less favorable than could be obtained from independent, third parties and will be approved by a majority of our independent and disinterested directors. In our view, all of the transactions described below meet this standard.

In May 2002, we loaned \$100,000 to Eric Langan who is our Chief Executive Officer. The promissory note is unsecured, bears interest at 11% and is amortized over a period of ten years. The note contains a provision that in the event Mr. Langan leaves the Company for any reason, the note immediately becomes due and payable in full. The balance of the note was \$60,943 at September 30, 2007 and is included in other assets in our consolidated balance sheet. In November 2007, Mr. Langan paid the note in full.

On July 22, 2005, we issued a Secured Convertible Debenture to Ralph McElroy, a greater than 10% shareholder, for the principal sum of \$660,000. The debenture matures on August 1, 2009 and bears interest at a rate of 12% per annum. Under the terms of the Debenture, we were required to make monthly interest payments beginning September 1, 2005. We have the right to redeem the Debenture in whole or in part at any time during the term of the Debenture. The Estate of Mr. McElroy has the option to convert all or any portion of the principal amount of the Debenture into shares of our common stock at a rate of \$3.00 per share, subject to adjustment under certain conditions, until August 1, 2008. The Debenture provides, absent shareholder approval, that the number of shares of our common stock that may be issued by us or acquired by the Estate of Mr. McElroy upon conversion of the Debenture shall not exceed 19.99% of the total number of issued and outstanding shares of our common stock. The Debenture is secured by certain of our assets. Additionally, we issued Mr. McElroy warrants to purchase 50,000 shares of our common stock at an exercise price of \$3.00 per share until July 22, 2008. The shares of Common Stock underlying the principal amount of the Debenture and the Warrants had piggyback registration rights and became registered with the SEC on September 1, 2005. Mr. McElroy passed away in June 2007 and his estate is currently under settlement.

On April 28, 2006, we entered into convertible debentures with three shareholders, one of which is a greater than 10% shareholder, for a principal sum of \$825,000. The debentures mature April 30, 2009 and bear interest at a rate of 12% per annum. At the election of the holders, the holders have the right to convert (subject to certain limitations) until April 30, 2008, all or any portion of the principal amount of the debentures into shares of our common stock at a rate of \$6.55 per share, which approximates the closing price of our stock on April 28, 2006. The proceeds of the debentures were used for the acquisition Joint Ventures, Inc. In April 2008, the holders of the debentures converted the debentures into an aggregate of 125,955 shares of our common stock.

On November 9, 2006, we entered into convertible debentures with three shareholders for a principal sum of \$600,000. The debentures bear interest at the rate of 12% per annum and mature on November 9, 2008. At the election of the holders, the holders have the right to convert (subject to certain limitations) all or any portion of the principal amount of the debentures into shares of our common stock at a rate of \$7.50 per share, which was higher than the closing price of our stock on November 9, 2006. The debentures provide, absent shareholder approval, that the number of shares of our common stock that may be issued by us or acquired by the holders upon conversion of the debentures shall not exceed 19.99% of the total number of issued and outstanding shares of our common stock. The proceeds of the debentures were used for the acquisition of a 51% ownership interest of Playmates Gentlemen's Club, LLC.

EMPLOYEE STOCK OPTION PLANS

While we have been successful in attracting and retaining qualified personnel, we believe that our future success will depend in part on our continued ability to attract and retain highly qualified personnel. We pay wages and salaries that we believe are competitive. We also believe that equity ownership is an important factor in our ability to attract and retain skilled personnel. We have adopted Stock Option Plans for employee and directors. The purpose of the Plans is to further our interests, our subsidiaries and our stockholders by providing incentives in the form of stock options to key employees and directors who contribute materially to our success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in the Company, thus enhancing their personal interest in our continued success and progress. The Plans also assist the Company and our subsidiaries in attracting and retaining key employees and directors. The Plans are administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plans, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the common stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plans.

In 1995 we adopted the 1995 Stock Option Plan. A total of 300,000 shares may be granted and sold under the 1995 Plan. As of September 30, 2001, a total of 167,500 stock options had been granted and are outstanding under the Plan, none of which have been exercised. We do not plan to issue any additional options under the 1995 Plan.

In August 1999 we adopted the 1999 Stock Option Plan (the "1999 Plan") with 500,000 shares authorized to be granted and sold under the 1999 Plan. In August 2004, shareholders approved an Amendment to the 1999 Plan which increased the total number of shares authorized to 1,000,000. In July 2007, shareholders approved a Second Amendment to the 1999 Plan which increased the total number of shares authorized to 1,500,000. As of September 30, 2007, 545,000 stock options were outstanding under the 1999 Plan, as amended. As of June 27, 2008, 40,000 of these stock options have been exercised.

(2) TO APPROVE AN AMENDMENT TO THE ARTICLES OF
INCORPORATION TO INCREASE THE NUMBER OF
AUTHORIZED SHARES OF COMMON STOCK FROM
15,000,000 TO 20,000,000

Our Stockholders are being asked to approve an amendment to the Corporation's Articles of Incorporation to increase the number of authorized shares of the Corporation's common stock from 15,000,000 to 20,000,000.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS PLACE A VOTE "FOR" PROPOSAL "2", AND YOUR PROXY WILL BE SO VOTED UNLESS YOU SPECIFY OTHERWISE.

Voting Rights with Respect to the Increase in Authorized Shares

The Board is of the opinion that the amendment to the Articles of Incorporation to Increase the Authorized Shares of Common Stock is advisable and in the Corporation's best interests and recommends a vote "FOR" the approval this proposal. The form of Certificate of Amendment to the Articles of Incorporation is attached hereto as Exhibit "B". The affirmative vote of a majority of the issued and outstanding shares of Common Stock is required for the approval of the amendment to the Articles of Incorporation to increase the authorized shares of Common Stock. For purposes of the vote to amend the Articles of Incorporation to increase the authorized shares of Common Stock, as amended, abstentions and broker non-votes will have the same effect as a vote against this proposal. All proxies will be voted to approve the amendment to the Articles of Incorporation unless a contrary vote is indicated on the enclosed proxy card.

Proposal to Increase Authorized Common Stock

The Board has approved, subject to stockholder approval, an amendment to our Articles of Incorporation, as amended, which will increase the aggregate number of shares of common stock authorized for issuance from 15,000,000 shares to 20,000,000 shares.

The proposed increase in the authorized Common Stock has been recommended by the Board to assure that an adequate supply of authorized unissued shares is available for use primarily in connection with corporate acquisitions. The shares may also be used for general corporate needs, such as future stock dividends or stock splits. There currently are no plans or arrangements relating to the issuance of any of the additional shares of Common Stock proposed to be authorized.

General

Our authorized capital stock currently consists of 16,000,000 shares of which there are 15,000,000 shares of common stock, par value \$.01 per share, and 1,000,000 shares of preferred stock, par value \$.10 per share.

As of June 27, 2008, there were 8,825,447 shares of common stock outstanding. The rights of all holders of the common stock are identical in all respects. The holders of the common stock are entitled to receive ratably such dividends, if any, as may be declared by the Board of Directors out of legally available funds. The current policy of the Board of Directors, however, is to retain earnings, if any, for reinvestment. Upon liquidation, dissolution or winding up of the Company, the holders of the common stock are entitled to share ratably in all aspects of the Company that are legally available for distribution, after payment of or provision for all debts and liabilities. The holders of the common stock do not have preemptive subscription, redemption or conversion rights under our Articles of Incorporation. Cumulative voting in the election of Directors is not permitted. The outstanding shares of common stock are validly issued, fully paid and nonassessable. The rights, preferences and privileges of holders of common stock will be subject to, and may be adversely affected by, the rights of holders of shares of any series of preferred stock that are presently outstanding or that may be designated and issued by us in the future. If the Proposal is adopted, the first full paragraph of Article Four of the Corporation's Articles of Incorporation, as amended, will read as follows:

“ARTICLE FOUR”

“The aggregate number of shares of all classes of stock which the Corporation shall have authority to issue is 21,000,000 consisting of and divided into the following classes:

- (i) Twenty Million (20,000,000) shares of common stock, par value \$.01 per share (hereinafter designated the “Common Stock”); and
- (ii) One Million (1,000,000) shares of preferred stock, par value \$0.01 per share (hereinafter designated the “Preferred Stock”).”

CERTAIN EFFECTS OF THE PROPOSED AMENDMENT

The Board believes that approval of this Proposal is essential for the growth and development of the Corporation. However, the following should be considered by a stockholder in deciding how to vote upon this Proposal.

The additional shares that the Board would be authorized to issue upon approval of the Proposal, if so issued, would have a dilutive effect upon the percentage of the Corporation's equity owned by present stockholders. The issuance of the additional shares might be disadvantageous to current stockholders in that any additional issuances would potentially reduce per share dividends, if any. Stockholders should consider, however, that the possible impact upon dividends is likely to be minimal in view of the fact that the Corporation has never paid dividends on shares of the Corporation's Common Stock and do not have any current plans to pay a cash dividend in the foreseeable future, except to the extent we would be required to satisfy any obligations with respect to any Preferred Stock we may issue in the future. The Corporation presently intends to retain earnings, for investment and use in business operations.

EFFECTIVENESS OF THE AUTHORIZED INCREASE

If the Authorized Share Increase Amendment is approved by the requisite vote of the Corporation's stockholders, the Authorized Share Increase will be effective upon the close of business on the date of filing of the Authorized Share Increase Amendment with the Texas Secretary of State, which filing is expected to take place shortly after the Stockholder Meeting. If this Proposal is not approved by the stockholders, then the Authorized Share Increase Amendment will not be filed.

(3) TO RATIFY THE SELECTION OF WHITLEY PENN LLP
AS THE COMPANY'S INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM
FOR THE FISCAL YEAR ENDING

SEPTEMBER 30, 2008

The Board of Directors has selected Whitley Penn LLP as the Company's independent registered public accounting firm for the current fiscal year. Although not required by law or otherwise, the selection is being submitted to the Stockholders of the Company as a matter of corporate policy for their approval. The Board of Directors wishes to obtain from the Stockholders a ratification of their action in appointing their existing independent registered public accounting firm, Whitley Penn LLP for the fiscal year ending September 30, 2008. Such ratification requires the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting.

In the event the appointment of Whitley Penn LLP as the Company's independent registered public accounting firm is not ratified by the Stockholders, the adverse vote will be considered as a direction to the Board of Directors to select another independent registered public accounting firm for the fiscal year ending September 30, 2008. A representative of Whitley Penn LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if he so desires and to respond to appropriate questions. The Board of Directors unanimously recommends a vote FOR the ratification of Whitley Penn LLP as the Company's independent registered public accounting firm for fiscal year ending September 30, 2008.

The following table sets forth the aggregate fees paid or accrued for professional services rendered by Whitley Penn LLP for the audit of our annual financial statements for fiscal year 2007 and fiscal year 2006 and the aggregate fees paid or accrued for audit-related services and all other services rendered by Whitley Penn LLP for fiscal year 2007 and fiscal year 2006.

	2007	2006
Audit fees	\$ 170,208	\$ 97,768
Audit-related fees	13,070	16,210
Tax fees	30,170	3,850
All other fees	-	-
Total	\$ 213,448	\$ 117,828

The category of "Audit fees" includes fees for our annual audit, quarterly reviews and services rendered in connection with regulatory filings with the SEC, such as the issuance of comfort letters and consents.

The category of "Audit-related fees" includes employee benefit plan audits, internal control reviews and accounting consultation.

The category of "Tax fees" includes consultation related to corporate development activities.

All above audit services, audit-related services and tax services were pre-approved by the Audit Committee, which concluded that the provision of such services by Whitley Penn LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's outside auditor independence policy provides for pre-approval of all services performed by the outside auditors.

AUDITOR INDEPENDENCE

Our Audit Committee considered that the work done for us in fiscal 2007 by Whitley Penn was compatible with maintaining Whitley Penn's independence.

AUDITOR'S TIME ON TASK

All of the work expended by Whitley Penn on our fiscal 2007 audit was attributed to work performed by Whitley Penn's full-time, permanent employees.

(4)
OTHER MATTERS

The Board of Directors is not aware of any other matters to be presented for action at the Annual Meeting. However, if any other matter is properly presented at the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matters.

Subject: Fiscal 2007 Results

Dear Shareholder,

It seems long ago that Rick's Cabaret began our 2007 fiscal year confident it would be the most successful year in the history of our company. As it turned out, our progress in 2007 exceeded our own expectations. And, we are registering even stronger advances as we move through 2008.

Your company generated revenues of \$32 million in the fiscal year ending September 30, 2007 -- a 30.7 percent increase over 2006; net income was \$3 million, a 74.3 percent increase over the previous year.

Here are some of the highlights that contributed to the outstanding 2007 performance:

- Our flagship Rick's Cabaret in Midtown Manhattan continued its exceptional growth.
- Our acquisitions in Ft. Worth, San Antonio and Austin began contributing.
- Revenues increased by 11.8 percent year over year from clubs open more than one year.
- Cash flows improved significantly, with net cash provided by operating activities increasing to \$4.38 million, compared with \$2.73 million in 2006.
- Our balance sheet strengthened, with total assets as of September 30, 2007 at \$47 million, compared with \$30.60 million at the end of fiscal 2006.
- Our management team continued to strengthen, enabling us to absorb our new acquisitions with few integration problems.

Full fiscal year earnings were 54 cents per basic share in 2007, which exceeded the company's guidance of 48 cents. Earnings per fully diluted share were 50 cents, compared with 35 cents in the previous year.

Revenue from Internet businesses decreased by 9.1 percent in 2007, but web-based activities still generated operating income of \$111,919. While only modestly profitable on a standalone basis, our Internet business continues to be a valuable segment of our overall operations because it essentially enables us to have profitable in-house IT and graphics departments that we can call on at any time to meet our overall promotional, marketing and IT needs.

Our company is now being followed by well-respected analysts Eric Wold of Merriman Curhan Ford and James Clement of Sidoti & Company LLC. In addition, buy-side coverage of RICK has been initiated by Singular Research, Montgomery Street Research and Stonegate Securities.

The other exciting story behind the successes your company enjoyed last year is that we build a strong foundation for more growth in 2008. Here are some of the major accomplishments so far:

- Tootsie's Cabaret, our 47,000 sq. ft. adult nightclub in Miami, is contributing over \$2 million in revenue and solid profits, each month.
- Our new 25,000 sq. ft. nightclub in Philadelphia is a prize location that that is already considered the finest adult cabaret, steakhouse and sports bar combo in the region.
- We signed definitive documents to acquire the former Scores-Las Vegas cabaret, which will give us a powerful presence in the most popular recreation-leisure destination in the country.
- We acquired two clubs in Dallas -- the former Executive Club in Dallas and the nearby Platinum II club, which will become a Club Onyx. These acquisitions give us three locations in the strong Dallas-Ft. Worth market.
- We continued to report strong comparative same-club growth through the first half of the year, with our midtown Manhattan club again leading the way.
 - We acquired ED Publications, providing us with a media platform in adult entertainment industries.

Our success is due to that unique mix of employees and outstanding entertainers who are dedicated to enabling each of our customers to enjoy a great time on their visits to Rick's Cabaret, Club Onyx, XTC Cabaret and Tootsie's Cabaret. We are extremely fortunate to have over 700 outstanding individuals on our staffs and over 3,000 of the best nightclub entertainers in the business. Our management team has been strengthened through our internal training programs and supplemented with people who have come to us through our acquisition of new clubs.

I thank you for your confidence in Rick's Cabaret. Your support makes it possible for us to grow and prosper. We will continue to keep your interests uppermost as we complete transactions and build our brands nationally.
