Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (“Exchange Act”), requires our officers, directors and persons who beneficially own more than ten percent of our common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission (“SEC”). These reporting persons are also required to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on the review of the copies of these forms furnished to us and representations that no other reports were required, all Section 16(a) reporting requirements were complied with during the year ended July 31, 2010.

Code of Ethics

Our board of directors has adopted a code of ethics that applies to our directors, officers and employees as well as those of our subsidiaries. Our code of ethics can be found on our corporate website at www.fohgroup.com. In addition, requests for copies of the code of ethics should be sent in writing to Frederick’s of Hollywood Group Inc., 6255 Sunset Boulevard, Hollywood, California 90028, Attention: Corporate Secretary.

Committees of the Board of Directors

We have standing audit, compensation and nominating and governance committees. Copies of our committee charters are available free of charge on our corporate website at www.fohgroup.com.

Audit Committee

General

Our audit committee consists of Milton J. Walters (chairman) and John L. Eisel, each an independent director under the NYSE Amex listing standards. As required by the NYSE Amex, since we are a “smaller reporting company,” our audit committee is comprised of at least two independent directors who are also “financially literate.” The NYSE Amex standards define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement.

Financial Expert on Audit Committee

We must certify to the NYSE Amex that the audit committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual’s financial sophistication. The board of directors has determined that John L. Eisel and Milton J. Walters both satisfy the NYSE Amex’s definition of financial sophistication and also both qualify as “audit committee financial experts,” as defined under the rules and regulations of the SEC.

Audit Committee Pre-Approval Policies and Procedures

In accordance with Section 10A(i) of the Exchange Act, before we engage our independent registered public accounting firm to render audit or permitted non-audit services, the engagement is approved by the audit committee. The audit committee approved all of the fees referred to in the section below entitled “Principal Accountant Fees and Services” for fiscal year 2010.

Compensation Committee

Our compensation committee is currently comprised of Peter Cole (chairman), William F. Harley and John L. Eisel. Messrs. Eisel and Harley are each independent directors under the NYSE Amex listing standards. Mr. Cole does not qualify as an independent director under the NYSE Amex standards because he served as an executive officer of our company within the past three years. Despite his lack of independence, our board of directors determined that Peter Cole's membership on the compensation committee is in the best interests of our company and its shareholders due to his knowledge and depth of experience with compensation related issues.

3

Nominating and Governance Committee

Our nominating and governance committee is currently comprised of John L. Eisel (chairman), Milton J. Walters and William F. Harley, each an independent director under the NYSE Amex listing standards. The nominating and governance committee is responsible for overseeing the selection of persons to be nominated to serve on the board of directors. The nominating and governance committee considers persons identified by its members, management, shareholders, investment bankers and others. There have been no material changes to the procedures by which security holders may recommend nominees to the board.

Mr. Lynch voluntarily reduced his annual salary by \$60,000 (or an aggregate of \$210,000 over the term of the agreement) in support of our continuing efforts to reduce expenses. Pursuant to the terms of the employment agreement, in addition to his base salary, Mr. Lynch is eligible to receive, for the years ending July 30, 2011, July 28, 2012, July 27, 2013 and July 26, 2014, an annual performance bonus equal to 65% of his base salary based on achieving certain targeted performance goals established by the compensation committee and approved by the board of directors for each fiscal year. The bonus for the year ending July 26, 2014 will be prorated for the partial year. No performance bonus was required to be paid to Mr. Lynch for the year ended July 31, 2010. From time to time, Mr. Lynch also will be eligible to receive such discretionary bonuses as the compensation committee deems appropriate.

In addition to his base salary, on June 29, 2010, we granted Mr. Lynch a ten-year, non-qualified option to purchase 600,000 shares of common stock under our 2010 Long-Term Incentive Equity Plan at an exercise price of \$0.78 per share (the closing price of our common stock on such date), with 150,000, 200,000 and 250,000 shares vesting on January 2, 2012, 2013 and 2014, respectively. There can be no assurance that the grant date fair value of the stock and option awards will ever be realized by the individual. The amount of these awards that was expensed is included in the Summary Compensation Table:

(2) The fair value of the option awards was calculated using the Black-Scholes option-pricing model with the following weighted-average assumptions used for each grant: risk-free interest rate 2.55%; expected life of 7 years; expected volatility 76.2% and expected dividends of zero. The fair value generated by the Black-Scholes model may not be indicative of the future benefit, if any, that may be received by the holder. The fair value of the stock awards was calculated by the fair value of our common stock on the date of grant multiplied by the respective number of shares.

We account for our stock-based employee compensation arrangements under ASC 718, which requires companies to recognize the cost of employee services received in exchange for awards of equity instruments, based on the grant date fair value of those awards, in the financial statements.

Potential Termination or Change of Control Payments

Messrs. Lynch and Rende each have an employment agreement with us that provides for the following potential payments in the event of their termination. Unless otherwise indicated, all such payments will be paid in accordance with our normal payroll procedures. To the extent necessary to comply with Internal Revenue Code Section 409A, all cash amounts due may be paid in a lump-sum cash payment on the six-month anniversary of the date of termination of employment.

Thomas J. Lynch

Payment Upon Death or Disability. In the event of death or termination due to “disability” (as defined in his employment agreement), Mr. Lynch, or his designated beneficiary, as the case may be, will be entitled to receive:

- base salary through the date of death or disability;
- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;
- all valid business expense reimbursements; and

- all accrued but unused vacation pay.

In addition, in the case of death, his beneficiary will be entitled to receive proceeds from a company-paid life insurance policy to be provided to Mr. Lynch in his name. During the year ended July 31, 2010, Mr. Lynch did not elect to receive life insurance. We also maintain a long-term disability insurance policy for Mr. Lynch, which, upon his disability, will provide a non-taxable benefit of at least \$10,000 per month (currently \$12,000 per month), payable to him.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Lynch terminates his employment for "good reason" (as defined in his employment agreement) or is terminated by us without "cause" (as defined in his employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, he will be entitled to receive the following:

 - all valid business expense reimbursements; and
 - all accrued but unused vacation pay.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Rende terminates his employment for “good reason” (as defined in his employment agreement) or is terminated by us without “cause” (as defined in his employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, he will be entitled to receive the following:

Compensation Plans

Non-Equity Compensation Plan

2010 Annual Incentive Bonus Plan

On June 29, 2010, our board of directors adopted the 2010 Annual Incentive Bonus Plan, in which employees selected by our compensation committee will participate. The compensation committee has initially determined that Thomas Lynch and Thomas Rende will participate in the 2010 Annual Incentive Bonus Plan. Under this plan, commencing with the fiscal year ending July 30, 2011, participants will be eligible to receive an annual cash bonus of up to a percentage of the participant's base salary as determined by the compensation committee. The maximum cash bonus award for the named executive officers participating in the 2010 Annual Incentive Bonus Plan, expressed as a percentage of base salary as set forth in their respective employment agreements is as follows: Thomas J. Lynch, 65% and Thomas Rende, 35%.

The bonus payment for each participant is calculated based on two components: (1) our annual financial performance ("Company Performance Component"), representing up to 80% of the total eligible bonus; and (2) the participant's individual performance ("Individual Performance Component"), representing up to 20% of the total eligible bonus. If we achieve less than 80% of the Target Adjusted EBITDA (as defined below), no participant will be eligible to receive any bonus.

Company Performance Component. The Company Performance Component is based upon an evaluation of our Adjusted EBITDA (defined as earnings before interest, taxes, depreciation, amortization, stock compensation expense, any bonus awarded under the plan, and adjustments for non-recurring items as determined by the board of directors) against a target Adjusted EBITDA approved annually by the board of directors ("Target Adjusted EBITDA"). If we achieve 100% or more of the Target Adjusted EBITDA, each participant's total eligible bonus will range from 10% of the total eligible bonus upon achievement of 100% of the Target Adjusted EBITDA up to a maximum of 80% of the total eligible bonus upon achievement of 140% or more of the Target Adjusted EBITDA.

Individual Performance Component. The Individual Performance Component is based on an individual's achievement of performance objectives, as approved annually by the compensation committee. If we achieve 80% or more of the Target Adjusted EBITDA, up to 20% of the participant's total eligible bonus may be paid out upon the achievement of such individual performance objectives.

Equity Compensation Plans

Employee Stock Ownership Plan

Effective December 31, 2007, we decided to terminate our Employee Stock Ownership and Capital Accumulation Plan. As of November 29, 2010, there were no participants or shares remaining in the plan.

On December 13, 1988, our shareholders approved the 1988 Non-Qualified Stock Option Plan covering up to 833,333 shares of common stock to provide an additional continuing form of long-term incentive to selected officers. On September 19, 2006, our board of directors approved the Amended and Restated 1988 Non-Qualified Stock Option Plan, which (i) increased the time period in which an employee terminated for any reason other than death or disability has to exercise the portion of the option which is exercisable on the date of termination from 30 days to 90 days following the date of termination; (ii) provides for continued exercisability of options after termination in the

discretion of the compensation committee as set forth in the stock option agreement at the time of grant; (iii) increased the time period in which an employee terminated due to disability has to exercise the option from 180 days to one year from the date of termination; and (iv) increased the time period in which the legal representative or legatee under the will of an employee who dies within 90 days (instead of 30 days) after the date of termination of employment or while employed by us or a subsidiary has to exercise the decedent employee's option from 180 days to one year from the date of death. Unless terminated by the board, the 1988 Non-Qualified Stock Option Plan shall remain effective until no further options may be granted and all options granted under the 1988 Non-Qualified Stock Option Plan are no longer outstanding. During fiscal year 2010, an option to purchase 100,000 shares was granted to our Chief Financial Officer and options to purchase an aggregate of 110,000 shares were granted to two employees under the 1988 Non-Qualified Stock Option Plan. Shareholders approved the 2000 Performance Equity Plan on November 28, 2000. On January 23, 2008, our shareholders approved the Amended and Restated 2000 Performance Equity Plan, which increased the number of shares of our common stock available for issuance under the plan from 375,000 shares to 2,000,000 shares, added a 500,000 share limit on grants to any individual in any one calendar year in order for the plan to comply with Section 162(m) of the Internal Revenue Code and made other changes to comply with Section 409A of the Internal Revenue Code. The Amended and Restated 2000 Performance Equity Plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until February 21, 2010. To the extent permitted under the provisions of the 2000 Performance Equity Plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price and other conditions of awards. During fiscal years 2010 and 2009, 62,500 and 127,500 options, respectively, were granted to our employees under the 2000 Performance Equity Plan. The 100,000 shares issued to our Chief Financial Officer vest in three installments of 25,000, 25,000 and 50,000 shares on June 1, 2011, 2012 and 2013, respectively, provided the executive is employed by us on each such date. The 75,000 shares issued to one of our employees vest in three installments of 18,750, 18,750 and 37,500 shares on June 24, 2011, 2012 and 2013, respectively, provided the employee is employed by us on each such date.

During the year ended July 25, 2009, we issued, pursuant to the 2000 Performance Equity Plan, 100,000 shares of restricted stock to our Chief Executive Officer. 50,000 shares vested on January 2, 2010 and the remaining 50,000 shares will vest on January 2, 2011, provided that the executive is employed by us on such date.

Our Non-Employee Director Compensation Plan provides that each non-employee director may elect to receive the annual stipend and meeting fees in cash and/or shares of our common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. In addition, on November 8, 2010, we made a one-time issuance of 20,000 shares of fully vested common stock to each of our four non-employee directors under the 2000 Performance Equity Plan. As of November 29, 2010, an aggregate of 381,021 shares of common stock have been issued to non-employee directors under the 2000 Performance Equity Plan.

Amended and Restated 2003 Employee Equity Incentive Plan

FOH Holdings adopted the 2003 Employee Equity Incentive Plan on December 1, 2003. The plan authorized FOH Holdings to issue incentive or nonqualified stock options to its employees and officers. The plan was amended and restated as of December 1, 2006, primarily to increase the number of shares covered under the plan and to permit the issuance of nonqualified stock options to independent directors. On January 28, 2008, the 2003 Employee Equity Incentive Plan and underlying options were assumed by us. As of November 29, 2010, there were options outstanding to purchase an aggregate of 941,208 shares, exercisable at prices ranging from \$1.12 per share to \$4.52 per share of our common stock at a weighted average exercise price of \$2.37 per share. No additional grants may be made under the 2003 Employee Equity Incentive Plan.

2010 Long-Term Incentive Equity Plan

On June 29, 2010, the board of directors adopted the 2010 Long-Term Incentive Equity Plan covering 4,000,000 shares of common stock under which our officers, directors, key employees and consultants are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, stock reload options and other stock based awards. This plan is subject to shareholder approval, which we are seeking to obtain at our next scheduled annual shareholders meeting. The 2010 Long-Term Incentive Equity Plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until June 28, 2020. To the extent permitted under the provisions of the 2010 Long-Term Incentive Equity Plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price and other conditions of awards. During the fiscal year ended July 31, 2010, an option to purchase 600,000 shares was granted to our Chief Executive Officer under the 2010 Long-Term Incentive Equity Plan at an exercise price of \$0.78 per share. The grant of the option is subject to and conditioned upon approval by our shareholders of the 2010 Long-Term Incentive Equity Plan, which we are seeking at the next scheduled annual shareholders meeting. If shareholder approval is not obtained, the option shall be deemed null and void.

Compensation Arrangements for Directors

We pay our non-employee directors in accordance with the terms of our Non-Employee Director Compensation Plan, which was adopted by our board of directors in December 2004 and became effective on January 1, 2005. Under the plan, each non-employee director receives (i) an annual stipend of \$20,000, payable quarterly in arrears, (ii) \$2,000 per day for board or committee meetings attended in person, regardless of the number of meetings held that day and (iii) \$1,000 per meeting for board or committee meetings attended telephonically, unless two or more teleconference call meetings are held back-to-back on the same call, in which case each non-employee director will receive \$1,000 for the entire call. Payment of the annual stipend and meeting fees are made, at the election of each non-employee director, in cash and/or shares of common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. If a non-employee director elects to be paid in stock, either in full or in part, the number of shares of common stock to be issued is determined by dividing the dollar amount of the stipend and meeting fees earned during the quarter (or a percentage thereof, if the non-employee director elects to receive stock payment in part) by the last sale price of our common stock on the last trading day of each calendar quarter in which the fees were earned.

We also pay or reimburse each non-employee director for all transportation, hotel and other expenses reasonably incurred by the non-employee director in connection with attendance at board and committee meetings against itemized reports and receipts submitted with respect to any such expenses and approved in accordance with our customary procedures.

On November 8, 2010, we made a one time issuance of 20,000 shares of fully vested common stock to each of our four non-employee directors under the 2000 Performance Equity Plan.

The following table summarizes the compensation of our non-employee directors for the year ended July 31, 2010. Directors who are employees of our company do not receive separate compensation for their service as a director.

Pursuant to the anti-dilution adjustment provisions contained in the warrants, following the consummation of our private placement to accredited investors on March 16, 2010 (the "Private Placement"), the number of shares of common stock issuable upon exercise of the warrants was increased from an aggregate of 596,592 shares to an aggregate of 635,076 shares and the exercise price was decreased from \$3.52 per share to \$3.31 per share. ITEM 13. – CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Related Party Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee). Related party transactions are defined under SEC rules as transactions in which (1) the aggregate amount involved will or may be expected to exceed the lesser of \$120,000 or one percent of the average of our total assets in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any related party, which includes (a) an executive officer, director or nominee for election as a director, (b) a greater than 5 percent beneficial owner of our common stock, or (c) an immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest. A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The audit committee will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related party, but that director is required to provide the audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire on an annual basis that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related Party Transactions

On May 18, 2010, we completed the transactions contemplated by the Debt Exchange and Preferred Stock Conversion Agreement, dated as of February 1, 2010, with accounts and funds managed by and/or affiliated with Fursa. At the closing, we issued to Fursa an aggregate of 8,664,373 shares of our common stock upon exchange of approximately \$14,285,000 of outstanding secured long-term debt ("Tranche C Debt") and accrued interest, and conversion of approximately \$8,795,000 of Series A Preferred Stock, including accrued dividends, representing all of our outstanding shares of Series A Preferred Stock, at an effective price of approximately \$2.66 per share.

We also issued to Fursa three, five and seven-year warrants, each to purchase 500,000 shares of common stock (for an aggregate of 1,500,000 shares of common stock) at exercise prices of \$2.00, \$2.33 and \$2.66 per share, respectively. The warrants are exercisable for cash or on a cashless basis, at Fursa's option. At any time after the first anniversary of the issuance date, we may redeem the warrants, in whole but not in part, upon not less than 20 business days' written notice to Fursa, at a redemption price of \$0.01 per share, if the last sale price of the common stock is at least 200% of the exercise price of the warrants for 10 consecutive trading days ending on the day prior to the date on which notice of redemption is given to Fursa. Following the transaction, Fursa's aggregate beneficial ownership of our common stock increased from approximately 33% to approximately 47%. As Fursa is a related party, the transaction resulted in an increase to shareholders' equity of \$23,080,000.

Independence of Directors

Our common stock is listed on the NYSE Amex. As a result, we follow the rules of the NYSE Amex in determining whether a director is independent. The board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The current NYSE Amex listing standards define an "independent director" generally as a person, other than an officer or employee of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. As a "smaller reporting company," the NYSE Amex requires that at least 50% of the board of directors be considered independent, as determined by the board. Consistent with these considerations, the board of directors affirmatively has determined that John Eisel, William Harley and Milton Walters will be our independent directors for the ensuing year. The other remaining directors, Thomas Lynch and Linda LoRe, are not independent because they are current employees. Mr. Cole is not independent because he served as an executive officer during fiscal year 2009.

ITEM 14. – PRINCIPAL ACCOUNTANT FEES AND SERVICES

On January 5, 2009, we were notified that, effective December 31, 2008, the shareholders of Mahoney Cohen & Company, CPA, P.C. (“Mahoney Cohen”) became shareholders of Mayer Hoffman McCann P.C. pursuant to an asset purchase agreement and that Mahoney Cohen resigned as our independent registered public accounting firm. The New York practice of Mayer Hoffman McCann P.C. now operates under the name Mayer Hoffman McCann CPAs (“MHM”). In January 2009, the audit committee engaged MHM as our independent registered public accounting firm. The audit report of Mahoney Cohen on our consolidated financial statements as of and for the year ended July 26, 2008 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audit of our consolidated financial statements for the fiscal year ended July 26, 2008 and through Mahoney Cohen’s resignation, there were (i) no disagreements between us and Mahoney Cohen on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Mahoney Cohen, would have caused Mahoney Cohen to make reference to the subject matter of the disagreement in their report on our financial statements for such year and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

During the year ended July 26, 2008 and through the date of MHM’s engagement, we did not consult with MHM regarding any of the matters or reportable events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The following table summarizes the aggregate fees (rounded to the nearest \$1,000) billed to us by Mahoney Cohen and MHM for professional services for the years ended July 31, 2010 and July 25, 2009:
