INFORMATION ABOUT THE 2009 ANNUAL MEETING AND PROXY VOTING

What matters are to be voted on at the Annual Meeting?

Acorn Energy intends to present the following proposals for stockholder consideration and voting at the Annual Meeting:

(1) the election of six directors to hold office until the 2010 Annual Meeting and until their respective successors are elected and qualified; and

(2) such other business as may properly come before the Annual Meeting or any adjournment thereof.

What is the Board's recommendation?

The Board of Directors recommends that you vote your shares "FOR" each of the management nominees for director listed under Proposal 1 on your proxy card.

Will any other matters be presented for a vote at the Annual Meeting?

We do not expect that any other matters might be presented for a vote at the Annual Meeting. However, if another matter were to be properly presented, the proxies would use their own judgment in deciding whether to vote for or against the proposal.

Who is entitled to vote?

All Acorn Energy stockholders of record at the close of business on the Record Date are entitled to vote at the Annual Meeting. Each share outstanding on the Record Date will be entitled to one vote. There were 11,281,787 shares outstanding on the Record Date.

How do I vote my shares?

If you are a stockholder of record you may grant a proxy with respect to your shares by mail using the proxy included with the proxy materials. Stockholders who own their shares through banks, brokers or other nominees may grant their proxy by mail, by telephone or over the Internet in accordance with the instruction in the Notice of Internet Availability of Proxy Materials. Internet and telephone voting will be available through 11:59 p.m. Eastern Daylight Time on August 3, 2009.

If you are a stockholder of record or a duly appointed proxy of a stockholder of record, you may attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting to vote in person, you will have to contact your bank, broker or other nominee to obtain its proxy. Bring that document with you to the meeting.

All proxies submitted will be voted in the manner you indicate by the individuals named on the proxy. If you do not specify how your shares are to be voted, the proxies will vote your shares FOR the election of the nominees for director named in Proposal 1.

As permitted by the Securities and Exchange Commission, or SEC, Acorn Energy is sending a Notice of Internet Availability of Proxy Materials to stockholders who hold shares in “street name” through a bank, broker or other holder of record. All such stockholders will have the ability to access this Proxy Statement and the Company’s Annual Report at <https://materials.proxyvote.com/004848>. The notice also includes information as to how these stockholders may vote their shares.

May I change or revoke my proxy after it is submitted?

Yes, you may change or revoke your proxy at any time before the Annual Meeting by:

- returning a later-dated proxy card;
- attending the Annual Meeting and voting in person; or
- sending your written notice of revocation to Joe B. Cogdell, Jr., our Secretary.

Your changed proxy or revocation must be received before the polls close for voting.

What is a “quorum?”

In order for business to be conducted at the Annual Meeting, a quorum must be present. A quorum will be present if stockholders of record holding a majority in voting power of the outstanding shares of our common stock entitled to vote at the Annual Meeting are present in person or are represented by proxies.

What vote is necessary to pass the items of business at the Annual Meeting?

Holders of our common stock will vote as a single class and will be entitled to one vote per share with respect to each matter to be presented at the Annual Meeting. There is only one proposal scheduled for this year’s Annual Meeting—Proposal 1—Election of Directors. The six nominees for director receiving a plurality of the votes cast by holders of common stock, at the Annual Meeting in person or by proxy, shall be elected to our Board.

Who pays the costs of this proxy solicitation?

CORPORATE GOVERNANCE MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

No person who, during the fiscal year ended December 31, 2008, was a “Reporting Person” defined as a director, officer or beneficial owner of more than ten percent of the our common stock which is the only class of securities of the Company registered under Section 12 of the Exchange Act, failed to file on a timely basis reports required by Section 16 of the Exchange Act during the most recent fiscal year, with the exception of a Form 4 report filed by John A. Moore on August 28, 2008 (two days after the due date) reporting an open market purchase of 5,000 shares on August 22, 2008. The foregoing is based solely upon a review by us of Forms 3 and 4 during the most recent fiscal year as furnished to us under Rule 16a-3(d) under the Exchange Act, and Forms 5 and amendments thereto furnished to the Company with respect to its most recent fiscal year, and any representation received by us from any reporting person that no Form 5 is required. We have implemented measures to assure timely filing of Section 16(a) reports by our executive officers and directors in the future.

Board Composition and Director Independence

Our Board of Directors is composed of one class, with seven Board seats, one of which is vacant, and six directors serving until their reelection or replacement at the 2009 annual meeting of stockholders. All members of the Board of Directors other than Mr. Moore are non-employees of the Company and are “independent” of us and our management under the applicable standards of the Nasdaq Global Market.

Meetings and Meeting Attendance

During the fiscal year ended December 31, 2008, there were 13 meetings of the Board of Directors. All incumbent directors attended 75% or more of the Board meetings and meetings of the committees on which they served during the last fiscal year. Directors are encouraged to attend the annual meeting of stockholders, and all directors attended the 2008 annual meeting of stockholders.

Committees of the Board

Audit Committee. Our Board of Directors has established one standing committee, the Audit Committee, consisting of Joseph Musanti, Richard Rimer and Sam Zentman. The Audit Committee oversees our accounting and financial reporting processes and audits of our financial statements by our independent auditors. Our Audit Committee's charter is available on our website at www.acornenergy.com, where it may be found under the "Investor Relations" tab. All three members of our Audit Committee are "independent" under Rule 10A-3 of the Securities Exchange Act of 1934 and the Nasdaq Marketplace Rules. During 2008, the Audit Committee met five times.

Audit Committee Financial Expert. Joseph Musanti has been designated as our Audit Committee financial expert. Our Board of Directors has determined that Mr. Musanti meets the qualifications for an “audit committee financial expert” set forth in Item 407 of Regulation S-K and is an independent director under Nasdaq standards.

Audit Committee Report. The Audit Committee has (1) reviewed and discussed the audited financial statements with management; (2) discussed with the independent auditors the matters required to be discussed by the statement of Auditing Standards No. 61 as amended; and (3) received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants’ communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant’s independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company’s annual report on Form 10-K for the fiscal year ended December 31, 2008, which was filed with the Securities and Exchange Commission on March 30, 2009.

COMMITTEE OF
THE
BOARD OF
DIRECTORS OF
ACORN
ENERGY, INC.

Nominating Procedures. The Company does not have a nominating committee. We believe that not using a committee of the Board in the director nomination process fosters fuller active participation of all our directors in the process. Nominations to the Board must either be selected or recommended for the Board’s selection by a majority of the Board’s independent directors. The Board uses established policies and procedures for director nominations. The Board identifies potential director candidates from a variety of sources, including recommendations from current directors or management, recommendations of security holders, or any other source that the Board has deemed appropriate.

In considering candidates for the Board of Directors, the Board evaluates the entirety of each candidate’s credentials, such as (i) business or other relevant experience; (ii) expertise, skills and knowledge; (iii) integrity and reputation; (iv) the extent to which the candidate will enhance the objective of having directors with diverse viewpoints and backgrounds; (v) willingness and ability to commit sufficient time to Board responsibilities; and (vi) qualification to serve on specialized board committees.

Our stockholders may recommend potential director candidates by contacting the Secretary of the Company to receive a copy of the procedure to recommend a potential director candidate for consideration by the independent directors, who will evaluate recommendations from stockholders in the same manner that they evaluate recommendations from other sources.

Compensation Committee. The Company does not currently have a compensation committee. We believe that not using a committee of the Board in setting compensation policies and making compensation decisions fosters fuller

active participation of all our directors in the process. The entire Board of Directors establishes the general compensation policies of the Company, the specific compensation levels for each executive officer, and administers the Company's equity compensation plans and practices.

As required by Nasdaq, all action with respect to the compensation of our Chief Executive Officer is approved or recommended for approval by a majority of our independent directors.

The information contained in this proxy statement with respect to the charter of the Audit Committee and the independence of the non-management members of the Board of Directors shall not be deemed to be “soliciting material” or to be “filed” with the SEC, nor shall the information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference in a filing.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all our officers and employees. This Code of Ethics is designed to comply with the Nasdaq marketplace rules related to codes of conduct. A copy of this Code of Ethics may be obtained on our website at <http://www.acornenergy.com> under the “Investor Relations” tab. We intend to post on our website any amendments to, or waiver from, our Code of Business Conduct and Ethics. Other than this Proxy Statement and proxy card which have been posted on our website, our website, and the information contained in our website, is not a part of this Proxy Statement.

Under the Employment Agreement, Mr. Moore is also entitled to (i) the employee benefits generally made available to the registrant's executive officers, (ii) short-term and long-term disability insurance for the benefit of Mr. Moore, and (iii) a monthly automobile expense allowance of \$1,000. Under the Employment Agreement, Mr. Moore was also granted non-qualified stock options to purchase 200,000 shares of common stock at an exercise price of \$5.11 per share. The options vest in equal quarterly installments over a four-year period, commencing 90 days from the date of grant and expire in March 2018. In February 2009, in lieu of a bonus for 2008, Mr. Moore was awarded 75,000 stock options exercisable until February 20, 2014 at an exercise price of \$2.51 per share, exercisable immediately as to one-fourth of the options, with the remainder to vest in equal installments on June 30, September 30 and December 31, 2009.

In the event that (i) the Company terminates the employment of Mr. Moore (including a non-renewal of his agreement at the end of the three-year term provided therein, but not including non-renewal following any subsequent renewal of the term), other than upon a change of control, death, disability or for cause, or (ii) Mr. Moore terminates for good reason, other than in connection with a change of control, Mr. Moore shall receive the following (except to the extent that any payment would constitute an "excess parachute payment" under the IRS Code): (i) an amount equal to (A) 12 months of then-current base salary and (B) his most recent annual bonus; (ii) reimbursement of all previously unreimbursed expenses; (iii) accelerated vesting of all unvested options that otherwise would have vested within 24 months of the date of termination, with such accelerated options and all other vested and unexercised options granted by the Company as of the date of termination to be exercisable for a period of one year from the date of termination of employment in accordance with the terms of the applicable stock option plan and agreements; and (iv) the continuation of all medical and dental benefits at the Company's sole expense for a period of one year after termination.

In the event of any change of control, all stock options granted to Mr. Moore prior to such change of control vest and remain exercisable until their respective expiration dates.

Compensation of Directors

In October 2007, we agreed that each of our non-employee directors would be paid an annual cash retainer of \$40,000 payable quarterly in advance, as well as meeting fees for Board and Committee meetings of \$1,000 per meeting, and an additional annual cash retainer of \$10,000 for each of the Chairman of the Audit Committee and the lead director for compensation matters.

Our 2006 Stock Option Plan for Non-Employee Directors, which was adopted in February 2007 and amended and restated in November 2008, provides for formula grants to non-employee directors equal to an option to purchase (i) 25,000 shares of our Common Stock upon a member's initial appointment or election to the Board of Directors and (ii) 10,000 shares of our Common Stock to each director, other than newly appointed or elected directors, immediately following each annual meeting of stockholders. The initial grant to purchase 25,000 shares of our Common Stock vests one-third per year for each of the three years following the date of appointment or election and the annual grant to purchase 10,000 shares vests one year from the date of grant. Both options shall be granted at an exercise price equal to the closing price on NASDAQ on the day preceding the date of grant and shall be exercisable until the earlier of (a) seven years from the date of grant or (b) 18 months from the date that the director ceases to be a director, officer, employee, or consultant. The plan also provides for non-formula grants at the Board's discretion. The maximum number of shares of our Common Stock to be issued under the plan is 400,000. The Plan is administered by the Board of Directors.

Consulting Agreement with Mr. Morgenstern

Mr. Morgenstern, our Chairman Emeritus, has been retained as a consultant by our Company since March 2006 primarily to provide oversight of our Israeli activities. Mr. Morgenstern's consulting agreement, as amended to date, was to expire on March 31, 2009, but was extended on March 25, 2009 and now expires on March 31, 2011, provides for the payment of an annual consulting fee of \$1.00 and a non-accountable expense allowance of \$75,000 per year.

Certain Related Party Transactions

During 2008, we paid approximately \$780,000 for legal services rendered and reimbursement of out-of-pocket expenses to Eilenberg Krause & Paul LLP, a law firm in which Sheldon Krause, our former Secretary and General Counsel, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on our behalf. Mr. Krause is the son-in-law of George Morgenstern, our Chairman Emeritus, who up until March 2006, also served as our President and Chief Executive Officer.

In August 2006, as part of our initial investment in Paketeria, we also entered into a Stock Purchase Agreement with two shareholders of Paketeria—one of whom is our President and Chief Executive Officer and the other is one of our directors. Pursuant to that agreement, we were entitled through August 2007 to purchase the shares of Paketeria equally held by the two Paketeria shareholders for an aggregate purchase price of the U.S. dollar equivalent on the date of purchase of €598,000 (approximately \$776,000 at the then exchange rate), payable in our Common Stock and warrants on the same terms as our July 2006 private placement. The option was initially extended by both shareholders to November 5, 2007 and again by our President and Chief Executive Officer for his share (€299,000 or approximately \$416,000 at December 31, 2008 exchange rates) to March 31, 2009. At the December 31, 2008 exchange rate, the exercise of the option would result in the issuance of approximately 157,000 shares of our Common Stock and warrants exercisable for approximately 39,000 shares of Common Stock. The warrants would have an exercise price of \$2.78 per share and be exercisable for five years from their grant date.

It is the policy of the Company that before a transaction with a related party will be entered into, it must receive the approval of a majority of the disinterested members of the Board of Directors. In determining whether or not a transaction involves a related party, we apply the definition provided under Item 404 of Regulation S-K.

All of the above transactions received the unanimous approval of the disinterested members of our Board of Directors.
