GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or "Board") of Glen Burnie Bancorp (the "Company") to be used at the 2005 Annual Meeting of Stockholders of the Company and any adjournments or postponements thereof (hereinafter called the "Annual Meeting") which will be held at La Fontaine Bleu, 7514 Ritchie Highway, Glen Burnie, Maryland on Thursday, May 12, 2005 at 2:00 p.m., Eastern Time. The accompanying Notice of Annual Meeting and form of proxy and this Proxy Statement are being first mailed to stockholders on or about April 12, 2005.

VOTING AND REVOCABILITY OF PROXIES

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. **Where no instructions are given, proxies will be voted for the nominees named below and for the proposal to authorize the Board of Directors to select an auditing firm.** The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and with respect to matters incident to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors. Proxies marked as abstentions will not be counted as votes cast. In addition, shares held in street name which have been designated by brokers on proxy cards as not voted will not be counted as votes cast. Proxies marked as abstentions or as broker no votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice to Dorothy A. Abel, the Secretary of the Company, at the address above or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting. A proxy will not be voted if a stockholder attends the Annual Meeting and votes in person. The presence of a stockholder at the Annual Meeting will not revoke such stockholder's proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The securities entitled to vote at the Annual Meeting consist of the Company's common stock, par value \$1.00 per share (the "Common Stock"). Stockholders of record as of the close of business on April 4, 2005 (the "Record Date") are

entitled to one vote for each share then held. At the Record Date, the Company had 2,041,028 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting. Persons and groups beneficially owning in excess of 5% of the Common Stock are required to file certain reports with respect to such ownership pursuant to the Securities Exchange Act of 1934 (the "Exchange Act"). The following table sets forth, as of the Record Date, certain information as to the Common Stock beneficially owned by all persons who were known to the Company to beneficially own more than 5% of the Common Stock outstanding at the Record Date.

PROPOSAL I — ELECTION OF DIRECTORS

The Board of Directors currently consists of 11 directors. Under the Company's Articles of Incorporation, directors are divided into three classes and elected for terms of three years each and until their successors are elected and qualified. The Board has nominated John E. Demyan., Charles Lynch, Jr., Frederick W. Kuethe, III, and Mary Lipin Wilcox for election as directors to serve for terms of three years each and until their successors are elected and qualified. Under Maryland law, directors are elected by a plurality of all votes cast at a meeting at which a quorum is present.

Unless contrary instruction is given, the persons named in the proxies solicited by the Board of Directors will vote each such proxy for the election of the named nominees. If any of the nominees is unable to serve, the shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board may recommend or the Board may reduce the size of the Board to eliminate the vacancy. At this time, the Board does not anticipate that any nominee will be unavailable to serve.

The following table sets forth, for each nominee and each continuing director, his or her name, age as of the Record Date, the year he or she first became a director of the Company, the expiration of his or her current term, and whether such individual has been determined by the Board to be “independent” as defined in Rule 4200(a)(15) of the listing standards of the National Association of Securities Dealers (NASD). Each nominee and continuing director is also a member of the Board of Directors of The Bank of Glen Burnie (the “Bank”) and GBB Properties, Inc. (“GBB Properties”). There are no known arrangements or understandings between any director or nominee for director of the Company and any other person pursuant to which such director or nominee has been selected as a director or nominee.

Mr. Livingston was a Senior Vice President from January 1998 until August 2004 and had been Chief Lending Officer of the Bank from 1996 until August 2004. CORPORATE GOVERNANCE

The Board of Directors periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency, and maintains full compliance with the laws, rules and regulations which govern the Company's operations.

Meetings and Committees of the Board of Directors

Board of Directors. The Board of Directors consists of eleven members, holds regular monthly meetings and special meetings as needed. During the year ended December 31, 2004, the Board met 13 times. No incumbent director attended fewer than 75% of the total number of meetings of the Board of Directors of the Company or the Bank held during 2004 and the total number of meetings held by all committees on which the director served during such year. Board members are expected to attend the Annual Meeting of Stockholders, and all incumbent directors attended the 2004 Annual Meeting of Stockholders.

Audit Committee. The Bank's Audit Committee acts as the audit committee for the Company and currently consists of Directors William N. Scherer, Sr., Shirley E. Boyer, Karen B. Thorwarth, Alan E. Hahn and Thomas Clocker. During the year ended December 31, 2004, the Audit Committee met 18 times.

The Audit Committee monitors internal accounting controls, meets with the Bank's Internal Auditor to review internal audit findings, recommends independent auditors for appointment by the Board, and meets with the Company's independent auditors regarding these internal controls to assure full disclosure of the Company's financial condition. Each member of the Audit Committee is independent, as defined in Rule 4200(a)(15) of the listing standards of the NASD, meets the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under the Exchange Act, and otherwise meets the criteria for Audit Committee membership set forth in applicable NASD rules. In addition, each member of the Audit Committee is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. Additionally at least one member of the Committee has past employment experience in finance or accounting and the requisite professional certification in accounting, which results in the individual's financial sophistication. The Audit Committee does not include an "audit committee financial expert" (as defined in applicable Securities and Exchange Commission (SEC) rules), because the Board of Directors believes that the benefits provided by the addition to the Audit Committee of an individual who meets the SEC criteria at this time do not justify the cost of retaining such an individual.

The Board of Directors of the Company has adopted a written charter for the Audit Committee, which is attached to this Proxy Statement as Appendix A.

Employee Compensation and Benefits Committee. The Bank's Employee Compensation and Benefits Committee acts as the compensation committee for the Company and is composed of Directors Alan E. Hahn, Shirley E. Boyer, F. William Kuethe, Jr., John E. Demyan, William N. Scherer, Sr., Frederick W. Kuethe, III, Thomas Clocker, and Karen Thorwarth. The purpose of the Compensation Committee is to evaluate and ascertain the appropriateness of compensation levels pertaining to the officers of the Bank, other than the Chief Executive Officer and the other executive officers of the Bank (which are determined by the full Board of Directors and must be approved by a majority of the independent directors). This Committee met six times during 2004.

Nominations. The Company's full Board of Directors acts as a nominating committee for the annual selection of its nominees for election as directors, and nominees must be approved by a majority of the independent directors. The Board of Directors held **one** meeting during 2005 in order to make nominations for directors. The Board of Directors believes that the interests of the Company's stockholders are served by relegating the nominations process to the full Board, the significant majority of which are independent from management. While the Board of Directors will consider nominees recommended by stockholders, it has not actively solicited recommendations from the Company's stockholders for nominees, nor established any procedures for this purpose. In considering prospective nominees, the Board of Directors will consider the prospect's relevant financial and business experience, familiarity with and participation in the Bank's market area, the integrity and dedication of the prospect, his independence and other factors the Board deems relevant. The Board of Directors will apply the same criteria to nominees recommended by stockholders as those recommended by the full Board. Nominations by stockholders must comply with certain informational requirements set forth in Article III, Section 1 of the Company's Bylaws. See "Stockholder Proposals" elsewhere in this Proxy Statement.

Director Compensation

Director's Fees. Currently, all directors are paid a fee of \$1,000 for each combined regular or special meeting of the Company and the Bank attended, with fees paid for one excused absence. In addition to the foregoing director's fees, Mr. Demyan is compensated at the rate of \$30,000 per annum for the additional responsibilities of serving as the Chairman of the Board. Directors (other than F. William Kuethe, Jr. who receives no fees for committee meetings) are paid an additional fee of \$200 for each committee meeting attended with fees paid for up to two excused absences. The Chairman of each Committee is paid \$300 for each committee meeting attended.

Executive and Director Deferred Compensation Plan. The Bank's Board of Directors has adopted The Bank of Glen Burnie Executive and Director Deferred Compensation Plan pursuant to which participating directors may elect to defer all or a portion of their fees on a pre-tax basis. Deferred fees are held in a trust account and invested as directed

by the participant. Participants are fully vested in their accounts at all times and may elect to have their accounts paid out in a lump sum or in equal installments over a period of five, ten or fifteen years beginning on a date no earlier than three years after the initial deferral election. Upon a participant's death, any amounts remaining in their account will be paid to their beneficiaries.

Director Health Plan. All directors have the right to participate in the Bank's health insurance plan. Under the terms of the plan, the Bank pays 80% of the premiums for participating directors and their spouses. For the 2004 calendar year, Thomas Clocker, Karen B. Thorwarth and Shirley E. Boyer participated in the plan, and the Company paid \$11,682, \$11,795 and \$11,682 of the premiums, respectively.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics that is designed to promote the highest standards of ethical conduct by the Company's and the Bank's directors, executive officers and employees. The Code of Business Conduct and Ethics has been posted on the Bank's website, www.bankofglenburnie.com.

Communications with the Board

The Board of Directors has not established a formal process for stockholders to send communications to the Board. Due to the infrequency of stockholder communications to the Board, the Board does not believe that a formal process is necessary. Furthermore, all of the Company's Board members are residents of the communities served by the Bank and where most of the Company's stockholders reside, and therefore are accessible to the great majority of the Company's stockholders.

SECURITIES OWNERSHIP OF MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of the shares of Common Stock as of the Record Date by (i) each executive officer of the Company named in the Summary Compensation Table included elsewhere in this Proxy Statement, (ii) each current director and each nominee for election as a director and (iii) all directors and executive officers of the Company as a group.

REPORT OF THE COMPENSATION COMMITTEE

The Bank's Employee Compensation and Benefits Committee acts as the compensation committee for the Company and determines the appropriateness of compensation levels pertaining to the officers of the Bank, other than the Chief Executive Officer and the other executive officers of the Bank (which are determined by the full Board of Directors based upon data provided by, and recommendations of, the Committee, and must be approved by a majority of the independent directors). The overall goal of the Committee is the establishment of compensation policies designed to attract, motivate, reward and retain qualified employees who will execute the Company's strategic goals and thereby increase the value created for shareholders.

The Committee and Board review annually the compensation of the executive officers to insure that the Bank's compensation programs are related to the Bank's financial performance and consistent generally with banks of comparable size in the area. The Committee and the Board of Directors establish the compensation paid to executive officers based upon the individual performance of the executive officer and the overall performance of the Bank. In assessing the performance of an individual executive officer, the Committee considers the executive officer's historical performance, degree of responsibility, level of experience, length of service, contribution to the performance of the Company and commitment to meeting strategic goals. With respect to the salary of the Company's Chief Executive Officer, Mr. Kuethe has voluntarily limited his base salary to its current level.

Bonuses are discretionary and are generally granted to executive officers based on the extent to which the Company achieves annual performance objectives, as established by the Board of Directors. Such performance objectives include dividend growth, asset growth and performance and earnings performance.

In addition, executive officers are entitled to participate in the employee benefits offered to all employees of the Bank.

Change in Control Severance Plan

In August 2001, the Board of Directors of the Company and the Bank approved amendments to the Company's and the Bank's Change-in-Control Severance Plan, to include the named executive officers in the Plan's coverage. Under the terms of the Plan, in the event the executive voluntarily terminates his employment within two years following a change in control, or in the event the Executive's employment is terminated by the Bank (or its successor) for any reason, other than cause, within two years following a change in control, the executive is entitled to receive an amount equal to the aggregate present value of 2.99 times the executive's average annual taxable compensation from the Bank and the Company for the prior five complete years (or the number of years during which the executive was employed by the Bank, if less). The payment will be made either in a lump sum or in installments, at the option of the executive.

Transactions with Management

All currently outstanding loans to directors and executive officers were made in the ordinary course of business of the Bank and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Compensation Committee Interlocks and Insider Participation

As stated above (See "Corporate Governance - Employee Compensation and Benefits Committee"), the Compensation Committee determines the compensation levels for the officers of the Bank, other than the executive officers of the Bank which are determined by the full Board of Directors and must be approved by a majority of the independent directors. F. William Kuethe, Jr., President and Chief Executive Officer of the Company and the Bank, serves on the Board and on the Compensation Committee, and Michael Livingston, Executive Vice President and Chief Operating Officer of the Company and the Bank was elected to the Board effective January 1, 2005. No executive officer of the Company or the Bank serves or has served as a member of the compensation committee of another entity, one of whose executive officers serves on the Compensation Committee of the Bank. No executive officer of the Company or the Bank serves or has served as a director of another entity, one of whose executive officers serves on the Compensation Committee of the Company or the Bank.

**GLEN BURNIE BANCORP
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS
CHARTER**

PURPOSE

The Audit Committee (the “**Committee**”) assists the Board of Directors (the “**Board**”) of Glen Burnie Bancorp (the “**Company**”) in their responsibilities to oversee the independence of the independent auditor and evaluate the Company’s financial reporting practices, accounting policies and internal control structure. The Audit Committee fulfills these responsibilities by carrying out the activities enumerated in this Charter.

COMPOSITION

The Committee will be comprised of three or more directors as determined by the Board. The members of the Committee will meet the independence and experience requirements specified by applicable regulations of the Securities and Exchange Commission (“**SEC**”) and relevant self-regulatory organizations. The members of the Committee will be appointed annually at the organizational meeting of the full Board held in May. The Board will select one Committee member to the Committee Chair, and may appoint one or more staff members and engage consultants to assist the Committee.

RESPONSIBILITY

The Committee is a part of the Board. Its primary function is to assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to shareholders and the SEC; (ii) the review of quarterly financial statements; (iii) the system of internal controls that management has established; and (iv) the internal audit, external audit and loan review processes. In addition, the Committee provides an avenue for communication between the internal auditor, the independent auditor, financial management and the Board.

The Committee should have a clear understanding with the independent auditor that the independent auditor must maintain an open relationship with the Committee, and that the ultimate accountability of the independent auditor is to the Board and the Committee. The Committee will make regular reports to the Board concerning its activities.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations and the Company’s business conduct guidelines.

AUTHORITY

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (including resolution of disagreements between management and the auditor regarding financial reporting), and such independent auditor must report directly to the Committee.

The Committee is granted authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company, or any other any matter within the Committee’s scope of responsibilities. In that regard, the Committee will have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties. All employees will be directed to cooperate with respect

thereto as requested by members of the Committee.

In furtherance of its duties, the Company will provide for appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for the payment of: (i) compensation to such independent auditor; (ii) compensation to any advisers employed by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

A-1

MEETINGS

The Committee will meet monthly, or more frequently as circumstances dictate. The Committee may, at its discretion, meet in separate executive sessions with the chief financial officer, independent auditor and internal auditor.

ATTENDANCE

Committee members will strive to be present at all meetings. As necessary or desirable, the Committee Chair may request that members of management and representatives of the independent auditor and internal auditor be present at Committee meetings.

SPECIFIC DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

(i) Review the scope and general extent of the independent auditor's annual audit. The Committee's review should include an explanation from the independent auditor of the factors considered by the auditor in determining the audit scope, including the major risk factors. The independent auditor should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures. The Committee will review annually with management the fee arrangement with the independent auditor.

(ii) Establish procedures for (i) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (ii) the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters.

(iii) Review with management, the internal auditor and independent auditor, the Company's accounting and financial reporting controls.

(iv) Review with management, the internal auditor and the independent auditor significant accounting and reporting principles, practices and procedures applied by the Company in preparing its financial statements.

(v) Discuss with the independent auditor its judgments about the quality, not just the acceptability of the Company's accounting principles used in financial reporting.

(vi) Review legal and regulatory matters that may significantly impact the financial affairs or operations of the Company.

(vii) Inquire as to the independence of the independent auditor and obtain from the independent auditor, at least annually, a formal written statement delineating all relationships between the independent auditor and the Company as contemplated by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

(viii) Review with financial management and the independent auditor the quarterly financial statements prior to the filing of the Company's Form 10-Q. The review will focus on the impact of significant events, transactions and changes in accounting estimates considered by the independent auditor in performing their review of the Company's interim financial statements. The Chair of the Committee may represent the entire committee for purpose of this review. At the completion of the annual audit, review with management, the Company's internal auditor and the independent auditor the following:

§ The Company's annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on annual report on Form 10-K.

- § Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.
- § Any significant changes to the audit plan, any serious disputes or difficulties with management encountered during the audit, and the level of cooperation received by the independent auditor from Company personnel during the audit, including access to all requested records, data and information.

A-2

§ Any disagreements between the independent auditor and management, which, if not satisfactorily resolved, would have caused the independent auditor to issue a nonstandard report on the Company's financial statements.

§ Other communications as required to be communicated by the independent auditor by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit. Such communication should include a discussion of the independent auditor's judgment about the quality of the Company's accounting principles.

If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K.

(ix) Meet with management, the internal auditor and the independent auditor to discuss any relevant significant recommendations that the independent auditor may have, particularly those characterized as "reportable conditions". The Committee should review responses of management to the reportable conditions from the independent auditor and receive follow-up reports on action taken concerning the aforementioned recommendations.

(x) Review the scope of the annual internal audit and loan review plans.

(xi) Evaluate the internal auditor's risk assessment of the Company's activities used in developing the annual audit plan.

(xii) Receive reports of major findings from the internal auditor and evaluate management's response in addressing the reported conditions.

(xiii) Evaluate the performance of and, where appropriate, replace the internal auditor.

(xiv) Review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board for approval. This should be done in compliance with applicable regulatory Audit Committee requirements. The charter is to be published as an appendix to the Company's proxy statement every three years.
