How do I vote?

Shareholders of record may vote either by proxy or by attending the meeting and voting in person. If you choose to vote by proxy, please complete, sign, date and return the enclosed proxy card in a timely manner to ensure that it is received prior to the meeting. Even if you plan to attend the meeting, please complete and mail your proxy card to ensure that your shares are represented at the meeting. If you attend the meeting, you can still revoke your proxy by voting in person. If your shares are held in a brokerage or bank account, you must make arrangements with your broker or bank to vote your shares in person.

May I change my vote?

All proxies delivered pursuant to this solicitation are revocable at any time before they are exercised at the option of the persons submitting them by giving written notice to the Secretary of the Company at the mailing address set forth below, by submitting a later-dated proxy by mail or by voting in person at the Annual General Meeting. The mailing address of our principal executive offices is 48 Par-la-Ville Road, Hamilton HM 11, Bermuda. If your shares are held in a brokerage account, you must make arrangements with your broker or bank to revoke your proxy.

What constitutes a quorum?

Two or more persons present in person or representing in person or by proxy in excess of 50% of the total issued voting shares of the Company will constitute a quorum for the transaction of business at the Annual General Meeting. Shareholder abstentions and broker non-votes will be included in the number of shareholders present at the Annual General Meeting for the purpose of determining the presence of a quorum. Brokers who do not receive shareholder instructions are entitled to vote on all four of the proposals listed above. Broker non-votes and shareholder abstentions will have no effect on the outcome of the proposals.

What if a quorum is not represented at the Annual General Meeting?

If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned to the same day one week later, at the same time and place or to such other day, time or place as the Secretary may determine. Unless the meeting is adjourned to a specific date, place and time announced at the meeting being adjourned, fresh notice of the date, place and time for the resumption of the adjourned meeting shall be given to each shareholder entitled to attend and vote thereat.

How many votes are required to approve a proposal?

Under our bye-laws, any question proposed for the consideration of the shareholders at any general meeting shall be decided by the affirmative votes of a majority of the votes cast "For" and "Against" the proposal by the holders of the common shares of the Company. Broker non-votes and shareholder abstentions will have no effect on the outcome of the proposals.

How will my shares be voted?

All common shares represented by properly executed proxies received pursuant to this solicitation will be voted in accordance with the shareholder's directions specified on the proxy. In voting by proxy with regard to the election of directors, shareholders may vote in favor of each nominee or withhold their votes as to each nominee. Should any nominee become unable to accept nomination or election, the proxy holders named in the proxy card will vote for the election of such other person as a director as the present directors may recommend in the place of such nominee. With regard to the increase in the authorized share capital of the Company and the ratification of the appointment of our independent auditors, shareholders may vote in favor of the proposal, may vote against the proposal or may abstain from voting. Shareholders should specify their choices on the enclosed proxy card. If no directions have been specified by marking the appropriate squares on the accompanying proxy card, the shares represented by a properly submitted proxy will be voted:

In connection with any other business that may properly come before the Annual General Meeting, all properly executed proxies delivered pursuant to this solicitation and not revoked will be voted for you in the discretion of the proxy holders named in the proxy card.

A shareholder signing and returning the accompanying proxy has the power to revoke it at any time prior to its exercise by giving written notice of revocation to our Secretary, by submitting a proxy bearing a later date, or by attending the Annual General Meeting and voting in person. Attendance at the Annual General Meeting will not constitute, in itself, revocation of a proxy. If your shares are held in a brokerage account, you must make arrangements with your broker or bank to revoke your proxy.

What if my shares are held by a broker?

If you are the beneficial owner of common shares held for you by a broker, your broker must vote those shares in accordance with your instructions. Brokers who do not receive shareholder instructions are entitled to vote your shares for you on any discretionary items of business at the Annual General Meeting such as all four proposals listed above. CORPORATE GOVERNANCE

Board Independence

Mr. Neff, Mr. Lyons and Mr. Nigro are "independent" under the rules of the NASDAQ Stock Market. NASDAQ rules require that a majority of the Board of Directors be independent, and under special phase-in rules applicable to new public companies, we have twelve months from May 6, 2008 (the date of our listing on NASDAQ) to comply with the majority board independence requirement. After the 2009 Annual General Meeting of Shareholders, we will be in compliance with this requirement.

Board Meetings and Committees; Attendance at Annual General Meeting

The Board of Directors held five meetings in 2008. Each director attended at least 75% of his board and committee meetings.

Our corporate governance guidelines provide that all directors are expected to attend our Annual General Meeting of shareholders.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each comprised entirely of independent directors within the meaning of the rules of the NASDAQ Stock Market except for Mr. Neuberger. However, under special phase-in rules applicable to new public companies we have twelve months from May 6, 2008 (the date of our listing on NASDAQ) to comply with the independent committee requirement. We will be in compliance with this requirement before the expiration of the phase-in period. In addition, our Board of Directors has established an Executive Committee.

Executive Committee

The Executive Committee assists our Board of Directors in providing guidance on our overall strategy, business development and corporate oversight. The Executive Committee, to the extent it deems advisable and appropriate, will, among its other responsibilities, recommend positions for us on significant, relevant public policy issues. In addition, the Executive Committee exercises the power and authority of our Board of Directors between board meetings, except that the Executive Committee cannot authorize actions with respect to the following:

The Audit Committee's responsibilities also include appointing (subject to shareholder ratification), reviewing, determining funding for and overseeing our independent auditors and their services. Further, the Audit Committee, to the extent it deems necessary or appropriate, among its several other responsibilities, shall:

The Board of Directors has determined that Messrs. Lyons and Nigro are "Audit Committee financial experts."

The Audit Committee has adopted a charter. The charter is currently available on our website at www.maiden.bm.

Compensation Committee

The Compensation Committee's responsibilities include, among other responsibilities:

- reviewing and approving corporate and individual goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers;
 - evaluating the performance of our Chief Executive Officer and other executive officers in light of such corporate and individual goals and objectives and, based on that evaluation, together with the other independent directors if directed by the Board of Directors, determining the base salary and bonus of the Chief Executive Officer and other executive officers and reviewing the same on an ongoing basis;
 - reviewing all related party transactions involving compensatory matters, including those with AmTrust and our Founding Shareholders;
 - establishing and administering equity-based compensation under the 2007 Share Incentive Plan and any other incentive plans and approving all grants made pursuant to such plans; and
 - making recommendations to our Board of Directors regarding non-employee director compensation and any equity-based compensation plans.
-

Please refer to the Compensation Discussion and Analysis for additional discussion of our policies and procedures for determining and establishing executive compensation.

Mr. Nigro is the chairman of our Compensation Committee and the other members of our Compensation Committee are Messrs. Neff and Neuberger. Mr. Neuberger is not an “independent” director under the rules of the NASDAQ Stock Market, and therefore our Compensation Committee is not comprised solely of independent directors. Although NASDAQ rules require that the Compensation Committee be comprised solely of independent directors, under special phase-in rules applicable to new public companies we have twelve months from May 6, 2008 (the date of our listing on NASDAQ) to comply with the independent committee requirement. We will be in compliance with this requirement before the expiration of the phase-in period.

The Compensation Committee has adopted a charter. The charter is currently available on our website at www.maiden.bm.

During 2008, the Compensation Committee met four times.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee’s responsibilities with respect to assisting our Board of Directors include, among other responsibilities:

- Establishing the criteria for membership on our Board of Directors;
- reviewing periodically the structure, size and composition of our Board of Directors and making recommendations to the board as to any necessary adjustments;
- identifying individuals qualified to become directors for recommendation to our Board of Directors;
- identifying and recommending for appointment to our Board of Directors, directors qualified to fill vacancies on any committee of our Board of Directors;
- having sole authority to select, retain and terminate any consultant or search firm to identify director candidates and having sole authority to approve the consultant or search firm’s fees and other retention terms;
- Considering matters of corporate governance, developing and recommending to the board a set of corporate governance principles and our code of business conduct and ethics, as well as recommending to the board any modifications thereto;
- Considering questions of actual or possible conflicts of interest, including related prior transactions, of members of our Board of Directors and of senior executives of our Company;
- developing and recommending to our Board of Directors for its approval an annual board and committee self-evaluation process to determine the effectiveness of their functioning; and
- exercising oversight of the evaluation of the board, its committees and management.

Mr. Lyons is the chairman of our Nominating and Corporate Governance Committee and the other members are Messrs. Neuberger and Nigro. Mr. Neuberger is not an “independent” director under the rules of the NASDAQ Stock Market, and therefore our Nominating and Corporate Governance Committee is not comprised solely of independent

directors. Although NASDAQ rules require that the Nominating and Corporate Governance Committee be comprised solely of independent directors, under special phase-in rules applicable to new public companies we have twelve months from May 6, 2008 (the date of our listing on NASDAQ) to comply with the independent committee requirement. We will be in compliance with this requirement before the expiration of the phase-in period.

In carrying out its function to nominate candidates for election to our Board of Directors, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity of background, all in the context of the requirements of our Board of Directors at that point in time. The Nominating and Corporate Governance Committee believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company and has established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in Board of Directors activities, including attendance at, and active participation in, meetings of the Board of Directors, and not have other personal or professional commitments that would, in the Nominating and Corporate Governance Committee's judgment, interfere with or limit such candidate's ability to do so. Each candidate should also be prepared to represent the best interests of all of our shareholders and not just one particular constituency. Additionally, in determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at Board of Directors and committee meetings and participation in and contributions to the activities of our Board of Directors.

The Nominating and Corporate Governance Committee considers recommendations for director candidates submitted by shareholders. A shareholder recommending an individual for consideration by the Nominating and Corporate Governance Committee must provide (i) evidence in accordance with the provisions of Regulation 14a-8 under the Securities Exchange Act of 1934, as amended, of compliance with the shareholder eligibility requirements and (ii) all information regarding the candidate(s) and the security holder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board of Directors including, without limitation, name, age, address, principal occupation or employment, and stock ownership. Shareholders should send the required information to Maiden Holdings, Ltd., c/o Secretary, 48 Par-la-Ville Road, Suite 1141, Hamilton HM11, Bermuda.

In order for a recommendation to be considered by the Nominating and Corporate Governance Committee for the 2010 Annual Meeting of Shareholders pursuant to Rule 14a-8 of the Exchange Act, the Secretary must receive the recommendation no later than the close of business local time on December 8, 2009. Such recommendations must be sent via registered, certified or express mail (or other means that allows the shareholder to determine when the recommendation was received by us). The Secretary will send any shareholder recommendations to the Nominating and Corporate Governance Committee for consideration at a future committee meeting. Individuals recommended by shareholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Nominating and Corporate Governance Committee.

Officers, directors and persons holding greater than ten (10) percent of the outstanding shares of a class of Section 12-registered equity securities ("Reporting Persons") are also required to furnish copies of any such reports filed pursuant to Section 16(a) of the Exchange Act with the Company. Based solely on a review of the copies of such forms furnished to the Company and written representations that no other reports were required, the Company believes that from January 1, 2008 to December 31, 2008 all Section 16(a) filing requirements applicable to its Reporting Persons were complied with in a timely manner.

COMPENSATION DISCUSSION AND ANALYSIS

The material elements of our compensation philosophy, strategy and plans as of the date of this Proxy Statement are discussed below.

Overview

At this stage of our development, the objectives of our executive compensation policy will be to retain those executives whom we believe will be essential to our growth, to attract other talented and dedicated executives and to motivate each of our executives to develop our overall profitability. To achieve these goals, we intend to offer each executive an overall compensation package that is simple, but competitive and a substantial portion of which will be tied to the achievement of specific performance objectives. Our overall strategy is to compensate our named executive officers with a simple mix of cash compensation, in the form of base salary and bonus, and equity compensation, in the form of share options and restricted share awards.

On November 3, 2008, the Company acquired (the “GMAC Acquisition”) the reinsurance operations of GMAC Insurance (GMACI), including its book of assumed reinsurance business. As part of the transaction the Company’s wholly owned subsidiary Maiden Holdings North America, Ltd. (“Maiden NA”) acquired GMAC RE LLC (“GMAC RE”), the reinsurance managing general agent writing business on behalf of Motors Insurance Corporation and the renewal rights for the business written by GMAC RE for approximately \$100 million, which was paid in cash. In connection with the transaction Maiden NA also entered into an agreement to acquire two licensed insurance companies, GMAC Direct Insurance Company (“GMAC Direct”) and Integon Specialty Insurance Company (“Integon”). Maiden NA completed its acquisition of GMAC Direct on December 23, 2008 for a purchase price of approximately \$13 million. Consummation of the acquisition of Integon is subject to regulatory approval. GMAC Direct changed its name to Maiden Reinsurance Company after its acquisition. With the acquisition of GMAC RE, we hired Mr. Raschbaum as our President and Chief Executive Officer, and Mr. Marshaleck as president of GMAC RE, now known as Maiden Re (and subsequently as our Chief Operating Officer and Secretary).

We have not to date retained a compensation consultant. Compensation decisions, including those relating to the employment agreements to be offered to certain of our named executive officers, will be made by our Board of Directors upon the recommendation of the Compensation Committee. Mr. Raschbaum will be involved in making recommendations to the Board of Directors regarding the compensation arrangements for other executives.

We have entered into employment agreements with Messrs. Raschbaum, Marshaleck, Tait and Bolz.

Executive Compensation

Our executive compensation policy includes the following elements:

Salary. The base salaries we provide to our named executive officers are designed to provide an annual salary at a level consistent with individual experience, skills and contributions to our business. The annual base salary of each of the named executive officers is set in each of their employment agreements and will be reviewed on an annual basis.

For a discussion on the salaries of Mr. Raschbaum and Mr. Marshaleck, please see the Employment Agreements section below.

With respect to Mr. Tait’s salary for 2008, the Compensation Committee considered his contributions as Chief Financial Officer including his assistance with the preparation of the Company’s resale shelf registration statement and improvements in the Company’s financial reporting capabilities. With respect to Mr. Bolz’ salary for 2008, the Compensation Committee considered the contributions and efforts in building the Company’s capabilities and its positioning in the market as underwriting officers of Maiden Insurance.

Bonus. We believe that bonuses should be dependent on, and strictly tied to, the Company's performance and should only be paid in the event of superior performance. Our bonus policy awards each named executive officer for his individual contribution to our profits for the fiscal year. The Compensation Committee, acting without participation by the affected executives, will approve bonus payments for the named executive officers based on each executive's personal contribution to the Company's profits during the fiscal year, which will not be less than 20% of the respective salaries we pay them. We believe that the policy of paying a minimum bonus of 20% of each executive officer's salary helps us attract qualified employees and provide an additional incentive for them to join a start-up company with a limited track record. The definitive employment agreements for each of our named executive officers do not specify a maximum bonus that can be awarded. The Compensation Committee has approved bonus payments of \$80,000 and \$50,000 for Mr. Tait and Mr. Bolz, respectively, with respect to 2008.

Long-Term Incentive Program. We believe that the use of common shares and share-based awards offers the best approach to achieving our compensation goals as equity ownership ties a considerable portion of a named executive officer's compensation to the performance of our common shares. We have not adopted share ownership guidelines for our named executive officers. We have adopted a share incentive plan, as described below, which provides the principal method for our named executive officers to acquire equity interests in the Company.

2007 Share Incentive Plan. The 2007 Share Incentive Plan (the "Plan") is intended to award our employees and named executive officers with proprietary interests in the Company and to provide an additional incentive to promote our success and to remain in our service. The Plan authorizes us to grant incentive share options, non-qualified share options and restricted share awards to our employees, officers, directors and consultants. Our Compensation Committee oversees the administration of the Plan. 2,800,000 of our common shares are reserved for issuance under the Plan, of which no more than 700,000 may be used for restricted share awards. As of February 15, 2009, we have granted options to purchase 1,519,834 shares in the aggregate to our senior executives, non-employee directors, employees and other persons.

Share Options. Mr. Raschbaum was granted 333,334 options and Mr. Marshaleck was granted 25,000 options upon joining us in November 2008.

Mr. Tait received a grant of 7,500 options in November 2008. With respect to Mr. Tait's option grant in 2008, the Compensation Committee considered his contributions to the Company as Chief Financial Officer, including his assistance with the preparation of the Company's resale shelf registration statement and improvements in the Company's financial reporting capabilities. Mr. Bolz did not receive a grant of options in 2008.

Restricted Shares. Our Board of Directors may in the future elect to make grants of restricted shares to our named executive officers.

Retirement Plan. We do not provide either a qualified or non-qualified pension plan for our named executive officers. However, it is intended that all of our employees will be eligible to participate in pension plans which will be established on their behalf.

Change in Control and Severance Arrangements. We do not maintain change in control agreements with any of our named executive officers. We do not provide any other severance benefits, other than as may be provided in an executive's employment agreement.

Perquisites and Other Benefits. As a general matter, we limit the use of perquisites in compensating our senior management. We maintain health and welfare programs to provide life, health and disability benefits to our employees. Our named executive officers participate in these plans on the same terms as other employees. Under the terms of the employment agreements, we reimburse Messrs. Raschbaum, Marshaleck, Tait and Bolz for reasonable travel and out-of-pocket expenses that they incur in the performance of their functions, duties and responsibilities.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on its review, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Under their employment agreements, we are able to terminate Mr. Tait's or Mr. Bolz's employment at any time for "cause" and, upon such an event, we will have no further compensation or benefit obligation to Mr. Tait or Mr. Bolz after the date of termination. Cause is defined in the agreement as (i) a material breach of the employment agreement by the executive, but only if such breach is not cured within 30 days following written notice by the Company to the executive of such breach, assuming such breach may be cured; (ii) conviction of any act or course of conduct involving moral turpitude; or (iii) engagement in any willful act or willful course of conduct constituting an abuse of office or authority that significantly and adversely affects our business or reputation. No act, failure to act or course of conduct on the executive's part will be considered willful unless done, or omitted to be done, by him not in good faith and without reasonable belief that his action, omission or course of conduct was in our best interests.

Under their employment agreements, Mr. Tait and Mr. Bolz have agreed to keep confidential all information regarding the Company that they receive during the term of their employment and thereafter. Messrs. Tait and Bolz also agreed that during their employment and for a two-year period beginning upon termination of their employment they will not solicit any of our customers with whom they had dealings or senior employees or solicit any entity that they know has been contacted by us regarding a possible acquisition by us for purposes of acquiring that entity.

We pay an annual retainer of \$55,000 to each non-employee director of the Company. In addition, each non-employee director receives a fee of \$2,000 for each meeting of the Board of Directors attended in person. Each non-employee director who chairs a committee also receives an annual retainer of \$5,000, as well as \$1,000 for each meeting of such committee of the board chaired. Each non-employee director receives a fee of \$1,000 for attendance at each meeting of a committee of the Board of Directors on which he or she sits. Employee directors receive no compensation for service on the Board of Directors or any board committee.

At the closing of the private offering in 2007, each non-employee director received an initial grant of 12,000 options under the Plan described above, to purchase our common shares with an exercise price equal to \$10.00 per share, which the Board of Directors determined to be the fair market value of our shares on the date of grant based on the share price of our private offering, which closed on that date. On January 8, 2008, the date Mr. Neuberger joined our Board of Directors, Mr. Neuberger received a grant of 12,000 options under the Plan to purchase our common shares

with an exercise price equal to \$10.00 per share. For determining the expense to record on our books, we used the Black-Scholes method consistent with FAS 123R accepted methodology, and we expect the same will apply to future grants. Each director received a grant of 6,000 options in June 2008. These options will vest on the first anniversary of the grant. In the future, on the anniversary of the date he or she joined the Board of Directors, each non-employee director will receive an annual grant of 6,000 options to purchase our common shares with an exercise price equal to the fair market value on the grant date, which will vest on the first anniversary of the grant.

Mr. Zyskind has not accepted a retainer, any Board of Directors or committee fees or any options for his service as Chairman of our Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Founding Shareholders and Related Agreements

We were formed in June 2007. In connection with our formation and capitalization, we issued 7,800,000 of our common shares, then representing 100% of our outstanding common shares, to our Founding Shareholders, Barry D. Zyskind, George Karfunkel and Michael Karfunkel, in consideration of their collective investment of \$50 million in us. In connection with our formation and capitalization, we also issued 10-year warrants to the Founding Shareholders to purchase up to an additional 4,050,000 common shares. In addition, certain trusts controlled by George Karfunkel and Michael Karfunkel acquired an aggregate of 7,155,000 common shares in the Trust Preferred Securities financing completed on January 20, 2009. The shares held or controlled by the Founding Shareholders, together with the shares issuable upon exercise of the Founding Shareholders' warrants, represent 30.1% of our outstanding common shares assuming the exercise of all warrants. All of the Founding Shareholders' warrants will

expire 10 years from the date of issuance. To the extent the Founding Shareholders exercise all or part of their warrants, our common shares issued upon such exercise will be subject to “lock-up” restrictions preventing transfer by the Founding Shareholders of any such shares for three years from the date of issuance of such warrants. The warrants were issued to our Founding Shareholders in recognition of the value received from them, which included the development of our business strategy, the development of the private offering to raise initial funds for our operations, and the recruitment of certain executives to us. The 4,050,000 common shares issuable upon exercise of the warrants is based on what we believed would be an acceptable percentage of common shares to grant to our Founding Shareholders upon exercise of the warrants to compensate them for their contributions to us.

We have granted registration rights to the Founding Shareholders for their benefit and the benefit of their direct and indirect transferees of shares.

As described in this proxy statement, our Founding Shareholders, Michael Karfunkel, George Karfunkel and Barry Zyskind, are the Chairman of the Board of Directors, a Director and the Chief Executive Officer of AmTrust, respectively. The Founding Shareholders own or control approximately 59% of the outstanding shares of AmTrust.

Our Arrangements with AmTrust and Its Subsidiaries

Quota Share Agreement and Master Agreement

In July 2007, we entered into master agreement with AmTrust (the “Master Agreement”), by which AmTrust’s Bermuda affiliate, AmTrust International Insurance, Ltd. (“AII”) and Maiden Insurance entered into a quota share reinsurance agreement (the “Reinsurance Agreement”) by which (a) AII retrocedes to Maiden Insurance an amount equal to 40% of the premium written by AmTrust’s U.S., Irish and U.K. insurance companies (the “AmTrust Ceding Insurers”), net of the cost of unaffiliated inuring reinsurance (and in the case of AmTrust’s U.K. insurance subsidiary IGI, net of commissions) and 40% of losses and (b) AII transferred to Maiden Insurance 40% of the AmTrust Ceding Insurer’s unearned premium reserves, effective as of July 1, 2007, with respect to current lines of business, excluding risks for which the AmTrust Ceding Insurers’ net retention exceeds \$5 million (“Covered Business”). AmTrust also has agreed to cause AII, subject to regulatory requirements, to reinsure any insurance company which writes Covered Business in which AmTrust acquires a majority interest to the extent required to enable AII to retrocede to Maiden Insurance 40% of the premiums and losses related to such Covered Business. The Reinsurance Agreement further provides that AII receives a ceding commission of 31% of retroceded written premiums. The Reinsurance Agreement has an initial term of three years, and will automatically renew for successive three year terms thereafter unless either AII or Maiden Insurance notifies the other of its election not to renew not less than nine months prior to the end of any such three year term. In addition, either party is entitled to terminate on thirty day’s notice or less upon the occurrence of certain early termination events, which include a default in payment, insolvency, change in control of AII or Maiden Insurance, run-off, or a reduction of 50% or more of the shareholders’ equity of Maiden Insurance or the combined shareholders’ equity of AII and the AmTrust Ceding Insurers.

Effective June 1, 2008, the Master Agreement was amended such that AII agreed to retrocede and Maiden Insurance agreed to accept and reinsure Retail Commercial Package Business, which AmTrust, through its affiliates, commenced writing effective June 1, 2008, in connection with its acquisition of Unitrin Business Insurance. AII assumed 100% of the unearned premium related to in-force Retail Commercial Package Business and losses related thereto at the effective date and 40% of AmTrust’s net written premium and losses on Retail Commercial Package Business written or renewed on or after the effective date. The \$2 million maximum liability for a single loss provided in the Reinsurance Agreement shall not be applicable to Retail Commercial Package Business. AmTrust receives a ceding commission of 34.375% for Retail Commercial Package Business. AmTrust received approximately \$114 and \$59 million of ceding commissions from Maiden Insurance during 2008 and 2007, respectively, as a result of the Master Agreement with AmTrust.

On February 9, 2009, AII and Maiden Insurance amended the Reinsurance Agreement to clarify that (i) AII would offer Maiden Insurance the opportunity to reinsure Excess Retention Business, which is defined as a policy issued by an AmTrust insurance subsidiary with respect to which the insurance subsidiary’s retention is greater than \$5 million and (ii) the deduction for the cost of inuring reinsurance from Affiliate Subject Premium (as defined in the Reinsurance Agreement) retroceded to Maiden Insurance is net of ceding commission. In addition, the Reinsurance Agreement has been amended by deleting the limitation on Maiden Insurance’s maximum liability in respect of a single loss, which, under certain circumstances, was \$2 million. Pursuant to the Reinsurance Agreement, as amended, AII and Maiden Insurance share, proportionally, in all premium and losses ceded thereunder.

Loans and Other Collateral. In order to provide AmTrust’s insurance subsidiaries with credit for reinsurance on their statutory financial statements, AII, as the direct reinsurer of the AmTrust Ceding Insurers, has established trust

accounts (“Trust Accounts”) for their benefit. Maiden Insurance has agreed to provide appropriate collateral to secure its proportional share under the Quota Share Agreement of AII’s obligations to the AmTrust Ceding Insurers to whom AII is required to provide collateral.

This collateral may be in the form of (a) funds (which may include cash and investments) loaned by Maiden Insurance to AII on an unsecured basis, for deposit into the Trust Accounts, pursuant to a loan agreement between those parties, (b) assets transferred by Maiden Insurance, for deposit into the Trust Accounts, (c) a letter of credit obtained by Maiden Insurance and delivered to an AmTrust Ceding Insurer on AII’s behalf, or (d) premiums withheld by an AmTrust Ceding Insurer at Maiden Insurance’s request in lieu of remitting such premiums to AII.

Excess of Loss Reinsurance

Effective January 1, 2008, we have a 45% participation in the working layer of AmTrust’s workers’ compensation excess of loss reinsurance program. The “working layer” of AmTrust’s excess of loss reinsurance program is the layer immediately above AmTrust’s retention. At present, the working layer is \$9 million per occurrence in excess of AmTrust’s \$1 million per occurrence retention, subject to an annual aggregate deductible in the amount of \$1.25 million. This participation was sourced through a reinsurance intermediary via open market placement in which competitive bids were solicited by an independent broker. The remaining 55% participation was placed with another reinsurer. If we submit a proposal to AmTrust to provide excess reinsurance for higher layers, AmTrust has agreed to consider such proposal in its discretion.

Reinsurance of AmTrust Specialty Transportation Program

As of January 1, 2008, we have a 50% participation in a \$4 million in excess of \$1 million specialty transportation program written by AmTrust. This program provides primarily commercial auto coverage and, to a lesser extent, general liability coverage to private non-emergency para-transit and school bus service operators. This participation was sourced through a reinsurance intermediary via open market placement in which competitive bids were solicited by an independent broker. Several other broker market reinsurers hold the other 50% participation.

Asset Management Agreement

Maiden Insurance has entered into an asset management agreement with All Insurance Management Limited (“AIIM”), an AmTrust subsidiary, pursuant to which AIIM has agreed to provide investment management services to Maiden Insurance. Pursuant to the asset management agreement, AIIM provides investment management services for an annual fee equal to 0.35% of average invested assets plus all costs incurred. We expect that a portion of our investment portfolio will be invested in hedge funds operated and managed by AmTrust. We will pay AmTrust a fee in connection with such investment. The annual fees associated with AmTrust’s current hedge fund are 1% of assets under management and 20% of all net gains. AmTrust receives a majority of these fees. The asset management agreement has an initial term of one year and is automatically renewable for additional one-year terms unless either party elects not to renew the agreement. Following the initial one-year term, the agreement may be terminated upon 30 days written notice by either party.

Reinsurance Brokerage Agreement

We have entered into a reinsurance brokerage agreement with AII Reinsurance Broker Ltd., a subsidiary of AmTrust. Pursuant to the brokerage agreement, AII Reinsurance Broker Ltd. provides brokerage services relating to the Reinsurance Agreement for a fee equal to 1.25% of the premium reinsured from AII. The brokerage fee is payable in consideration of AII Reinsurance Broker Ltd.’s brokerage services. AII Reinsurance Broker Ltd. is not our exclusive broker. AII Reinsurance Broker Ltd. may, if mutually agreed, also produce reinsurance for us from other ceding companies, and in such cases we will negotiate a mutually acceptable commission rate.

IGI Intermediaries Limited Brokerage Services Agreement

We have entered into a brokerage services agreement with IGI Intermediaries Limited (“IGI Limited”), a subsidiary of AmTrust. Pursuant to the brokerage services agreement, IGI Limited provides marketing services to Maiden Insurance which includes providing marketing material to potential policyholders and ceding insurers, providing Maiden Insurance with market information on new trends and business opportunities and referring new brokers and potential policyholders and ceding insurers to us. A fee equal to IGI Limited’s costs in setting up to provide and in providing such services plus 8% is payable in consideration of IGI Limited’s marketing services. IGI Limited is not our exclusive broker.

IGI Intermediaries, Inc. Brokerage Services Agreement

We have entered into a brokerage services agreement with IGI Intermediaries, Inc. (“IGI Inc.”), a subsidiary of AmTrust. Pursuant to the brokerage services agreement, IGI Inc. solicits and submits proposals to Maiden Insurance for reinsurance of specialized property and casualty programs underwritten by small insurers and managing general agents and refers and introduces brokers and potential insurance company cedents to us. A fee equal to IGI Inc.’s costs in setting up to provide and in providing such services plus 8% is payable in consideration of IGI Inc.’s marketing services. IGI Inc. is not our exclusive broker.

Potential Conflicts of Interest with Respect to Future Transactions

Barry D. Zyskind, our Chairman of the Board of Directors, is the President, Chief Executive Officer and director of AmTrust and, together with George Karfunkel and Michael Karfunkel, owns approximately 59% of the outstanding common stock of AmTrust. Mr. Zyskind is also the son-in-law of Michael Karfunkel, who is a major shareholder and the non-executive Chairman of the board of directors of AmTrust. In addition, Max G. Caviet, our former Chief Executive Officer, present director (though he is not being nominated for reelection) and nominee for the Maiden Insurance board of directors, is currently employed by AmTrust (and Mr. Caviet is an executive of AmTrust). In addition, Mr. Caviet owns options and equity in AmTrust. One of our directors, Yehuda L. Neuberger, is the son-in-law of George Karfunkel, who is a major shareholder and director of AmTrust, and Mr. Neuberger is employed by American Stock Transfer & Trust Company, a company formerly controlled by George Karfunkel and Michael Karfunkel. Conflicts of interest could arise with respect to business opportunities that could be advantageous to AmTrust or its subsidiaries, on the one hand, and us or our subsidiaries, on the other hand. In addition, potential conflicts of interest may arise should the interests of AmTrust and Maiden Holdings diverge. From time to time, we and AmTrust may both be presented with opportunities to insure, reinsure or acquire the same book of business. Because of the overlaps between our and AmTrust's shareholders and management, we and AmTrust have agreed that in such cases, the opportunities will be referred to a committee of independent directors of each company to decide whether that company wishes to pursue the opportunity.

PROPOSAL 2:

AUTHORIZATION OF THE ELECTION OF DIRECTORS OF MAIDEN INSURANCE

Pursuant to the our bye-laws, with respect to any matter required to be submitted to a vote of the shareholders of any non-US subsidiary, which includes Maiden Insurance, a Bermuda company, we are required to submit a proposal relating to such matters to our shareholders and vote all the shares of Maiden Insurance in accordance with and proportional to such vote of our shareholders. Accordingly, our shareholders are being asked to consider this proposal.

The Company wishes to nominate and elect Max Caviet, Arturo M. Raschbaum and John Marshaleck to be directors of Maiden Insurance until the next annual general meeting of the shareholders of Maiden Insurance in 2010. Ben Turin has not been nominated for reelection.

Information about the Nominees

Max G. Caviet, 56, served as our President and Chief Executive Officer until November 2008. Mr. Caviet has also served as the President and a director of AII and AIU since 2003. From 1994 to 2003, Mr. Caviet was Engineering and Extended Warranty Underwriter with Trenwick International Limited, a reinsurance company. In 1990, Mr. Caviet joined Crowe Underwriting Agency Ltd. as its Engineering and Extended Warranty Underwriter. In 1982, Mr. Caviet joined CIGNA Insurance Company of North America (UK) Ltd. as a Senior Underwriter for Special Risks and was promoted to Engineering and Underwriting Manager. Between 1972 and 1982, Mr. Caviet was an underwriter and team leader, specializing in engineering risks, at British Engine Insurance Company.

Information about Mr. Raschbaum and Mr. Marshaleck can be found on page [__].

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” AUTHORIZATION OF THE ELECTION OF THE NOMINEES NAMED ABOVE.

PROPOSAL 3: INCREASE THE AUTHORIZED SHARE CAPITAL

General

We are requesting shareholder approval to grant the Board of Directors the authority to increase the authorized share capital of the Company from US\$1,000,000 divided into 100,000,000 shares of par value US\$0.01 each, to US\$1,500,000 divided into 150,000,000 shares of par value US\$0.01 each (the “Increase in Authorized”). We are authorized to issue 100,000,000 shares of common shares of which 70,287,664 common shares are currently outstanding. Therefore, we currently have only approximately 29,712,336 authorized shares available to be issued or reserved for issuance upon the granting of new options or upon the issuance of new warrants or other securities convertible into common shares. The Board of Directors has unanimously approved the Increase in Authorized and declared that it is advisable for the shareholders to approve such amendment.

Procedure For Effecting The Increase in Authorized

We will file the Memorandum of Increase of the Capital with Bermuda Register of Companies within 30 days of the Meeting.

Vote Required and Principal Effects of the Increase in Authorized

The approval of the Increase in Authorized requires the affirmative vote of a majority of the shares of voting stock present in person or represented by proxy at the Meeting.

The Board of Directors has approved the Increase in Authorized pursuant to which the authorized common shares of the Company from US\$1,000,000 divided into 100,000,000 shares of par value US\$0.01 each, to US\$1,500,000 divided into 150,000,000 shares of par value US\$0.01 each.

The Board of Directors believes that the Increase in Authorized is desirable to make available common shares for future issuance by allowing us greater flexibility with respect to general corporate purposes and in considering potential future actions involving the issuance of common shares, including, without limitation, raising capital, acquisitions of companies or assets, for strategic transactions, sales of stock or securities convertible into common shares, stock dividends or splits, and potentially providing equity incentives to employees, officers and directors. The Board of Directors also believes that the Increase in Authorized would be desirable to make additional unreserved common shares available for issuance or reservation without further shareholder authorization, except as may be required by law or by the rules of NASDAQ. For example, the NASDAQ Marketplace Rules requires shareholder approval as a prerequisite to approval of applications to list additional common shares to be issued where the present or potential issuance of common shares (or securities convertible into common shares) could result in an increase in outstanding common shares of 20% or more.

Authorizing the Company to issue more common shares than currently authorized will not affect materially any substantive rights, powers or privileges of the holders of shares of common shares. Holders of common shares are entitled to one vote per share on all matters submitted to the shareholders and do not have cumulative voting rights or pre-emptive rights for the purchase of additional shares of any class of capital stock. The additional common shares for which authorization is sought are identical to the common shares now authorized. However, the issuance of additional common shares may, among other things, have a dilutive effect on the earnings per share and on equity and voting power of existing shareholders and adversely affect the market price for common shares. Although the Board of Directors has no present intention of issuing any additional common shares, the proposed increase in the number of authorized common shares could enable the Board of Directors to render more difficult or discourage an attempt by another person or entity to obtain control of the Company. However, we do not view the Increase in Authorized as part of an “anti-takeover” strategy. The Increase in Authorized is not being advanced as a result of any known effort by any party to accumulate common shares or to obtain control of the Company. The Board of Directors also could, although it has no present intention of so doing, authorize the issuance of common shares to a holder who might thereby obtain sufficient voting power to assure that any proposal to effect certain business combinations or amendment to the Memorandum of Association or Bye-laws would not receive the required shareholder approval.

The Company believes that the availability of the additional common shares will provide us with the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond to a changing corporate environment. If we issue additional shares, the ownership interests of holders of the common shares will be diluted.

Interests of Certain Persons in the Authorized Common Shares Increase and the Transaction

No director, executive officer, associate of any director or executive officer or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposals to effectuate the Increase in Authorized and take all related actions which are not shared by all other holders of the common shares. See “Security Ownership of Certain Beneficial Owners and Management.”

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE INCREASE IN THE AUTHORIZED SHARE CAPITAL.

PROPOSAL 4:

APPOINTMENT OF INDEPENDENT AUDITORS OF MAIDEN HOLDINGS

Under Bermuda law, the appointment of our auditors is a decision to be made by the shareholders. The Audit Committee has recommended that the shareholders appoint the firm of BDO Seidman, LLP, independent accountants, to be our independent auditors for the fiscal year ending December 31, 2009, subject to ratification by our shareholders.

A representative from BDO Seidman, LLP will be present at the Annual General Meeting and will have the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from shareholders.

Changes in Accountants

On May 12, 2008 (the “dismissal date”), we dismissed PricewaterhouseCoopers, the independent registered public accounting firm that audited our financial statements for the period from May 31, 2007 (the date of our incorporation) through December 31, 2007 (the “reporting period”), as our independent registered public accounting firm. Our Audit Committee participated in and approved the decision to change our independent registered public accounting firm.

PricewaterhouseCoopers’s report on our financial statements for the reporting period did not contain an adverse opinion or disclaimer and was not qualified or modified as to uncertainty, audit scope, or accounting principles. During the reporting period and up to the dismissal date, there were no disagreements with PricewaterhouseCoopers on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers would have caused them to make reference thereto in their report of the financial statements for such reporting period.

In addition, during the reporting period and up to the dismissal date, there have been no reportable events (as defined in Item 304(a)(1)(v) of the SEC’s Regulation S-K), except that the following deficiencies which aggregate to a material weakness in internal control over financial reporting (the “reportable event”) were identified:

- Failure to give appropriate consideration to U.S. GAAP accounting rules or to have documentation of the basis for our opinion and conclusion regarding the application of U.S. GAAP;
-

Edgar Filing: Maiden Holdings, Ltd. - Form PRE 14A

Lack of an independent preparer and reviewer for various accounting tasks, including the preparation of the financial statements and disclosures; and

- Lack of formality regarding certain controls surrounding the control environment.

Our Audit Committee had discussed the reportable event with PricewaterhouseCoopers.

We have authorized PricewaterhouseCoopers to respond fully to the inquiries of the successor accountant, BDO Seidman, LLP, concerning the subject matter of the reportable event.

PricewaterhouseCoopers furnished us with a letter dated June 23, 2008 addressed to the SEC stating that it agrees with the above statements.

We engaged BDO Seidman, LLP on May 12, 2008 as our new independent registered public accounting firm. From the date of our incorporation and through to May 12, 2008, we have not consulted with BDO Seidman, LLP on any matters described in Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-K.

Audit and Non-Audit Fees

The following table presents the aggregate fees billed for professional services rendered to us by PricewaterhouseCoopers, for your fiscal year 2007 and BDO Seidman for our fiscal year 2008.

	2008	2007
Audit Fees (1)	\$ 984,280	757,981
Audit-Related Fees (2)	—	—
Tax Fees (3)	—	—
All Other Fees (4)	—	—
Total	\$ 984,280	757,981

- (1) Audit fees in 2007 relate to professional services rendered for: (i) the audit of our annual financial statements and the reviews of our quarterly financial statements for the period from May 31, 2007 through December 31, 2007 and (ii) services performed in connection with filings of registration statements and securities offerings.
- (2) Audit-related fees relate to services rendered to us primarily related to benefit plan audits.
- (3) Tax fees relate to services rendered to us for tax compliance, tax planning and advice.
- (4) Other services performed include certain advisory services in connection with accounting research and do not include any fees for financial information systems design and implementation.

Pre-Approval Policies and Procedures of the Audit Committee

We and our Audit Committee are committed to ensuring the independence of the accountants, both in fact and in appearance.

Pursuant to its charter, the Audit Committee pre-approves all audit and permitted non-audit services, including engagement fees and terms thereof, to be performed for us by the independent auditors, subject to the exceptions for certain non-audit services approved by the Audit Committee prior to the completion of the audit in accordance with Section 10A of the Securities Exchange Act of 1934, as amended. The Audit Committee must also pre-approve all internal control-related services to be provided by the independent auditors. The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related and other services, for the upcoming or current fiscal year, subject to a specified cost level. Any material service not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved cost level, whether or not such services are included on the pre-approved list of services, must be separately pre-approved by the Audit Committee.

The Audit Committee may form and delegate to a subcommittee consisting of one or more members (provided that such person(s) are Independent Directors) its authority to grant pre-approvals of audit, permitted non-audit services and internal control-related services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.
