The Company

The Company is a Nevada-based, gold and silver mining company with extensive, contiguous property in the historic Comstock and the Silver City mining districts (collectively, the “Comstock District”). The Company was incorporated in Florida in 1999 and reincorporated in Nevada in 2008. The Company began acquiring properties and developing projects in the Comstock District in 2003. Since then, the Company has consolidated a substantial portion of the Comstock District, secured permits, built an infrastructure and brought the exploration project into test mining production. The Company produced over 12,000 ounces of gold and over 53,000 ounces of silver from 2004-2006, at our existing heap leach processing facilities. Our test mining activities were concluded in January 2007, when based on our longer-term production plans, we prioritized land consolidation and mine planning.

The goal of our strategic plan is to deliver stockholder value by validating qualified resources (measured and indicated) and reserves (probable and proven) of 3,250,000 gold equivalent ounces by 2013, and commence commercial mining and processing operations with the Lucerne Project during 2011, with annual production rates of at least 20,000 gold equivalent ounces.

The Lucerne Project is located in Storey County, Nevada, approximately three miles south of Virginia City, Nevada and 30 miles southeast of Reno, Nevada. The Dayton Project, the proposed site for our second commercial mining activities, is located in Lyon County Nevada, approximately six miles south of Virginia City. Access to the properties is by State Route 342, a paved highway. The Comstock District is located within the western portion of the Basin and Range Province of Nevada, between Reno and Carson City.

Because of the Comstock District’s historical significance, the geology is well known and extensively studied by the Company, our advisors and many independent researchers. We believe that we have amassed the largest known library of historical and current data and detailed surface mapping of our Comstock properties. We use such data in conjunction with current drilling programs to expand our understanding of the Comstock District’s structural geology as well as its broader geological footprint.

In excess of 800 reverse circulation (RC) and core holes, have been drilled by the Company and our predecessors. The data provided has furthered our knowledge of the region’s mineralization, and provided the information used to develop a starter mine plan in the Lucerne Resource Area. For our exploration and development campaigns, all drilling, surface and down-hole surveying, hole abandonment, geologic logging, sampling, and assays were performed to industry-recognized standards. We also have drill results from an additional 254 holes at the Dayton-Alhambra-Kossuth claims in the Dayton Resource Area.

We continue acquiring additional properties in the Comstock District, expanding our footprint and creating opportunities for exploration and mining. The Company now owns or controls approximately 6,099 acres of lode mining claims in the Comstock District. The acreage is comprised of 999 acres of patented claims (private lands) and 5,100 acres of unpatented claims, the Bureau of Land Management (“BLM”) administers. The Company also owns a heap leach processing facility that will be redesigned and modified to accommodate our new production plans.

On July 21, 2010, we changed our name from “GoldSpring, Inc.” to “Comstock Mining Inc.,” by way of a merger with a wholly owned subsidiary (Comstock Mining Inc.) that was formed solely for the purpose of changing our name.

Strategic Plan

In April 2010, the Board approved a strategic plan designed to restructure and recapitalize the Company, accelerate mine development and production and continue exploration. The principal features of the plan included an operational and management restructuring, a reverse stock split, land acquisitions, a balance sheet restructuring, and an equity raise to fund gold and silver mine operations, exploration and development. The Board also agreed to pursue listing of the Company’s Common Stock on a nationally recognized securities exchange in the United States and Canada. The goal of the strategic plan is to deliver stockholder value by validating qualified resources (at least measured and indicated) and reserves (probable and proven) of 3,250,000 gold equivalent ounces by 2013, and commence commercial mining and processing operations during 2011, with annual production rates of at least 20,000 gold equivalent ounces.

As part of the strategic plan, the Company has scheduled the exploration and development drilling intended to validate mine design and identify qualified resources and reserves with three intermediate objectives of validating measured and indicated resources containing 1,000,000 gold equivalent ounces, 1,500,000 gold equivalent ounces, and 2,000,000 gold equivalent ounces, respectively, and the long term planned objective of 3,250,000 gold equivalent ounces to be achieved in 2013, with an annual run rate of at least 20,000 gold equivalent ounces. The Company has already met the first exploration objective. The Company has also scheduled the start of production operations in 2011, initially using existing heap leach operating assets.

The sellers may also sell shares under Rule 144 under the Securities Act of 1933, as amended (the “Securities Act”), if available, rather than under this prospectus.

Broker-dealers engaged by the sellers may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the sellers (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with the rules of the Trading Market or other stock exchange on which the Common Stock is traded.

In connection with the sale of the Common Stock or interests therein, the sellers may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The sellers may also sell shares of the Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The sellers may also loan or pledge shares of Common Stock to broker-dealers that in turn may sell such shares. The sellers may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The sellers and any broker-dealers or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

The Company is required to pay certain fees and expenses incurred by the Company incident to the registration of the shares. The Company has agreed to indemnify the sellers against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

We agreed to keep this prospectus effective until the earlier of (i) the date on which the shares may be resold by the sellers without registration and without regard to any volume limitations by reason of Rule 144(e) under the Securities Act or any other rule of similar effect or (ii) all of the shares have been sold pursuant to the prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale

shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the Common Stock for a period of two business days prior to the commencement of the distribution. In addition, the sellers will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of the Common Stock by the sellers or any other person. At the time a particular offering of the shares of Common Stock is made, a prospectus supplement, if required as determined by the Company in its sole discretion, will be distributed which will set forth the aggregate amount of shares of Common Stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the sellers and any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers. We will make copies of this prospectus available to the sellers and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale unless exempted from the prospectus delivery requirement.

The sellers may pledge or grant a security interest in some or all of the shares of Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of Common Stock from time to time pursuant to this prospectus or any amendment or supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of sellers to include the pledgee, transferee or other successors in interest as sellers under this prospectus. The sellers also may transfer and donate the shares of Common Stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

There can be no assurance that any sellers will sell any or all of the shares of Common Stock registered pursuant to the registration statement, of which this prospectus forms a part.

Once sold under the registration statement, of which this prospectus forms a part, the shares of Common Stock will be freely tradable in the hands of persons other than our affiliates.

We will not receive any of the proceeds from the sale by the sellers of the shares of Common Stock. We will pay all expenses of the registration of the shares of Common Stock pursuant to the registration rights agreement, including, without limitation, Securities and Exchange Commission filing fees and expenses of compliance with state securities or "blue sky" laws; provided, however, that a sellers will pay all underwriting discounts and selling commissions, if any.

Offers by the Company

We may sell the securities covered by this prospectus from time to time. Registration of the securities covered by this prospectus does not mean, however, that those securities will necessarily be offered or sold. We may sell the securities separately or together: through one or more underwriters in a public offering and sale by them; directly to investors (in those jurisdictions where we are authorized to do so); through agents; or through a combination of any of these methods of sale. We may sell the securities from time to time: in one or more transactions at a fixed price or prices, that may be changed from time to time; at market prices prevailing at the time of sale; at prices related to prevailing market prices; or at negotiated prices. We will describe the method of distribution of the securities and the terms of the offering in the applicable prospectus supplement.

If underwriters are used for the sale of any securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions described above. The securities may be either offered to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. Generally, the underwriters' obligations to purchase the securities will be subject to conditions precedent and the underwriters will be obligated to purchase all of the securities if they purchase any of the securities. We may

grant underwriters who participate in the distribution of securities an option to purchase additional securities in connection with the distribution. Any underwriter or agent involved in the offer and sale of the securities will be named in the related prospectus supplement.

Underwriters may offer and sell the securities at a fixed price or prices that may be changed, at market prices prevailing at the time of sale, at prices related to prevailing market prices, or at negotiated prices. We also may, from time to time, authorize dealers, acting as our agents, to offer and sell the securities upon the terms and conditions described in the related prospectus supplement. Underwriters may receive compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the securities for whom they may act as agent. Underwriters may sell the securities to or through dealers, and the dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions, which may be changed from time to time, from the purchasers for whom they may act as agents.

Any underwriting compensation paid by us to underwriters or agents in connection with the offering of the securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be stated in the related prospectus supplement. Dealers and agents participating in the distribution of the securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the securities may be deemed to be underwriting discounts and commissions under the applicable securities laws.

Shares of our Common Stock are quoted on the NYSE AMEX. In connection with any offering of securities, the underwriters may purchase and sell securities in the open market and engage in over-allotment transactions, short-covering transactions, penalty bids and stabilizing transactions in accordance with Regulation M under the Exchange Act. Over-allotment involves sales of securities in excess of the offering size of securities to be purchased by the underwriters in an offering, which creates a short position for the underwriters. Short-covering transactions involve purchases of the securities in the open market after the distribution has been completed in order to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a covering transaction to cover short positions. Stabilizing transactions consist of certain bids or purchases of securities made for the purpose of preventing or retarding a decline in the market price of the securities while the offering is in progress. Any of these activities may have the effect of preventing or retarding a decline in the market price of the securities being offered. They may also cause the price of the securities being offered to be higher than the price that otherwise would exist in the open market in the absence of these transactions. The underwriters may conduct these transactions in the over-the-counter market or otherwise. If the underwriters commence any of these transactions, they may discontinue them at any time. We make no representation as to the direction or magnitude of any affect that such transactions may have on the price of the securities.

Underwriters, dealers and agents may be entitled, under agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments made by such underwriters, dealers or agents related to such civil liabilities.

Certain of the underwriters, dealers or agents and their associates may engage in transactions with, and perform other services for us in the ordinary course of business for which they may receive compensation.

Our Articles of Incorporation and Bylaws provide for the indemnification of a present or former director or officer. We indemnify any director, officer, employee or agent who is successful on the merits or otherwise in defense on any action or suit. Such indemnification shall include, but not necessarily be limited to, expenses, including attorney's fees actually or reasonably incurred by him. Nevada law also provides for discretionary indemnification for each person who serves as or at our request as an officer or director. We may indemnify such individual against all costs, expenses and liabilities incurred in a threatened, pending or completed action, suit or proceeding brought because such individual is a director or officer. Such individual must have conducted himself in good faith and reasonably believed that his conduct was in, or not opposed to, our best interests. We shall provide to any person who is or was a director, officer, employee or agent of us or is or was serving at our request as a director, officer, employee or agent of the corporation, partnership, joint venture, trust or enterprise, the indemnity against expenses of a suit, litigation or other proceedings which is specifically permissible under applicable law.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the registrant is relying on Rule 430B:

A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

- (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or
- (ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide

offering thereof.

II-3

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

II-4

SIGNATURES
