Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On August 23, 2017, Sterling Jewelers Inc. (“Sterling”), a Delaware corporation and a wholly-owned subsidiary of Signet Jewelers Limited, a Bermuda corporation (“Signet”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Signet (solely for purposes of Section 8.12 of the Merger Agreement), Aquarius Sub Inc., a Delaware corporation and a wholly-owned subsidiary of Sterling (“Merger Sub”), R2Net Inc., a Delaware corporation (“R2Net”), and Shareholder Representative Services LLC, a Colorado limited liability company, in its capacity as Seller’s Representative (as defined in the Merger Agreement).

Pursuant to the Merger Agreement, among other things, Merger Sub will merge with and into R2Net (the “Merger”), with R2Net being the surviving corporation of the Merger and a wholly-owned subsidiary of Sterling. The purchase price is \$328 million cash, subject to customary post-closing adjustments provided in the Merger Agreement.

Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger, each issued and outstanding share of common stock of R2Net (the “Common Stock”) and series A preferred stock of R2Net (the “Preferred Stock” and together with the Common Stock, the “Shares”) issued and outstanding immediately prior to the effective time of the Merger (other than dissenting shares) will be converted into the right to receive a portion of the Final Merger Consideration (as defined in the Merger Agreement).

The obligation of the parties to consummate the transactions contemplated by the Merger Agreement is subject to the satisfaction or waiver of customary closing conditions, including U.S. antitrust approval.

R2Net has made customary representations and warranties in the Merger Agreement. The Merger Agreement also contains customary covenants and agreements, including the obligation of R2Net to conduct its business between signing and closing in the ordinary course consistent with past practice and to refrain from taking specified actions without the consent of Sterling, subject to certain exceptions provided in the Merger Agreement.

The Merger Agreement also contains certain termination rights for both Sterling and R2Net. Either Sterling or R2Net may terminate the Merger Agreement if the Merger has not been consummated within 120 days following the date of the signing of the Merger Agreement.

Concurrently with the execution of the Merger Agreement, five employees of R2Net entered into amended and restated employment agreements, which will become effective at the time of the Merger. Also concurrently with the execution of the Merger Agreement, consents and support agreements were executed by the holders of all of the Preferred Stock and 63% of the holders of Common Stock, which satisfied the required stockholder approval of R2Net.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached to this report as Exhibit 10.1 and is incorporated herein by reference.
