Item 1. Security and Issuer.

This statement on Schedule 13D (this “Statement”) relates to the common stock, par value \$0.02 per share (the “Common Stock”), of National Holdings Corporation, a Delaware corporation (the “Company”). The address of the principal executive offices of the Company is 120 Broadway, 27th Floor, New York, NY 10271.

Item 2. Identity and Background.

(a)-(c), (f) The names of the persons filing this Statement (the “Reporting Persons”) are: (1) Opus Point Partners, LLC (“Opus Point”), a Delaware limited liability company; (2) Opus Point Partners Management, LLC (“Management LLC”), a Delaware limited liability company; and (3) Michael S. Weiss, a United States Citizen. Opus Point is the general partner of Management LLC. Mr. Weiss is the managing member of Opus Point.

The principal business of Opus Point and Management LLC is providing investment management services to certain private investment funds. The business address of each of the Reporting Persons is 787 Seventh Avenue, 48th Floor, New York, NY 10019.

(d)–(e) During the last five years, none of the Reporting Persons has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The aggregate purchase price of the Series D Preferred Stock (defined below) and the Warrants (defined below) purchased by the Reporting Persons in the Financing (defined below) was \$2,000,000. The source of the funding for the purchase of the Series D Preferred Stock was the general working capital of each entity.

Item 4. Purpose of Transaction.

On September 29, 2010, the Company entered into a Securities Purchase Agreement (the “Purchase Agreement”), by and between the Company and certain investors (the “Investors”) led by Opus Point Partners (the “Lead Investor”), pursuant to which the Company completed a private placement of its securities (the “Financing”). As part of this transaction, Michael S. Weiss, a principal of the Lead Investor, has been designated as the Lead Investor’s nominee to the Board of Directors and Chairman of the Board, and Paul J. Coviello, the manager of one of the investors in the Financing, was elected to the Board of Directors.

In connection with the Financing, the Company sold to the Investors an aggregate of 60,000 shares of its newly created Series D Convertible Preferred Stock, par value \$0.01 per share (the “Series D Preferred Stock”) at a purchase price of \$50.00 per share, and warrants (the “Warrants”) to purchase an aggregate of 6,000,000 shares of the Company’s common stock, par value \$0.02 per share (the “Common Stock”) for an aggregate purchase price of \$3,000,000. The Company and the Investors also entered into a Registration Rights Agreement (the “Registration Rights Agreement”) in connection with the private placement.

Series D Preferred Stock. Each share of Series D Preferred Stock is convertible, at the option of the holder thereof, at any time after the date of issuance, into such number of shares of Common Stock as is determined by dividing the Series D Preferred Stock Price by the Series D Conversion Price, which is initially \$0.50 (i.e., each share is convertible into approximately 100 shares of Common Stock). Accordingly, the 60,000 shares of Series D Preferred Stock sold in

the private placement are initially convertible into a total of 6,000,000 shares of Common Stock. From the date of the Purchase Agreement until March 31, 2011 (the "Participation Period"), the conversion price of the Series D Preferred Stock is subject to full-ratchet price protection in the event the Company issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the conversion price of the Series D Preferred Stock then in effect. In addition, the Series D Conversion Price may be adjusted to reflect subdivisions or combinations of our Common Stock such as through stock splits, dividends, distributions and similar adjustments to our capital stock.

During the Participation Period, the holders of the Series D Preferred Stock have a right of co-sale in the event the Company enters into an equity or equity-linked capital raising transaction with a third party in excess of \$3 million. In such an event, should such right of co-sale be accepted by the holders of the Series D Preferred Stock, such holders will have the right to sell their shares of Series D Preferred Stock (the "Conversion Shares") to such third party and receive the following consideration; (i) during the ninety day period following the date of the Purchase Agreement (the "First Period") \$0.75 per Conversion Share; (ii) during the ninety day period following the First Period (the "Second Period") \$1.00 per Conversion Share; (iii) during the ninety day period following the Second Period (the "Third Period") \$1.25 per Conversion Share; and (iv) during the period following the Third Period until the expiration of the Participation Period (the "Final Period") \$1.50 per Conversion Share.

The holders of Series D Preferred Stock generally have the right to vote on any matter with the holders of Common Stock, the Company's Series A Preferred Stock and the Company's Series C Preferred Stock on an "as converted" basis (less one share of Common Stock) and are entitled to certain protective provisions pursuant to which the majority of the Series D Preferred Stock have the right to approve certain actions as further described in the Certificate of Designation. The shares of Series D Preferred Stock are not entitled to receive any dividends.

In the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary, after payment to the holders of the Series A Preferred Stock, the holders of the Series D Preferred Stock will be entitled to receive, on a pari passu basis with the Series C Preferred Stock and any class or series of capital stock of the Company created specifically ranking, by its terms, on parity with the Series D Preferred Stock, and prior and in preference to any distribution of any of the assets or surplus funds of the Company to the holders of the Common Stock, an amount equal to the Series D Preferred Stock Price then held by them.

Warrants. In connection with the private placement, the Company issued Warrants to purchase a total of 6,000,000 shares of Common Stock. Each Warrant has an exercise price of \$0.50 per share and vests 33% on the date of grant and 33% on each of the first and second anniversaries of the date of grant. Each tranche of warrants expires five years from the date of vesting. Until March 31, 2011, the exercise price of the Warrants is subject to full-ratchet price protection in the event of the Company issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the exercise price of the Warrants then in effect. In addition, the number of shares of Common Stock subject to each Warrant is subject to adjustment in the event of stock splits, dividends, distributions and similar adjustments to our capital stock.

Registration Rights Agreement. The Company entered into a Registration Rights Agreement with the Investors in connection with the private placement. Pursuant to the terms of the Registration Rights Agreement, in the event that the Company receives written requests, from any Investor or Investors of not less than twenty percent (20%) of the registrable securities then outstanding, calling upon the Company to effect a registration on Form S-3 and the Company or successors thereto is a registrant entitled to use Form S-3 to register such registrable securities, the Company has agreed to use its best efforts to promptly register such securities. In addition, we have granted the Investors certain "piggy-back" registration rights, subject to previously granted registration rights and SEC rules. There are no liquidated damages or penalties for failure to register the securities.

The description of the Purchase Agreement, the Registration Rights Agreement, the Certificate of Designation, and the terms of the Series D Preferred Stock and Warrants issued in the private placement, contained in this Item 4 is a summary and is qualified in its entirety by reference to the copies of the Certificate of Designation, the form of Warrant, the Purchase Agreement and the Registration Rights agreement, attached as Exhibits 3.10, 4.10, 10.37 and 10.38 respectively, to the Company's Current Report on Form 8-K as filed with the Securities and Exchange Commission on October 5, 2010.
