**Item 1.01. Entry into a Material Definitive Agreement.**

On August 27, 2012, Navidea Biopharmaceuticals, Inc. (the “Company”) entered into an agreement with Eric K. Rowinsky, M.D., a member of the Company's board of directors, pursuant to which Dr. Rowinsky will provide the Company with consulting services during the period from August 1, 2012, through January 31, 2013 (the “Consulting Agreement”). Either the Company or Dr. Rowinsky may terminate the Consulting Agreement with ten (10) business days’ prior written notice to the other. Early termination of the Consulting Agreement by the Company will not relieve the Company of any liability for payment of fees that accrued prior to the date of termination. Dr. Rowinsky will perform the following duties pursuant to the terms of the Consulting Agreement: (1) medical, clinical development, strategic support to business development objectives focusing on new product assessments for in-licensing, M&A prospects and territory deals pertaining to existing products; (2) clinical development support with a particular focus on Lymphoseek development (Europe/ROW, current usage of sentinel node mapping/product in melanoma and breast cancer; expansion of studies into head and neck, GI, other tumor types), RIGS development and new products; (3) assisting with formation of the company's Scientific/Medical Advisory Board and ad hoc medical advisory groups (e.g. Key Opinion Leader cultivation); and (4) assisting with investor relations, roadshows, presentations and financings.

In exchange for performing the consulting services, the Consulting Agreement provides for Dr. Rowinsky to receive 13,764 options to purchase common stock of the Company at an exercise price of \$3.61 per share. The options will vest one sixth per month for each month the Consulting Agreement is in effect. This option grant is intended to represent payment for an average of two (2) days per month of consulting services during the six month period of the Consulting Agreement, and the Company must pre-approve the rendering of any consulting services in excess of four days in any given month. In the event that consulting services rendered by Dr. Rowinsky pursuant to the Consulting Agreement total more than twelve (12) days, the Company will determine an amount of compensation for Dr. Rowinsky for authorized services at a rate consistent with that otherwise provided for in the Consulting Agreement, payable in cash or stock options, at the option of the Company.

The foregoing description of the Consulting Agreement is qualified in its entirety by reference to the full text of the Consulting Agreement, a copy of which is attached hereto as Exhibit 10.1 and which is incorporated herein by reference.
