Issuer through representation on the Issuer's Board of Directors (the "Board") by virtue of Levinson's appointment to fill a vacancy on the Board effective as of May 1, 2003.

The Reporting Persons intend to review the investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's securities in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as they may deem appropriate in light of the circumstances existing from time to time. If the Reporting Persons believe that further investment in the Issuer is attractive, whether because of the market price of the Issuer's securities or otherwise, they may acquire shares of Common Stock or other securities of the Issuer either in the open market or in privately-negotiated transactions. Similarly, depending on market conditions and other factors, the Reporting Persons may determine to dispose of some or all of the securities currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons either in the open market or in privately negotiated transactions.

Except as set forth above, the Reporting Persons have not formulated any plans or proposals that relate to or would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
