**Section 8 Other Events**

**Item 8.01 Other Events.**

On October 13, 2004, Avista Corporation (Avista Corp. or the Company) and an indirect subsidiary of Mirant Corporation, Mirant Oregon, LLC (Mirant Oregon), entered into an Asset Purchase and Sale Agreement (the Agreement). A copy of Avista Corp.'s press release with respect to the Agreement is filed as exhibit 99(a). The Agreement provides for Avista Corp.'s acquisition of Mirant Oregon's 50 percent ownership interest in the 280 megawatt (MW) combined cycle natural gas-fired Coyote Springs 2 Generation Project (Coyote Springs 2) at a price of \$62.5 million (subject to adjustment). Mirant Oregon acquired its 50 percent ownership interest in Coyote Springs 2 from the Company during construction in 2001. Mirant Corporation and certain of its affiliates are currently in bankruptcy. As a result, the Agreement will be subject to higher or otherwise better offers submitted in connection with a competitive auction to be held on or before December 17, 2004. The transaction would need to be approved by the U.S. Bankruptcy Court and the Federal Energy Regulatory Commission and would also need to meet certain other federal and state regulatory requirements.

Neither the filing of any press release as an exhibit to this Current Report nor the inclusion in such press releases of a reference to the Internet address of Avista Corp. or Avista Utilities shall, under any circumstances, be deemed to incorporate the information available at such Internet addresses into this Current Report. The information available at the Internet address of Avista Corp. or Avista Utilities is not part of this Current Report or any other report furnished or filed by Avista Corp. with the Securities and Exchange Commission.
