(a) Capacity of the Seller; Authorization; Execution of Agreements. The Seller has all requisite power, authority and capacity to enter into this Agreement and to perform the transactions and obligations to be performed by it hereunder. The execution and delivery of this Agreement by the Seller, and the performance by the Seller of the transactions and obligations contemplated hereby, including, without limitation, the sale of the Shares to the Purchaser hereunder, have been duly authorized by all requisite action of the Seller. This Agreement has been duly executed and delivered by a duly authorized officer of the Seller and constitutes a valid and legally binding agreement of the Seller, enforceable in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws of the United States (both state and federal), affecting the enforcement of creditors' rights or remedies in general from time to time in effect and the exercise by courts of equity powers or their application of principles of public policy.

(b) Title to Shares. The Seller is the sole record and beneficial owner of the Shares and has sole managerial and dispositive authority with respect to the Shares. The Seller has not granted any person a proxy with respect to the Shares that has not expired or been validly withdrawn. The sale and delivery by the Seller of the Shares to the Purchaser pursuant to this Agreement will vest in the Purchaser legal and valid title to the Shares, free and clear of all Liens, security interests, adverse claims or other encumbrances of any character whatsoever ("Encumbrances") (other than Encumbrances created by the Purchaser and restrictions on the resale of the Shares under applicable securities laws).

The Seller is not, directly or indirectly, obligated to anyone acting as broker, finder or in any other similar capacity in connection with this Agreement or the transactions contemplated hereby. No Person has or, immediately following the consummation of the transactions contemplated by this Agreement, will have, any right, interest or valid claim against the Company, the Seller or the Purchaser for any commission, fee or other compensation as a finder or broker in connection with the transactions contemplated by this Agreement, nor are there any brokers' or finders' fees or any payments or promises of payment of similar nature, however characterized, that have been paid or that are or may become payable in connection with the transactions contemplated by this Agreement, as a result of any agreement or arrangement made by the Seller.

(d) Disclosure. All Schedules to this Agreement, furnished by or on behalf of the Seller are true and correct in all material respects and as otherwise contemplated in this Agreement and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein not misleading. The Seller acknowledges and agrees that the Purchaser does not make or has not made (i) any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 4.2 or (ii) any statement, commitment or promise to the Seller or any of its representatives which is or was an inducement to the Seller to enter into this Agreement, other than as set forth in this Agreement.

The Shares being purchased hereunder by the Purchaser and the investors for whom the Purchaser is acting as agent are being purchased for their own account and are not being purchased with the view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the 1933 Act. The Purchaser understands that such Shares have not been registered under the 1933 Act by reason of their issuance in a transaction exempt from the registration and prospectus delivery requirements of the 1933 Act pursuant to Section 4(2) thereof and/or the provisions of Rule 506 of Regulation D promulgated thereunder, and under the securities laws of applicable states and agrees to deliver to the Seller, if requested by the Seller, an investment letter in customary form. THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER ANY STATE SECURITIES LAWS. The execution and delivery of this Agreement, and the performance by the Purchaser of the transactions and obligations contemplated hereby have been duly authorized by all requisite corporate or individual, as the case may be, action of the Purchaser. This Agreement has been duly executed and delivered by the Purchaser and constitutes a valid and legally binding agreement of the Purchaser, enforceable in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws, both state and federal, affecting the enforcement of creditors' rights or remedies in general from time to time in effect and the exercise by courts of equity powers or their application of principles of public policy.

(c) Accredited Investor. The Purchaser and the investors for whom the Purchaser is acting as agent are each an "accredited investor" as defined in Rule 501(a) of Regulation D promulgated under the 1933 Act.

(d) Suitability and Sophistication. The Purchaser has (i) such knowledge and experience in financial and business matters that it is capable of independently evaluating the risks and merits of purchasing the Shares it is purchasing; (ii) independently evaluated the risks and merits of purchasing such Shares and has independently determined that the Shares are a suitable investment for it; and (iii) sufficient financial resources to bear the loss of its entire investment in such Shares. (f) Nationality; Residence. The Purchaser is a citizen of the United States of America and a resident of, or organized within, the State of Florida.

4.3 Rule 144. The Purchaser acknowledges that the Shares it will be purchasing must be held indefinitely unless subsequently registered under the 1933 Act or unless an exemption from such registration is available. The Purchaser is aware of the provisions of Rule 144 promulgated under the 1933 Act which permit limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the satisfaction of all the requirements under Rule 144(i)(2), the availability of certain current public information about the Company, the resale occurring not less than six months after a party has purchased and paid for the security to be sold, the sale being effected through a "*broker's transaction*" or in transactions directly with a "*market maker*" and the number of shares being sold during any three-month period not exceeding specified limitations.

Subject to the terms and conditions hereof, each party will use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate the transactions contemplated by this Agreement as promptly as practicable after the date hereof, including (i) preparing and filing as promptly as practicable all documentation to effect all necessary applications, notices, petitions, filings, tax ruling requests and other documents and to obtain as promptly as practicable all consents, waivers, licenses, orders, registrations, approvals, permits, tax rulings and authorizations necessary or advisable to be obtained from any Person and/or any Governmental Authority in order to consummate any of the transactions contemplated by this Agreement, (ii) executing and delivering such other documents, instruments and agreements as any party hereto shall reasonably request, and (iii) taking all reasonable steps as may be necessary to obtain all such material consents, waivers, licenses, registrations, permits, authorizations, tax rulings, orders and approvals. Notwithstanding the foregoing, in no event shall any party have any obligation, in order to consummate the transactions contemplated hereby, to (a) take any action(s) that would result in a material adverse change in the benefits to the Seller on the one hand or to the Purchaser on the other of this Agreement, or (b) dispose of any material assets or make any material change in its business other than as contemplated by this Agreement, or (c) expend any material amount of funds or otherwise incur any material burden other than those contemplated by this Agreement.

5.2 Certain Filings; Cooperation in Receipt of Consents.

(b) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement; and

(c) any actions, suits, claims, investigations or proceedings commenced or, to its Knowledge, threatened against, relating to or involving or otherwise affecting such party or any of its Affiliates that, if pending on the date of this Agreement, would have been required to have been disclosed, or that relate to the consummation of the transactions contemplated by this Agreement; provided, however, that the delivery of any notice pursuant to this Section 5.4 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

5.5 Termination of Agreements. Prior to the Closing, the Seller shall cause the termination of that certain Registration Rights Agreement, dated March 26, 2007, by and among the Company and the Seller (the “*Registration Rights Agreement*”), without incurring any further liability to the Company.

5.6 Interim Actions of the Parties.
